The Book of Zechariah Mark J. Boda 2016 Over the years, Zechariah has suffered from many accusations of obscurity and has frustrated readers seeking to unlock its treasures. This commentary by Mark Boda provides clear insight into Zechariah's meaning with sensitivity to the historical, literary, and theological dimensions of this prophetic book of the Bible. Boda presents a fresh translation of Zechariah based on the original Hebrew and offers detailed commentary to justify his translation and highlight the key themes of each passage. He addresses controversies surrounding the book even as he orients readers to the overall flow of the text and its theological significance. A valuable tool for preaching and teaching, this new commentary supplies deep and thorough reflection on a too-often-neglected book of the Old Testament.

When Angels Cry Robert Wright 2006 This book culminates years of study and research by its writer, Robert Wright. While still a child, Robert, intrigued by discussions held by his parents and family friends as they celebrated the Sabbath hours on Friday evenings and Saturdays, developed a love for Bible prophecy and history. Educated in both public and private Christian schools, Robert has a Masters degree in Educational Psychology. Of his many interests, Bible prophecy is his passion. In this book, the writer examines Seventh-day Adventists beliefs concerning Babylon the Great. He addresses the issues head-on, challenging traditional views, providing alternative perspectives, yet leaving in tact the essential truths espoused by the church regarding the Papacy. The symbols of Revelation 12, 17, and 18 are re-examined as the writer presents evidence that suggests Babylon the Great does not symbolize the Papacy as traditionally taught. This book offers a bible-based defense of what Babylon symbolizes. Most importantly, this book encourages the reader to rely on the Bible as its own expositor, the only source upon which to establish faith as it introduces compelling insights regarding the message of the angel of Revelation 18. The message of this angel, the fourth angel's message, accompanied by the outpouring of the Latter Rain, represents God's final warning to the inhabitants of a planet destined for destruction. Yet at the same time, the message offers hope, a means of escape for all people that heed the Divine invitation to come out of Babylon. Angels Tapping at the Wine-Shop's Door Rudi Matthee 2023-04-20 Islam is the only major world religion that resists the juggernaut of alcohol

consumption. In many Islamic countries, alcohol is banned; in others, it plays little role in social life. Yet, Muslims throughout history did drink, often to excess—whether sultans and shahs in their palaces, or commoners in taverns run by Jews or Christians. This evocative study delves into drinking's many historic, literary and social manifestations in Islam, going beyond references to 'hypocrisy' or the temptations of 'forbidden fruit'. Rudi Matthee argues that alcohol, through its 'absence' as much as its presence, takes us to the heart of Islam. Exploring the long history of this faith—from the eight-century Umayyad dynasty to Erdogan's Turkey, and from Islamic Spain to modern Pakistan—he unearths a tradition of diversity and multiplicity in which Muslims drank, and found myriad excuses to do so. They celebrated wine and used it as a poetic metaphor, even viewing alcohol as a gift from God—the key to unlocking eternal truth. Drawing on a plethora of sources in multiple languages, Matthee presents Islam not as an austere and uncompromising faith, but as a set of beliefs and practices that embrace ambivalence, allowing for ambiguity and even contradiction.

Angels and Demons offers a series of profiles of historical figures both old and new. Using a Marxist analysis, the author adduces the particularities of each individual personality from the crest of living history which brings it to the fore, showing with each of the figures examined how the art, politics and creativity of their lives is infused by the rhythm and contradictions of the broader historical backdrop. The angels in the collection are Hugo Chavez, Andrea Dworkin, Rembrandt, Victor Hugo, Jeremy Corbyn and William Blake. The demons are Donald Trump, Christopher Hitchens, Arthur Schopenhauer and Hillary Clinton.

