Loud World, Quiet Thoughts David Jones 2019-10-10 From the author of the best selling poetry collection *Love And Space Dust* and the writer behind the internationally famous poetry account @storydj comes a book about love, heartbreak, life - and how to survive all three amongst the noise of our modern world. Loud

World, Quiet Thoughts is divided into two parts. The first consists of short prose, aphorisms and quotes focused on the deafening noise of the modern world; of social media, of television, and pressure. It embodies the endless anxiety of contrasting voices and white noise so loud that it drowns out our own thoughts. The second consists of beautiful poetry drawn from our quietest thoughts and the depths of our souls, thoughts about love and heartbreak and, most of all, hope. Above all else, Loud World, Quiet Thoughts is a book about reconciling the secret spaces of your heart with the white noise of the world outside.

Quiet Your Mind John Selby 2010-09-03

Stopping the constant "chatter" of the mind — is it possible in today's world? People have so much to juggle, schedule, discuss, and think about, how can they slow it all down? Won't they miss out? In fact, John Selby points out that our nation's thinkaholic ways result in such detrimental effects as high stress, insomnia, anxiety attacks, and negative, self-critical attitudes. In *Quiet Your Mind*, he offers an easy-to-follow mind-management process to help people let go of stressful mental habits and enter a more heart-centered, intuitive, and peaceful engagement with everyday life. Based on solid scientific research yet presented in a very approachable tone, the techniques here allow people to quiet over-busy thoughts and prevent fear-based emotions so that they can be truly refreshed, spontaneous, and engaged with each new moment.

Excerpt from A Garland of Quiet Thoughts You have a disagreeable duty to do at twelve o'clock. Do not blacken nine and ten and all between with the colour of twelve. Do the work of each, and reap your reward in peace. So when the dreaded moment in the future becomes the present you shall meet it walking in the light, and that light shall overcome its darkness. Geo. Macdonald. The good we can each of us accomplish in this world is small. The good that all men in all ages could accomplish if they would is vast. But in order that this may be done, each working being must serve his own generation, and do his part to render the next generation more efficient. T. D. Woolsey. ANTHEM OF QUIET THOUGHTS Bujar Tafa 2019-06-13 My vision of the contemporary Albanian and Kosovar poetry discovered by my great friend and a prominent European poet Jeton Kelmendi gives the opportunity to consider it as a very interesting tradition that could make a considerable influence on the development of poetry in Europe. The region of Balkans is well-known for its poetic resources. International Poetry festival in Struga gathered for decades the most prominent and perspective poets from all over the world. Names of Ismail Kadare, Ali Podrimja and Azem Shkreli are appreciated very far from their motherland. That is a pleasure therefore to present to English-speaking audience one of the new interesting voices of this rich culture, the book of Bujar Tafa, Anthem of quiet thoughts. By Acad. Dmytro O. Chystiak, European Academy of Sciences, Arts and Letters Kyiv National Taras Shevchenko University *Quiet Thoughts*. Julian Amaya 2023-02-23 What are Quiet Thoughts? Are they not things we wish to tell the world, but reserve for ourselves? Let's not forget how good it feels to be held by loved ones. Or to know how angry you can be when you feel attacked. Or to daydream about silly things that are unreal, but lovely to think about.

Quiet Thoughts is a collection of poetry that captures moments of pain, love, joy, sadness, growth, and understanding. *Quiet Thoughts* looks at the world through the human lens and focuses on the experience of trying to be what's really inside.
