

# Sunday Afternoons With Tolstoy Poems Pb 1999 6 Are Autographed

Unveiling the Energy of Verbal Art: An Emotional Sojourn  
through **Sunday Afternoons With Tolstoy Poems Pb 1999 6  
Are Autographed**

In some sort of inundated with monitors and the cacophony of instantaneous interaction, the profound energy and emotional resonance of verbal beauty often fade into obscurity, eclipsed by the constant barrage of noise and distractions. Yet, set within the musical pages of **Sunday Afternoons With Tolstoy Poems Pb 1999 6 Are Autographed**, a captivating function of literary elegance that pulses with organic emotions, lies an unique journey waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that exciting opus guides visitors on a mental odyssey, gently revealing the latent potential and profound influence stuck within the complex internet of language. Within the heart-wrenching expanse of this evocative examination, we will embark upon an introspective exploration of the book is main styles, dissect their fascinating writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

History of the Arabic Written  
Tradition Supplement Volume  
3 - i Carl Brockelmann  
2018-07-10 The present

English translation reproduces  
the original German of Carl  
Brockelmann's *Geschichte der  
Arabischen Litteratur (GAL)* as  
accurately as possible. In the

interest of user-friendliness the following emendations have been made in the translation: Personal names are written out in full, except b. for ibn; Brockelmann's transliteration of Arabic has been adapted to comply with modern standards for English-language publications; modern English equivalents are given for place names, e.g. Damascus, Cairo, Jerusalem, etc.; several erroneous dates have been corrected, and the page references to the two German editions have been retained in the margin, except in the Supplement volumes, where new references to the first two English volumes have been inserted.

### *Vygotsky's Notebooks*

Ekaterina Zavershneva

2018-01-24 This book consists of previously unpublished manuscripts by Vygotsky found in the first systematic study of Vygotsky's family archive. The notebooks and scientific diaries gathered in this volume represent all periods of Vygotsky's scientific life, beginning with the earliest

manuscript, entitled *The tragicomedy of strivings* (1912), and ending with his last note, entitled *Pro domo sua* (1934), written shortly before his death. The notes reveal unknown aspects of the eminent psychologist's personality, show his aspirations and interests, and allow us to gain insights into the development of his thinking and its internal dynamics. Several texts reflect the plans that Vygotsky was unable to realize during his lifetime, such as the creation of a theory of emotions and a theory of consciousness, others reveal Vygotsky's involvement in activities that were previously unknown, and still others provide outlines of papers and lectures. The notes are presented in chronological order, preceded by brief introductions and accompanied by an extensive set of notes. The result is a book that allows us to obtain a much deeper understanding of Vygotsky's innovative ideas.

**Staring at the Sun** Irvin D.

Yalom 2010-06-10 Written in

Irv Yalom's inimitable storytelling style, *Staring at the Sun* is a profoundly encouraging approach to the universal issue of mortality. In this magisterial opus, capping a lifetime of work and personal experience, Dr. Yalom helps us recognize that the fear of death is at the heart of much of our anxiety. Such recognition is often catalyzed by an "awakening experience"—a dream, or loss (the death of a loved one, divorce, loss of a job or home), illness, trauma, or aging. Once we confront our own mortality, Dr. Yalom writes, we are inspired to rearrange our priorities, communicate more deeply with those we love, appreciate more keenly the beauty of life, and increase our willingness to take the risks necessary for personal fulfillment.

