The Historical Writings, the Miscellaneous Writings John Fiske 1902

**The Dutch and Quaker Colonies in America, Vol. 1 of 2 (Classic Reprint)** John Fiske 2017-11-17

Excerpt from The Dutch and Quaker Colonies in America, Vol. 1 of 2 IN the general sequence of my volumes on American history, the present work comes next after The Beginnings of New England, which in turn comes next after Old Virginia and Her Neighbours. It will be observed that these books leave the history of New England at the overthrow of James II., while they carry that of the southern and middle colonies, with some diminution of de tails, into the reigns of the first two Georges. It is my purpose, in my next book, to deal with the rise and fall of New France, and the development of the English colonies as influenced by the pro longed struggle with that troublesome and danger ous neighbour. With this end in view, the history of New England must be taken up where the earlier book dropped it, and the history of New York resumed at about the same time, while by degrees we shall find the histories of Pennsylvania and the colonies to the south of it swept into the main stream of Continental history. That book will come down to the year 1765, which witnessed the ringing out of the old and the ringing in of the new, the one with Pontiac's War the other with the Stamp Act. I hope to have it ready in about two years from now. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

*The Quaker Colonies* Sydney George Fisher 1919 In 1661, the year after Charles II was restored to the throne of England, William Penn was a seventeen-year-old student at Christ Church, Oxford. His father, a distinguished admiral in high favor at Court, had abandoned his erstwhile friends and had aided in restoring King Charlie to his own again. Young William was associating with the sons of the aristocracy and was receiving an education which would fit him to obtain preferment at Court. But there was a serious vein in him, and while at a high church Oxford College he was surreptitiously attending the meetings and listening to the preaching of the despised and outlawed Quakers. There he first began to hear of the plans of a group of Quakers to found colonies on the Delaware in America.

**The Quaker Colonies; A Chronicle of the Proprietors of the Delaware** Sydney George Fisher

2022-12-08 Reproduction of the original.

The Chronicles of America Series: The Quaker colonies 1919

**The Colony of Pennsylvania** David Martin 2015-07-15 This volume invites readers to step back in time to colonial Pennsylvania, in whose storied history we can find the origins of the United States. This comprehensive look at Pennsylvania's colonial era covers its Quaker origins, early industry, its unique social and religious climate, and the role it played in America's most important revolutionary events. Readers will learn about key historical figures, such as William Penn and Benjamin Franklin, as well as monumental historical events that took place in Pennsylvania, including the meeting of the First and Second Continental Congresses, the signing of the Declaration of Independence, and more. Primary sources, maps, and period-specific artwork transport readers back in time to the second state's legendary colonial history.

**The Historical Writings of John Fiske: The Dutch and Quaker colonies in America** John Fiske 1902

**The Dutch and Quaker Colonies in America, Volume 1 - Primary Source Edition** John Fiske 2014-03

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the

preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.
