**Love and Fury** Samantha Silva 2021-05-25 A Best Novel of Summer (New York Times Book Review) From the acclaimed author of Mr. Dickens and His Carol, a richly-imagined reckoning with the life of another cherished literary legend: Mary Wollstonecraft - arguably the world's first feminist August, 1797. Midwife Parthenia Blenkinsop has delivered countless babies, but nothing prepares her for the experience that unfolds when she arrives at Mary Wollstonecraft's door. Over the eleven harrowing days that follow, as Mrs. Blenkinsop fights for the survival of both mother and newborn, Wollstonecraft recounts the life she dared to live amidst the impossible constraints and prejudices of the late 18th century, rejecting the tyranny of men and marriage, risking everything to demand equality for herself and all women. She weaves her riveting tale to give her fragile daughter a reason to live, even as her own strength wanes.

Wollstonecraft's urgent story of loss and triumph forms the heartbreakingly brief intersection between the lives of a mother and daughter who will change the arc of history and thought. In radiant prose, Samantha Silva delivers an ode to the dazzling life of Mary Wollstonecraft, one of the world's most influential thinkers and mother of the famous novelist Mary Shelley. But at its heart, Love and Fury is a story about the power of a woman reclaiming her own narrative to pass on to her daughter, and all daughters, for generations to come.

Summer Fury Gary Travers 2014-01-20 Considered the finest local TV news anchor in the business, Sue McPhee walked away from a great job at Channel 6 in Los Angeles. She's taken an offer at Channel 9 in Miami, and it's for less money - but she's just seeking a lifestyle change at this point. Sue thought making the move from the number two media market to number sixteen would bring her a slower pace and a little of that Margaritaville state of mind. But not a chance. NewsChannel 9 is staffed by the people anyone who has ever worked in TV news will instantly recognize. For the reader who's only been a consumer of this product, get ready to see the grit behind the glamour - as ambition, lust, ego, manipulation and deceit run rampant. Add in the county medical examiner who thinks Florida's 'presumed consent' law lets him do anything he wishes with bodies in his custody, plus a vindictive and violent ex-husband and a vicious narco-terrorist who's among the FBI's Ten Most Wanted. It's set against the exotic backdrop of Miami, 'America's Casablanca', just as a hurricane with winds equal to an EF5 tornado mysteriously explodes into existence. Summer Fury is filled with unforgettable characters, and offers the most realistic look you will ever have at the inner workings of a TV newsroom, courtesy of an author who spent over 20 years as a TV weatherman in Miami. The attention to detail in the story is painstaking, and the reader will also learn many interesting facts from this tale as well, about the TV news business, Miami, hurricanes, and more. Between 1981 and 2004, author Gary Travers was on-air, at separate times, for WPLG Channel 10 (ABC), WFOR Channel 4 (CBS), and WTVJ Channel 6 (NBC).

**Fury** Salman Rushdie 2010-12-10 Professor Malik Solanka, retired historian of ideas, irascible doll maker, and since his recent fifty-fifth birthday celibate and solitary by his own (much criticized) choice, in his silvered years found himself living in a golden age. Outside his window, a long humid summer, the first hot season of the third millennium, baked and perspired. The city boiled with money. Rents and property values had never been higher, and in the garment industry it was widely held that fashion had never been so fashionable. - from Fury From one of the world's truly great writers comes a wickedly brilliant and pitch-black comedy about a middle-aged professor who finds himself in New York City in the summer of 2000. Not since the Bombay of Midnight's Children have a time and place been so intensely captured in a novel. Salman Rushdie's eighth novel opens on a New York living at break-neck speed in an age of unprecedented decadence. Malik Solanka, a Cambridge-educated self-made millionaire originally from Bombay, arrives in this town of IPOs and white-hot trends looking, perversely, for escape. He is a man in flight from himself. This former philosophy professor is the inventor of a hugely popular doll whose multiform ubiquity - as puppet, cartoon and talk-show host - now rankles with him. He becomes frustratingly estranged from his own creation. At the same time, his marriage is disintegrating, and Solanka very nearly commits an unforgivable act. Horrified by the fury within him, he flees across the Atlantic. He discovers a city roiling

