

# Quiet Moments In A War

Unveiling the Power of Verbal Art: An Mental Sojourn through **Quiet Moments In A War**

In a global inundated with monitors and the cacophony of fast interaction, the profound power and psychological resonance of verbal artistry frequently fade into obscurity, eclipsed by the regular onslaught of sound and distractions. However, nestled within the musical pages of **Quiet Moments In A War**, a fascinating perform of fictional elegance that impulses with fresh thoughts, lies an unique journey waiting to be embarked upon. Composed by a virtuoso wordsmith, that interesting opus guides visitors on an emotional odyssey, softly exposing the latent possible and profound impact embedded within the complicated web of language. Within the heart-wrenching expanse of this evocative evaluation, we can embark upon an introspective exploration of the book is key themes, dissect its captivating publishing type, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.

**At the Existentialist Café** Sarah Bakewell  
2016-03-01 Named one of the Ten Best Books of  
2016 by the New York Times, a spirited account  
of a major intellectual movement of the

twentieth century and the revolutionary thinkers  
who came to shape it, by the best-selling author  
of *How to Live* Sarah Bakewell. Paris, 1933:  
three contemporaries meet over apricot  
cocktails at the Bec-de-Gaz bar on the rue

Montparnasse. They are the young Jean-Paul Sartre, Simone de Beauvoir, and longtime friend Raymond Aron, a fellow philosopher who raves to them about a new conceptual framework from Berlin called Phenomenology. "You see," he says, "if you are a phenomenologist you can talk about this cocktail and make philosophy out of it!" It was this simple phrase that would ignite a movement, inspiring Sartre to integrate Phenomenology into his own French, humanistic sensibility, thereby creating an entirely new philosophical approach inspired by themes of radical freedom, authentic being, and political activism. This movement would sweep through the jazz clubs and cafés of the Left Bank before making its way across the world as Existentialism. Featuring not only philosophers, but also playwrights, anthropologists, convicts, and revolutionaries, *At the Existentialist Café* follows the existentialists' story, from the first rebellious spark through the Second World War, to its role in postwar liberation movements such

as anti-colonialism, feminism, and gay rights. Interweaving biography and philosophy, it is the epic account of passionate encounters--fights, love affairs, mentorships, rebellions, and long partnerships--and a vital investigation into what the existentialists have to offer us today, at a moment when we are once again confronting the major questions of freedom, global responsibility, and human authenticity in a fractious and technology-driven world.

*War & Homecoming* Travis L. Martin 2022-07-26  
In *War & Homecoming: Veteran Identity and the Post-9/11 Generation*, Travis L. Martin explores how a new generation of veterans is redefining what it means to come home. More than 2.7 million veterans served in Iraq and Afghanistan. Their homecomings didn't include parades or national celebrations. Instead, when the last US troops left Afghanistan, American veterans raised millions of dollars for the evacuation of Afghan refugees, especially those who'd served alongside them. This brand of selflessness is one

Downloaded from  
[blog.stephenmasker.com](http://blog.stephenmasker.com) on 2022-10-25  
by guest

reason civilians regard veterans with reverence and pride. The phrase "thank you for your service" is ubiquitous. Yet, one in ten post-9/11 veterans struggles with substance abuse. Fifteen to twenty veterans die by suicide every day. Veterans aged eighteen to thirty-four die at the highest rates, leading advocates to focus on concepts like moral injury and collective belonging when addressing psychic wounds. Martin argues that many veterans struggle due to decades of stereotyping and a lack of healthy models of veteran identity. In the American unconscious, veterans are treated as either the superficially praised "hero" or the victimized "wounded warrior," forever defined by past accomplishments. They are often appropriated as symbols in competing narratives of national identity. War & Homecoming critically examines representations of veterans in patriotic rhetoric, popular media, literature, and the lives of those who served. From this analysis, a new veteran identity emerges—veterans as storytellers who

reject stereotypes, claim their symbolic authority, and define themselves through literature, art, and service. Their dynamic approach to life after military service allows for continued growth, agency, individuality, and inspiring examples of resilience for others.

