grow? Few question the call of the Bible to grow in godliness, but the answer to exactly how this happens is often elusive. In this book, Dane Ortlund points believers to Christ, making the

Lord Jesus Thank You SOAP Journal Nimble Muse Journals 2019-05-13 LORD JESUS THANK YOU Lord Jesus, thank you for all you do for me; for carrying me through trials, tribulations and things I cannot even see. Thank you for taking away my burdens and supplying my every need; for answering all my prayers, as I ask in faith and believe. Thank you for your mercy which you give fresh and new each day; for not giving me what I deserve, even when I disobey. Thank you for your grace, the power by which you move; for giving it so freely, and it's sufficiency I cannot lose. Thank you for all spiritual blessings, which I cannot live without; for being greater than he that is in the world, relieving my fear and doubt. Thank you for your Word, and your Spirit who is my guide; for abiding in me always and never leaving my side. Thank you for dying for my sins, just so that I could be; for giving me life, by taking the punishment that was truly meant for me. Lord Jesus, "Thank you." S.O.A.P:

**Quiet** Naomi Vacaro 2022-04-05 A new approach to quiet time that will refresh your heart and soul. So many of us struggle to create space in our daily routines for time with God. We deeply desire to feel close to Him, but we are constantly asking, How do I create a quiet space

with God in my busy, chaotic schedule? Why does having a quiet time require so much effort? Am I the only one who feels this way? We know that setting aside quiet moments with God is important, but for one reason or another, meeting with him on a regular basis just feels hard. In *Quiet*, Naomi Vacaro, creator of the online community Wholehearted and the Quiet Time Companion journal, offers hope and a unique solution for creating (and maintaining) a quiet-time habit. Naomi will show readers that having daily time with God is simple, attractive, and achievable no matter what season of life they are in. In *Quiet* she'll explore what it means to practice a grace-based approach to quiet time, quiet-time ruts and how to get out of them, and how to conquer feelings of guilt and failure—and move into freedom instead. Time with God can happen anytime, anywhere, and *Quiet* will help you create new habits to keep you uplifted and enjoy the grace God freely offers.

in God's Word Annie Tipton 2020-09 Do you find it hard to make time for Bible study? You intend to do it, but before you know it, another week has passed and you haven't picked up God's Word. This book provides simple tools for you to open the Bible in the morning and dig into God's Word--even if you only have five minutes!

Minutes 1-2: Read a few verses pulled from a lengthier passage. If time allows, read the full passage listed for you in each Bible study.

Minute 3: Understand. Ponder thoughtful questions designed to help you apply the verses from the Bible to your own life. Consider these throughout your day as well.

Minute 4: Apply. Read a brief devotional based on the scripture you read. Think about what you are learning and how you can apply the scriptural truths to your own life.

Minute 5: Pray. A prayer starter will help you to begin a time of conversation with God.

The 5-Minute Bible Study for Women: Mornings in God's Word will help you establish the discipline of consistent study of scripture.

You will find that even five minutes focused on scripture and prayer has the power to make a huge difference in your day. Soon you will be making time for more!

**Real Recovery: What Eating Disorder Recovery Actually Looks Like**

Grace McCready 2022-02-22 Grace McCready was a thin, beautiful girl; but when she looked in the mirror, all she saw was fat and ugly. What started out as her trying to lose a little weight by slowly changing her diet led to her telling endless lies, starving herself, and exercising herself nearly to death. As Grace developed a relationship with Ed (her eating disorder), she kept believing lies about who she was instead of believing the truth about who God created her to be. When her family finally realized the health crisis she was in, Grace was already so involved in her new lifestyle that she didn't want to give it up. But with the support help of her family, doctors, counselors, and God, Grace discovered what real recovery looks like. If you're ready to discover what real recovery looks like, then this

book is for you. By sharing personal experiences from her battle with anorexia and her much longer recovery process that followed, Grace helps readers see the reality of eating disorders and recovery. She discusses the truths she needed to hear during her recovery from anorexia, and she candidly shares her past and current struggles with her physical, mental, emotional, and spiritual health related to her eating disorder. Her desire is for young women to have realistic, while still hopeful, expectations for their eating disorder recovery and for them to know that every small step they take in the right direction—whether in their physical, mental, emotional, or spiritual recovery—is always worth it.
