The Egg Man Carlton Mellick III 2013-10 It is a survival of the fittest world where humans reproduce like insects, children are the property of corporations, and having a ten-foot brain is a grotesque sexual fetish. Lincoln has just been released into the world by the Georges Organization, a corporation that raises creative types. A Smell, he has little prospect of succeeding as a visual artist. But after he moves into the Henry Building, he meets Luci, the weird and grimy girl who lives across the hall. She is a Sight. She is also the most disgusting woman Lincoln has ever met. Little does he know, she will soon become his muse. Now Luci's boyfriend is threatening to kill Lincoln, two rival corporations are preparing for war, and Luci is dragging him along to discover the truth about the mysterious egg man who lives next door. Only the strongest will survive in this tale of individuality, love, and mutilation. "The Egg Man" is like an Orwellian version of *Eraserhead* and *The Tenant* filtered through Richard Linklater's rotoscope animation. You will not find a weirder or grittier dystopian novel anywhere.

From Sunset Till Sunrise Jonathan Rosen 2018-08-21 Devin Dexter and his cousin Tommy just saved the city of Gravesend from the menace of magical, malicious Cuddle Bunnies brought to life by the warlock, Herb. But there's no rest for the wicked, as a new mysterious neighbor moves in across the street. At night. With a coffin. Tommy immediately jumps to conclusions as he thinks this can only mean one thing: Vampires. Devin isn't so quick to believe, as he is struck by the neighbor's daughter, a girl his age. Even though Tommy points out that they have never seen her during the day. Yet when she invites him to a dance at her school—the Nosfer Academy of Talented Understudies—how can Devin say no? Tommy, though, realizes that this is an opportunity. After tackling a wizard last winter, surely they can protect Gravesend from some measly vampires, right?

The Starter Wife Gigi Levangie Grazer 2005-06-01 From the New York Times bestselling author of *Maneater* comes a sexy, savvy, and wickedly funny novel about one woman's life after her divorce from a Hollywood studio head. When her husband, Kenny, dumps her by cell phone (!) mere months before their ten-year wedding anniversary, Gracie Pollock is dazed and confused. Though life as the wife of a semi-famous Hollywood studio executive often left her yawning, Gracie always believed she and Kenny were different from other Hollywood couples. She never thought she'd be a starter wife. But Kenny has upgraded, and with images of his new pop tartlet girlfriend everywhere Gracie turns, she seeks refuge at her best friend's Malibu mansion. Then a mysterious hunk saves her from drowning and suddenly drowning in her sorrows seems like a waste of time. And when she takes up with Kenny's boss, one of Hollywood's better-known Lotharios, she discovers that maybe life after divorce—Hollywood-style—isn't so bad after all!

[Night + Market](#) Kris Yenbamroong 2017-10-03 If you love to eat Thai food, but don't know how to cook it, Kris Yenbamroong wants to solve your problems. His brash style of spicy, sharp Thai party food is created, in part, by stripping down traditional recipes to wring maximum flavor out of minimum hassle. Whether it's a scorching hot crispy rice salad, lush coconut curries, or a wok-seared pad Thai, it's all about demystifying the universe of Thai flavors to make them work in your life. Kris is the chef of *Night + Market*, and this cookbook is the story of his journey from the Thai-American restaurant classics he grew eating at his family's restaurant, to the rural cooking of Northern Thailand he fell for

traveling the countryside. But it's also a story about how he came to question what authenticity really means, and how his passion for grilled meats, fried chicken, tacos, sushi, wine and good living morphed into an L.A. Thai restaurant with a style all its own.

