Mysteries of Tahoe - Lost Treasure Anthony Belli 2006-02
Non-fiction history of sunken, buried and lost treasures in the Lake Tahoe region. Includes 25 images and 10 maps showing ghost towns and lost mines.
[The Spider Rock Treasure](#)
Steve Wilson 2004 Hidden in the unforgiving earth of West Texas were clues: archaic clues etched upon buried rocks,

stacked as artifacts upon other clues, or carved into rock walls. These centuries-old clues, placed to lead Spaniards back to their cache, eventually formed an intricate web that has lured treasure seekers and captured them in its mystery. But the question still remains: Has the Spider Rock treasure ever been found? Steve Wilson first began his research on the treasure in 1960. The story he

unrevealed is an incredible tale riddled with murder, mystery, and adventure. Wilson left no stone unturned in his quest for clues, weaving his story from numerous interviews with eyewitnesses, early newspaper accounts, letters, documents, extended reconnaissance of the actual sites, and finally the cryptic stone maps that had gradually been unearthed by the original seekers. The story involves several towns and counties in West Texas; including Rotan, Aspermont, Haskell, Fisher County, Stonewall County and one of the area's most prolific landmarks, the Double Mountains. On dogged treasure hunter was Dave Arnold, who appeared in 1902 with an intriguing sheepskin map. After months of searching, he unearthed the stone map called the Spider Rock, with its tantalizing spider web-like design, Roman and Arabic numerals, and cryptic symbols. Nearby he found silver epaulets, a Spanish sword, silver crucifix and copper plates bearing strange tracery.

In 1905 he moved his search to a wilderness sixty miles southeast, and once again unearthed a beautifully carved stone map imprisoned in the roots of a huge oak. Still later, moving sixty miles west-northwest, he uncovered yet another stone map, bearing the same concentric circles and symbols that appeared on the first tow. Dave Arnold's bizarre quest unfolded over a decade, until he disappeared without a trace in 1914. The search was renewed a decade later by one of the original seekers. Then, in the 1930's, more clues were found, including crude smelter pits, small silver crosses and statuettes and nuggets of gold. The first two stone maps and many of the artifacts found near them were long believed destroyed in a 1909 fire at the Terrell Drug Store in Haskell, Texas. But the Terrell family had kept a secret for almost seventy years: that many of those ancient items survived. With them were map tracings, letters, and documents describing an extensive search. The third stone map turned up

in Waco, where it had been used as a doorstep for more than half a century. The Spaniards buried something fantastic in the West Texas hinterlands, where they were mining precious metals. They marked those sites by an ingenious method of carving coded symbols, directions, degrees, and distances into stone. To this day, the stone maps remain undeciphered, the ancient puzzle unsolved, and the treasure unfound-so far as we know.

Secrets of the World's Undiscovered Treasures Lionel and Patricia Fanthorpe
2009-03-23 Treasures of many kinds still lie hidden below crumbling castles and ruined monasteries; in macabre tombs; in subterranean labyrinths and sinister caverns. Many sunken treasures lie beneath the seas, oceans and lakes of the world. Vast stores of pirate gold are still hidden on many a real life treasure island such as Oak Island at Mahone Bay, Nova Scotia. Many treasures were looted, hidden and lost after the two

World Wars - Hermann Goering, for example, one of most powerful leaders of Nazi Germany, is strongly suspected of hiding huge treasures at Veldenstein and Lake Zeller. This fascinating, expertly researched book brilliantly reveals all these unsolved mysteries. The final section covers useful ideas for treasure-seekers: the study of old maps and charts; coded messages; secret symbols; and intensive research into the lives and locations of those people through out history who probably in all certainty, had treasure to hide.

The Mystery of the Sunken Treasure Sara Mark 1993
Explores a coral reef and charts the number of creatures found there, analyze shell patterns, and use a tangram set to transform a brave boy into a fanciful form.

The Mystery Of The Buried Treasure Stephen Barnett

2010-04-20 Ages 7 to 9 years. A series of original stories written in a simple way, graded in four levels for children who are learning to read. The short, simple text in large print with beautiful illustrations will make reading and learning lots of fun.