**The Tomato War and Theomachy** Edmond Y Nicolas 2004-11 The Tomato War and Theomachy is a tale of romance and history. Author Edmond Nicolas paints a portrait of life in Rasha, his small village that is located in the mountains of rural Lebanon. From there, he chronicles the yesteryears, tying together the repetitive effects of history and warfare in the Middle East. Nicolas moves through to 1975, when suddenly Lebanon was at war, and the Christian peoples were forced to defend their lives at the outskirts of their villages. They suffered and fought alone for their freedom against the same terror that the world witnessed on 9/11.

Thirties: The Evacuation is a nonfiction that follows William's journey from Stoke Newington in London to the rural settings of Hertfordshire and the family who adopted him. It shares William's laughter and tears and true stories from the war years, including the young American pilots who were based locally and the British Army girls who fell in love with them. *War Stories* Andrew Liptak 2014 In *War Stories: New Military Science Fiction*, editors Andrew Liptak and Jaym Gates collects short stories by science fiction and fantasy authors dealing with the effects of war prior, during, and after battle to soldiers and their families. War is everywhere. Not only among the firefights, in the sweat dripping from heavy armor and the clenching grip on your weapon, but also wedging itself deep into families, infiltrating our love letters, hovering in the air above our heads. It's in our dreams and our text messages. At times it roars with adrenaline, while at others it slips in silently so it can sit beside you until you forget

it's there. Join Joe Haldeman, Linda Nagata, Karin Lowachee, Ken Liu, Jay Posey, and more as they take you on a tour of the battlefields, from those hurtling through space in spaceships and winding along trails deep in the jungle with bullets whizzing overhead, to the ones hiding behind calm smiles, waiting patiently to reveal itself in those quiet moments when we feel safest. *War Stories* brings us 23 stories of the impacts of war, showcasing the systems, combat, armor, and aftermath without condemnation or glorification. Instead, *War Stories* reveals the truth. War is what we are. Table of Contents: Foreword -- Gregory Drobný Graves -- Joe Haldeman Part 1: Wartime Systems In the Loop -- Ken Liu Ghost Girl -- Rich Larson The Radio -- Susan Jane Bigelow Contractual Obligation -- James L. **Inside Television's First War** Ron Steinman  
2002 Steinman describes his experiences as  
head of the NBC news bureau in Saigon from  
1966 to 1968, and he writes of how the war  
changed the news coverage of battle to a home  
audience.

**The World of the Civil War [2 volumes]** Lisa .  
Tendrich Frank 2015-07-28 Covering everything  
from the arts to food and drink, religion, social  
customs, and technology, this two-volume set  
provides an in-depth, accessible look at the  
social, cultural, economic, and political aspects

of the American Civil War. The American Civil  
War caused dramatic changes in every aspect of  
life and society, affecting combatants and  
noncombatants at all levels of the socioeconomic  
scale. The World of the Civil War: A Daily Life  
Encyclopedia offers an accessible and reliable  
reference for the major topics that defined  
American life during the nation's most  
tumultuous era. Taking a blended approach to  
history, this book covers the military and  
political history of the era and examines the  
social and human experiences of the war,  
thereby offering a comprehensive look at the  
Civil War era's most significant events, people,  
places, and experiences. The thematic  
organization of this encyclopedia helps readers  
to more readily explore related topics. The  
subject matter explored in some 250 entries  
includes religious beliefs and practices; rites of  
passage; soldiers' lives and experiences; rural  
and urban life; social structure of the Civil War  
era—aristocrats, landowners, and slaves; men's

and women's roles and responsibilities; holidays, festivals, and other celebrations; tools, machinery, and inventions; and justice and punishment. Readers will come away with an understanding of many aspects of daily life during the Civil War era and gain appreciation for the vast differences between life today and 150 years ago.

**Rest and War** Ben Stuart 2022-01-25 Struggle well. Fight for progress. Know the one who has fought for you. You don't have to live in this world long before discovering that the pursuit of intimacy with God occurs within the context of adversity. It is a fight. Yet it is a fight in which our King has won the decisive victory! You have been set free...into a raging battle! But there's good news: your struggles do not mean you're doomed, rather they're actually a sure sign that you are alive. Now you must learn to struggle well, for Jesus did not free you from the fight, he freed you for the fight. Rest & War is a field guide for the spiritual life; a book of ancient

methods of transformation transposed into a modern key. Borne out of pastor Ben Stuart's personal life-experiences and decades in ministry, Rest & War offers biblical and practical guidance for: Battling what's holding you back while building what will propel you forward Trading patterns of thinking that diminish intimacy with God for ones that encourage it Fighting sin and cultivating an environment that allows you to flourish Designing your everyday schedule based on your God-given purposes to bring more meaning into your routines God has called you into the good fight of life; step into it boldly, strategically. Flee evil and pursue intimacy with your Creator. Uproot what is broken and cultivate what is life-giving. Make war on what is destructive, and rest in the God who loves you. Are you ready to walk elegantly through the battlefield of life?

