*Someone To Protect Her* Patricia Rosemoor 2014-10-15 By day, these agents are cowboys; by night they are specialized government operatives. Men bound by love, loyalty and the law—they've vowed to keep their missions and identities confidential.... THE MISSION: BODYGUARD—FOR A VIRGIN? Tough, wary Frank Connolly promised to deliver scientist C.J. Birch to a secret research facility, safe and sound. But when the stuffy intellectual Frank expected turned out to be one Cecilia Jane, innocent beauty, Frank smelled trouble. Only his highly tuned skills kept them alive when a kidnap attempt left them stranded, alone in the mountain wilderness. With a mercenary on their trail, Frank's mission was twofold: protect C.J. from those who would use her knowledge for evil and resist the awakening desire in the naive virgin's eyes. Because Frank knew too well how deadly personal involvement could be—and his feelings for C.J. were definitely personal...

**Red Jacket, Seneca Chief** Arthur Caswell Parker 1998-01-01 This is the story of controversial Seneca chief and orator Red Jacket (ca. 1750-1830), whose passionate, articulate defense of the old ways won the admiration of many but also earned enmity from other tribal leaders. Red Jacket received a medal from George Washington as a token of friendship. This biography follows Red Jacket from boyhood through the Revolutionary War.

*Shotgun Daddy* Harper Allen 2012-03-15 A FATHER'S DUTY Former hostage negotiator Gabe Riggs wanted nothing to do with spoiled socialite Caro Moore, the ice princess who'd left him high and dry after one night of fiery passion. But a year later, she came begging for the rugged Navajo specialist's help—to protect her and her baby girl from a madman bent on revenge. Telling Gabe the truth about his daughter would only put him in danger, and Caro couldn't handle anyone else suffering because of her. But living under Gabe's close guard at the Double B Ranch was threatening to expose the heart-stopping truth—that he was a daddy...and the only man she ever loved.

*The Bride and the Mercenary* Harper Allen 2012-05-15 ON THE WAY TO THE CHAPEL... If bride-to-be Ainslie O'Connell hadn't seen the derelict pushing the shopping cart, she might have married the wrong man.

Because that "derelict," who now suffered from amnesia, was Seamus Malone—the only man she'd ever truly loved. The man she'd buried two years ago! The man she thought she'd known...but really hadn't. Ainslie knew that unmasking a secret from Seamus's shadowy past as a soldier of fortune would guarantee his safety. But her greatest challenge lay in convincing Seamus he'd never be truly alive without her by his side!

*The Architecture of Use* Stephen Grabow 2014-10-03 By analyzing ten examples of buildings that embody the human experience at an extraordinary level, this book clarifies the central importance of the role of function in architecture as a generative force in determining built form. Using familiar twentieth-century buildings as case studies, the authors present these from a new perspective, based on their functional design concepts. Here Grabow and Spreckelmeyer expand the definition of human use to that of an art form by re-evaluating these buildings from an aesthetic and ecological view of function. Each building is described from the point of view of a major functional concept or idea of human use which then spreads out and influences the spatial organization, built form and structure. In doing so each building is presented as an exemplar that reaches beyond the pragmatic concerns of a narrow program and demonstrates how functional concepts can inspire great design, evoke archetypal human experience and help us to understand how architecture embodies the deeper purposes and meanings of everyday life.

*Sullivan's Stand* Andrew Vaillencourt 2019-12-15 John Sullivan is all done running. A hunted, haunted man, the genetically modified fighter takes to the streets in search of his mobster father and answers to some very tough questions. The answers he gets take Sullivan and his allies to the far corners of the continent where he must confront the terrifying consequences of genetic engineering practices unencumbered by morality. For some people, the last war never ended, and for others the next one has already begun. A mysterious woman, a new foe, and the horrifying truth of what has been going on since the end of the great war gnaws at Sullivan's fragile sanity. Will this journey through his own personal heart of darkness finally break Sullivan's tenuous control over his dark side? Even he doesn't know for sure. But one thing is certain. The time for running is over. With the enemy at the gates and time running out, Sullivan is not giving up an inch. Not this time. This time John Sullivan is making a stand.

