Bland Encounter Donald Wightman 2013-10-01

Take the slap-stick farce of a 1950's Ealing comedy and update it with a generous portion of risqué humour - this is the laugh-out-loud comedy novel by Donald Wightman. The Bridgnorth writer used his own on-train experiences to create his story. 'I set out to devise an original plot packed with humour and quirky characters. My own railway industry knowledge provided the ideal platform for this hilarious, read-between-the-lines comedy novel, *Bland Encounter*. With a heritage railway on my own doorstep, a trip along its meandering route would inevitably fire-up my imagination and help me to create new ways of thickening the plot.' Woven through with gentle humour as well as outbreaks of pure farce, *Bland Encounter* features an off-the-wall main character surrounded by a host of amusing supporting roles. Dave Bland is a man struggling to make a new life after the break up of his marriage. The middle-aged train manager turns to an internet dating site and soon gets embroiled in intrigue. Is the mysterious Galina a high-class hooker, a hit woman or simply a lady looking for love? When she arrives in the UK, he invites her into his home, but complications arise when Galina's niece appears on the scene. A sex-trade worker down on her luck, Irina needs a place to stay.

With money tight, old habits die hard, so Dave formulates a plan for Irina and her colleagues to target Trainspotters who are due in town for a special steam weekend. Chaos ensues when members of a rival steam railway try to sabotage the event. The mayhem increases when a train wrecks a nearby Safari Park. Order is eventually restored, but the consequences prove crucial for the people involved.

We Am The Song Richard Prism 2016-04-23
We are the dangerous, problematic and troubled species threatening the health and equilibrium of the whole Earth. We are the bearers of heroic myths and legends of explanation and survival of a complex, bloody past – which, as William Faulkner said “is not even past.” We are the oblivious couriers of indecipherable ancient messages, speakers of lonely lives of the spirit we cannot share. Meanwhile there are individual lives to be led, being born, growing, thriving, loving, surviving and dying to be negotiated, dreams to pursue in a world of change coming at us at the speed of light. So what remains of We Am, if We ever was ? Can it be recreated ?

[Buster's Diaries](#) Roy Hattersley 2009-11-29
Buster, a half-German Shepherd mutt, was adopted by Roy Hattersley in December 1995. He began to dictate his diaries soon after his arrival. Buster became England's most famous dog in 1996 when he defended himself against a goose in St. James's Park -- a goose which, unfortunately, belonged to the Queen. Pursued by the press ever since, he has sought solace in writing. Buster's Diaries is the comically heart-warming true story of Buster's triumph over adversity, as he describes his rescue from a paw-to-mouth existence on scraps to his new life in the lap of luxury -- and at the same time reveals the secrets of the strange relationship between dog and the Man on the other end of the lead. Never before have readers been offered such insights into the aromatic canine world. The irresistible fragrance of chicken bones picked off the sidewalk. The special rituals required to receive delicious treats (pig ears, dog biscuits). The sawdust balls Buster must eat to stay healthy while the Man gobbles down chocolate cookies. The painful digestive consequences of eating cream filled cookies while still wrapped. The diaries also reveal the strain of living with the Man -- the constant power struggle of who's boss, the "training" ceremonies, the Man's strange excrement collection syndrome and reliance on new dog humiliation technology. Buster's Diaries will make you laugh and it will make you cry but it has a happy ending. While it exposes the man-made myths about d

One Year in the Life of a Dog By LTC Clifton H. Deringer Jr. USA (Ret.) “Tip”
One Year in the Life of a Dog follows the story of Friend, a dog that can hear the thoughts of humans and respond telepathically. There are humans who are gifted with understanding the telepathy in animals and a university student who interviews Friend is blessed with such a gift. The book follows their interactions and various events that occur within their world. Intrigue, deception, kidnapping, and prejudice are woven seamlessly with love, understanding, sympathy, and acceptance. Barney and Jeff, Friend’s owners, are a homosexual, bi-racial couple. Seeing their lives from Friend’s point of view speaks on many levels to how ridiculous and outdated prejudice

is. Barney and Jeff are just as loving and fulfilled as any other happy couple. Many of the characters with whom Friend interacts are not open to the couple's way of life, but quickly realize their mistake when they see how lovely Barney and Jeff truly are. There are harrowing situations that breed a deeper understanding of the differences between people; this book is truly a tool to teach readers to love all, despite the different ways the characters live their lives.

Pepi and I Jitka Schieff 2022-05-31 Does freshly deceased rat taste better than frozen steak? Can dogs weed a flowerbed? Does the Universe provide free birthday cakes in a park? As soon as Jitka and her fiancé buy a house, it's time for Jitka to fulfil her long-time dream: to have a faithful, cute, furry friend, capable of true, unconditional love. The new addition to their family is strong-willed, with a clear focus on his own wants. He displays daily his obvious love of all the things the world so generously provides for him, especially if it tastes good, or at least is not completely inedible. Not aware yet that a dramatic turn of events is just around the corner, Jitka and her fiancé are enjoying life with the many surprising and frequently comical situations that Pepi drags them into. As life, so often unpredictable, can change laughter into tears, joy into fear and vice-versa, Jitka's secure world is turned upside down and she is hurtling down the roller coaster with Pepi by her side. Will they make it? These are life lessons - powerful, maybe, but always entertaining.