### **The Strategic Constitution**

Robert D. Cooter 2020-06-30  
Making, amending, and interpreting constitutions is a political game that can yield widespread suffering or secure a nation's liberty and prosperity. Given these high

stakes, Robert Cooter argues that constitutional theory should trouble itself less with literary analysis and arguments over founders' intentions and focus much more on the real-world consequences of various constitutional provisions and choices. Pooling the best available theories from economics and political science, particularly those developed from game theory, Cooter's economic analysis of constitutions fundamentally recasts a field of growing international importance. By uncovering the constitutional incentives that influence citizens, politicians, administrators, and judges, Cooter exposes fault lines in alternative forms of democracy: unitary versus federal states, deep administration versus many elections, parliamentary versus presidential systems, unicameral versus bicameral legislatures, common versus civil law, and liberty versus equality rights. Cooter applies an efficiency test to these

## Sunday Afternoons With Tolstoy Poems Pb 1999 6 Are

Autographed

alternatives, asking how far they satisfy the preferences of citizens for laws and public goods. To answer Cooter contrasts two types of democracy, which he defines as competitive government. The center of the political spectrum defeats the extremes in "median democracy," whereas representatives of all the citizens bargain over laws and public goods in "bargain democracy." Bargaining can realize all the gains from political trades, or bargaining can collapse into an unstable contest of redistribution. States plagued by instability and contests over redistribution should move towards median democracy by increasing transaction costs and reducing the power of the extremes. Specifically, promoting median versus bargain democracy involves promoting winner-take-all elections versus proportional representation, two parties versus multiple parties, referenda versus representative democracy, and special governments versus comprehensive governments.

This innovative theory will have ramifications felt across national and disciplinary borders, and will be debated by a large audience, including the growing pool of economists interested in how law and politics shape economic policy, political scientists using game theory or specializing in constitutional law, and academic lawyers. The approach will also garner attention from students of political science, law, and economics, as well as policy makers working in and with new democracies where constitutions are being written and refined.

The Routledge History of Literature in English Ronald Carter 2001 This is a guide to the main developments in the history of British and Irish literature, charting some of the main features of literary language development and highlighting key language topics.

*Lost Libraries* J. Raven 2004-01-31 This pioneering volume of essays explores the destruction of great libraries

## Sunday Afternoons With Tolstoy Poems Pb 1999 6 Are

Autographed

since ancient times and examines the intellectual, political and cultural consequences of loss. Fourteen original contributions, introduced by a major re-evaluative history of lost libraries, offer the first ever comparative discussion of the greatest catastrophes in book history from Mesopotamia and Alexandria to the dispersal of monastic and monarchical book collections, the Nazi destruction of Jewish libraries, and the recent horrifying pillage and burning of books in Tibet, Bosnia and Iraq.

Zastrozzi (Horror Classic)  
Percy Bysshe Shelley  
2018-12-21 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices. Pietro Zastrozzi, an outlaw, and his two servants, Bernardo and Ugo, disguised in masks, abduct Verezzi from the inn near Munich where he lives and take him to a cavern hideout. Verezzi is locked in a room with an iron door. Chains are placed around his waist and limbs and he is attached to

the wall. Verezzi is able to escape and to flee his abductors, and finally settles in Venice, but Zastrozzi is driven by the blind hatred and doesn't give up on ruining Verezzi's life.

They Aren't, Until I Call Them

Enikő Bollobás 2010 The Deutsche Nationalbibliothek lists this publication in the Deutsche Nationalbibliografie; detailed bibliographic data is available in the internet at <http://dnb.d-nb.de>.

### **Writing Your Journal Article**

**in Twelve Weeks** Wendy Laura Belcher 2009-01-20 This book provides you with all the tools you need to write an excellent academic article and get it published.

*The Dada Painters and Poets*

Robert Motherwell 1989

Presents a collection of essays, manifestos, and illustrations that provide an overview of the Dada movement in art, describing its convictions, antics, and spirit, through the words and art of its principal practitioners.

Anarchist Seeds Beneath the Snow David Goodway

2006-01-01 From William Morris to Oscar Wilde to George Orwell left-libertarian thought has long been an important but neglected part of British cultural and political history. This work seeks to recover that indigenous anarchist tradition. It argues that a recovered anarchist tradition could be a touchstone for contemporary political radicals.

