Summer on the Bluffs Sunny Hostin 2021-05-04 New York Times Bestseller! The View cohost and New York Times bestselling author Sunny Hostin dazzles with this brilliant novel about a life-changing summer along the beaches of Martha's Vineyard. Welcome to Oak Bluffs, the most exclusive Black beach community in the country. Known for its gingerbread Victorian-style houses and modern architectural marvels, this picturesque town hugging the sea is a mecca for the crème de la crème of Black society—where Michelle and Barack Obama vacation and Meghan Markle has shopped for a house for her mom. Black people have lived in this pretty slip of the Vineyard since the 1600s and began buying property in the 1800s, making this posh town the embodiment of “old money.” Thirty years ago, Amelia Vaux Tanner and her husband built a house high on the bluffs, a cottage they named Chateau Laveau. For decades, “Ama” played host to American presidents, Wall Street titans, and cultural icons. But her favorite guests have always been her three “goddaughters:” Esperanza “Perry” Soto, a beautiful, talented Afro-Latina lawyer with Ama’s strong, yet guarded personality; Olivia Jones, a gifted Wall Street analyst with Ama’s brilliant, logical mind; and Billie Hayden, a gifted marine biologist and rule-breaker with Ama’s courageous free spirit. Growing up, these three goddaughters from different backgrounds came together each summer at Chateau Laveau. As adults, the cottage is a place this trio of successful yet very different women go to escape, to slow down from their hectic lives, share private time with Ama, and enjoy the gorgeous weather, cool water, and stunning views Oak Bluffs offers. This summer on the Bluffs, however, will be different. An era is ending: Ama, now nearing seventy-one, is moving to the south of France to reunite with her college sweetheart. She has invited Perry, Olivia, and Billie to spend one last golden summer together with her the way they did when they were kids. And when fall comes, she is going to give the house to one of them. Each of the women wants the house desperately. Each is grappling with a secret she fears will hurt her and her chances. By the end of summer, old ties will fray, new bonds will be created, and these three found sisters will discover they aren’t the only ones with something to hide. Ama has a few secrets of her own. What she has to give them is far more than property. Between Memorial Day and Labor Day, she will tell these surrogate daughters she fiercely loves and protects everything they never knew they needed to know.

As a young girl, Katherine Johnson showed an exceptional aptitude for math. In school she quickly skipped ahead several grades and was soon studying complex equations with the support of a professor who saw great promise in her. But ability and opportunity did not always go hand in hand. As an African American and a girl growing up in an era of brutal racism and sexism, Katherine faced daily challenges. Still, she lived her life with her father’s words in mind: “You are no better than anyone else, and nobody else is better than you.” In the early 1950s, Katherine was thrilled to join the organization that would become NASA. She worked on many of NASA’s biggest projects including the Apollo 11 mission that landed the first men on the moon. Katherine Johnson’s story was made famous in the bestselling book and Oscar-nominated film *Hidden Figures*. Now in *Reaching for the Moon* she tells her own story for the first time, in a lively autobiography that will inspire young readers everywhere.

Nineveh—there’s a close-knit community of African American elites who escape the city and enjoy the beautiful warm weather and beaches at their vacation homes. Since the 1930s, very few have known about this Historically Black Beachfront Community in this part of the Hamptons on Long Island, and the residents like it that way. That is, until real estate developers discover the hidden gem. And now, the residents must fight for the soul of this HBBC. Against the odds, Olivia Jones has blazed her own enviable career path and built her name in the finance world. But hidden behind the veneer of her success, there is a gaping hole. Mourning both the loss and the betrayal of Omar, a surrogate father to her and her two godsisters, Olivia is driven to solve the mystery of what happened to her biological father, a police officer unjustly killed when she was a little girl. Untethered from her life in New York City, Olivia moves to a summer home in Sag Harbor and begins forging a new community out in this HBBC. Friendships blossom with Kara, an ambitious art curator; and Whitney, the wife of an ex-basketball player and current president of the Sag Harbor Homeowners Association; and a sexy new neighbor and single father, Garrett, who makes her reconsider her engagement with Anderson. She also takes to a kind, older gentleman named Mr. Whittingham, but soon discovers he too is not without his own troubles. As the summer stretches on, each relationship teaches her more about who she really is. Though not without cost, Olivia’s search for her authentic identity in the secret history of her family of origin and her fight to preserve her new Black utopia, will lead her to redefine the meaning of love, friendship, community, and family—and restore her faith in herself, her relationships, and her chosen path.

