Kingsbury Hall Kenneth Jay Kingsbury 2005  
Joseph Kingsbury was born in 1600 in Boxford, Suffolk, England. He married Millicent Ames, daughter of Anthony Ames and Margery Pierce, in 1628. They emigrated in about 1631 and settled in Massachusetts. They had seven children. He died in 1676 in Dedham, Massachusetts. Ancestors, descendants and relatives lived mainly in England, Massachusetts, Connecticut, New Hampshire, Vermont, New York, Maryland, Quebec, Michigan, Illinois, Indiana, Oklahoma, Texas, New Mexico and California.

*Pennsylvania Land Records* Donna Bingham

Munger 1993-09-01 The genealogist trying to locate families, the surveyor or attorney researching old deeds, or the historian seeking data on land settlement will find Pennsylvania Land Records an indispensable aid. The land records of Pennsylvania are among the most complete in the nation, beginning in the 1680s. Pennsylvania Land Records not only catalogs, cross-references, and tells how to use the countless documents in the archive, but also takes readers through a concise history of settlement in the state. The guide explains how to use the many types of records, such as rent-rolls, ledgers of the receiver general's office, mortgage certificates, proof of settlement statements, and reports of the sale of town lots. In addition, the volume includes: cross-references to microfilm copies; maps of settlement; illustrations of typical documents; a glossary of technical terms; and numerous bibliographies on related topics.

**A History of Knox County, Ohio, from 1779 to 1862 Inclusive** Anthony Banning Norton 2016-03-15  
A History of Knox County, Ohio, from 1779 to 1862 Inclusive: Comprising Biographical Sketches, Anecdotes and Incidents of Men Connected with the County from its First Settlement: Together With Complete Lists Of The Senators, Representatives, Sheriffs, Auditors, Commissioners, Treasurers, Judges, Justices of the Peace, and Other Officers of the

County, also of those who have served in a Military Capacity from its First Organization to the Present Time. And also a Sketch of Kenyon College, and Other Institutions of Learning and Religion within the County.

**On The Threshold of Freedom** Clarence L. Mohr 2001-05-01 In this enlightening study, Clarence L. Mohr follows the demise of chattel slavery in one state of the Confederate South. Like the slavery regime itself, Mohr's story is biracial in character, embracing the perspectives of both blacks and whites as they struggled to comprehend the approach of black freedom within a framework of attitudes and assumptions shaped by decades of mutual exposure to Georgia's peculiar institution. By exploring in detail the changing patterns of black-white interaction that preceded legal emancipation in 1865, *On the Threshold of Freedom* defines central tendencies within Georgia slavery and suggests important links between antebellum life and the events of early Reconstruction.

*Potatoes ; Tobacco* R. H. McDowell 1893

**1770-1790 Census of the Cumberland Settlements** Fulcher 1987 The earliest surviving federal enumerations of the Tennessee Country consist of the 1810 census of Rutherford County and an incomplete 1820 census. But since the first settlers arrived at the French Lick as early as 1779, the first forty years of settlement in the area we now call Tennessee are a blank, at least in the official enumerations. This work is an attempt to reconstruct a census of the Cumberland River settlements in Davidson, Sumner, and Tennessee counties, which today comprise all or part of forty Tennessee counties. To this end, Mr. Fulcher has abstracted from the public records all references to those living in the jurisdictions between 1770 and 1790. From wills, deeds, court minutes, marriage records, military records, and many related items, the author has put together a carefully documented list of inhabitants--virtually the "first" census of Tennessee.

**1851-1875** 1893

Britain and the Americas [3 volumes] Will Kaufman 2005-03-01 A comprehensive encyclopedia covering the close ties between Britain and the whole of the Americas, examining Britain's cultural and political legacy to the nations of the New World. From Vikings to redcoats, from the Beatles to the war in Iraq, Britain and the Americas examines Britain's cultural and political legacy to the nations of the Americas. This comprehensive survey also traces how the Americas have in turn influenced contemporary Britain from the Americanization of language and politics to the impact of music and migration from the West Indies. Complete with an extensive introduction and a chronology of key events, this three-volume encyclopedia contains introductory essays focusing on the four prime areas of British Atlantic engagement—Canada, the Caribbean, the United States, and Latin America. Students of a wide range of disciplines, as well as the lay reader, will appreciate this exhaustive survey, which traces the common themes of British policy and influence throughout the Americas and highlights how Britain has in turn benefited from the influence of American democracy, technology, culture and politics.

*The Lumbee Indians of North Carolina* Clarence E Lowrey 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. **600 Years of Bristol Poetry** Edward A. Martin 1973

**Wilson County, Tennessee, Deeds, Marriages, and Wills, 1800-1902** Thomas E. Partlow 1987 The county court clerk's office contains marriage records, guardian settlements, wills and inventories, and the minutes of the county court. The records date from 1800 down to the present. Fortunately, none of Wilson County's records are missing. An effort has been made to abstract all of these records from 1800 through 1900. This book is the completion of that effort. This book does include the first of the deed books of Wilson County, Deed Books A & B.

