The devil is known as the Deceiver of Nations. KJV Revelation 12: And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. This specific deception has been missed by every nation. The devil (adversary of God) worked this deception with his usual intent. KJV John 10: The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly. The court is awaiting the arrival of Dr. Berringer, a well-known figure in Huntington, because of his position with the towns primary source of employment "the institution for the criminally insane that opened up some two and a half years ago. Dr. Berringer had been living in Florida in retirement He was extridited to Tennessee, to face murder charges against him. Two women were found in the

garden of his house that he occupied when he was employed as chief of staff of the institution. Dr. Berringer is brought into the courtroom in handcuffs by two officers of the court. He is seated by his attorney in front of the courtroom. The story opens up by the prosecuting attorney Marilyn Emery. The prosecuting attorney. She addresses the jury with her opening remarks accusing Dr. Berringer of being a cold, calculus, sadistic murderer. She makes a strong case against Dr. Berringer, and tells the jury, she will prove beyond a shadow of a doubt that he is guilty and she is seeking the death penalty. Dr. Berringer's attorney, then makes his opening remarks to the jury, that his client is innocent of all charges, and he will prove beyond any doubt Dr. Berringer is a respectable man and he will ask the jury for an acquital because there is no tangible evidence. Dr. Morrison and the institution. During the course of Dr. Morrison's testimony he brings to life the inmates that are interred at the institution. They are all serial killers. One of the inmates, who is one of the main characters of this book is "Billy Joe Courtney" he is a young farm boy who Dr. Morrison accidentally finds out, has Multiple Personalities of which most of them are serial killers. 'Billy Joe, is a type of kid that came from very poor ignorant farm people. His mother, took in laundry from neighboring farms to put food on the table. His father was the town drunk. they never had any type of education, and Billy Joe never learned to read or write' All of his personalities are different In fact two of them are women. In this story you will find, Dr. Berringer did not have a good marriage. He falls in love with a female inmate that was compared to "Lizzie Borden" because she had killed her husband with an ax. When she entered the institution She was pregnant at the time. He concocks a scheme to make her his

mistress and swindles her out of a great deal of money and kills two people in the process I promise you this book is riveting and you will find it very hard to put it down. Sequel to follow. The Eleventh Commandment G. Vaughn Smith 2006-04 The Christian Church has failed. It has been almost two thousand years since the founder of the Christian Church, Jesus Christ, died upon the cross, yet the Great Commission is not complete. There are more human beings in slavery than ever before in the human experience while pornography and sexual crimes are rampant. Here in the United States, a nation supposedly under God, the percentage of people actively attending the church of their choice has fallen to less than half of what it was 40 years ago. If that were not enough to prove my premise regarding the failure of the Christian Church, every second someone in this world dies of starvation while the organized church ignores the very people it was founded to serve, the lost.

The Eleventh Commandment: (Second Edition)

Abraham Medina 2007-06 A rich doctor who is an atheist falls in love with a plain and religiously conservative Amish woman.

Diametrically opposite in so many ways at the start, they discuss religion and politics as they go through romantic, humorous, and poignant episodes in their courtship and marriage. The inspirational message on faith is timeless and gives hope even to the most hardened atheist who is looking for convincing evidence of God. Authentic references are presented in the discussion of selfish politics as the main reason for invading Iraq. While serving in the battlefield, the hero gets a first hand experience on the horrors and futility of a costly war that has caused widespread American and worldwide condemnation even as the President maintains an adamant stance on maintaining a war that seems to have no near end in sight. 2015-02-01 Life's disappointments can be a challenge to forgive. After my parent's deaths, I had to learn to forgive in order to move forward in my life. There is no Band-Aid for grief, loss, or offense. We'll have questions about the challenges we face in life, of course. The problem is not having a question. The problem is not that our question remains unanswered. The problem is that we expect, or even demand, resolution and find ourselves offended because of this apparent disconnect between what we thought we were getting and what life gave us. Jesus said offenses would come because expectations are a given. Hurt, loss, disappointment and offense are woven within

the natural flow of relationship and commitment. As Jesus told the disciples of John, "Happy is the man that I can't offend." I don't think happiness comes because Jesus decides not to offend us with His ways. I think the happiness happens when we acknowledge Jesus' teaching and, instead of trying to duck or deny the offense, we forgive and release it. Forgiveness. It's what I like to call The Eleventh Commandment.