*The Antinomies Of Realism*

Fredric Jameson 2013-10-08

The Antinomies of Realism is a history of the nineteenth-century realist novel and its legacy told without a glimmer of nostalgia for artistic achievements that the movement of history makes it impossible to recreate. The works of Zola, Tolstoy, Pérez Galdós, and George Eliot are in the most profound sense inimitable, yet continue to dominate the novel form to this day. Novels to emerge since struggle to reconcile the social conditions of their own creation with the history of this mode of writing: the so-called modernist novel is one

attempted solution to this conflict, as is the ever-more impoverished variety of commercial narratives - what today's book reviewers dub "serious novels," which are an attempt at the impossible endeavor to roll back the past. Fredric Jameson examines the most influential theories of artistic and literary realism, approaching the subject himself in terms of the social and historical preconditions for realism's emergence. The realist novel combined an attention to the body and its states of feeling with a focus on the quest for individual realization within the confines of history. In contemporary writing, other forms of representation - for which the term "postmodern" is too glib - have become visible: for example, in the historical fiction of Hilary Mantel or the stylistic plurality of David Mitchell's novels. Contemporary fiction is shown to be conducting startling experiments in the representation of new realities of a global social totality,

## Sunday Afternoons With Tolstoy Poems Pb 1999 6 Are

Autographed

modern technological warfare, and historical developments that, although they saturate every corner of our lives, only become apparent on rare occasions and by way of the strangest formal and artistic devices. In a coda, Jameson explains how “realistic” narratives survived the end of classical realism. In effect, he provides an argument for the serious study of popular fiction and mass culture that transcends lazy journalism and the easy platitudes of recent cultural studies.

An Introduction to the Grammar of English Elly van Gelderen 2002-01-01 This textbook introduces basic concepts of grammar in a format which should encourage readers to use linguistic arguments. It focuses on syntactic analysis and evidence. It also looks at sociolinguistic and historical reasons behind prescriptive rules.

Wellness Counseling Paul F Granello 2013-04-09 This is the eBook of the printed book and may not include any media,

website access codes, or print supplements that may come packaged with the bound book. Developed by a professor who has been teaching a popular and innovative wellness counseling course for over a decade, this new text is organized into a format specifically designed to meet the needs of both counselor education graduate students and their teachers — making both teaching and learning the material easier and more intuitive. Giving a general but comprehensive overview of the subject of wellness, Wellness Counseling offers students a compelling balance of the science and research in the field, the theories that have emerged from this research, and the practical applications that we can take away from practicing these theories. Holistic, scientific, and ultimately concerned with the humanity of counseling, this text strives to be inclusive — especially of the psychological and social aspects of wellness that have gained more attention in recent years. The

## Sunday Afternoons With Tolstoy Poems Pb 1999 6 Are

Autographed

book is organized in three main sections. While Section One is concerned with the background of wellness as a healthcare paradigm in the United States and major theories of wellness, and historical context for wellness, Section Two contains specific information on the social, physical, emotional, and cognitive domains of wellness. The last main section of the book synthesizes the first two sections of the book to extract practical applications of wellness in behavioral healthcare intervention counseling.

*Sense and Solidarity* Jean Drèze 2019 This collection of Jean Drèze's essays offer a unique insight on issues of hunger, poverty, inequality, corruption, conflict, and the evolution of social policy in India over the last twenty years. 'Sense and Solidarity' enlarges the boundaries of social development towards a broad concern with the sort of society we want to create.