[Nightlord](#) Garon Whited 2015-08-31 It's not easy, being King. Especially since he has an allergy to sunrise and sunset, a fire-goddess for a mother-in-law, demonic adversaries, random assassins, and a basement full of insecurities to cope with. Add to that his daughter, the priestess/princess, a couple of lightly-deranged professional magicians, a whole city full of wizards, and enough squabbling princes to resemble a kindergarten argument. It's enough to make a man want to just go home. Luckily for Eric, he has the world's largest pet rock, a smart-mouthed sword, and a horse that not only understands him, but likes him anyway. *Secondhand Sunsets* Gail Kittleson 2021-03-01 West. Heading west. Put the past behind you. Start over. In nose-biting pre-dawn cold, Ray's rap sounded. Out front waited a new wagon. Abby buttoned her wool coat and bonnet, doubled Papa's traveling blanket over her arm with her parasol, and crossed the threshold for the last time. Ray hoisted her trunk as she clambered into the buckboard. He was no gentleman-no surprise to that. Through hushed streets, past Annabelle's house, the silent empty clapboard church, and beyond the new train depot, memories flitted one by one. With each, her heaviness lifted, and out in the countryside west of town, each squeaky turn of the wheels breathed hope. In rhythm with the creaking wheels, words circled through her mind like poetry - Now we are wed... no longer alone... heading west. A fog immersed her. Not an endearing word from him, nor even a kindly touch of his hand. Her husband. *** A sudden light spangled the heavens as if to show that sunshine still reigned. Abby sank to a fallen log-the glow rimmed the clouds in an ethereal aura. Crimson became rose, yellows transformed to gold, and periwinkle caressed deep purple. "Could I have been befuddled all this time?" The scripture Fred read at supper filtered back. The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with loving kindness have I drawn thee. The day's warmth still hovered, and with it, a sense that all was well. The sky flamed for several more minutes. This beauty and my love for you are one. She hugged the message close. "Perhaps, after all, I am loved."

A View of the Empire at Sunset Caryl Phillips 2018-05-22 Award-winning author Caryl Phillips presents a biographical novel of the life of Jean Rhys, the author of *Wide Sargasso Sea*, which she wrote as a prequel to Charlotte Brontë's *Jane Eyre*. Caryl Phillips's *A View of the Empire at Sunset* is the sweeping story of the life of the woman who became known to the world as Jean Rhys. Born Ella Gwendolyn Rees Williams in Dominica at the height of the British Empire, Rhys lived in the Caribbean for only sixteen years before going to England. *A View of the Empire at Sunset* is a look into her tempestuous and unsatisfactory life in Edwardian England, 1920s Paris, and then again in London. Her

dream had always been to one day return home to Dominica. In 1936, a forty-five-year-old Rhys was finally able to make the journey back to the Caribbean. Six weeks later, she boarded a ship for England, filled with hostility for her home, never to return. Phillips's gripping new novel is equally a story about the beginning of the end of a system that had sustained Britain for two centuries but that wreaked havoc on the lives of all who lived in the shadow of the empire: both men and women, colonizer and colonized. A true literary feat, *A View of the Empire at Sunset* uncovers the mysteries of the past to illuminate the predicaments of the present, getting at the heart of alienation, exile, and family by offering a look into the life of one of the greatest storytellers of the twentieth century and retelling a profound story that is singularly its own.

The Lumberjack's Beard Duncan Beedie 2017-06-01 Every day, Jim Hickory the lumberjack heads into the forest with his trusty axe and chops down trees. Unfortunately, all sorts of creatures lose their homes in the process, so Jim gives them a home in his beard - until one day it all just gets too much. Time for Jim to come up with a better solution! A story with a green message.

Saddles East Chaplain John W. Beard 2018-02-27 *Saddles East: Horseback Over the Old Oregon Trail*, a book by the WWI 'fighting chaplain,' John W. Beard, was first published in 1949. It is an informal narrative of a horseback ride in modern times over the famous covered-wagon route of the pioneers. For countless ages the Red Man knew this trail. In the fullness of time the trapper, the mountain man, the fur trader found it and lived their life among its reaches. The seeker after gold hastened over it. The priest with the cross and the missionary with his Bible made it beautiful with their message of life and peace. The hardy pioneer and he eager emigrant traveled it into the land of their dreams. The pony express rider flashed his phantom; the Overland Stage rumbled by. The soldier built his forts. Who knows even a little of the story of the old trail and does not wish to know it all? Who has ever traveled over any part of the old trail and does not long to travel over all of it, even to its very end? Who has ever heard the story of wagons west, who does not want to take *Saddles East* and ride into the sunrise, as the pioneers rode into the sunset?