*War and Conscience in Japan* Shigeru Nanbara 2011 One of Japan's most important intellectuals, Nanbara Shigeru defended Tokyo

by guest

Imperial University against its rightist critics and opposed Japan's war. His poetic diary (1936-1945), published only after the war, documents his profound disaffection. In 1945 Nambara became president of Tokyo University and was an eloquent and ardent spokesman for academic freedom. Among his most impressive speeches are two memorials to fallen student-soldiers, which directly confront Nambara's wartime dilemma: what and how to advise students called up to fight a war he did not believe in. In this first English-language collection of his key work, historian and translator Richard H. Minear introduces Nambara's career and thinking before presenting translations of the most important of Nambara's essays, poems, and speeches. A courageous but lonely voice of conscience, Nambara is one of the few mid-century Japanese to whom we can turn for inspiration during that dark period in world history.

### **A Military History of the English Civil War**

Malcolm Wanklyn 2014-07-10 A Military History of the English Civil War examines how the civil war was won, who fought for whom, and why it ended. With a straightforward style and clear chronology that enables readers to make their own judgements and pursue their own interests further, this original history provides a thorough critique of the reasons that have been cited for Parliament's victory and the King's defeat in 1645/46. It discusses the strategic options of the Parliamentary and Royalist commanders and councils of war and analyses the decisions they made, arguing that the King's faulty command structure was more responsible for his defeat than Sir Thomas Fairfax's strategic flair. It also argues that the way that resources were used, rather than the resources themselves, explain why the war ended when it did.

Etched in Time Jo Manning 2016-01-20 A small town childhood of mysteries and secrecy in the years after one war. Discovering new worlds as a student at the Ontario College of Art during a

second war. Marriage, betrayal, divorce and an artistic career as one of Canada's foremost printmakers. Jo Manning's *Etched in Time* is a memoir of a remarkable life. Tragedies and triumphs, successes and setbacks, all catalogued with honesty and insight. But this is more than one woman's story. Manning offers an insightful look at life - especially for women and artists - in the last half of the 20th Century. She catalogues the challenges and opportunities, charts the changing times and shares her experiences as part of a new generation of Canadian artists challenging traditions. *Etched in Time* is both memoir and history. It's a look back at nine decades, delivered with candour, wisdom and the sharp eye of an artist. [www.jomanning.com](http://www.jomanning.com)  
*All Quiet on the Western Front* Erich Maria Remarque 2013-09-03 Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old;

yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

*Wellington in the Great War* Christopher Owen

Downloaded from  
[blog.stephenmasker.com](http://blog.stephenmasker.com) on 2022-10-25  
by guest

2015-01-30 How the experience of war impacted on the town, from the initial enthusiasm for sorting out the German Kaiser in time for Christmas 1914, to the gradual realization of the enormity of human sacrifice the families of Wellington were committed to as the war stretched out over the next four years. A record of the growing disillusion of the people, their tragedies and hardships and a determination to see it through. The Great War affected everyone. At home there were wounded soldiers in military hospitals, refugees from Belgium and later on German prisoners of war. There were food and fuel shortages and disruption to schooling. The role of women changed dramatically and they undertook a variety of work undreamed of in peacetime. Meanwhile, men serving in the armed forces were scattered far and wide. Extracts from contemporary letters reveal their heroism and give insights into what it was like under battle conditions.

*Parke County in the World War 1920*

**Displaced** Kate Rose 2020-01-30 Through specific and rigorous analysis of contemporary literary texts, this book shows how writers from inside effected communities portray indigeneity, displacement, and trauma. In a world of increasing global inequality, this study aims to demonstrate how literature, and the study of it, can effect positive social change, notably in the face of global environmental, economic, and social injustice. This collection brings together a diverse and compelling array of voices from academics leading their fields around the world, to pioneer a new approach to literary analysis anchored in engagement with our changing world.