with anger, where cab drivers spout invective and a serial killer is murdering women with a lump of concrete, a metropolis whose population is united by petty spats and bone-deep resentments. His own thoughts, emotions and desires, meanwhile, are also running wild. He becomes deeply embroiled in not one but two new liaisons, both, in very different ways, dangerous. Professor Solanka's navigation of his new world makes for a hugely entertaining and compulsively readable novel. *Fury* is a pitiless comedy that lays bare, with spectacular insight and much glee, the darkest side of human nature.

Point Fury John Maxwell 2002-04-16 A DESOLATE, STORM-SWEPT BEACH IN WINTER... TWO MEN, ONE YOUNG, ONE OLDER, PLAYING A GAME OF CAT AND MOUSE. IT'S NO GAME. CHRIS NIELSON IS FIGHTING FOR HIS LIFE. Rock guitarist Chris Nielson is between gigs. Way between gigs. His musical and personal lives have turned sour, and he's looking for a way to regroup, to stimulate his creative juices, to decide what's next in his floundering twenty-something existence. When his father's rich friend Ted Harper offers him a house-sitting job at his palatial Maryland beach house, it seems like the perfect answer. Ted needs somebody to live there over the winter, to keep away intruders. Hooligans caused damage last year. With Chris and his dog, Charlie, on the premises, the place should be safe. Ted's only demands: stay the whole winter, respect his property, and don't leave the house untended. The house is eerie, foreboding. It's cold and lonely, especially at night. But the setting, an isolated sandbar separated from the mainland by a one-lane bridge off an unmarked road, is invigorating. There's also an intriguing neighbor. Caroline is from California and has fled to Maryland to escape an abusive boyfriend. Caroline invites Chris for dinner. They share a love for music, maybe something more. But is Caroline who she seems to be? And what about Ted Harper? Where does he get his money? What's his story? When Chris finds things in the house that don't make sense, he begins to suspect that Ted is playing a horrible game with him. Maybe Chris will wake up and the bad dream will go away. Maybe this is just the worst rehab he could imagine. Or maybe something sinister is about to happen, an insane man's demented plot in which Chris, himself, is the target. When it was originally published more than thirty years ago, John Fowles's *The Magus* captivated readers with its enigmatic and magical story of a young man caught in a web of political and sexual betrayal, filled with hallucinations, riddles, and mental games. Inspired by that novel and those of contemporary masters of suspense, John Maxwell's brilliant debut is a richly woven and wholly original take on the traditional psychological thriller.

**And Their Children After Them** Nicolas Mathieu 2020-04-07 Named a Best Book of the Year by *The Times* (UK) and the Los Angeles Public Library Winner of the 2018 Goncourt Prize, this poignant coming-of-age tale captures the distinct feeling of summer in a region left behind by global progress. August 1992. One afternoon during a heatwave in a desolate valley somewhere in eastern France, with its dormant blast furnaces and its lake, fourteen-year-old Anthony and his cousin decide to steal a canoe to explore the famous nude beach across the water. The trip ultimately takes Anthony to his first love and a summer that will determine everything that happens afterward. Nicolas Mathieu conjures up a valley, an era, and the political journey of a young generation that has to forge its own path in a dying world. Four summers and

four defining moments, from “Smells Like Teen Spirit” to the 1998 World Cup, encapsulate the hectic lives of the inhabitants of a France far removed from the centers of globalization, torn between decency and rage.