The Eleventh Commandment:the Next Step I
Stephen Knapp 2007-09 The Eleventh Commandment is a ground-breaking new code to bring humanity to a higher level of consciousness, and to increase the spiritual awareness of society. It can change the way we see and interact with each other on numerous levels. It brings us to the stage of understanding that humanity is responsible for its own spiritual

maturity and that it is time to manifest a more elevated civilization. This new commandment guides us to: A deeper level of recognizing our spiritual identity and connection with God. Attain the great realization of perceiving the Divine within yourself and all beings. Transform our consciousness and the way we do business, politics, protect the environment, adjust our diet, and care for all. Distinguish the spiritual similarities between us all, which can bring about real peace in the world. Manifest God's plan for the world and bring the spiritual dimension into our lives. Be a reflection of God's love toward everyone. Open ourselves to greater peace and harmony within. The world is in need of a new direction in its spiritual development, and this 11th Commandment is given as the next phase to manifest humanity's most elevated potentials.

Phillips, offers a work of fiction which seeks to dramatize the life and complex destiny of a powerful southern man and his family. Centered on rich landowner Tom Lacey, the saga reveals that his demanding personality has put a great deal of stress upon his family. Tom is not the type of man to hide his disappointment in his children, and when his daughter Hannah becomes pregnant by a black farmhand named Lem, Tom reacts by killing the man. Because of Lem's light appearance, Tom passes off the child as white. Tom feels a great deal of affection for the boy and treats him well despite his mixed parentage. Through a detailed plot, the chronicle follows Tom as his complicated actions and personality eventually catch up with him. As the story concludes, Tom has come to see the error of his ways and tries to make amends for his racial prejudices. In *The Eleventh Commandment*, the author's descriptions of events, supporting characters, and settings are intended to augment the scope and tone of this

narrative.

An Eleventh Commandment and Other Poems
Leonard Mades 2011-03 Many of the poems in this book are about love, having been created in obedience to what the author thinks of as an eleventh commandment, one which bids us love. The poems reflect the genesis of his love for his muse, his wife Pearl. They demonstrate the ways his literary and personal life has been so plenteously shaped by the exemplary love poems of Dante, as well as by the love the couple have had for each other, especially in their days of courtship. The "Poems of Love" were also inspired by reproductions of the illustrations that accompany them in this book. The "Other Poems" are being shared as favorite interludes of the author which will hopefully inform and entertain the reader.

Holy New Order has arisen, one in which females are subjugated. For Maree Krystek, the pharmaceutical mind-wipe that ushered in the New Order failed, a fact she manages to conceal, but which makes her service as the Prophet's concubine unendurable. But endure she does—until her sister Zophia is identified as a breeder, a soul-destroying fate of birthing infants, only to surrender them to wet nurses to expedite the next breeding. Maree escapes with Zophia, but once outside the Compound, they must elude not just soldiers, but the roaming bands of Reprobates, violent criminals loosed into the wild to discourage such escapes. The Prophet wants the women returned to face his wrath, but he also knows that if anyone can locate Society Three, the whispered-about haven for non-believers, it's Maree. He tasks Kalleem Marsh, Captain of the First Guard, to follow the women to the rebel base before apprehending them. When Reprobates menace the women, Kalleem intervenes to save them. To salvage his

mission, he tells the two he was cast out in disgrace over their escape and has no loyalty to the Prophet. Maree doesn't trust him an inch, but she knows they'll need his help to survive the quest for Society Three. Yet Maree remembers something from "before", something Kalleem does not—a shared desire that once scorched her teenage soul.

The Eleventh Commandment Christine Williams 2011 For all people, and particularly for people of faith, the time is NOW to speak out for the preservation of this beautiful and fragile planet. People of all faith traditions are beginning to hear the call to take better care of the earth, and we must begin to answer with our actions as well as our prayers. This book contains masterful sermons and essays from nationally known and highly respected religious leaders, writers, and scholars. These writings will challenge our denial, complacency, and outright hopelessness (to borrow a theme from Chapter One by Dr. John B. Cobb, Jr.), and ignite the

transformational fire within, moving us closer to living in accordance with the values of our professed faith. The reader will make the surprising discovery that the major world religions share common ground in the mandate of our respective scriptures to be faithful stewards of the earth. "The Eleventh Commandment" contains the promise of a new beginning for people of all faith traditions to become a part of the global movement that integrates faith with environmental stewardship. *The Eleventh Commandment* Melville Shavelson 1977-01-01

 2015-02-20 While on an archaeological dig in Northern Arizona, Marcus Machado unearths the journals of a sixteenth century priest. The contents make reference to the existence of the Book of Aaron, a missing book of the Bible. It also suggests a possible location of the book along the Exodus Trail in the Middle East. Marc travels to another dig site in the Middle Eastern desert where, along with the help of an Egyptian guide, they uncover the actual Book of Aaron, the brother of Moses. The book reveals an even greater secret—the existence of an eleventh commandment. They soon discover the fabled tablet and after deciphering accompanying information about the commandment. Marcus is torn between delivering it to the world and burying it deeper than where he found it. He knows that in the wrong hands, it could have earth-shattering ramifications.
