My book encapsulates the journey of a young girl growing up in a small town with an abusive father. Her story is shared through journal entries as written years ago detailing some of her childhood memories of actual incidents of the abuse as well as the family dynamics not only within the household but also within the small community. The book also takes you through the horrific encounter of being gang raped in my own home and living to tell about it. Never underestimate the power of love by friends and family for within them it is possible to find your courage to speak the horrible truths behind closed doors.