The View from Saturday E.L. Konigsburg 2010-12-21 HOW HAD MRS. OLINSKI CHOSEN her sixth-grade Academic Bowl team? She had a number of answers. But were any of them true? How had she really chosen Noah and Nadia and Ethan and Julian? And why did they make such a good team? It was a surprise to a lot of people when Mrs. Olinski's team won the sixth-grade Academic Bowl contest at Epiphany Middle School. It was an even bigger surprise when they beat the seventh grade and the eighth grade, too. And when they went on to even greater victories, everyone began to ask: How did it happen? It happened at least partly because Noah had been the best man (quite by accident) at the wedding of Ethan's grandmother and Nadia's grandfather. It happened because Nadia discovered that she could not let a lot of baby turtles die. It happened when Ethan could not let Julian face disaster alone. And it

happened because Julian valued something important in himself and saw in the other three something he also valued. Mrs. Olinski, returning to teaching after having been injured in an automobile accident, found that her Academic Bowl team became her answer to finding confidence and success. What she did not know, at least at first, was that her team knew more than she did the answer to why they had been chosen. This is a tale about a team, a class, a school, a series of contests and, set in the midst of this, four jewel-like short stories -- one for each of the team members -- that ask questions and demonstrate surprising answers.

about what we don't understand, and our attempts to make sense of our world nonetheless One long night in August, Arne and Tove are staying with their children in their summer house in southern Norway. Their friend Egil has his own place nearby. Kathrine, a priest, is flying home from a Bible seminar, questioning her marriage. Journalist Jostein is out drinking for the night, while his wife, Turid, a nurse at a psychiatric care unit, is on a night shift when one of her patients escapes. Above them all, a huge star suddenly appears blazing in the sky. It brings with it a mysterious sense of foreboding. Strange things start to happen as nine lives come together under the star. Hundreds of crabs amass on the road as Arne drives at night; Jostein receives a call about a death metal band found brutally murdered in a Satanic ritual; Kathrine conducts a funeral service for a man she met at the airport – but is he actually dead? *The Morning Star* is about life in all its mundanity and drama, the strangeness that permeates our world, and the darkness in us all. Karl Ove Knausgaard's astonishing new novel, his first after the *My Struggle* cycle, goes to the utmost limits of freedom and chaos, to what happens when forces beyond our comprehension are unleashed and the realms of the living and the dead collide.

An American Summer Alex Kotlowitz 2019-03-05 2020 J. ANTHONY LUKAS PRIZE WINNER From the bestselling author of *There Are No Children Here*, a richly textured, heartrending portrait of love and death in Chicago's most turbulent neighborhoods. The numbers are staggering: over the past twenty years in Chicago, 14,033 people have been killed and another roughly 60,000 wounded by gunfire. What does that do to the spirit of individuals and community? Drawing on his decades of experience, Alex Kotlowitz set out to chronicle one summer in the city, writing about individuals who have emerged from the violence and whose stories capture the capacity--and the breaking point--of the human heart and soul. The result is a spellbinding collection of deeply intimate profiles that upend what we think we know about gun violence in America. Among others, we meet a man who as a teenager killed a rival gang member and twenty years later is still trying to come to terms with what he's done; a devoted school social worker struggling with her favorite student, who refuses to give evidence in the shooting death of his best friend; the witness to a wrongful police shooting who can't shake what he has seen; and an aging former gang leader who builds a place of refuge for himself and his friends. Applying the close-up, empathic reporting that made *There Are No Children Here* a modern classic, Kotlowitz offers a piercingly honest portrait of a city in turmoil. These sketches of those left standing will get into your bones. This one summer will stay with you.