*The Doctrine and Covenants of the Church of Jesus Christ of Latter Day Saints* Joseph Smith 2020-12-30 The Doctrine and Covenants of the Church of Jesus Christ of Latter Day Saints is a part of the open scriptural canon of several denominations of the Latter Day Saint movement. The book contains revelations on numerous topics, most of which were dictated by the movement's founder Joseph Smith. The Doctrine and Covenants was first published as a later version of the Book of Commandments. This earlier book contained 65 early revelations to church leaders, including Joseph Smith and Oliver Cowdery, and before it was released it

was destroyed by a mob in Missouri. The committee of Presiding Elders, led by Smith, began to review and revise numerous revelations for inclusion in the new work which contained a total of 103 revelations. These 103 revelations contain items or principles for the regulation of the church, as taken from the revelations which have been given since its organization, as well as from former ones.

**Sumner County, Tennessee, Court Minutes, 1787-1805 and 1808-1810** Carol Wells 1995 Cut from Davidson County in 1786, Sumner was the fastest growing county in central Tennessee. Sumner covered a large area which is now divided into many other counties. When the Indian troubles ended, Sumner was a hive of activity: ferries and mills were

**The Loyal Atlantic** Jerry Bannister 2012-02-15 Adding to a dynamic new wave of scholarship in Atlantic history, The Loyal Atlantic offers fresh interpretations of the key role played by Loyalism in shaping the early modern British Empire. This cohesive collection investigates how Loyalism and the empire were mutually constituted and reconstituted from the eighteenth century onward. Featuring contributions by authors from across Canada, the United States, and the United Kingdom, The Loyal Atlantic brings Loyalism into a genuinely international focus. Through cutting-edge archival research, The Loyal Atlantic contextualizes Loyalism within the larger history of the British Empire. It also details how, far

from being a passive allegiance, Loyalism changed in unexpected and fascinating ways — especially in times of crisis. Most importantly, The Loyal Atlantic demonstrates that neither the conquest of Canada nor the American Revolution can be properly understood without assessing the meanings of Loyalism in the wider Atlantic world.

**Memoir of Catharine Brown** Rufus Anderson 1828

Early Tennessee Tax Lists Byron Sistler 2006-10-01 Research in Tennessee for the period prior to 1830 poses some difficult problems because no complete census schedules for the state exist before that date. This book is an attempt at filling that gap. It is a single index to 68 county tax lists, petitions, voter lists, and newspaper lists of inhabitants in 34 counties. The earliest list included is from 1787 and the latest 1827. About 2/3 of the state's counties in existence in 1820 are included in one or more lists, as follows: Anderson 1805; Bedford 1812; Bledsoe 1815; Blount 1800, 1801, 1805; Campbell 1818, 1823; Carter 1796, 1798; Claiborne 1803; Cocke 1821, 1827; Davidson 1788, 1805, 1811; Franklin 1812; Giles 1812, 1819; Grainger 1799, 1803, 1804, 1805, 1810, 1821; Greene 1783, 1805, 1812; Hawkins 1779, 1801; Humphreys 1812; Jackson 1802; Jefferson 1800, 1822; Knox 1796, 1799, (Knoxville only in 1815), Lincoln (Fayetteville newspaper only in 1812); Maury 1811, 1816; McMinn 1825; Monroe 1825; Montgomery 1798; Rhea 1808, 1819; Roane 1805; Robertson 1812; Sevier 1799; Sullivan 1796, 1797, 1812; Sumner 1787, 1792, 1811, 1816, 1823; Warren 1805, 1812, 1817; Washington 1814, 1819; White 1811, 1825; Williamson 1801, 1806, 1810, 1815; Wilson 1804.

*Genealogy of the Bisbee Family* Frank J. Bisbee 2011-10-01

**The Descendants of James Cole of Plymouth, 1633** Ernest Byron Cole 1908

Tennesseans in the War of 1812 Byron Sistler 2007-02-06 The War of 1812 was a defining period in the history of Tennessee. At the commencement of the War, most military action was focused on the border with Canada, but the large distance between the fighting and Tennessee forces rendered Tennessee's participation impractical, if not impossible.

However, when President James Madison requested Tennessee's assistance to defend the "Lower Country," record numbers of Tennesseans volunteered, earning the unique and deserving nickname, "The Volunteer State." This work is divided into two sections...an alphabetical listing of Tennesseans who were Officers in the War of 1812, and an alphabetical listing of the Enlisted Men in the War of 1812. Included for each entry are the name, rank, regimental commander, company commander, branch of service, and, where shown, place of residence of the soldier. In addition, the authors also included other information of interest, such as date wounded or died...if while in service...whether deserted or absent with leave, or if discharged for inability to serve. There are approximately 33,000 individual soldiers documented, plus the regimental and company commanders' names for each soldier.
