[U.S. National Forest Campground Guide, Pacific Northwest Region - Oregon](#) Fred Dow 2009 The U.S. National Forest Campground Guide, Pacific Northwest Region (Oregon), describes 274 developed campgrounds in 14 national forests in the state of Oregon. All of the campgrounds were personally visited and researched by the authors of this Guide. There are more than 50 items of information for each campground, narrative descriptions (including authors' anecdotes), maps displaying the relative location of the campgrounds, and quick look-up tables to help in the selection of a campground. In addition, there are sidebars throughout the Guide containing useful information about camping, the forests, things to do, and the authors' experiences.

[National Audubon Society Field Guide to California](#) National Audubon Society 1998-05-26 The most comprehensive field guide available to the flora and fauna of California--a portable, essential companion for visitors and residents alike--from the go-to reference source for over 18 million nature lovers. This compact volume contains: An easy-to-use field guide for identifying 1,000 of the state's wildflowers, trees, mushrooms, mosses, fishes, amphibians, reptiles, birds, butterflies, mammals, and much more; A complete overview of California's natural history, covering geology, wildlife

habitats, ecology, fossils, rocks and minerals, clouds and weather patterns and night sky; An extensive sampling of the area's best parks, preserves, beaches, forests, islands, and wildlife sanctuaries, with detailed descriptions and visitor information for 50 sites and notes on dozens of others. The guide is packed with visual information -- the 1,500 full-color images include more than 1,300 photographs, 14 maps, and 16 night-sky charts, as well as 150 drawings explaining everything from geological processes to the basic features of different plants and animals.