Mandelstam, Blok, and the Boundaries of Mythopoetic Symbolism Stuart Goldberg

2011 "Mandelstam had no teacher," marveled Anna Akhmatova, reflecting on his early maturity and singularity. But Mandelstam himself spoke of the need and even duty to study a poet's literary roots. So how did this consummately complex, compelling, multi-resonant poet navigate and exploit the burden of the Russian Symbolist movement from which he emerged? How did this process change and augment his poetry? Through a series of illuminating readings, Stuart Goldberg explores the ongoing role that the poetry of Russian Symbolism played in Osip Mandelstam's creative life, laying bare the poet's productive play with distance and immediacy in his assimilation of the Symbolist heritage. At the same time, Mandelstam, Blok, and the Boundaries of Mythopoetic Symbolism presents the first coherent narrative of the poet's fraught relationship with Alexander Blok, the most powerful poetic voice among the Symbolists. This dialogue, which was largely one-sided,

## Sunday Afternoons With Tolstoy Poems Pb 1999 6 Are

Autographed

extended beyond poetic intertext into the realms of poetics, charisma, and personality. Goldberg's study pushes theoretical boundaries, exploring the juncture between pragmatics and intertext, adapting and challenging Bloom's anxiety of influence theory, and, ultimately, tracing a shift in the nature of sincerity and authenticity that divided poetic generations.

**The Brothers Karamazov** (□□ □□□□□) Fyodor Dostoevsky  
2011-05-15

*Workers and Intelligentsia in Late Imperial Russia* Reginald E. Zelnik 1999

Mathematical Encounters of the Second Kind Philip J. Davis 1997 A memoir of mathematician Philip Davis's life and encounters, some actual and some imaginary, with a number of mathematicians and historical figures. His message focuses on the idea that mathematics can bring people into contacts with each other across centuries, oceans, and cultural difference. Annotation copyrighted by Book News,

Inc., Portland, OR  
Women and Love Miriam Burke  
2022-02-23 'I couldn't sleep that night; our conversation was like a trapped bird flying around inside my head. The next morning, I texted to say I wouldn't be coming back. I lied about having to return to my country to nurse a sick relative. I couldn't bear to see my story mirrored in his eyes, and to see what we never had. I knew he'd understand.' Women and Love is a thought-provoking collection of seventeen tightly woven tales about the power of love, all its trials and complications, and the shattered lives it can leave in its wake. The stories explore a huge variety of sorts of love surrounding women in wildly differing settings, and features an unforgettable cast including GPs, burglars, inmates, emigrant cleaners, carers, young professionals, and many more. Navigating heavy themes, with a particular focus on LGBTQ+ experiences, including gender dysphoria and searching for a sperm donor, the stories leave the reader

burning with indignation, full of empathy and wonder.

**Through the Russian Revolution** Albert Rhys Williams 1921

**Cosmopolis** Stephen Toulmin 1992-11 In the seventeenth century, a vision arose which was to captivate the Western imagination for the next three hundred years: the vision of Cosmopolis, a society as rationally ordered as the Newtonian view of nature. While fueling extraordinary advances in all fields of human endeavor, this vision perpetuated a hidden yet persistent agenda: the delusion that human nature and society could be fitted into precise and manageable rational categories. Stephen Toulmin confronts that agenda—its illusions and its consequences for our present and future world. "By showing how different the last three centuries would have been if Montaigne, rather than Descartes, had been taken as a starting point, Toulmin helps destroy the illusion that the Cartesian quest for certainty is

intrinsic to the nature of science or philosophy."—Richard M. Rorty, University of Virginia "[Toulmin] has now tackled perhaps his most ambitious theme of all. . . . His aim is nothing less than to lay before us an account of both the origins and the prospects of our distinctively modern world. By charting the evolution of modernity, he hopes to show us what intellectual posture we ought to adopt as we confront the coming

millennium."—Quentin Skinner, New York Review of Books

**The History of the American Expedition Fighting the**

**Bolsheviki** Joel Roscoe Moore 1920 The American North Russian Expeditionary Force consisted of the 339th Infantry, which had been known at Camp Custer as "Detroit's Own", one battalion of the 310th Engineers, the 337th Ambulance Company, and the 337th Field Hospital company. The force numbered in all, about five thousand five hundred men.