**The Sullivan Sisters** Kathryn Ormsbee 2020-06-23 From the author of the "intense coming-of-age story" (School Library Connection) *The Great Unknowable End* and the "beyond refreshing...irreverent" (Booklist, starred review) *Tash Hearts Tolstoy* comes an introspective, atmospheric novel about sisterhood, coming-of-age, and learning that it's never too late to reconnect with those you love. Time changes things. That painful fact of life couldn't be truer for the Sullivan sisters. Once, they used to be close, sharing secrets inside homemade blanket castles. Now, life in the Sullivan house means closed doors and secrets left untold. Fourteen-year-old Murphy, an aspiring magician, is shocked by the death of Siegfried, her pet turtle. Seventeen-year-old Claire is bound for better things than her Oregonian hometown—until she receives a crushing rejection from her dream college. And eighteen-year-old Eileen is nursing a growing addiction in the wake of life-altering news. Then, days before Christmas, a letter arrives, informing the sisters of a dead uncle and an inheritance they knew nothing about. The news forces them to band together in the face of a sinister family mystery...and, possibly, murder. *The Sullivan Sisters* is an unforgettable novel about the ghosts of the past, the power of connection, and the bonds of sisterhood.

**Roger C. Sullivan and the Triumph of the Chicago Democratic Machine, 1908-1920** Richard Allen Morton 2019-01-10 Between 1908 and 1920, Roger C. Sullivan and his political allies consolidated their control of the Chicago and Illinois Democratic parties, creating the enduring structure known as the "Chicago Democratic machine." Not a personal faction nor tied to any cause, it was a coalition of professional political operatives employing business principles to achieve legal profit and advantage. Sullivan was its chief organizer and first "boss," rising to primacy after many political battles—with William Jennings Bryan, among others—and went on to become a kingmaker who helped Woodrow Wilson win the presidency. By the time of his death, Sullivan was widely respected, his achievements recognized even by those who deplored his politics. Based upon new research, this first comprehensive study of Sullivan and the early days of the Chicago "machine" focuses on the daily realities of the city's politics and the personalities who shaped them.

**Weekend on Sullivan's Island** Ashley Farley 2023-08-08 Annie has fallen hard for the handsome and charming Tyler, but their relationship is far from easy. Tyler's disapproving parents and judgmental friends make Annie feel like an outsider, and she's willing to do whatever it takes to keep Tyler by her side, even if it means sacrificing her successful catering career. Will she be able to hold onto her dream man, or will love come at too high a cost? When Cooper sees Annie at his inaugural gallery opening, he knows he must seize the opportunity to win her heart back. But there's just one problem—Annie's current boyfriend is a total jerk who won't make it easy for Cooper. Brooke's high school best friend, Grady, has moved back to town. As they spend more time together, their bond deepens, and Brooke finds herself falling in love with him. But she's keeping a secret from him—she's carrying another woman's baby. Will

Grady be able to accept Brooke and her unexpected situation, or will their love be torn apart by this shocking revelation? A weekend house party on Sullivan's Island promises hope for the budding romances. But when they all arrive, things take a dramatic turn for the worse. Secrets are revealed, tensions rise, and it seems like everything that can go wrong, does. Will these young lovers be able to salvage their relationships, or will the weekend end in heartbreak and betrayal?

*Covert Cowboy* Harper Allen 2012-03-15 MISSION PROFILE THE

AGENT: Conrad Burke, alias Connor Ducharme HIS MOTTO: "Always work alone." THE ASSIGNMENT—AND COMPLICATION: Team up with one headstrong, pregnant woman to catch a criminal.... With a resolve as cold as steel and a thirst for vengeance, U.S. marshal-turned-Confidential-agent Conrad Burke tracked his quarry like a Wild West hero of old. Until the trail led to his downfall—the one woman he'd always loved. Marilyn Langworthy, billionaire's daughter—and after one reckless night, mother of Con's unborn child. His quest placed her in jeopardy. But although the mobster he sought took no prisoners, only Marilyn had the key to bring the man down. Now Con would move heaven and earth to keep Marilyn safe....

*South Santa Clara County* Sam Shueh 2008 South Santa Clara County, situated at the south end of San Francisco Bay, was a cattle-ranching area in the 19th century. With 300 days of sun a year, it became a major agricultural and food-production center. Since the 1960s, the electronics and computer industries have transformed the Valley of the Heart's Delight into a world-class technology center. City dwellers are now taking up residence in an area once steeped in agriculture, with more than 240,000 people making their homes here. Featured in this book are south San Jose, Coyote Valley, Morgan Hill, Gilroy, and unincorporated parts of the south county, such as east Santa Cruz Mountains and Pacheco Pass.