Star Wars Skywalker - A Family At War Kristin Baver 2021-04-06 Uncover the secrets of the Skywalkers: the family that shaped a galaxy far, far away... The Skywalker story has everything: passion, intrigue, heroism, and dark deeds. This revelatory biography explores every twist and turn of the Skywalker dynasty: the slow

seduction to the dark side of Anakin; his doomed marriage to Padmé Amidala; the heroics of Luke and Leia; the fall and redemption of Han Solo and Princess Leia's son, Ben; and the struggles of his dyad in the Force, Rey. Leaving no stone unturned in tracing the dynasty's trials and tribulations, this definitive biography of Star Wars' first family explores and explains the deeper, more personal story of the Skywalkers, their characters, motivations, and, against seemingly impossible odds, their ultimate triumph. © AND TM 2021 LUCASFILM LTD.

**Encyclopedia of Military Science** G. Kurt Piehler 2013-07-24 The Encyclopedia of Military Science provides a comprehensive, ready-reference on the organization, traditions, training, purpose, and functions of today's military. Entries in this four-volume work include coverage of the duties, responsibilities, and authority of military personnel and an understanding of strategies and tactics of the modern military and how they interface with

political, social, legal, economic, and technological factors. A large component is devoted to issues of leadership, group dynamics, motivation, problem-solving, and decision making in the military context. Finally, this work also covers recent American military history since the end of the Cold War with a special emphasis on peacekeeping and peacemaking operations, the First Persian Gulf War, the events surrounding 9/11, and the wars in Afghanistan and Iraq and how the military has been changing in relation to these events.

Compassion and Empathy in Educational Contexts Georgina Barton 2019-07-17 This book explores the importance of compassion and empathy within educational contexts. While compassion and empathy are widely recognised as key to living a happy and healthy life, there is little written about how these qualities can be taught to children and young people, or how teachers can model these traits in their own practice. This book shares several models of

Downloaded from  
[blog.stephenmasker.com](http://blog.stephenmasker.com) on 2022-10-25  
by guest

compassion and empathy that can be implemented in schooling contexts, also examining how these qualities are presented in children's picture books, films and games. The editors and contributors share personal insights and practical approaches to improve both awareness and use of compassionate and empathetic approaches to others. This book will be of interest and value to all those interested in promoting compassion and empathy within education.

**Quiet Moments in a War** Jean-Paul Sartre  
1993

**Families Under Fire** R. Blaine Everson  
2011-01-07 As provider networks on military bases are overwhelmed with new cases, civilian clinicians are increasingly likely to treat military families. However, these clinicians do not receive the same military mental-healthcare training as providers on military installations, adding strain to clinicians' workloads and creating gaps in levels of treatment. Families

Under Fire fills these gaps with real-world examples, clear, concise prose, and nuts-and-bolts approaches for working with military families utilizing a systems-based practice that is effective regardless of branch of service or the practitioner's therapeutic preference. Any civilian mental-health practitioner who wants to understand the diverse needs of military personnel, their spouses, and their families will rely on this indispensable guidebook for years to come.

**Thinking about and Enacting Curriculum in "frames of War"** Rahat Naqvi 2012 Rahat Naqvi and Hans Smits' edited collection, Thinking about and Enacting Curriculum in "Frames of War is centered on the theme of how the current global order creates precarious conditions for human life. The contributors respond to the challenges Judith Butler posed about the fragility of life and questions about how we apprehend, and take up ethically, our responsibilities for those who are considered

Quiet Moments with God Pastor Adonis Khupe-Ayema 2016-08-17 The devotions in this book will equip you, encourage you, and empower you to face the challenges that come with the hustle and bustle of life. As you spend quiet moments with God and meditate on his Word, you will develop a progressive and meaningful relationship with him and grow in the grace and the knowledge of Christ (2 Peter 3:18). Having the assurance that God is always on your side and that He will never leave you nor forsake you (Deuteronomy 31:6). They will give you the boldness and courage to witness as a disciple of Christ.