Straight Whisky Erik Quisling 2003 'Straight Whisky' is the first book ever to chronicle all the music, magic and mayhem of the Sunset Strip. Erik Quisling and Austin Williams have created a unique multi-levelled portrait that is unlike any other rock book on record. With its sweeping historical analysis and down and dirty details, 'Straight Whisky' pulls no punches and leaves no stone unturned. Quisling has drawn upon extensive research to chronicle the ways in which music on the Sunset Strip has both shaped and reflected the American experience since 1964. Williams has chosen sixteen of the most memorable events from the period and developed them into dramatic narratives that offer an intensely intimate view of this incredible story. Together, along with dozens of rare photos and original interviews with the rock stars who were there when it all happened, these perspectives provide a comprehensive look at the most famous stretch of rock 'n' roll real estate on Earth: the famed 'rock block' of Sunset Boulevard. Here are the stories that have been whispered about for decades. Now they can be told out loud for the first time.

The One-Block Feast Margo True 2011-03-22 Based on the James Beard Award-winning blog *The One-Block Diet*, this all-in-one home gardening, do-it-yourself guide and cookbook shows you how to transform a backyard or garden into a self-sufficient locavore's paradise. When Margo True and her fellow staffers at Northern California-based *Sunset* magazine walked around the grounds of their Menlo Park office, they saw more than just a lawn and some gardens. Instead, they saw a fresh, bountiful food source, the makings for intrepid edible projects, and a series of seasonal feasts—all just waiting to happen. *The One-Block Feast* is the story of how True and her team took an inspired idea and transformed it into an ambitious commitment: to create four feasts over the course of a year, using only what could be grown or raised in their backyard-sized plot. She candidly shares the group's many successes and often humorous setbacks as they try their hands at chicken farming,

cheese making, olive pressing, home brewing, bee keeping, winemaking, and more. Grouped into gardening, project, and recipe guides for each season, *The One-Block Feast* is a complete resource for planning an eco-friendly kitchen garden; making your own pantry staples for year-round cooking and gifts; raising bees, chickens, and even a cow; and creating made-from-scratch meals from ingredients you've grown yourself.

Chapters are organized by season, each featuring a planting plan and crop-by-crop instructions, an account of how that season's projects played out for the *Sunset* team, and a multicourse dinner menu composed of imaginative, appealing, and ultra-resourceful vegetarian recipes, such as: Butternut Squash Gnocchi with Chard and Sage Brown Butter • Egg and Gouda Crepes • Whole Wheat Pizzas with Roasted Vegetables and Homemade Cheeses • Fresh Corn Soup with Zucchini Blossoms • Braised Winter Greens with Preserved Lemons and Red Chile • Summer Lemongrass Custards • Honey Ice Cream Generously illustrated and easy to follow, this ultimate resource for today's urban homesteader will inspire you to take "eating local" to a whole new level.

Both Sides of Sunset Jane Brown 2015 Los Angeles is a city of dualities--sunshine and noir, coastline beaches and urban grit, natural beauty and suburban sprawl, the obvious and the hidden. *Both Sides of Sunset: Photographing Los Angeles* reveals these dualities and more, in images captured by master photographers such as Bruce Davidson, Lee Friedlander, Daido Moriyama, Julius Shulman and Garry Winogrand, as well as many younger artists, among them Matthew Brandt, Katy Grannan, Alex Israel, Lise Sarfati and Ed Templeton, just to name a few. Taken together, these individual views by more than 130 artists form a collective vision of a place where myth and reality are often indistinguishable. Spinning off the highly acclaimed *Looking at Los Angeles* (Metropolis Books, 2005), *Both Sides of Sunset* presents an updated and equally unromantic vision of this beloved and scorned metropolis. In the years since the first book was published, the artistic landscape of Los Angeles has flourished and evolved. The extraordinary Getty Museum project *Pacific Standard Time: Art in L.A. 1945-1980* focused global attention on the city's artistic heritage, and this interest has only continued to grow. *Both Sides of Sunset* showcases many of the artists featured in the original book--such as Lewis Baltz, Catherine Opie, Stephen Shore and James Welling--but also incorporates new images that portray a city that is at once unhinged and driven by irrepressible exuberance. Proceeds from the sale of the book will benefit Inner-City Arts--an oasis of learning, achievement and creativity in the heart of Los Angeles' Skid Row that brings arts education to elementary, middle and high school students.