The Boys of Summer Roger Kahn 2013-08-01 This is a book about young men who learned to play baseball during the 1930s and 1940s, and then went on to play for one of the most exciting major-league ball clubs ever fielded, the team that broke the colour barrier with Jackie Robinson. It is a book by and about a sportswriter who grew up near Ebbets Field, and who had the good fortune in the 1950s to cover the Dodgers for the Herald Tribune. This is a book about what happened to Jackie, Carl Erskine, Pee Wee Reese, and the others when their glory days were behind them. In short, it is a book fathers and sons and about the making of modern America. 'At a point in life when one is through with boyhood, but has not yet discovered how to be a man, it was my fortune to travel with the most marvelously appealing of teams.' Sentimental because it holds such promise, and bittersweet because that promise is past, the first sentence of this masterpiece of sporting literature, first published in the early '70s, sets its tone. The team is the mid-20th-century Brooklyn Dodgers, the team of Robinson and Snyder and Hodges and Reese, a team of great triumph and historical import composed of men whose fragile lives were filled with dignity and pathos. Roger Kahn, who covered that team for the New York Herald Tribune, makes understandable humans of his heroes as he chronicles the dreams and exploits of their young lives, beautifully intertwining them with his own, then recounts how so many of those sweet dreams curdled as the body of these once shining stars grew rusty with age and battered by experience.

The Summer Place Jennifer Weiner 2023-04-04 From the #1 New York Times bestselling author of *That Summer* comes another "fun, feisty" (*The Washington Post*) novel of family, secrets, and the ties that bind. When her twenty-two-year-old stepdaughter announces her engagement to her pandemic boyfriend, Sarah Danhauser is shocked. But the wheels are in motion. Headstrong Ruby has already set a date (just three months away!) and spoken to her beloved safta, Sarah's mother Veronica, about having the wedding at the family's beach house in Cape Cod. Sarah might be worried, but Veronica is thrilled to be bringing the family

together one last time before putting the big house on the market. But the road to a wedding day usually comes with a few bumps. Ruby has always known exactly what she wants, but as the wedding date approaches, she finds herself grappling with the wounds left by the mother who walked out when she was a baby. Veronica ends up facing unexpected news, thanks to her meddling sister, and must revisit the choices she made long ago, when she was a bestselling novelist with a different life. Sarah's twin brother, Sam, is recovering from a terrible loss, and confronting big questions about who he is—questions he hopes to resolve during his stay on the Cape. Sarah's husband, Eli, who's been inexplicably distant during the pandemic, confronts the consequences of a long ago lapse from his typical good-guy behavior. And Sarah, frustrated by her husband, concerned about her stepdaughter, and worn out by the challenges of the quarantine, faces the alluring reappearance of someone from her past and a life that could have been. When the wedding day arrives, lovers are revealed as their true selves, misunderstandings take on a life of their own, and secrets come to light. There are confrontations and revelations that will touch each member of the extended family, ensuring that nothing will ever be the same. From "the undisputed boss of the beach read" (The New York Times), *The Summer Place* is a testament to family in all its messy glory; a story about what we sacrifice and how we forgive. Enthralling, witty, big-hearted, and sharply observed, "this first-rate page-turner" (Publishers Weekly) is Jennifer Weiner's love letter to the Outer Cape and the power of home, the way our lives are enriched by the people we call family, and the endless ways love can surprise us.

A weekend to get it right. They say you can never go home again, and for Persephone Fraser, ever since she made the biggest mistake of her life a decade ago, that has felt too true. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends, and keeping everyone a safe distance from her heart. Until she receives the call that sends her racing back to Barry's Bay and into the orbit of Sam Florek—the man she never thought she'd have to live without. For six summers, through hazy afternoons on the water and warm summer nights working in his family's restaurant and curling up together with books—medical textbooks for him and work-in-progress horror short stories for her—Percy and Sam had been inseparable. Eventually that friendship turned into something breathtakingly more, before it fell spectacularly apart. When Percy returns to the lake for Sam's mother's funeral, their connection is as undeniable as it had always been.