The Abkhazians George Hewitt

2013-11-19 This handbook provides a ready introduction and practical guide to the Abkhazian people and language. It includes chapters written by experts in the field, covering all aspects of the people, including their history, religion, politics, economy, culture, literature and media, plus pictures, chronologies and appendices of up-to-date statistics, maps and bibliographies. This volume forms part of the Peoples of the Caucasus series which is an indispensable - and accessible - resource to all those with an interest in the Caucasus: journalists, aid workers, regional specialists in government, law, banking, accounting, as well as tourists, business people, students and academics.

*Harold Monro* D. Hibberd 2001-02-13 Troubled by his complex sexuality, Monro was a tormented soul whose aim was to serve the cause of poetry. Hibberd's revealing and beautifully-written biography will help rescue Monro from the graveyard of literary

history and claim for him the recognition he deserves. Poet and businessman, ascetic and alcoholic, socialist and reluctant soldier, twice-married yet homosexual, Harold Monro probably did more than anyone for poetry and poets in the period before and after the Great War, and yet his reward has been near oblivion. Aiming to encourage the poets of the future, he befriended, among many others, T.S. Eliot, Ezra Pound and the Imagists; Rupert Brooke and the Georgians; Marinetti the Futurist; Wilfred Owen and other war poets; and the noted women poets, Charlotte Mew and Amma Wickham.

### **The Diary of Georgi**

**Dimitrov, 1933-1949** Georgi Dimitrov 2008-10-01 Georgi Dimitrov (1882-1949) was a high-ranking Bulgarian and Soviet official, one of the most prominent leaders of the international Communist movement and a trusted member of Stalin's inner circle. Accused by the Nazis of setting the Reichstag fire in 1933, he successfully defended himself

## Sunday Afternoons With Tolstoy Poems Pb 1999 6 Are

Autographed

at the Leipzig Trial and thereby became an international symbol of resistance to Nazism. Stalin appointed him head of the Communist International (Comintern) in 1935, and he held this position until the Comintern's dissolution in 1943. After the end of the Second World War, Dimitrov returned to Bulgaria and became its first Communist premier. During the years between 1933 and his death in 1949, Dimitrov kept a diary that described his tumultuous career and revealed much about the inner working of the international Communist organizations, the opinions and actions of the Soviet leadership, and the Soviet Union's role in shaping the postwar Eastern Europe. This important document, edited and introduced by renowned historian Ivo Banac, is now available for the first time in English. It is an essential source for information about international Communism, Stalin and Soviet policy, and the origins of the Cold War.

### **The Poetry of the Celtic**

~~Races, and Other Essays~~

Ernest Renan 2018-10-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. 2014-08-21 Comprehensive student-friendly resources designed for teaching Cambridge International AS and A Level English Language (syllabus 9093). The core aim of this Coursebook is to help students to develop and apply the key skills they need to achieve in AS and A Level English Language. They will build the skills needed for assessment through frequent activities. Divided into two distinct parts for AS and A Level studies, the book covers a wide range of reading skills, such as understanding aspects of style, voice and tone. It also addresses the conventions of key kinds of writing and spoken language, from scripted speeches to travel articles, and looks at how they can capture these conventions in their own work.

*The Social Animal* Elliot Aronson 1973 Newly revised and up-to-date, this edition of "The Social Animal" is a brief, compelling introduction to modern social psychology. Through vivid narrative, lively presentations of important

research, and intriguing examples, Elliot Aronson probes the patterns and motives of human behavior, covering such diverse topics as terrorism, conformity, obedience, politics, race relations, advertising, war, interpersonal attraction, and the power of religious cults.