Please Do Not Disturb Robert Glancy 2016-11-15 A funny, disturbing, and deeply affecting novel of power, corruption, and innocence in colonial Africa, by the author of *Terms & Conditions*. As the African nation of Bwalo prepares for The Big Day--the only day in the year the ailing King talks to his subjects--we meet five very different people: Charlie, a curious boy with a dangerous dictaphone habit, eavesdrops on the eccentric guests of the Mirage Hotel. Sean, an Irishman who's given his heart (and the best part of his liver) to Bwalo, struggles to write the great African novel--if only his crazed fiancée and fierce thirst would stop distracting him. Josef, the mythmaker and kingmaker who paved the way for Tafumo's rise to power, starts to hear the ominous rattle of skeletons in his closet. Hope, the nurse caring for the King, keeps the old man alive, maintaining the façade of the powerful ruler as she mourns her own broken dreams. And in the countdown to the Big Day, storm clouds gather as a petty criminal, Jack, smuggles something into Bwalo--specifically to the Mirage Hotel--that will change the lives of all of them forever.

Sunset with a Beard Carlton Mellick, III 2010-03 A girl who can bring any object to life with her kiss, a disease that causes people to melt into rainbow-swirling liquids, a world where people need to carry their souls around in little jars, a farmer with nails for eyes who grows a crop of human hands, a war against aliens from the afterlife, a girl who has living worlds tattooed on her arms, and a man who arrives in New York City to discover that all of the inhabitants are missing their mouths. "Sunset with a Beard" is Carlton Mellick III's first collection of short stories. This edition features the original 14 stories of surreal science-fiction, with five bonus stories that were cut from the original release.

Oleander Sunset Rudy VanderLans 2021-06-15 Inspired by artists like Edward Curtis and Charles Schulz, who devoted their lives to a single objective, Rudy VanderLans continues his pursuit to create a consistent body of work of postcard-size images, rendering a comprehensive portrait of California in the early part of the 21st century. VanderLans,

who is often drawn to places with fantastical names -- like Oleander Sunset --wanders about California's back roads with eyes wide open. Without theorizing, or searching for subjects, he allows himself to be receptive to the world around him and discovers beauty in the most ordinary locales. Like the men who named the cities and towns he visits, VanderLans makes the mundane seem less so, and in the process shows us what's been overlooked. Oleander Sunset juxtaposes single images on opposing pages, setting up dynamic formal and contextual interactions through contrasting, complementing and reiteration. The book is interspersed with a number of fold-out panoramas, placing the viewer smack in the middle of the author's habitual stamping ground.

Everything's Better with a Beard Si Robertson 2014-03-04 The Duck Commander family knows there's nothing that a beard can't make better—or funnier—in this laugh-out-loud photographic picture book for the youngest Duck Dynasty® fans. The Duck Commander family is known for their long, flowing beards. In this photographic picture book with whimsical, rhyming text, objects both animate and inanimate are given the Duck Commander family treatment—with beards! Whether it's a dog, a truck, or a duck, one thing's for sure: Everything's better with a beard!