Angel Auberon "The Angel Chronicles tells the romantic tale of the beginning of human life and of the angels' concern for human beings that resulted in their forming an assembly of Guardian Angels. If you believe in angels, all the better. But, even if you do not believe in angels, and see them only as a symbol of beauty and perfection, you will want to read this book. In the context of an enchanting story beautifully told you will find many insights into human psychology and the human spirit. This unusual and inspiring book is a must for everyone." Hemmings P.G. Knight*** "The Angel Chronicles is magic. It is a small book of big believing...it can change your life." Micheline Renauld*** The Angel Chronicles Books I-V The Guardian Angels by the Angel Auberon *** Auberon's Words of Introduction At the very beginning God asked the Angel Auberon, the most noble of the Principalities, to chronicle the events of all time. Auberon did as he was asked. In the year 2001 Auberon requested permission to come to Earth to tell his story. Auberon came to us at The White Notebook (R) Library, entrusting us with the story he wished to give to those who lived on Earth. The story he left behind is one of love and of angel beneficence. It is entitled The Angel Chronicles. In his book, Auberon describes how the world was created, how human life on Earth began and how the angels forever found ways to make a meaningful contribution to human beings. We at The White Notebook felt that Auberon left us with not only his words but with a greater respect for our potential as human beings, with intelligent optimism and, for many of us, a return to hopefulness. *** We have listed for you below the Table of Contents and synopsis related to Book I. Book I The Primary Angels The Existence of Angels God Creates the Earth Silvend Names the Constellations The Twin Angels The Assignment of Guardian Angels The Guardian Angels According to Day of Birth The Angels in Guardianship of Domestic Pets The Primary Angels God decided that the time had come to create a universe of worlds. In it would be a planet called Earth. God sent the angels out from their home in the beyondness for He had decided that the Earth would be sung into existence by them. The angels set to begin their work. Their finely feathered wings carried them in flight until they reached the center of the vast space of time. There they stopped. They breathed their beautiful breaths as they looked about and considered what they were to accomplish. The angels first sang into existence the planets and stars and the sun and the moon. They next sang their angel music until the Earth was made. All things upon the Earth the angels next sang into being, the mountains and rivers, and also the variety of creatures God wished to inhabit the Earth. In this way the entire physical world emanated from purely spiritual beings: God and His angel emissaries. The angels thought they might rest. But Michael the Archangel came to them in a dream to remind them that they were also to sing into life the most wondrous of all creatures, the human beings. The angels were astonished. Nonetheless, they sang the most beautiful of alleluias and human beings were brought into existence. When the angels saw the first human beings walk about the Earth, they fell in love. It was inevitable that the angels would fall in l

Angels Elect and Evil C Fred Dickason 1995-10-01 What are angels like? How many kinds are there? Are mental disorders caused by their influence? Long favored by scholars, this classic has now been rewritten to give us accessible scriptural answers to our questions about the spirit world.

The Elected Lonny Lee 2004 Deep beneath the city of Jerusalem lies a stone fortress. In this lair hides an evil about to be unleashed upon the world by the Prince of Darkness. This immortal army has been created for one purpose, to prevent the Messiah from fulfilling his eternal destiny, but God has chosen The Elected to stand beside the Messiah to protect him from Satan's plan. This child, orphaned at birth, is unaware that his father is an Angel. Our story follows Caleb through his life as he grows stronger physically and spiritually, and becomes a mighty warrior of God. Truth and fiction are interwoven to paint a picture of the life of Jesus and possible dangers awaiting him throughout his life on earth. Our young hero stands in the gap between good and evil. Believing he has lost to Satan at the crucifixion, he is overwhelmed at the reality of Christ's resurrection. The Elected is filled with biblical doctrine. It walks with Jesus through His ministry and His last weeks on earth. You see every detail of the trials, beatings, and the crucifixion as if you were there. The book is filled with hope and positive virtues that transcend all time.

She claimed she didn't want him to be born overseas. And, she almost got her wish, as that child had the umbilical cord wrapped around his neck in the womb. The American military doctor recognized this fact when his mother pushed to get him out of her. With every push, his vital signs weakened. Two weeks prior that doctor had another child that died because the cord was around its neck as well. The doctor knew what to do this time. Sound Doctrine For Today's Christians; What the bible says Rev. Preston N. Jr. Tolliver 2009-08-17 Sound Doctrine for Today's Christians addresses a multitude of today's issues from a scriptural stand point. The author relies upon the scriptures to provide the commentary as chapter after chapter of Biblical clarity is given to provide sound doctrine for the reader. The end result is a forthright scriptural presentation in complete thoughts as referenced from the King James Version (exclusively) of the Bible. There are forty chapters presented that cover a gamut of topics from the reasons for reading the Bible to faith issues, differentiation of Christianity in terms of denominations and from other religions, personal life choices and the choices of a nation. Profound statement after statement is presented with the irrefutable clarity of the scriptural basis provided for each statement. This book provides a basis for Biblical doctrine examination and well as an awesome evangelistic thrust.

Related Worlds - Studies in Jewish and Arab Ancient and Early Medieval History Moshe Gil 2023-07-28 An element common to all the articles collected here is the attempt to make parallel use of sources from different cultures - Biblical and Talmudic Hebrew, Greek and Latin, Arabic and Judaeo-Arabic - comparing these different but complementary sources in the investigation of topics in Jewish and Arabic history. In the first studies Professor Gil deals primarily with the Roman and Byzantine periods, elucidating how a Biblical term was understood, the historical significance of passages from the Mishna, and the origins of the Book of Enoch. The next group is concerned with the history of early Islam, during the years in which the Prophet Muhammad lived and worked, and later traditions of this period. The final studies are based specifically on sources from the Cairo Geniza, and examine a term of Greek origin and questions of taxation and commerce.

Then she went and did the craziest thing of all...she fell in love. Case files are being altered and prisoners are going missing. An inside-person may be working behind the scenes. How long can she pull a thread, before the whole thing unravels?
