Auntie Mame Patrick Dennis 2002-02-05 With a wit as sharp as a vodka stinger and a heart as free as her spirit, Auntie Mame burst onto the literary scene in 1955--and today remains one of the most unforgettable characters in contemporary fiction. Wildly successful when it was first published in 1955, Patrick Dennis' Auntie Mame sold over two million copies and stayed put on the New York Times bestseller list for 112 weeks. It was made into a play, a Broadway and a Hollywood musical, and a fabulous movie starring Rosalind Russell. Since then, Mame has taken her rightful place in the pantheon of Great and Important People as the world's most beloved, madcap, devastatingly sophisticated, and glamorous aunt. She is impossible to resist, and this hilarious story of an orphaned ten-year-old boy sent to live with his aunt is as delicious a read in the twenty-first century as it was in the 1950s. Follow the rollicking adventures of this unflappable flapper as seen through the wide eyes of her young, impressionable nephew and discover anew or for the first time why Mame has made the world a more wonderful place. "Outrageous, hilarious, ribald, sophisticated, slapsatiric." The Denver Post

Our Auntie Rosa Sheila McCauley Keys

2015-01-22 Our Auntie Rosa is the most intimate portrait yet of the great American hero—"the lady who refused to sit in the back of the bus." The family of Rosa Parks share their remembrances of the woman who was not only the mother of the civil rights movement, but a nurturing mother figure to them as well. Her brave act on a bus in Montgomery, Alabama, on December 1, 1955, was just one moment in a life lived with great humility and decency. After the deaths of Rosa Parks's husband and brother, her nieces and nephews became her only family and the closest that she would ever experience to having biological sons and daughters. In this book, they share with readers what she shared with them about her experiences growing up in a racist South, her deep dedication to truth and justice, and the personal values she held closest to her heart.

Miss Rumphius Barbara Cooney 1985-11-06

This beloved classic and celebration of nature—written by a beloved Caldecott winner—is lovelier than ever! Aunt Dimity and the Heart of Gold Nancy

Atherton 2020-10-06 In this new installment of the bestselling Aunt Dimity series, a dreary Christmas leads to hidden treasure and new friendships. It's almost Christmas in the small English village of Finch--and everyone is sick. Though many of the villagers regretfully decline their invitations to Emma Harris's annual Christmas bash, Lori Shepherd has no intention of missing it. When the winter weather takes a turn for the worse, it's agreed that none of the guests will leave until morning. There's general merriment as the Christmas party becomes a pajama party--until a car appears in the winding driveway and promptly slides off the slick pavement and into a ditch. Matilda "Tilly" Trout--a lost and scatterbrained, middle-aged woman--is mercifully unhurt and invited to stay the night. While she catches her breath, Emma asks her

other guests if they would like a tour of the Manor--including an odd room that puzzles her. Several guests put forth guesses as to its purpose, but it's Tilly who correctly identifies the room as a chapel. Placing a palm on one of the ornately-carved panels, Tilly finds a hidden compartment concealing a pile of glittering treasure--including an exquisitely decorated heart made of solid gold. Where did it come from, and why does it look so different from everything else in the chapel? Why didn't Emma even know about this hidden compartment in her own home until now--and how did Tilly? With Aunt Dimity's otherworldly help and Tilly's bewildering store of knowledge, Lori and friends set out to unravel the mystery behind the heart of gold. And, against all odds--and Christmas finally comes to Finch!

A Smile as Big as the Moon Mike Kersjes 2007-04-01 Besides being a football coach at his Michigan High School, Mike Kersjes taught special education classes, dealing with children whose disabilities included Tourette syndrome, Downs Syndrome, dyslexia, eating disorders and a variety of emotional problems. One autumn Kersjes got the outlandish idea that his students would benefit from going to Space Camp, where, in conjunction with NASA, high school students compete in a variety of activities similar to those experienced by astronauts in training for space shuttle missions. There was only one problem: this program had been specifically designed for gifted and talented students, the best and the brightest from America's most privileged high schools. Kersjes believed that, given a chance, his kids could do as well as anybody, and with remarkable persistence broke down one barrier after another, from his own principal's office to the inner sanctum of NASA, until Space Camp opened its doors, on an experimental basis, to special ed students. After nine months of rigorous preparation, during which the class molded itself into a working team, they arrived at Space Camp, where they turned in a performance so startling, so surprising, that it will leave the reader breathless. A truly triumphant story of the power of the human spirit.