Treasure River Wildwood Dean 2006-08 The Red River story has remained a best kept secret, largely in part due to President Jefferson's embarrassment over the 1806 Freeman-Custis Expedition's failure at the hands of the Spanish; brought about by the, "Aaron Burr/Wilkinson conspiracy." Every river has a story that can only be told by someone that knows her history and her heart. Red River was always "Treasure River." She just needed Wildwood Dean to tell her story. Allen Rich, North Texas e-News. *Treasure River*, by Wildwood Dean, meanders along the Red River of the early 19th century with tales of trappers, whiskey dealers and treasure hunters. Yellow Beard, reared by his Wichita Indian mother, has not given up the dream of finding his treasure-hunting father. Jac Colter seeks to make his fortune, in part as recompense for an act of treachery against his father. Smuggling prohibited whiskey to the trappers proves a risky if profitable proposition. Want to know how to make frontier whiskey? Here you'll find the recipe, right down to the rattlesnake heads. In this saga the author lovingly chronicles the imperfect individuals who sought their destinies wherever the streams could take them. Lydia Hawke, author of *Firetrail* and *Perfect Disguise* It is astounding that a short 200 years ago, it was more profitable to lose your identity than to steal some one else's; that, the best way to travel from New Orleans to St. Louis was via a steam-driven, wood-eating river boat! In the early 1800's the number one cash crop of the United States was the skin of a beaver. In all probability the second largest cash crop was whisky, until Congress passed a bill in 1832 excluding spirituous liquors from the Indian country. Read and listen: Turmoil, anguish, struggle, faith, patience, harmony and romance make up the emotional maze found in *Treasure River*! They have been hidden underneath the quite waters of Red River. Listen.to *Treasure River*!

The Sunset Limited Cormac McCarthy 2010-08-11 From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road* • A startling encounter on a New York subway platform leads two strangers to a run-down tenement where a life or death decision must be made. In that small apartment, "Black" and "White," as the two men are known, begin a conversation that leads each back through his own history, mining the origins of two fundamentally opposing world views. White is a professor whose seemingly enviable existence of relative ease has left him nonetheless in despair. Black, an ex-con and ex-addict, is the more hopeful of the men—though he is just as desperate to convince White of the power of faith as White is desperate to deny it. Their aim is no less than this: to discover the meaning of life. Deft, spare, and full of artful tension, *The Sunset Limited* is a beautifully crafted, consistently thought-provoking, and deceptively intimate work by one of the most insightful writers of our time. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

Savage Sunsets Adrian C. Louis 2012 In his twelfth poetry collection, Adrian Louis slays Indian Country's centuries-old demons and confronts his own grief upon losing his wife to Alzheimers, revealing a writer at his

peak and a poet unafraid to take chances. There is no room for misinterpretation; his diction is as clear-cut as a logged forest. In "Archaeology," Louis writes about the Anglo invasion of Indian Country and its loss of Native traditions, language, and history. In "Savage Sunsets," he writes candidly about his wife's battle with Alzheimers and how the disease steals away their waning days together. As the sun sets on his wife's life and on Indian Country, Louis remains stalwart, a bold emissary who has lived to tell.

Tequila Sunset Sam Hawken 2012-11-01 El Paso and Ciudad Jurez sit across the Texas / Mexico border from each other. They share streets, industry, crime. One gang claims territory in both: Los Aztecas. This single criminal organisation is responsible for most of the homicides committed in Jurez, and Felipe Morales is one of them. Recruited in prison, and now on the streets of El Paso, 'Flip' has no choice but to step further into that world, but he has a secret that threatens his life. A witness to murder and intimidation, he tries playing both the cops and the outlaws in a bid to escape. On the American side, El Paso detective Cristina Salas struggles to balance the needs of single motherhood with those of life in the city's anti-gang unit. When her path crosses with Flip, their relationship will spell the difference between a life behind bars for the young gang member, a grisly death or freedom. Meanwhile, Mexican federal agent Matas Segura must contend with the scourge of Los Aztecas while coordinating a long-term operation with the American authorities. The Aztecas, north and south, stand in the way of three lives. They have no qualms about crossing the line, about killing, about moving their deadly product, and it all comes together in a confrontation where the stakes are, truly, a matter of life and death.