Leave the Gown Down Tracey Paolucci 2016-12-29 Tracey was the first in her lineage to be diagnosed with breast cancer. She read many books on the subject of breast cancer, but the vast majority was written by celebrities, wealthy persons, and oncologists. She wanted to write a book that would help guide the average person on this horrific journey. There are no visits with renowned specialists or vacations away just because you feel like getting away. This is a book about going through the motions at home

and at work each and every day, what to do, and what to expect.

Freckles, Stiletos and None Anjou Giri Kwan 2013-05-16 In my writings, you will observe the spirit and the soul in a tussle, Freckles, Stiletos and None is a book of short stories that has been created from memories, images and imagination of how Love and Relationships breed angst. Stories like Miya Kraapik and The Man with the Uniform is about being simple, honest and rotten in our daily routines. And yet fate always has an ace up its sleeve, so when you read The Sunset Of Our Lives and Dancing Faces You Towards Heaven and Dotcom, the magic of life being colossal and intriguing is touched upon and you will challenge yourself to do more. Sometimes when we give ourselves a chance to touch us, life becomes poetry like All In Verse and Krazzie Gothic Angel. I believe in Life, Love and Angst, how else would we grow?

Transitions Verling Chako Priest Ph.D.

2015-04-08 Verling Chako Priest, Ph.D. has channeled an extraordinary book. Eleven Entities who reside in Heaven come forth and tell their death processes and entrance into Heaven. Their deaths are varied from suicide, a broken neck, getting entangled in bramble-like scrub in the Outback of Australia and dying from dehydration, kicked in the head by a steer, being caught in an avalanche, and more. The death experience does not always involve a tunnel. Some of the Entities just become aware that a man is with them (Angel) guiding them to a Care Center where they are healed after sleeping a few days to a few weeks. Another constant is each individual reviews his life on a huge screen. Many others are viewing their lives, but they are unable to hear or see the other lives on those screens. This book will trade old beliefs for new ones--the pearly gates and gold roads are an illusion. You do not need to eat or drink; that is your choice as you evolve. Souls reincarnate when they choose. One of our subjects has resided in Heaven since the 1800s. (However, if they do not make a move for soul growth, the Over-soul will nudge them back to Earth for another round.) TRANSITIONS, Death Processes and Beyond of 11 Entities is a book for all ages. It definitely is a page-turner!

My True/ Legendary Story with the Green Man & Beyond Sapiens` Wisdom, Ultimate Meaning and Fixed Destiny

Benjamin Katz 2020-07-21 We belong to a gullible, partly delusional/hallucinating, self-destructive species: Homo sapiens. First, we create the conditions for global catastrophes including epidemics by following unsustainable policies, and then, as we are hit—as the COVID-19 pandemic shows—we react often too late, confused and short-sighted. Hence, we badly need a new, evolved global vision/mission to steer away from our innate and self-destructive shortcomings and flaws. This book includes two parts. Book One tells my

true/legendary story with the Green Man, describing how such a vision/mission was conceived. Book Two describes a tour de force beyond Homo sapiens's current wisdom, ultimate meaning, and fixed destiny, leading to the abovementioned new, evolved vision for a future civilization, which will focus on saving us from ourselves.

After O'Connor Hugh Ruppensburg 2003 Georgia has produced some of the major figures of modern literature, including Carson McCullers, Erskine Caldwell and, most notably, Flannery O'Connor. While such writers are firmly established in American literary history, all too few readers are aware of how the state's tradition of literary excellence persists in the present day. The thirty stories in After O'Connor were written during the past fifteen years by authors who were born in Georgia or spent a significant part of their lives and careers in this state. Embracing the social, cultural, and ethnic variety in today's Georgia, After O'Connor both advances and helps redefine the great southern storytelling tradition.

Bala Takes the Plunge Melvin Durai 2012-08-07 Bala dreams of making Tamil films and directing his favourite actor Rajnikanth ? a dream that leads him naturally to study engineering in college. This earns him his father's approval and the opportunity to export himself to America. As Director of Design at Flexit Inc., thinking up new ways to help Americans shed the excess weight around their middles and in their wallets, he is at least some kind of director. Bala loves America, and America it seems loves him even more. He has everything he needs to be happy: a green card, a satellite dish to watch cricket and a companion to share his home ? albeit one with a very limited vocabulary. But he is now less than a year away from the big 30, and if he doesn't act fast he might have to settle for whichever bride his Amma chooses. So begins Bala's quest for romance as he meets both American and Indian women. Some who are too old, others too young, and yet others just too stuck up. Will he ever find someone just right for him ? and good enough to inherit his mother's Corelle dishes?