The Press Gang Godfrey Cheshire 2020-09-29 A dialogue about cinema's legacy and best directors through essays by three of the best long-form critics out there, collected from the legendary NYPress for the first time. Comprising of the kind of long-form criticism that is all too rare these days, the weekly film columns in the NYPress included polemics, reviews, interviews, festival reports and features. A far cry from what is often derisively termed the "consumer report" mode of criticism, Cheshire, Seitz and White were passionately engaged with the film culture of both their own time, and what had come before. They constituted three distinctly different voices: equally accomplished, yet notably individual, perspectives on cinema. Their distinctive tastes and approaches were often positioned in direct dialogue with each other, a constant critical conversation that frequently saw each writer directly challenging his colleagues. Dialogue is important in criticism, and here you can find a healthy example of it

Downloaded from

by guest

existing under one proverbial roof. This three-way dialogue between Cheshire, Seitz and White assesses the 1990s in cinema, along with pieces on New York's vibrant repertory scene that allow us to read the authors' takes on directors such as Hitchcock, Lean, Kubrick, Welles, Fassbinder and Bresson; as well as topics such as the legacy of Star Wars, film noir, early film projection in New York City, the New York Film Critics Circle, Sundance, the terrorist attacks of 9/11 and the emerging cinema of Iran and Taiwan.

*The Quiet War* Paul Mcauley 2009-12-04 Twenty-third century Earth, ravaged by climate change, looks backwards to the holy ideal of a pre-industrial Eden. Political power has been grabbed by a few powerful families and their green saints. Millions of people are imprisoned in teeming cities; millions more labour on Pharaonic projects to rebuild ruined ecosystems. On the moons of Jupiter and Saturn, the Outers, descendants of refugees from Earth's repressive regimes, have constructed a wild variety of self-

sufficient cities and settlements: scientific utopias crammed with exuberant creations of the genetic arts; the last outposts of every kind of democratic tradition. The fragile detente between the Outer cities and the dynasties of Earth is threatened by the ambitions of the rising generation of Outers, who want to break free of their cosy, inward-looking pocket paradises, colonise the rest of the Solar System, and drive human evolution in a hundred new directions. On Earth, many demand pre-emptive action against the Outers before it's too late; others want to exploit the talents of their scientists and gene wizards. Amid campaigns for peace and reconciliation, political machinations, crude displays of military might, and espionage by cunningly wrought agents, the two branches of humanity edge towards war...

### **The Art of War in the 21st Century** Josh

Luberisse In "The Art of War in the 21st Century," visionary author Josh brings a fresh perspective to the ancient wisdom of Sun Tzu's renowned treatise. Drawing upon his experience as an entrepreneur and his passion for strategic thinking, Josh explores the timeless principles of "The Art of War" and their applications to modern military strategy. This book is not a mere translation or interpretation of Sun Tzu's work. Instead, it serves as a bridge between the ancient wisdom of the past and the complex challenges of the present. Josh's unique perspective combines military strategy with insights from the world of business and innovation, offering a fresh take on how these timeless principles can be adapted and applied in the contemporary landscape. Through engaging narratives, real-world examples, and thought-provoking analysis, Josh demonstrates how Sun Tzu's principles can guide leaders in the 21st century to navigate the complexities of modern warfare. He explores topics such as

[blog.stephenmasker.com](http://blog.stephenmasker.com) on 2022-10-25  
*by guest*

understanding the operational environment, harnessing technological advancements, fostering effective leadership, and building resilient coalitions. "The Art of War in the 21st Century" is not solely aimed at military professionals. It is a book for visionary thinkers, entrepreneurs, and leaders from various fields who seek to enhance their strategic acumen and decision-making abilities. It serves as a guidebook for those navigating the ever-evolving landscapes of business, politics, and conflict resolution. Josh's fresh approach to Sun Tzu's timeless wisdom makes this book an invaluable resource for those seeking innovative strategies to overcome challenges, seize opportunities, and achieve success in the modern world. The author's ability to bridge the gap between ancient principles and contemporary contexts provides readers with practical and thought-provoking insights that transcend traditional boundaries. Whether you are a military strategist, a business leader, or an aspiring

entrepreneur, "The Art of War in the 21st Century" offers a compelling exploration of strategic thinking in our rapidly changing world. Join Josh on this transformative journey and unlock the secrets of Sun Tzu's wisdom, paving the way for strategic brilliance and remarkable achievements in the 21st century.