**Forged in the Fires** E. Paul Yarbro 2020-04-23 Individuals are not born to greatness, but through failure and defeat, they are prepared for it. Our struggles seem to define us more than our triumphs, and our character determines which path we choose. What road would General George Washington take when offered absolute power? Would Captain John Smith accept his common birth as a limitation of his own achievements? Would Abraham Lincoln demand vengeance on the South after his victory in the Civil War? What beliefs would guide their decisions, and what life experiences shaped their character? Nations as well are not born to greatness and must earn their places in history. Their trials can destroy them or make them even stronger. America was conceived in adversity and achieved greatness through the actions of its people in its darkest moments. Six stories chronicle the lives of the people who guided a nation to greatness by relying on the Christian principles of providence, divine purpose, and perseverance. God would direct their paths to victory over the dark times. From the first settlements of Jamestown and Plymouth to the Civil War, we discover that greatness rarely comes from success, but often rises out of defeat. In our weakness, we are made strong. Through the fires of struggle, individuals forged a nation into "a shining city on a hill." These fires would light the way through the dark for future generations of Americans across the world to see.

*A Sorrow in Our Heart* Allan W. Eckert 1993-02-01 A biography of the famous Shawnee describes Tecumseh's plan to amalgamate all North American tribes into one people, his role as statesman and military strategist, and his death in the Battle of Thames.

*Last Stand* Michael Punke 2020-06-09 The dramatic history of the extermination and resurrection of the American buffalo, by #1 bestselling author of *The Revenant* Michael Punke's *The Last Stand* tells the epic story of the American West through the lens of the American bison and the man who saved these icons of the Western landscape. Over the last three decades of the nineteenth century, an American buffalo herd once numbering 30 million animals was reduced to twelve. It was the era of Manifest Destiny, a Gilded Age that treated the West as nothing more than a treasure chest of resources to be dug up or shot down. The buffalo in this world was a commodity, hounded by legions of swashbucklers and unemployed veterans seeking to make their fortunes. Supporting these hide hunters, even buying their ammunition, was the

U.S. Army, which considered the eradication of the buffalo essential to victory in its ongoing war on Native Americans. Into that maelstrom rode young George Bird Grinnell. A scientist and a journalist, a hunter and a conservationist, Grinnell would lead the battle to save the buffalo from extinction. Fighting in the pages of magazines, in Washington's halls of power, and in the frozen valleys of Yellowstone, Grinnell and his allies sought to preserve an icon from the grinding appetite of Robber Baron America. Grinnell shared his adventures with some of the greatest and most infamous characters of the American West—from John James Audubon and Buffalo Bill to George Armstrong Custer and Theodore Roosevelt (Grinnell's friend and ally). A strikingly contemporary story, the saga of Grinnell and the buffalo was the first national battle over the environment. *Last Stand* is the story of the death of the old West and the birth of the new as well as an examination of how the West was really won—through the birth of the conservation movement. It is also the definitive history of the American buffalo, written by a master storyteller of the West.

**McQueen's Heat** Harper Allen 2012-05-15 FIVE-ALARM BLAZE Having been to hell and back, investigator Stone McQueen knew he had nothing to lose when he raced into a burning building to save a small child. But he was dead wrong. For the fire was set by the same arsonist who had destroyed his career seven years ago. And in a bizarre twist, he found himself reunited at the scene with the only woman who had ever mattered to him—Tamara King. A woman he now had to protect from the elusive fire starter. As Tamara and Stone joined forces, their passion ignited into an all-consuming blaze. And soon Stone couldn't figure out what was more dangerous—the arsonist whose crimes were turning increasingly personal or the secret he'd kept from Tamara that could destroy this second chance....

*The Night In Question* Harper Allen 2012-05-15 A MOTHER'S HEART Being convicted for a crime she hadn't committed shattered Julia Tennant's world. Losing her daughter broke her heart. Free at last, she faced the special agent who'd sealed her fate, and asked for his help. Max Ross spoke coldly, but the flash of heat that seared through his eyes told her he heard her plea. This man had the strength of will needed to reclaim her child—once she convinced him that someone else had gotten away with murder. A MAN'S STRENGTH He'd hated himself for wanting her. Now Max would move heaven and earth to right the wrong done to Julia. He'd use all his considerable skills to prove her innocence and get her daughter back—though the cost might be his heart and soul....