Lost Gold of the Dark Ages

Caroline Alexander 2011

Presents a history of England from the departure of Roman forces in 450 A.D. to the Norman invasion of 1066, focusing on the gold and silver

artifacts of the Staffordshire Hoard found in 2009 to highlight the events and art of the period.

The Lost Treasure of the Knights Templar Steven Sora

1999-02-01 A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island, Nova Scotia, that has baffled treasure hunters for two centuries • Fascinating occult detective work linking the Cathars, the Scottish Masons, and Renne-le-Chateau to the elusive treasure pit on Oak Island • Draws on new evidence recently unearthed in Italy, France, and Scotland to provide a compelling solution to one of the world's most enduring mysteries When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power, yet none of the treasure the Templars amassed has ever been found. Their treasure is rumored to contain artifacts of spiritual significance retrieved by the

order during the Crusades, including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of Merovingian France. Placing a Scottish presence in the New World a century before Columbus, Steven Sora paints a credible scenario that has the Sinclair clan of Scotland transporting the wealth of the Templars--entrusted to them as the Masonic heirs of the order--to a remote island off the shores of present-day Nova Scotia. The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it. All of these efforts (one even financed by American president Franklin Delano Roosevelt) have failed, thanks to an elaborate system of booby traps, false beaches, hidden drains, and other hazards of remarkable ingenuity and technological complexity.

Dear Pirate: The Buried

Treasure Mystery Carole Marsh 2010-01-01 Ahoy Matey! A postcard from pen pal pirate? Peter Post can't believe his eyes! hours before the attack on Pearl Harbor, marking the start of a global conflict and sparking one of the most enduring nautical mysteries of the war.

Mystery of the Lost Treasure
Ruth Nulton Moore 1978 Two youngsters follow clues from an old diary hoping to find a treasure buried years ago on their aunt's Pennsylvania farm.
Lost Treasure Bruce Wetterau 2013-01-04 Clay Cantrell and his partner Mac Harper are restoring a 200-year-old mansion when they uncover a dusty old journal, a Confederate captain's diary that points the way to a horde of Confederate gold coins locked in three strongboxes. Coins that today will be worth millions, if the horde can be found. The son of well-to-do parents, Clay Cantrell is not your ordinary contractor. An ex-Army Ranger who served in Iraq and Afghanistan, he has settled back into everyday civilian life in his hometown of Staunton, Virginia. He restores old houses there for a living, but can't quite shake a nagging

itch for adventure. So the chance to go on a treasure hunt is a stroke of luck tailored for Clay. The adventure takes an ominous turn though, when Clay finds himself accused of murder, before he, Mac, and a third friend start out on their treasure hunt. *Lost Treasure* alternates between this modern-day treasure hunt-murder mystery and flashbacks to the Confederate captain's story. The captain commands a secret Confederate supply depot, hidden deep inside a cavern in the wilds of Virginia's Allegheny Mountains. That's where the Confederates put the treasure for safekeeping in the last months of the Civil War, and where the fate of the captain's command was sealed. What really happened in that cavern 150 years ago? Who is trying to frame Clay for a murder he didn't commit? Will Clay and company find the treasure? *Lost Treasure* is a fast-paced, tightly plotted mystery adventure that will keep you guessing to the very end. It's the first in a planned

The Victorio Peak Mystery W. C. Jameson 2019-09-24 In a little-known mountain range in southern New Mexico is an unremarkable mountain called Victorio Peak. In a cavern in that mountain, it is rumored that billions of dollars' worth of artifacts and thousands of gold and silver ingots and coins have been cached for decades, a treasure that dwarfs all others. Its existence, or the belief in its existence, has been responsible for millions of dollars' worth of recovery efforts, blatant violation of laws and trampling of legal rights by the United States government as well as dozens of citizens, and the involvement of a wide variety of infamous characters. It has also been responsible for a number of deaths. For generations, people all over the world have been fascinated and enthralled by tales and legends of lost mines and buried treasures. There is something in the human DNA that embraces such things. North America has served as a setting for hundreds of such tales, and every now and then one of

these treasures is found. Most can identify the Lost Dutchman Mine of Arizona's Superstition Mountains and the so-called Oak Island Treasure in Nova Scotia as prominent examples of legends that have seized the attention of millions. If one were to write a mystery/thriller incorporating colorful characters, murder, unexplained deaths, intrigue, theft, deceit, and political and legal machinations, one need not look any further than the incredible treasure mystery associated with Victorio Peak. It is, in fact, one of the most bizarre and confounding mysteries in American history and involves what may well be the largest treasure cache known to man.