*Tippoo Sultaun: A tale of the Mysore war*

across the world, describe the latest thinking about twentieth-century war poetry. The book maps both the uniqueness of each war and the continuities between poets of different wars, while the interconnections between the literatures of war and peacetime, and between combatant and civilian poets, are fully considered. The focus is on Britain and Ireland, but links are drawn with the poetry of the United States and continental Europe. The Oxford Handbook feeds a growing interest in war poetry and offers, in toto, a definitive survey of the terrain. It is intended for a broad audience, made up of specialists and also graduates and undergraduates, and is an essential resource for both scholars of particular poets and for those interested in wider debates about modern poetry. This scholarly and readable assessment of the field will provide an important point of reference for decades to come.

Star Wars: Brotherhood Mike Chen 2022-05-10  
NEW YORK TIMES BESTSELLER • Obi-Wan

Kenobi and Anakin Skywalker must stem the tide of the raging Clone Wars and forge a new bond as Jedi Knights in a high-stakes adventure set just after the events of Star Wars: Attack of the Clones. ONE OF THE BEST BOOKS OF THE YEAR: USA Today The Clone Wars have begun. Battle lines are being drawn throughout the galaxy. With every world that joins the Separatists, the peace guarded by the Jedi Order is slipping through their fingers. After an explosion devastates Cato Neimoidia, the jewel of the Trade Federation, the Republic is blamed and the fragile neutrality of the planet is threatened. The Jedi dispatch Obi-Wan Kenobi, one of the Order's most gifted diplomatic minds, to investigate the crime and maintain the balance that has begun to dangerously shift. As Obi-Wan investigates with the help of a heroic Neimoidian guard, he finds himself working against the Separatists who hope to draw the planet into their conspiracy—and senses the sinister hand of Asajj Ventress in the mists that

cloak the planet. Amid the brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-Wan travel alone—and his former master's insistence that he listen this time—Anakin's headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-Wan, Anakin now finds himself on equal—but uncertain—footing with the man who raised him. The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together—and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face they must grow beyond master and apprentice. They must stand together as brothers.

**The Face of Battle** John Keegan 1983-01-27  
John Keegan's groundbreaking portrayal of the common soldier in the heat of battle -- a masterpiece that explores the physical and

mental aspects of warfare The Face of Battle is military history from the battlefield: a look at the direct experience of individuals at the "point of maximum danger." Without the myth-making elements of rhetoric and xenophobia, and breaking away from the stylized format of battle descriptions, John Keegan has written what is probably the definitive model for military historians. And in his scrupulous reassessment of three battles representative of three different time periods, he manages to convey what the experience of combat meant for the participants, whether they were facing the arrow cloud at the battle of Agincourt, the musket balls at Waterloo, or the steel rain of the Somme. The Face of Battle is a companion volume to John Keegan's classic study of the individual soldier, The Mask of Command: together they form a masterpiece of military and human history.

**Fighting for Peace** Lisa Leitz 2014-04-15  
Fighting for Peace brings to light an important yet neglected aspect of opposition to the Iraq

*Downloaded from*

War—the role of veterans and their families. Drawing on extensive participant observation and interviews, Lisa Leitz demonstrates how the harrowing war experiences of veterans and their families motivated a significant number of them to engage in peace activism. Married to a Navy pilot herself, Leitz documents how military peace activists created a movement that allowed them to merge two seemingly contradictory sides of their lives: an intimate relation to the military and antiwar activism. Members of the movement strategically deployed their combined military-peace activist identities to attract media attention, assert their authority about the military and war, and challenge dominant pro-war sentiment. By emphasizing the human costs of war, activists hoped to mobilize American citizens and leaders who were detached from the wars in Iraq and Afghanistan, bring the wars to an end, and build up programs to take care of returning veterans and their families. The stories in *Fighting for Peace* ultimately reveal that

America's all-volunteer force is contributing to a civilian-military divide that leaves civilians with little connection to the sacrifices of the military. Increasingly, Leitz shows, veterans and their families are being left to not only fight America's wars but also to fight against them.