*Desperado Lawman* Harper Allen 2012-03-15 KIDNAPPED HEARTS Tess Smith was bolder than the broncs Virgil Connor tamed as a boy at the Double B Ranch, where he'd been sent for breaking the law one too many times. Heck, the FBI agent still couldn't believe the sassy tabloid reporter had kidnapped him at gunpoint. She claimed she was protecting runaway child witness, Joey Begand, who swore someone in the Bureau wanted him dead. And when two goons posing as agents tried to mow them down, Connor had to admit they might be right. He knew there was only one place where they could buy time so he could sort out this mess—the Double B. But first he had to earn his captor's trust, even if it meant seducing Tess into submission...and losing his desperado heart forever.

**Thirteen Charges Against Benedict Arnold** Ennis Duling 2021-07-30 Years before General Benedict Arnold betrayed the American cause, a young officer and attorney named John Brown brought 13 charges of misconduct against him and called for his arrest, Brown was shuttled from one general to another, and finally to George Washington, before powerful politicians decided in Arnold's favor without hearing from Brown or any other witnesses. Historians have continued to ignore the accusations, finding Brown's charges to be false, and even absurd. In fact, some are unquestionably true, and all are worthy of investigation. John Brown was an early hero of the Revolution, a legislator, envoy, spy, and accomplished field officer. His charges and his many proposed witnesses are a starting point for a reevaluation of Arnold's conduct in the war—on his storied march up Maine's Kennebec River to Canada, during the winter siege of Quebec, and at the battles of Valcour Island and Saratoga. What emerges from Brown's charges is a story of deceit and misconduct, and of prominent leaders and historians turning a blind eye in order to maintain exciting myths.

**Proceedings of the International Symposium on Design Review (Routledge Revivals)** Wolfgang F. E. Preiser 2017-08-03 First published in 1992, this book collects together the papers presented at the International Symposium on Design Review which was held to

address the growing tendency of local governments to institute programs of aesthetic control. The editor argues that the widespread adoption of design review processes in the years preceding the conference necessitated thoroughgoing professional criticism and a number of areas of debate are identified and addressed in the subsequent papers. Are the difficulties experienced by planners, community activists and architects with the process due to its relative youth or inherent flaws in the entire concept? How should mechanical problems like time and expense, the ease with which the process can be manipulated, and general inefficiencies in the system be resolved? More intricate problems are also addressed, such as: who has the power to judge the aesthetic quality of a building, whether design review infringes on the rights of the individual especially under the First Amendment, whether the design review process is "fair", and the difficulty for the reviewer of deciding what is right and what is wrong having taken into account factors that can be highly subjective or contradict more practical concerns.

**Sullivan's Last Stand** Harper Allen 2014-10-15 THE FIRST TIME HAD BEEN HARD... Bailey Flowers should have known a man who'd been to hell and back would break her heart. But now ex-mercenary Terrence Sullivan was the only man who could help her locate her missing sibling—before the police framed her sister for murder! THE SECOND TIME WOULD BE IMPOSSIBLE These former lovers thought they could set aside personal feelings to solve an increasingly bizarre—and deadly—investigation. But when their simmering passion exploded in an all-consuming desire, Bailey knew this tortured mercenary needed her help. Because the only key to Sullivan's salvation lay in her ever-loving arms—

**A Cowboy for April** Jamie K. Schmidt 2021-05-27 April Grayson is the responsible one in her family of wild, barrel racing rodeo stars. After years of keeping her sisters out of trouble, she's finally earned some time to let loose. She indulges in a one-night stand with the cowboy she crushed on in high school. It's as hot as it is memorable, but the next day she finds out Cole works for her new accounting client. He's dead set against having one of the "Wild Grayson Sisters" working on Three Sisters Ranch. Last Stand rodeo youth director Cole Lockwood loves horses, kids, and cowgirls—not necessarily in that order. Even though his night with April leaves him wanting more, his parents' medical bills have him working 24/7. He's tempted to go back to his professional gambling ways and enter a high stakes poker game, but April warns that's a loser's bet. Cole and April strike a deal: she'll teach him about managing his family's finances if he helps her overcome her fear of horses and learn how to be a little more reckless. Can this cowboy make a cowgirl out of her?

