**Riders of the Coyote Moon** L. P. Holmes 2014-07-01 Disputed land pits two Indian tribes against each other in a life-or-death battle! Reece Canby spent years as a youngster on the nearby Mescalero Apache reservation. By treaty, the Mescalero tribe owns the Sentinel Basin. But the Mescaleros' grazing land is desired by members of the Teepee tribe, who are looking to expand their cattle herd. The Teepees stir up trouble with the Mescaleros so that the federal government will have to intervene. Dobe and Ponco, two Mescaleros Reece has known since childhood, stand accused of cattle rustling by two witnesses employed by Teepee. The trial splits the town of Cassadora, with Reece Canby and a few others the only ones sympathetic to the Apaches' land claim. It certainly looks like the Teepees have succeeded when the two Mescalero riders are found guilty, but Reece has the verdict reversed after one of the eyewitnesses confesses that the rustling charge was a fraud. Yet Dobe and Ponco are found lynched soon after, and the town's sheriff, who has thrown his allegiance with the Teepees, is reluctant to investigate the unsolved

murders. A bloody conflict seems inevitable unless the lynchers can be indentified and brought to justice. It's a desperate race against time for Reece Canby and his allies in this thrilling tale of frontier justice and morality. **Bomb Group** Paul Bingley 2022-11-03 In February 1942, a reconnaissance party of United States Army Air Force officers arrived in England. Firmly wedded to the doctrine of daylight precision bombing, they believed they could help turn the tide of the war in Europe. In the months that followed, they formed the Eighth Air Force - an organization that grew at an astonishing rate. To accommodate it, almost seventy airfields were hastily built across the eastern counties of England. At the heart of the Eighth Air Force was its bombardment groups, each equipped with scores of heavily armed, four-engine bombers. These Boeing B-17 Flying Fortresses and Consolidated B-24 Liberators were soon punching through the enemy's defenses to bomb targets vital to its war effort. They were crewed by thousands of young American airmen, most of whom were volunteers. This book tells the story of just one "Bomb Group" - the 381st, which crossed the Atlantic in May 1943. Arriving at RAF Ridgewell on the Essex-Suffolk border, its airmen quickly found themselves thrown into the hazardous and attritional air battle raging in the skies over Europe. The 381st's path led from its formation in the Texan desert, to its 297th and final bombing mission deep into the heart of Hitler's Third Reich. This is the remarkable story of one group and the part it played in the strategic bombing campaign of "The Mighty Eighth."

His second mistake is taking Emily Lou Colter back to his valley. There, he learns about Emily's father and brother—and about the mine they own and operate. Lingo knows this mine must be the real target of the kidnapping lowlifes. And now they've targeted Emily as the perfect means to their end. That will be their mistake. And it will be their last.

**Gunplay Valley** Wayne D. Overholser A WEALTHY CATTLEMAN TURNS A PEACEFUL LAND INTO A FLAMING VALLEY OF DEATH BULLETS SPEAK "I'm a fighting man, Strang...bullets are my suit. All I see around here is land, too much land for one man. I aim to fix it so these settlers can get what's coming to them." When Matt Strang, big, powerful, and courageous bought up Sage Valley for a cattle grazing area, he didn't care about a shirt-tail settler named Poe. Bitter, resentful, thirsting for revenge, seething with hatred for any man who thought he was boss, Poe was treated with contempt by Strang, until a lifetime of venom burst into flame. Then the fight for Sage Valley was on! Three-time Winner of the Spur Award Wayne D. Overholser Author of "Law Man" and "The Violent Land." With millions of his books sold, he is acclaimed coast-to-coast and around the world as one of the greatest Western writers.

And with the mayor out of the picture, there's just five days before its miniature, murdering proprietor makes bail and owns the town. U.S. Marshal Custis Long's assignment is to hunt down and drag back the star witness—a showgirl—to sing her tune to the jury and keep him behind bars where he belongs. But with a two-thousand-dollar bounty on her head and the dwarf's toughies behind every butte, Longarm's got to move quickly and aim fast, or they'll soon be dancing on the wrong side of the sod...

**The Long Wind** Wayne D. Overholser Three-time Spur Award Winning Author Wayne D. Overholser DAWSON RIDES OFF THE WIND-SWEPT PRAIRIE INTO A FIERY WAR! "It's a big country, Dawson, but you're the second hardcase to ride into it—and it ain't big enough for two." Jess Dawson was tired of moving on, and if it meant one more powder-smoke showdown to clear space to settle on, well, he was ready for that. Trouble was, Lane Miles had men and guns to stand behind him, and Dawson stood alone. . . .

**The Ten Dollar Road** Ben N. Field 2014-11-04 Bruiser Teal died from a bullet to his heart. Shot from the bushes by an unknown killer, the shooter fled toward Mexico. Texas, after the Civil War, was virtually lawless. Texas was stripped of the Texas Rangers, a requirement imposed on Texas by the North. The Texas State Police was ineffective to the point that honest men found that six-gun justice was the only way to survive. The attitude of the average Texan was, "If you can't take care of yourself, you don't belong in Texas." Matt had worked on the family cattle ranch all his life with his Pa and four older brothers. Trained to handle himself, Matt did a man's work. The Teal brothers—Matt, Tucker, and Cord—were trailing the killer when the bushwhacker waylaid them and shot Cord. Tucker stayed with Cord, which left Matt to go on alone. Matt soon finds out the man he's chasing is no tenderfoot. A member of Col' Berdan's sharpshooters during the war, the killer shows himself to be wily as a fox, cunning, and deviously crafty, staying ahead of Matt across Texas and back. Along the way, Matt helps a wounded Kickapoo war chief, saves a man buried in mud, and finds a pretty girl right in his own ranch country. During the search, Matt was buried in a dirt slide, captured by Kickapoo Indians who were going to sell him to a mine in Mexico, and found a brother he didn't know he had. This book is an exciting portrayal of a young man's search for his father's killer and the things he learns about himself along the way.