Buried Secrets Leighann Dobbs 2013-11-15 Even the ghosts have secrets in Dead Water For Celeste Blackmoore and her sisters, locating a hundred year old buried treasure in the gold mining ghost town of Dead Water sounds like an easy job ... until they find themselves facing threats from both sides

of the grave. While dealing with a ghost who wants revenge, a sheriff who wants to lock them up and a thieving stranger who wants them out of town, the girls find themselves using their unique paranormal skills to investigate a century old secret that holds the key to the treasure. Throw in a hunky bartender, a shotgun toting old timer, a mysterious stranger from their past and, of course, their trusty cat Belladonna who always knows just where to look (if only the sisters would listen to her!) and the girls soon discover that looking for buried treasure can be deadly. In a town where no one, including the ghosts, are what they seem, can the girls find the treasure before they end up in grave danger?

Buried Treasures of the Atlantic Coast W. C. Jameson 1998 Discusses buried treasures along the Atlantic coast, describing the types of treasures and attempts to retrieve them

Aunt Dimity and the Buried Treasure Nancy Atherton

2017-05-09 Nancy Atherton's twenty-first cozy mystery in the beloved, Nationally Bestselling Aunt Dimity series. While exploring the attic in her cottage near the small English village of Finch, Lori Shepherd makes an extraordinary discovery: a gleaming gold and garnet bracelet that had once belonged to Aunt Dimity. When Lori shows the garnet bracelet to Aunt Dimity, it awakens poignant memories of a doomed romance in Aunt Dimity's youth in London after the War. Regretfully, Aunt Dimity asks Lori to do what she could not: return the bracelet to her unsuccessful suitor—setting Lori off on an adventure through London—and through history—to put a piece of Aunt Dimity's past to rest. In the meantime, a new family has moved to Finch. The villagers are thrilled because their new neighbors are avid metal detectorists. Metal detectors soon become all the rage in Finch and the villagers unearth a lot of rubbish (some of it quite embarrassing) before one

of them stumbles upon a trinket that could hold the key to the origin of Aunt Dimity's bracelet. Is the bracelet a priceless and protected national treasure? Was Aunt Dimity's lovesick suitor a common thief? If so, how will Lori break the news to Aunt Dimity? And what will she do with the bracelet? As Lori searches for answers, she discovers an unexpected link between the buried treasure in the village and the treasure buried in Aunt Dimity's heart. Watch out for Nancy Atherton's latest, *Aunt Dimity and the King's Ransom*, coming in July 2018 from Viking!

The Buried Treasure on Route 66: A Nancy Keene Mystery Louise Hathaway
2013-05-26 Written as an homage to the Nancy Drew books, this humorous and PG-rated mystery about teenage sleuth, Nancy Keene, especially targets women baby boomers who grew up reading and loving the series. Gently poking fun at Nancy's obscure knowledge, perfectionism, and need for control, this book

concentrates and the relationship between Nancy and her father. Nancy has just turned 18, is in a serious relationship with her boyfriend, and is planning to move out of state to college. How will her father handle letting her go? Find out as Nancy, her father, and her boyfriend take a trip on Route 66, visiting several of its landmarks along the way, in search of a missing will. Not only is "The Buried Treasure on Route 66" a tip of the hat to the Nancy Drew books, it's also a romance novel about both young love and rekindled old love. Reviews: "I could not get enough of this amazing story." "Besides being a sort of travelogue, the mystery is good, the solving of it fun, and the ending hilarious!" "I'd recommend this Nancy Keene series to anyone who read, reads, and loves Nancy Drew!" "I grew up reading every Nancy Drew book I could get my hands on. The author does not disappoint in paying homage as Nancy made me fall in love with teenage mysteries all over again." "Truly a nice

escape for women baby boomers everywhere."

