Norvia Behling
What picture of farm life is complete without the woman at its heart? Rising before dawn to start the fire, sitting up long after dark to do her mending, she holds farm and family together. In moving photographs and prose, this book celebrates the life of the farm wife, with its hours of

hard work and moments of ineffable sweetness. Steven Price 2017-09-01 A collection of stupid utterances, mostly unintentional--although not always--from politics, show business, sports, and anywhere else people can put their feet in their mouths. Based on recorded history, it's safe to say that dumb remarks have been with us since the invention of writing. Young or old, rich or poor, famous or unknown, people of all generations and cultures have seized the opportunity to say something dumb - stupidity has always been an equal opportunity employer. In celebration of such mental lapses and pure idiocy, here is a collection of stupid utterances, unintentional and

otherwise, from the worlds of politics, radio, television, newspapers, show business, sports, and literature - and everywhere else people can - and have - put their feet in their mouths.

Paired with quotations that include everyone from James Thurber to Amelia Earhart, Henrik Ibsen to Lauren Bacall, and ranging from the inspirational to the absolutely hilarious, *The Quotable Equine* celebrates these magnificent animals.
