**Unrestricted Warfare** Liang Qiao 2002 Three years before the September 11 bombing of the World Trade Center-a Chinese military manual called Unrestricted Warfare touted such an attack-suggesting it would be difficult for the U.S. military to cope with. The events of September 11 were not a random act perpetrated by independent agents. The doctrine of total war outlined in Unrestricted Warfare clearly demonstrates that the People's Republic of China is preparing to confront the United States and our allies by conducting "asymmetrical" or multidimensional attack on almost every aspect of our social, economic and political life.
