Elizabeth's Christmas Story Vivian Hughes Dede 1987 A retelling in verse of the Christmas story from the viewpoint of Mary's cousin, Elizabeth.

The Spiritual Virtuoso Marion Goldman 2017-12-14 Marion Goldman and Steven Pfaff define a spiritual virtuoso as someone who works toward personal purification and a sense of holiness with the same perseverance and intensity that virtuosos strive to excel in the arts or athletics. Since the Protestant Reformation, activist virtuosos have come together in large and small social movements to redefine the meanings of spiritual practice, support religious equality, and transform a wide range of social institutions. Tracing the impact of spiritual virtuosos from the sixteenth-century Reformation through the nineteenth-century Anti-Slavery Movement to the twentieth-century Human Potential Movement and beyond, Marion Goldman and Steven Pfaff explore how personal virtuosity can become a social force. Martin Luther began to expand spiritual possibilities in the West when he charted paths that did not require the Church's intercession between the individual and God. He believed that everyone could and should reach toward sacred truths and transcendent moments. Over the centuries, millions of people have built on his innovations and embarked on spiritual quests that offer new possibilities for sacred relationships and social change.

The Archy McNally Series Volume Three Lawrence Sanders 2018-10-30 More murder, greed, and secrets for the Palm Beach private eye created by the #1 New York Times-bestselling author and "master of

suspense" (The Washington Post). In his long-running, New York Times-bestselling mystery series set in South Florida, Edgar Award-winning author Lawrence Sanders gave readers "his most delightful character"—a charming playboy turned Palm Beach PI by the name of Archy McNally (Chicago Tribune). McNally's Gamble: In this New York Times bestseller, McNally is enlisted to verify the bona fides of a deal for a rare Fabergé Imperial egg. But when widow Edythe Westmore's children become convinced the trinket is a fake and their mother is being conned, McNally cracks open a case of lust, greed, and murder that stinks like a rotten egg. Now the detective will have to scramble to lay a trap for someone who's counting dividends before they hatch. McNally's Dilemma: In this New York Times bestseller, the Palm Beach tennis season starts off with a bang when a pro is shot by his wife after she catches him with another woman. Socialite Melva Williams confesses to offing her cheating spouse but wants her old friend Archy McNally to do her a favor: keep the press and paparazzi away from her beautiful daughter. The tempting Veronica is quite a handful, but more troubling is that her story and her mother's don't match. McNally's Folly: Golden Age Hollywood diva Desdemona Darling makes headlines when she agrees to star in the Palm Beach Community Theater's production of Arsenic and Old Lace. McNally gets roped into directing while he's discreetly investigating who's blackmailing the actress. But after Darling's Husband Number Seven sips some elderberry wine laced with arsenic at the cast party, McNally needs to shine a spotlight on the killer before it's curtains for somebody else.

The Unexpected Professor John Carey 2014-03-18 Best known for his provocative take on cultural issues in *The Intellectuals and the Masses* and *What Good Are the Arts?*, John Carey describes in this warm and funny memoir the events that formed him - an escape from the London blitz to an idyllic rural village, army service in Egypt, an open scholarship to Oxford and an academic career that saw him elected, age 40, to Oxford's oldest English Literature professorship. He frankly portrays the snobberies and rituals of 1950s Oxford, but also his inspiring meetings with writers and poets - Auden, Graves, Larkin, Heaney - and his forty-year stint as a lead book-reviewer for the Sunday Times. This is a book about the joys of reading - in effect, an informal introduction to the great works of English literature. But it is also about war and family, and how an unexpected background can give you the insight and the courage to say the unexpected thing.

Snowshoe & Lancet Robert Skidmore Ecke 2000 Two years out of Johns Hopkins Medical School, Robert Ecke found himself at Notre Dame Bay Memorial Hospital on the island of Twillingate, Newfoundland. Practicing a form of frontier medicine, the young doctor was soon handling everything from emergency

appendectomies to pregnancies. By boat, dog sled, and snowshoes, he traveled to treat people unable or unwilling to come to the hospital. Ecke's journal excerpts are engrossing: "I've been doing a lot of operating; boldly slashing a lip to take out a cancer when it would have terrified me only shortly since. I believe I am beginning to get a feeling for surgery and will try almost anything". Later, aboard ship, "It was dreadful working down in the saloon with patients sliding from side to side (on a table). I had to go ashore every once in a while to get my stomach back". With humor and compassion, he describes this challenging time with the poverty-stricken fishing, families.

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter 2019-12-31 The keystone of Christianity is Jesus's physical, bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English-language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access-Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories, which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

Arch Conjurer of England Glynn Parry 2012-04-24 Outlandish alchemist and magician, political intelligencer, apocalyptic prophet, and converser with angels, John Dee (1527-1609) was one of the most colorful and controversial figures of the Tudor world. In this fascinating book—the first full-length biography of Dee based on primary historical sources—Glyn Parry explores Dee's vast array of political, magical, and scientific writings and finds that they cast significant new light on policy struggles in the Elizabethan court, conservative attacks on magic, and Europe's religious wars. John Dee was more than just a fringe magus, Parry shows: he was a major figure of the Reformation and Renaissance.
