Get Paid to Vacation E. T. Barton 2016-09-22 When was the last time you went on vacation? A really, really good vacation that both delighted the senses and put your heart at ease? Not the kind of vacation where you sleep on a relative's couch and wake up with a back ache and some kids screaming in the background. And definitely not the kind that includes leaky tents, mosquito assaults, and hauling all your food back and forth to your car. By vacation, I'm talking about toes in warm white sands and the sweet ocean breeze of some far off tropical beach. Or how about enjoying your favorite sport live while staying in a 5-star hotel with a room for the kids and room service on speed dial. Imagine a vacation filled with exciting new experiences, tantalizing melt-in-your-mouth food, and everyone in your party is having too much fun to even think about complaining. Sounds expensive, doesn't it? Like way too expensive to even imagine? Heck - even Disneyland for a family of four can be a strain on the wallet. I know the feeling. I've been there. I've been so tight on money that even the thought of a vacation made me so anxious, I would break out in a cold fear-sweat because the kind of adventure I longed for would definitely break the bank. I was so overwhelmed with day-to-day expenses that I didn't have enough money to take my family bowling let alone on vacation. But then I decided that something had to change. I was tired of feeling helpless and I really needed to get away. So I began doing research on how to travel for cheap... That's when I found them... loopholes in the travel industry. Dozens of these loopholes not only result in free travel, but they even pay you to go on vacation. And I've put them all of my favorite ones in this travel guide. In this unique travel book, you will find four simple steps - each with multiple resources - that will pay you to take your next vacation. To be precise: In Step 1, you will learn eight ways to find the lowest prices on all your airfare so that you can fly

where you want to go at a fraction of regularly published airfares. Forget road tripping with your unhappy family for days. Now you can take them across the country for less than the cost of gas. In Step 2, you will learn about eight maximizers that will not only help you get those super cheap flights for free, but you can even earn more travel that you pay nothing for. Forget staying in 2-star motels or camping. Learn how to relax in luxurious 4 and 5-star accommodations for nothing. In Step 3, you will learn several ways to get rebates on the stuff you do pay for. Imagine coming back from your trip with money sitting in your mailbox or checking account. Book early enough, you can even get that money before you leave on your trip. In Step 4, find out how to make an extra income by using the Travel Referral system against itself. In other words, you get more free money and get paid yet again when you help your friends and family also get paid to vacation. Throughout the book, I will expose dozens of resources and loopholes so that you end up flush with spending cash for your vacation. Simply pick and choose how much money you want to collect for that vacation you secretly dream about. Finally, as an added bonus, I will show you secret weapon I found that simplifies all these steps and is helping well over a million travelers every year get paid to vacation. What are you waiting for? Be the hero in your family and take them on the best vacation of their life. Give them the ultimate luxury experience and get PAID to do it. Download your copy today and start planning your next vacation!
