Susan Stabile was ordained as a Tibetan Buddhist nun and devoted 20 years of her life to practicing Buddhism before returning to Catholicism in 2001. In *Growing in Love and Wisdom*, she draws on this unique dual perspective to explore the value of interreligious dialogue, the spiritual dynamics that operate across faith traditions, and how Buddhist meditation practices can deepen Christian prayer. She begins by examining the values and principles shared by the two faiths and shows that both traditions seek to effect a fundamental transformation in the lives of believers. Both stress the need for experiences with deep emotional resonance that goes beyond the level of concepts to touch the heart. The center of the book offers 15 Tibetan Buddhist contemplative practices, adapted for Christian use. Stabile provides clear instructions on how to do these meditations and helpful commentary on each, explaining its purpose and the relation between the Buddhist original and her Christian

adaptation of it. Throughout, she highlights the many remarkably close parallels between the teachings of Jesus and the Buddha. The meditations offered in this unusual book will be extremely useful to thoughtful Christians, to those responsible for giving spiritual direction, and also to Buddhist sympathizers who will be intrigued and pleased to see familiar contemplations handled so skillfully by a former Buddhist practitioner who has gratefully learned so much from her former religion and now introduces the riches of that tradition to her fellow Christians.

Zen Vows for Daily Life Robert Aitken
2018-08-28 A poetic classic from a major figure of American Zen. *Zen Vows for Daily Life* is a collection of gathas, vows in verse form for daily practice, similar to prayers or affirmations for use at home, at work, and in the meditation hall itself. Reciting these poetic vows can help us be fully present in each moment and each activity of our lives. These gathas serve as gentle

reminders to return again and again to our highest aspirations, with acceptance, joy, and compassion—for ourselves and all beings. Zen Vows for Daily Life will be a steadfast companion in keeping the reader inspired and committed on their spiritual path. “Each act in a Buddhist monastery—washing up, putting on clothes, entering the Buddha hall, sitting down for meditation, getting up from meditation—receives its own Dharma poem. Events on pilgrimage—encountering a tree, a river, a bridge, a dignitary, a mendicant—likewise offer entries into truth. My purpose in this book is similar: to show how ordinary occurrences in our modern lay lives are in fact the Buddha’s own teachings—and also to show how we can involve ourselves accordingly in the practice of wisdom and compassion with family and friends, with everyone and everything.”—Robert Aitken, from the Preface “In [Zen Vows for Daily Life], poetry and meditation always go together. Poetry is comprised of images and music, and images

make the practice easy. Robert Aitken Roshi is a poet who deeply appreciates practicing with these gathas. He offers us many beautiful verses, sterling examples of this practice, that we can use to reflect more deeply on what we are doing. I am grateful to Aitken Roshi for offering us this beautiful book.”—from the Foreword by Thich Nhat Hanh

Black Indians and Freedmen Christina Dickerson-Cousin 2021-12-28 Often seen as ethnically monolithic, the African Methodist Episcopal (AME) Church in fact successfully pursued evangelism among diverse communities of indigenous peoples and Black Indians. Christina Dickerson-Cousin tells the little-known story of the AME Church's work in Indian Territory, where African Methodists engaged with people from the Five Civilized Tribes (Cherokees, Creeks, Choctaws, Chickasaws, and Seminoles) and Black Indians from various ethnic backgrounds. These converts proved receptive to the historically Black church due to its traditions of self-government and resistance to white hegemony, and its strong support of their interests. The ministers, guided by the vision of a racially and ethnically inclusive Methodist institution, believed their

denomination the best option for the marginalized people. Dickerson-Cousin also argues that the religious opportunities opened up by the AME Church throughout the West provided another impetus for Black migration. Insightful and richly detailed, *Black Indians and Freedmen* illuminates how faith and empathy encouraged the unique interactions between two peoples.

authority, Vasubandhu's Treasury rivals Buddhaghosa's contemporaneous Path of Purification and deals with such central themes as the dynamics of emotions and karma, of mental and meditative states; it treats both the cosmos and the life within. Chim Jampalyang's exposition of it is the greatest flowering of Abhidharma studies in Tibet. Usually referred to as the Chimzö, it is to this day a key textbook in the great monastic universities. A veritable encyclopedia, it spans all areas of classical Indian Buddhist knowledge and is an indispensable reference for scholars of Buddhism. The Library of Tibetan Classics is a special series being developed by the Institute of Tibetan Classics to make key classical Tibetan texts part of the global literary and intellectual heritage. Eventually comprising thirty-two large volumes, the collection will contain over two hundred distinct texts by more than a hundred of the best-known Tibetan authors. These texts have been selected in consultation with the

preeminent lineage holders of all the schools and other senior Tibetan scholars to represent the Tibetan literary tradition as a whole.
