A Wasteland of Strangers Bill Pronzini 2014-07-15 Edgar Award

Finalist: A mysterious stranger sparks mistrust and violence in a gripping tale of small-town prejudice, jealousy, and murder from Mystery Writers of America Grand Master Bill Pronzini. The arrival of big, ugly John C. Faith in a battered Porsche sends up warning flags throughout the small Northern California resort community of Pomo. No one trusts the stranger who refuses to talk about why he is there. And when a local beauty with questionable morals is found murdered, suspicion immediately falls on him. Condemned without a trial, Faith hides among Pomo's outcasts and conducts his own investigation. But his hunt for the killer and the town's hunt for him threaten to dredge up secrets best left uncovered in this powder keg of a town, exposing crimes and dark compulsions that can only lead to more violence and death. A riveting thriller told from various points of view, *A Wasteland of Strangers* is an extraordinary feat of literary invention from one of noir fiction's most acclaimed practitioners.

Letters to My Father William Styron 2009-09-01 "I've finally pretty much decided what to write next—a novel based on Nat Turner's

rebellion,” twenty-six-year-old William Styron confided to his father in a letter he wrote on May 1, 1952. Styron would not publish his Pulitzer Prize-winning *The Confessions of Nat Turner* until 1967, but this letter undercuts those critics who later attacked the writer as an opportunist capitalizing on the heated racial climate of the late 1960s. From 1943 to 1953, Styron wrote over one hundred letters to William C. Styron, Sr., detailing his adventures, his works in progress, and his ruminations on the craft of writing. In *Letters to My Father*, Styron biographer James L. West III collects this correspondence for the first time, revealing the early, intimate thoughts of a young man who was to become a literary icon. Styron wrote his earliest letters from Davidson College, where he was very much unsure of himself and of his prospects in life. By the last few letters, however, he had achieved a great deal: he had earned a commission in the Marine Corps, survived World War II, published the novel *Lie Down in Darkness* (1951) and the novella *The Long March* (1953), and won the Prix de Rome. He had also recently married and was about to return to the United States from an expatriate period in Paris and Rome. The letters constitute a portrait of the artist as a young man. They read like an epistolary novel, with movement from location to location and changes in voice and language. Styron was extremely close to his father and quite open with him. His story is a classic one, from youthful insecurity to artistic self-discovery, capped by recognition and success. There are challenges along the way for the hero—poor academic performance, a syphilis scare, writer’s block, temporary frustration in romance. But Styron overcomes these difficulties and emerges as a confident young writer, ready to tackle his next project, the novel *Set This House on Fire* (1960). Rose Styron, the author’s widow, contributes a prefatory memoir of the senior Styron. West has provided comprehensive annotations to the correspondence, and the volume also has several illustrations, including facsimiles of some of the letters, which survive among Styron’s papers at Duke University. Finally, there is a selection of Styron’s apprentice fiction from the late 1940s and early 1950s. In all of American literature, no other extended series of such letters—son to father—exists. *Letters to My Father* offers a unique

glimpse into the formative years of one of the most admired and controversial writers of his time.

Western American Literature 1998

The Chronology of American Literature Daniel S. Burt 2004 Short, concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career. The result is a fascinating glimpse into the evolution of some of America's most prominent writers. Perhaps most important, The Chronology offers an invaluable line through our literary past, tying literature to the American experience-war and peace, boom and bust, and reaction to social change. You'll find everything here from Benjamin Franklin's Experiments and Observations on Electricity, to Davy Crockett's first memoir; from Thoreau's Civil Disobedience to Edith Wharton's Ethan Frome; from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop. Also included here are seminal works by authors such as Rachel Carson, Toni Morrison, John Updike, and Arthur Schlesinger, Jr

LGBTQ+ Literature in the West Robert C. Evans 2023-05-18 A survey, within one volume, of the history of critical responses to LGBTQ literature from the beginning to the present day, this book explores changes in attitudes, literature and criticism over a period of two and a half thousand years. For various reasons it focuses on literature of 'the West', trying to give readers a clear sense, within a relatively short compass, not only of the development of 'queer' literature (perhaps the most encompassing of all terms) but especially of critical responses to that literature, notably during the past century and particularly the past fifty years. All in all, this book offers a roadmap to much of the excellent scholarship concerning LGBTQ literature that has arisen in the last half-century - an era of unparalleled interest in the topic and an era that has moved the topic from the distant sidelines of literary study to a place ever closer to the center of things.

The precocious, awkward adolescent narrator of the title story watches as her elegant grandmother confronts the illness that will soon end the colorful life she has enjoyed so avidly.