*Last Stand at Khe Sanh* Gregg Jones 2014-04-22 In a remote mountain stronghold in 1968, six thousand US Marines awoke one January morning to find themselves surrounded by 20,000 enemy troops. Their only road to the coast was cut, and bad weather and enemy fire threatened their fragile air lifeline. The siege of Khe Sanh—the Vietnam War's epic confrontation—was under way. For seventy-seven days, the Marines and a contingent of US Army Special Forces endured artillery barrages, sniper fire, ground assaults, and ambushes. Air Force, Marine, and Navy pilots braved perilous flying conditions to deliver supplies, evacuate casualties, and stem the North Vietnamese Army's onslaught. As President Lyndon B. Johnson weighed the use of tactical nuclear weapons, Americans watched the shocking drama unfold on nightly newscasts. Through it all, the bloodied defenders of Khe Sanh held firm and prepared for an Alamo-like last stand. Now, Gregg Jones takes readers into the trenches and bunkers at Khe Sanh to tell the story of this extraordinary moment in American history. *Last Stand at Khe Sanh* captures the exceptional courage and brotherhood that sustained the American fighting men throughout the ordeal. It brings to life an unforgettable cast of characters—young high school dropouts and rootless rebels in search of John Wayne glory; grizzled Korean War veterans; daredevil pilots; gritty platoon leaders and company commanders; and courageous Navy surgeons who volunteered to serve in combat with the storied Marines. Drawing on in-depth interviews with siege survivors, thousands of pages of archival documents, and scores of oral history accounts, Gregg Jones delivers a poignant and heart-pounding narrative worthy of the heroic defense of Khe Sanh.

**In His Wife's Name** Joyce Sullivan 2014-10-15 BACK FROM THE DEAD...? Sexy lawman Luke Calder was honor bound to keep his wife's two-year-old murder case alive. And though evidence would have him believe Mary had returned from the dead, this eagle-eyed cop knew better. Who was the beautiful impostor? Whoever she was, she was in trouble. And Luke vowed to blow her cover before whoever was trying to kill her succeeded. Except, while Luke's protective cop instincts served him well in unraveling this mystery, his physical responses to this stranger were proving problematic. Luke hadn't been able to safeguard his wife two years ago, but he'd be damned before this unsuspecting woman suffered the same fate!

**Fighting the Current** Lisa Bier 2011-09-07 In 1926, Gertrude Ederle became the first female to swim the English Channel—and broke the existing record time in doing so. Although today she is considered a pioneer in women's swimming, women were swimming competitively 50 years earlier. This historical book details the early period of women's competitive swimming in the United States, from its beginnings in the nineteenth century through Ederle's astonishing accomplishment. Women and girls faced many obstacles to safe swimming opportunities, including restrictive beliefs about physical abilities, access to safe and clean water, bathing suits that impeded movement and became heavy in water, and opposition from official sporting organizations. The stories of these early swimmers plainly show how far female athletes have come. *A Few Minutes Past Midnight* Stuart M. Kaminsky 2012-02-28 PI Toby Peters comes to the aid of Charlie Chaplin when the Little Tramp becomes a big target in this "ingenious" mystery from the Edgar Award winner (Kirkus Reviews). In 1943, Charlie Chaplin is far from the most popular man in America. His communist sympathies and romantic indiscretions with young women have enraged everyone from right-wing radicals and the Ku Klux Klan to furious fathers. But when a knife-wielding intruder breaks into his house one night, the maniac isn't talking politics. He demands Chaplin stop making his latest black comedy about a man who murders wealthy women for their money—and specifically tells him to stay away from one Fiona Sullivan. Who? Chaplin turns to the shamus to the stars, Toby Peters, to keep him from harm and apprehend his nocturnal visitor. Peters's lead on Fiona comes from a most unlikely source—his landlady, Mrs. Irene Plaut, knows the woman. Rallying his crew of diminutive Gunther Wherthman, wrestler Jeremy Butler, and dentist Sheldon Minck, Toby's determined to catch the midnight madman before Chaplin is silenced forever. In the twenty-first book in his long-running series, the Edgar Award-winning author offers an "ingenious twist on the old serial killer chestnut, with the usual manic Peters ménage obbligator" (Kirkus Reviews).
