People of the Silence Kathleen O'Neal Gear
1997-09-15 At its pinnacle in A.D. 1150 the Anasazi empire of the Southwest would see no equal in North America for almost eight hundred years. Yet even at this cultural zenith, the Anasazi held the seeds of their own destruction deep within themselves.... On his deathbed, the Great Sun Chief learns a secret, a shame so vile to him that even at the brink of eternity he cannot let it pass: In a village far to the north is a fifteen-summers-old girl who must be found. Though he knows neither her name nor her face, the Great Sun decrees that the girl must at all costs be killed. Fleeing for her life as her village lies in ruins, young Cornsilk is befriended by Poor Singer, a curious youth seeking to touch the soul of the Katchinas. Together, they undertake the perilous task of staying alive long enough to discover her true identity. But time is running out for them all--a desperate killer stalks them, one who is willing to destroy the entire

Anasazi world to get to her. New York Times and USA Today bestselling authors and award-winning archaeologists W. Michael Gear and Kathleen O'Neal Gear bring the stories of these first North Americans to life in *People of the Silence* and other volumes in the magnificent *North America's Forgotten Past* series. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A History of History Alun Munslow 2012 In a provocative analysis of European and American historical thinking and practice since the early 18th century, *A History of History* confronts several basic assumptions about the nature of history. Among these are the concept of historical realism, the belief in representationalism and the idea that the past possesses its own narrative. Written by one of the leading thinkers on the subject, this book provides an accessible and radical history of history while offering new insights into the

pressing questions of the nature, purpose and function of history. This book is an essential text for all students, teachers and consumers of history.

Junior Genreflecting Cheryl P. Scheer 2000-02-15 Find good books for young readers the easy way by using this guide. Designed for educators and students, it arranges titles by genre and theme so users can find books similar to the ones they love. Chapters include contemporary life, fantasy, animals, historical fiction, and mystery. Within these categories

books are arranged under such topics as family relations, friends and friendship, schools, ethnic groups, and problem novels. Focusing on books published after 1990, popular paperback series, and the not-to-be-forgotten classics, the authors have selected titles noted for quality. A brief historical background of each genre is given, and useful Web sites on children's fiction are listed. Great for collection development, this book is a helpful tool for answering the question, What else can I read? A must-buy for any children's book collection.

Genreflecting Betty Rosenberg 1991 Expanded and updated to provide information on the newest popular fiction, this guide to genre fiction covers westerns, thrillers, science fiction, fantasy, supernatural/horror fiction, and romance. It defines the various genres; analyses their characteristics, grouping authors according to type or subject content; and provides a selective, annotated bibliography of the history and criticism of each genre. New

authors are profiled in this edition, and a number of new subgenres, including the ice-age epic and techno-thriller, are outlined.

Philosophy and Practice A. Phillips Griffiths 1985-08-01 This book was first published in 1985. The journal is concerned with the study of philosophy in all its branches: logic, metaphysics, epistemology, ethics, aesthetics, social and political philosophy and the philosophies of religion, science, history, language, mind and education. The journal is not committed to any particular school or method and contributors are expected to avoid needless technicality. There is a section on new books which includes reviews, book notes and a list of books received.

Africa Immanuel Maurice Wallerstein 2005-01-01 Africa: The Politics of Independence and Unity combines into one edition for the first time Africa: The Politics of Independence and Africa: The Politics of Unity. With a new introduction by the author, this edition provides some of the earliest and most valuable analysis of African politics during the period when the colonial system began to disintegrate. ø The influential Africa: The Politics of Independence was written as Africa was just realizing independence and still reveling in the optimism

it brought. Immanuel Wallerstein was one of the few scholars who had traveled throughout Africa during the collapse of colonial rule. As a result, his interpretive essay captures the dynamism of that period of transformation and adroitly analyzes Africa's modern political developments during the nascent process of decolonization.

Africa: The Politics of Unity, published six years later, examines the African unity movement that arose between 1957 and 1965 and its revolutionary core. It is often considered the first thorough analysis of the postindependence history of Africa.

Romance Fiction Kristin Ramsdell 2012-03-02 A comprehensive guide that defines the literature and the outlines the best-selling genre

of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on "Chick Lit" in the Contemporary Romance chapter, an expansion of coverage on

the alternative reality subset. This is THE romance genre guide to have.

Writing Fiction Janet Burroway 1987 The most widely used and respected book on writing fiction, Writing Fiction guides the writer from first inspiration to final revision. Supported by an abundance exercises, this guide/anthology explores and integrates the elements of fiction while offering practical techniques and concrete examples. A focus on the writing process in its entirety provides a comprehensive guide to writing fiction, approaching distinct elements in separate chapters while building on what has been covered earlier. Topics include free-writing

to revision, plot, style, characterization, dialogue, atmosphere, imagery, and point of view. An anthology of diverse and contemporary short stories followed by suggestions for discussion and writing exercises, illustrates concepts while offering variety in pacing and exposure to this increasingly popular form. The book also discusses key issues including writing workshops, using autobiography as a basis for fiction, using action in stories, using dialogue, and maintaining point of view. The sixth edition also features more short short stories than any previous edition and includes quotation boxes that offer advice and inspirational words from established writers on a wide range of topics-- such as writing from experience, story structure, openings and endings, and revision. For those interested in developing their creative writing skills.