AB Bookman's Weekly 1999

### **Britain, France and the Decolonization of Africa**

Andrew W.M. Smith

2017-03-01 Looking at decolonization in the conditional tense, this volume teases out the complex and uncertain ends of British and French empire in Africa during the period of 'late colonial shift' after 1945. Rather than view decolonization as an inevitable process, the contributors together explore the crucial historical moments in which change was negotiated, compromises were made, and debates were staged. Three core themes guide the analysis: development, contingency and entanglement. The chapters consider the ways in which

decolonization was governed and moderated by concerns about development and profit. A complementary focus on contingency allows deeper consideration of how colonial powers planned for 'colonial futures', and how divergent voices greeted the end of empire. Thinking about entanglements likewise stresses both the connections that existed between the British and French empires in Africa, and those that endured beyond the formal transfer of power.

### **Shade of the Raintree**

Laurence S. Lockridge 1995 In 1948, Ross Lockridge's novel Raintree County was a number one bestseller and acclaimed literary work. Yet, at the height of his fame at age 33, Lockridge killed himself. In a brilliant biography, his son Larry seeks understanding. Simultaneous release with the re-publication by Penguin of the long unavailable Raintree County. Photos.

### **Readings about The Social Animal** Joshua Aronson

2019-09-03 Exploring the key

ideas in social psychology, this collection of classic and contemporary readings includes accounts of specific experimental findings as well as more general articles summarizing studies on such topics as attraction, prejudice, and aggression. The new edition adds 15 new readings while retaining a number of classics by leading psychological thinkers such as Stanley Milgram on obedience and Solomon Asch on conformity. Readings makes the perfect companion for the Aronson's highly praised book, The Social Animal as it follows the same major themes. The Reader can also be used with any introductory social psychology text or even in lieu of a text. Using both The Social Animal textbook and the reader is a unique and engaging combination for understanding social psychology and its research.

Inside the American Couple

Marilyn Yalom 2002-08-07 "By interrogating rather than accepting traditional platitudes about our need to be coupled, this vital and original collection both broadens our understanding of what constitutes a couple and deepens our appreciation for the human needs that coupling meets."—Michael S. Kimmel, author of *Manhood in America: A Cultural Reader* "Reading this book is like looking at a crystal—first one interesting facet of coupledness and then another comes into view. It's entrancing!"—Barrie Thorne, Director, Center for Working Families, University of California, Berkeley "This wonderfully important book shows where the couple has been and where it is going, challenging us to simultaneously remake and redefine coupledness for ourselves. Reassuring and enlightening, *Inside the American Couple* is essential reading for anyone concerned

with joining in partnership and

love with another human being."—Rebecca Walker, author of *Black, White and Jewish: Autobiography of a Shifting Self*

New Writing and Daylight John Lehmann 2007-03 PREFACE.

THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly

## Sunday Afternoons With Tolstoy Poems Pb 1999 6 Are

Autographed

say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is dependent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it

may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, - such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he

## Sunday Afternoons With Tolstoy Poems Pb 1999 6 Are

~~Autographed~~

catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

### Memoirs of the Princess

Daschkaw Ekaterina Romanovna Dashkova (kniāginīā) 1840

**Up From Slavery** Booker T. Washington 2022-11-13 Up From Slavery chronicles the life of Booker T. Washington from his days as a child slave during American Civil War to his journey though self-education and towards his growth as a prominent African American leader. This book became a best seller upon its

publication in 1905 and impressed Theodore Roosevelt so much that he invited Washington to dine at White House. "I was born a slave on a plantation in Franklin County, Virginia. I am not quite sure of the exact place or exact date of my birth, but at any rate I suspect I must have been born somewhere and at some time. As nearly as I have been able to learn, I was born near a cross-roads post-office called Hale's Ford, and the year was 1858 or 1859. I do not know the month or the day. The earliest impressions I can now recall are of the plantation and the slave quarters—the latter being the part of the plantation where the slaves had their cabins. My life had its beginning in the midst of the most miserable, desolate, and discouraging surroundings." Booker T. Washington (1856-1915) was an American educator, author, orator, and advisor to presidents of the United States. Washington was from the last generation of black American leaders born into slavery and became the