**New Perspectives on Sartre** Adrian van den Hoven 2010-05-11 This volume deals with a number of topics that have not previously been specifically addressed before in a single text. A chapter on Sartre and religion talks about his thought in relation to Christianity, Judaism and Buddhism, while one on Sartre and children discusses his work in relation to the issues of freedom, pregnancy and autism. Beyond this, there are an additional seven chapters covering a wide variety of topics by leading scholars in the fields of philosophy, literature psychology, history and political thought. While prior publications on Sartre have generally divided his work into two periods, pre-and post-Marxist, this volume deliberately stresses a middle and final

by guest

period as well. As representative of the middle period, there is an emphasis on Notebooks for an Ethics, while Sartre's last work, Hope Now, is also treated as being philosophically significant in its own right. This approach helps to cast a new light on what Sartre has to say about authenticity, childhood and consciousness as embodied, among other subjects. The volume also addresses many and diverse issues of current interest, including those of freedom, Marxism and Sartre's relation to ethics. There are sections of the book that deal with history and the historical situations that helped to shape Sartre's thought, as well as articles that deal with Sartre as a specifically French thinker. A chapter deals with Sartre's relation to women , and here the issues of maternity as problematic, plus authentic, adult relationships are discussed. Finally, in addition to authors in philosophy and literature, there are articles by a child psychiatrist and a clinical psychologist to help to provide new insights on Sartre's work. Even as

an academic philosopher Sartre always remained an iconoclast and the aim of this book is, at least partially to capture and provide the reader with insight into this spirit.

**Voices of War** Tom Wiener 2006 Voices of War is verbal and visual mosaic of America's military history told in the words of those who were there, from the doughboys of World War I to the mechanized warriors of Operation Desert Storm. Selected from among the more than 30,000 personal interviews, private memoirs, photographs, and letters amassed by the Library of Congress Veterans History Project, Voices of War presents scores of unforgettable eyewitness accounts - vivid vignettes of life in uniform and poignant tributes to fallen friends, battle scenes, and quiet moments behind the lines. Spanning five generations of veterans and the families who prayed for their safe return, this book is a moving chronicle of the courage and commitment of American men and women fighting for freedom all over the globe.

**Marching Men War Verses** Helena Coleman  
2023-07-18 Written during the First World War, these poems capture the raw emotion and sacrifice of soldiers on the front lines. From fierce battles to quiet moments of reflection, Helena Coleman's powerful verses shed light on the human cost of war and the strength of the human spirit. A moving tribute to those who served. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive

and relevant.

Quiet Moments in a War Jean-Paul Sartre  
2002-05-21 In the companion volume to the acclaimed *Witness of my Life*, Jean-Paul Sartre reveals his life as a soldier, a German prisoner, and a man of Resistance through letters between himself and his "beloved Beaver," Simone de Beauvoir. *Quiet Moments in a War* tells the story of Jean-Paul Sartre at the peak of his powers and renown through the exchanging of ideas and intimacies with Simone de Beauvoir from 1940 to 1963. In the pages of this book, readers will find details on Sartre's war and his path to fame with the publication of his major works. From September 1939 to June 1940, Sartre wrote Beauvoir almost daily as he waited from the frontlines for a German attack. While it was a time of fear and uncertainty, it doubled as a time of great productivity for Sartre as he completed the novel *The Age of Reason* and sketched out *Being and Nothingness*. This collection of the letters between Sartre and Beauvoir completes

the extraordinary correspondence of one of modern history's most celebrated couples while documenting the emergence of a great intellectual figure.

Embers of War Fredrik Logevall 2014-01-14  
WINNER OF THE PULITZER PRIZE Written with the style of a great novelist and the intrigue of a Cold War thriller, *Embers of War* is a landmark work that will forever change your understanding of how and why America went to war in Vietnam. Tapping newly accessible diplomatic archives in several nations, Fredrik Logevall traces the path that led two Western nations to tragically lose their way in the jungles of Southeast Asia. He brings to life the bloodiest battles of France's final years in Indochina—and shows how, from an early point, a succession of American leaders made disastrous policy choices that put America on its own collision course with history. An epic story of wasted opportunities and deadly miscalculations, *Embers of War* delves deep into the historical record to provide

hard answers to the unanswered questions surrounding the demise of one Western power in Vietnam and the arrival of another. Eye-opening and compulsively readable, *Embers of War* is a gripping, heralded work that illuminates the hidden history of the French and American experiences in Vietnam. ONE OF THE MOST ACCLAIMED WORKS OF HISTORY IN RECENT YEARS Winner of the Francis Parkman Prize from the Society of American Historians • Winner of the American Library in Paris Book Award • Winner of the Council on Foreign Relations Arthur Ross Book Award • Finalist for the Cundill Prize in Historical Literature NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • The Christian Science Monitor • The Globe and Mail "A balanced, deeply researched history of how, as French colonial rule faltered, a succession of American leaders moved step by step down a road toward full-blown war."—Pulitzer Prize citation "This extraordinary work of modern history combines