Critical Issues In Early Childhood Education

Yelland, Nicola 2005-04-01 What are some of the long held beliefs in early childhood education that need to be challenged? What can postmodern perspectives offer to early childhood educators? How can early childhood educators deal with the complex issues that arise in the lives of young children? This book examines critical issues in early childhood education across a broad range of contexts. The issues explored are critical not only in terms of being fundamental to early childhood education, but

also in that they present ideas and use frameworks which are not traditional to the field. The topics under review include questioning the developmental basis of early childhood education and the notion of what constitutes child-centred curricula, and extends into a discussion of the complex nature of teacher's work in early childhood contexts which require new ways of reconceptualising the field and the role of the teacher in the lives of children.; The chapters explore contemporary issues using methodologies that are increasingly being favoured by teacher educators, parents and community members who find that developmental perspectives do not satisfactorily explain and assist us in our interactions with young children and their families in the 21st century.

1987-11-01 Stunningly visual, extraordinarily detailed, powerfully dramatic, here is the first volume of a remarkable new series . . . The First Americans. When humans first walked the world, when nature ruled the earth and sky, a proud tribe is threatened by a series of natural disasters. A bold young hunter named Torka, who lost his wife and child to a killer mammoth, leads the survivors over the glacial tundra on a desperate eastward odyssey to the save their clan. Through attacks of savage animals and encounters with strangers not unlike themselves, they must brave the hardships of a foreign landscape and learn to live in an exotic new world of mystery and danger. They must travel toward the land where the sun rises for a new day for their clan—and an awesome future for the American.

People of the Lightning Kathleen O'Neal Gear
1996-11-15 New York Times and USA Today's bestselling authors W. Michael and Kathleen

O'Neal Gear bring North America's Forgotten Past to vivid life in this epic, romantic historical novel. *People of the Lightning* takes us into ancient Florida, to a village of fisher folk who must face their deepest fear: Pondwander, the White Lightning Boy, the first of his kind to be born in tens of tens of summers. His white hair, pink eyes, and pale skin make him fearsome enough, but prophecy foretells that a Lightning Boy is destined to make Sister Moon bury her face in the clouds and weep falling stars—and unleash the winds of destruction. Fearing their ultimate demise, the folk manage to trade him off in marriage to Musselwhite, a woman warrior who knows nothing of the prophecy. But when Pondwander is kidnapped, she must face an ages-old enemy who has always been determined to destroy her. But what is truly in store now that this Lightning Boy is hearing voices in the wind, telling him of his role in the coming horror? 1990-04-01 The white man had burned their land, raped their women, and slaughtered their children. He had made them a nation of slaves, and those he could not enslave, he promised to destroy. The Apache had one hope: vengeance. Out of the scattered remnants of the Apache tribes rose a man whose cunning, ferocity, and genius for warfare would make him their leader in a last tragic struggle for survival. The Apache gave him their arms, their strength, and their absolute devotion. The white man gave him his name: Geronimo!

Democracy's Place Ian Shapiro 1996 One of our nation's most prolific and widely discussed political theorists, Ian Shapiro speaks with a distinctive voice. His work is Deweyan in its inspiration, cosmopolitan in its concerns, and practical in its referents. In this book, he provides his first extended statement on contemporary democratic politics. Democracy's Place includes seven essays in which Shapiro

carefully integrates the theoretical and the applied. Four deal principally with democratic theory and its link to problems of social justice; the other three detail applications in the United States, the postcommunist world, and the author's native South Africa. All advance a view of democratic politics which rests on principled, yet nuanced, suspicion of hierarchical social arrangements and of political blueprints. Shapiro's writing is unified as well by a pervasive concern with the relations between the requirements of democracy and those of social justice. These themes, substantiated by complex yet accessible arguments, offer a constructive democratic perspective on contemporary debates about liberalism, communitarianism, and distributive justice. *Religion in Africa* Edward Geoffrey Parrinder 1969

Dear Life Rachel Clarke 2020-01-23 'What a remarkable book this is; tender, funny, brave, heartfelt, radiant with love and life, and with the love of life. It brought me often to laughter and - several times - to tears' Robert Macfarlane From the Sunday Times bestselling author of *Your Life in My Hands* comes this vibrant, tender and deeply personal memoir that finds light and love in the darkest of places. As a specialist in palliative medicine, Dr Rachel Clarke chooses to inhabit a place many people would find too tragic to contemplate. Every day she tries to bring care and comfort to those reaching the end of their lives and to help make dying more

bearable. Rachel's training was put to the test in 2017 when her beloved GP father was diagnosed with terminal cancer. She learned that nothing - even the best palliative care - can sugar-coat the pain of losing someone you love. And yet, she argues, in a hospice there is more of what matters in life - more love, more strength, more kindness, more joy, more tenderness, more grace, more compassion - than you could ever imagine. For if there is a difference between people who know they are dying and the rest of us, it is simply this: that the terminally ill know their time is running out, while we live as though we have all the time in the world. *Dear Life* is a book about the vital importance of human connection, by the doctor we would all want by our sides at a time of crisis. It is a love letter - to a father, to a profession, to life itself.
