9,500 English, French and German titles. The collection is sourced from the remarkable library of Victor Amadeus, whose Castle Corvey collection was one of the most spectacular discoveries of the late 1970s. The Corvey Collection comprises one of the most important collections of Romantic era writing in existence anywhere -- including fiction, short prose, dramatic works, poetry, and more -- with a focus on especially difficult-to-find works by lesser-known, historically neglected writers. The Corvey library was built during the last half of the 19th century by Victor and his wife Elise, both bibliophiles with varied interests. The collection thus contains everything from novels and short stories to belles lettres and more populist works, and includes many exceedingly rare works not available in any other collection from the period. These invaluable, sometimes previously unknown works are of particular interest to scholars and researchers. European Literature, 1790-1840: The Corvey Collection includes: \* Novels and Gothic Novels \* Short Stories \* Belles-Lettres \* Short Prose Forms \* Dramatic Works \* Poetry \* Anthologies \* And more Selected with the guidance of an international team of expert advisors, these primary sources are invaluable for a wide range of academic disciplines and areas of study, providing never before possible research opportunities for one of the most studied historical periods. **The Poetical Works of Robert Southey. in Ten Volumes, Volume VIII, Pp. 1-329** Robert Southey 2017-09-26 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

*Robert Southey - The Vision of the Maid of Orleans* Robert Southey 2016-06-02 Robert Southey was born on the 12th of August 1774 in Bristol. A poet of the Romantic school and one of the "Lake Poets." Although his fame has been eclipsed by that of his friends William Wordsworth and Samuel Taylor Coleridge, Southey's verse was highly influential and he wrote movingly against the horrors and injustice of the slave trade. Among his other classics are *Inchcape Rock* as well as a number of plays including *Wat Tyler*. He was great friends with Coleridge, indeed in 1795, in a plan they soon abandoned, they thought to found a utopian commune-like society, called Pantisocracy, in the wilds of Pennsylvania. However that same year, the two friends married sisters Sarah and Edith Fricker. Southey's marriage was successful but Coleridge's was not. In 1810 he abandoned his wife and three children to Southey's care in the Lake District. Although his income was small and those dependent upon him growing in number he continued to write and burnish his reputation with a wider public. In 1813 on the refusal of Walter Scott he was offered by George II the post of Poet Laureate, a post Southey accepted and kept till his death 30 years later. Southey was also a prolific letter writer, literary scholar, essay writer, historian and biographer. His biographies included those of John Bunyan, John Wesley, William Cowper, Oliver Cromwell and Horatio Nelson. He was a renowned scholar of Portuguese and Spanish literature and history, and translated works from those two languages into English and wrote a *History of Brazil* (part of his planned but un-completed *History of Portugal*) and a *History of the Peninsular War*. Perhaps his most enduring contribution is the children's classic *The Story of the Three Bears*, the original *Goldilocks* story, first published in Southey's prose collection *The Doctor*. In 1838, Edith died and Southey married Caroline Anne Bowles, also a poet, on 4 June 1839. Robert Southey died on the 21st of March, 1843 and is buried in Crosthwaite Church in Keswick,