powerful narrative thrust, deep scholarly authority, and quiet interpretive confidence.”—Francis Parkman Prize citation “A monumental history . . . a widely researched and eloquently written account of how the U.S. came to be involved in Vietnam . . . certainly the most comprehensive review of this period to date.”—The Wall Street Journal “Superb . . . a product of formidable international research.”—The Washington Post “Lucid and vivid . . . [a] definitive history.”—San Francisco Chronicle “An essential work for those seeking to understand the worst foreign-policy adventure in American history . . . Even though readers know how the story ends—as with The Iliad—they will be as riveted by the tale as if they were hearing it for the first time.”—The Christian Science Monitor

**Encyclopedia of Life Writing** Margaretta Jolly 2013-12-04 This is the first substantial reference work in English on the various forms that constitute "life writing." As this term suggests,

the Encyclopedia explores not only autobiography and biography proper, but also letters, diaries, memoirs, family histories, case histories, and other ways in which individual lives have been recorded and structured. It includes entries on genres and subgenres, national and regional traditions from around the world, and important auto-biographical writers, as well as articles on related areas such as oral history, anthropology, testimonies, and the representation of life stories in non-verbal art forms.

**Men At War** Christopher Coker 2014-01-06 Since Achilles first stormed into our imagination, literature has introduced its readers to truly unforgettable martial characters. In Men at War, Christopher Coker discusses some of the most famous of these fictional creations and their impact on our understanding of war and masculinity. Grouped into five archetypes—warriors, heroes, villains, survivors and victims—these characters range across 3000 years of

history, through epic poems, the modern novel and one of the twentieth century's most famous film scripts. Great authors like Homer and Tolstoy show us aspects of reality invisible except through a literary lens, while fictional characters such as Achilles and Falstaff, Robert Jordan and Jack Aubrey, are not just larger than life; they are life's largeness-and this is why we seek them out. Although the Greeks knew that the lovers, wives and mothers of soldiers are the chief victims of battle, for the combatants, war is a masculine pursuit. Each of Coker's chapters explores what fiction tells us about war's appeal to young men and the way it makes- and breaks-them. The existential appeal of war too is perhaps best conveyed in fictional accounts, and these too are scrutinized by the author.

*The Thinking Space* Leona Rittner 2016-03-03

The cafe is not only a place to enjoy a cup of coffee, it is also a space - distinct from its urban environment - in which to reflect and take part in intellectual debate. Since the eighteenth

century in Europe, intellectuals and artists have gathered in cafes to exchange ideas, inspirations and information that has driven the cultural agenda for Europe and the world. Without the café, would there have been a Karl Marx or a Jean-Paul Sartre? The café as an institutional site has been the subject of renewed interest amongst scholars in the past decade, and its role in the development of art, ideas and culture has been explored in some detail. However, few have investigated the ways in which cafés create a cultural and intellectual space which brings together multiple influences and intellectual practices and shapes the urban settings of which they are a part. This volume presents an international group of scholars who consider cafés as sites of intellectual discourse from across Europe during the long modern period. Drawing on literary theory, history, cultural studies and urban studies, the contributors explore the ways in which cafes have functioned and evolved at crucial moments in the histories

of important cities and countries - notably Paris, Vienna and Italy. Choosing these sites allows readers to understand both the local particularities of each café while also seeing the larger cultural connections between these places. By revealing how the café operated as a unique cultural context within the urban setting, this volume demonstrates how space and ideas are connected. As our global society becomes more focused on creativity and mobility the intellectual cafés of past generations can also serve as inspiration for contemporary and future knowledge workers who will expand and develop this tradition of using and thinking in space.

Quiet Moments In A War ebook download or read online. In today digital age, eBooks have become a staple for both leisure and learning. The convenience of accessing Quiet Moments In A War and various genres has transformed the

way we consume literature. Whether you are a voracious reader or a knowledge seeker, read Quiet Moments In A War or finding the best eBook that aligns with your interests and needs is crucial. This article delves into the art of finding the perfect eBook and explores the platforms and strategies to ensure an enriching reading experience.

### Table of Contents Quiet Moments In A War
