Offers information on the geology of Sunset Crater Volcano National Monument.

Discusses the geologic history, rocks and minerals of the area, plate tectonics, and geologic time. Contains geologic maps and a glossary of terms.

Roadside Geology Sarah L. Hanson 2003-01-01 Wupatki and Sunset Crater Volcano National Monuments are neighboring parks situated about 15 miles northeast of Flagstaff, Arizona. That is where the similarity ends.

Sunset Crater is Arizona's youngest volcano and Wupatki is home to northern Arizona's most prominent prehistoric pueblos. Geologist Sarah Hanson's road log captures the majesty of both Monuments while accentuating the geologic and archeological features that make each of them unique. Beautifully illustrated with photographs, geologic cross sections, and maps - including a digital elevation map showing all 600 volcanoes of the San Francisco volcanic field. The road log ticks off at the Sunset Crater turnoff on U.S. 89 and winds for 35-miles through the two monuments with stops and interpretive text - at the more spectacular pullouts or vistas. The illustrative and informative text is sure to enrich any trip to the National Monuments of northern Arizona.

The Antiquities Act was applied in Arizona 23 times, more so than any other state in the union. Using more than 200 historical photographs, many of which have never been published, this book contains the stories of the creation of each of Arizona's national parks and monuments, emphasizing the importance of the landscape and cultural heritage to Arizona's identity.

personal passions, David Kroese turns away from a rewarding yet languishing career and begins the adventure of a lifetime. What happens next evolves into a tour of all four hundred-plus units in America's National Park System -- a perfect way to celebrate the 2016 National Park Service centennial. The Centennial: A Journey Through America's National Park System details David's compelling centennial explorations to 387 parks in 360 days. The story continues through December 2017, when he becomes one of fewer than fifty people known to have visited all 417 national parks. His personal expedition is a poignant exploration into quintessential America as told through its historical and natural wonders. Delve into diverse locations from Hawaii to the Rockies, New England to the Caribbean, Charleston to the California desert, Alaska to American Samoa. Join David and experience the inherent marvels within America's unique landscape and

fascinating history, revealed in engaging context, poetic descriptions, and heartfelt appreciation. The Centennial: A Journey Through America's National Park System is an odyssey of self discovery and fulfillment through the nation's soul.