**All the Right Reasons** Bethany Mangle 2022-02-15 “Made my Bachelor-loving heart very happy.” —Rachel Lynn Solomon, author of *Today Tonight Tomorrow* The Bachelor meets *Gilmore Girls* in this laugh-out-loud young adult romance about a girl who joins her mother on a reality dating show for single parents—only to fall for a contestant's son. Cara Hawn's life fell apart after her father cheated on her mother and got remarried to a woman Cara can't stand. When Cara accidentally posts a rant about her father online, it goes viral—and catches the attention of the TV producers behind a new reality dating show for single parent families. The next thing Cara and her mother know, they've been cast as leads on the show and are whisked away to sunny Key West where they're asked to narrow a field of suitors and their kids down to one winning pair. All of this is outside of Cara's comfort zone, from the meddling producers to the camera-hungry contestants, especially as Cara and her mother begin to clash on which suitors are worth keeping around. And then comes Connor. As the son of a contestant, Connor is decidedly off-limits. Except that he doesn't fit in with the cutthroat atmosphere in all the same ways as Cara, and she can't get him out of her head. Now Cara must juggle her growing feelings while dodging the cameras and helping her mom pick a bachelor they both love, or else risk fracturing their family even more for the sake of ratings. Maybe there's a reason most people don't date on TV.

**Fury's Hour** Warren Kinsella 2011-07-27 No-holds-barred political strategist Warren Kinsella's colourful, no-holds-barred look at punk rock, and how it influenced him and millions of other kids to strive for nothing less than changing the world. Playing bass for Calgary punk-rock quartet the Hot Nasties might seem a strange way for one of Canada's top political strategists to have spent his formative years, but in *Fury's Hour* — Warren Kinsella's exploration of punk's history and heroes, its factions, failures and triumphs — he shares his unique view into a subculture that has long encouraged people to think big about the world. From early meetings with icons Joey Ramone and Joe Strummer, Kinsella has gone on to interview a who's who of punk: Sex Pistols Johnny Rotten and Glen Matlock, Fugazi's Ian MacKaye, Billy Idol, DOA's Joey “Shithead” Keithly, Bad Religion's Brett Gurewitz, Blink 182, Good Charlotte and many more. Since he was a teenager, Kinsella has challenged his heroes to put into words the true value of the music. How, after decades of co-optation by the record industry, neo-Nazis and misdirected radicals, are new generations continuing what he calls punk's “search for the real”? In *Fury's Hour*, with the iconoclasm and passion that have marked his career in politics, Warren Kinsella searches for the soul of a sound that invigorated the way he and millions of others have grown up — finding a way to turn anger into energy.

Taking readers into the heart of these remarkable months, *Freedom Summer* shines new light on a critical moment of nascent change in America. “Recreates the texture of that terrible yet rewarding summer with impressive verisimilitude.” -Washington Post

But when a bigger fish who can turn superpowers back on their users enters the picture and threatens the person Meg loves the most (herself), she must turn to the last group of people she would admit she needs help from. Forced to team up with the heroes she despises (but won't murder, because let's face it, orange is not the new black), Meg will have to face the choices from her past that she won't get therapy for. **Shenandoah Summer** Scott C. Patchan 2009-04-01 Jubal A. Early's disastrous battles in the Shenandoah Valley ultimately resulted in his ignominious dismissal. But Early's lesser-known summer campaign of 1864, between his raid on Washington and Phil Sheridan's renowned fall campaign, had a significant impact on the political and military landscape of the time. By focusing on military tactics and battle history in uncovering the facts and events of these little-understood battles, Scott C. Patchan offers a new perspective on Early's contributions to the Confederate war effort and to Union battle plans and politicking. Patchan details the previously unexplored battles at Rutherford's Farm and Kernstown (a pinnacle of Confederate operations in the Shenandoah Valley) and examines the campaign's influence on President Lincoln's reelection efforts. He also provides insights into the personalities, careers, and roles in

Shenandoah of Confederate general John C. Breckinridge, Union general George Crook, and Union colonel James A. Mulligan, with his "fighting Irish" brigade from Chicago. Finally, Patchan reconsiders the ever-colorful and controversial Early himself, whose importance in the Confederate military pantheon this book at last makes clear.