The Mystery of the Barking Branches and the Sunken Ship Gabriella Vagnoli

2021-03-15 Pesky was pawing at something. Maya leaned over to take a closer look. At the edge of a patch of wildflowers there was a hard, round bump. Was it just a rock? Or was something buried there? When five friends set off to solve the mystery of a "barking" tree, they unearth a remnant of a famous battleship built in the 1600s! The island they live on is home to a whole lot of history and, it turns out, a whole lot of mystery, too... Meet the Cayuga Island Kids! It's summer vacation, and that means there's plenty of time for a quest, a mystery, and exciting adventure. This first book in the Cayuga Island Kids chapter book series is loosely based on one of the most intriguing unsolved mysteries of the Great Lakes: the disappearance of fur-trading ship the Griffon. As the kids follow clues offered by the cannonball they find, young

readers will learn about taking notes, verifying sources, and what an adventure doing research can be, learning to be "fact detectives" like the Cayuga Island Kids. The second book in the series, The Adventure of the Big Fish by the Small Creek, will release in Fall 2021.

The Lost Treasure of

Tuckernuck Emily Fairlie

2013-09-24 This laugh-out-loud novel by Emily Fairlie is a fresh take on the classic mystery caper. It's perfect for fans of From the Mixed-Up Files of Mrs. Basil E. Frankweiler, Chasing Vermeer, The Westing Game, and the Mysterious Benedict Society books. Using a unique blend of notes, lists, and classic prose, The Lost Treasure of Tuckernuck tells the story of Bud and Laurie's quest to find the infamous Tutweiler Treasure. They're hot (or at least lukewarm) on the trail of scavenger hunt clues, but time is running out—the school board wants to tear down Tuckernuck Hall. Can Bud and Laurie find the treasure before it's lost forever? Readers can enjoy solving puzzles along with the characters, and teachers will appreciate references to famous artists and architects such as Pablo Picasso and Frank Lloyd Wright. There is something for everyone in this treasure trove of wry wit,

thrilling adventure, and undeniable heart!

Harmes' Way David James

2012-11-25 Ben Harmes has returned home to the Outer Banks of North Carolina following two life-shattering tragedies: the death of his wife and a forced early retirement from the Boston Police Department. A whirlpool of depression, drinking and remorse has ultimately left him drained, and despondent. When his fishing buddy mysteriously disappears, Harmes sets out to discover what really happened. As his investigation unfolds, he enlists the help of Sophie Carson, his friend's former business partner, and the adventure escalates. This is a tale of lost Nazi treasure, a sunken World War II U-boat...and what appears to be the systematic murder of members of the dive team that attempt to reclaim the treasure. Kidnappings, treachery and deceit create a gut-wrenching mystery as Harmes seeks to solve the murders and come to grips with his own demons.

With plenty of suspects to keep readers guessing right to the end of this gripping mystery, *The Lost Treasure of Casa Loma* delivers action and adventure along with a painless hit of Canadian history.

[The Mystery of the Sunken Treasure](#) 1980

Jigsaw Jones: The Case of the Buried Treasure James Preller 2017-11-21 Includes an excerpt from The case from outer space.

SUNKEN SPANISH TREASURE QUEST Richard Joseph Johnson 2014-09-08 This novel is not the typical story about a sunken treasure hunt conducted by a cadre of experienced and adventurous men seeking their fortunes under the sea. These four men were "just regular guys" with no knowledge whatsoever of

underwater treasure hunting with its many pitfalls and perils. These were close friends, who had finally reached a point in their rather tedious and somewhat boring lives, where they wanted to do something daring and exciting and, at the same time, provide them with a rare opportunity to become fabulously rich. In a determined effort to keep their activities a total secret from everyone, a thick layer of intrigue caused them many unnecessary hardships and almost turned each of them against the others.

Unfortunately, some of their earlier important decisions were totally misguided, and they eventually learned that doing the right thing is always the best way to go. This story is about the day-to-day experiences of those men and how they were able to overcome each of the obstacles they encountered to finally reach a fair and successful conclusion.
