By building a solid foundation using the first domain, remembering, the Bible student will develop a basic understanding of God's holy Word. This book is designed to help ministers, Bible teachers, students enrolled in Sunday school classes, Bible study groups, students in college or high school Bible courses, and individuals discovering on their own the incredible Word of God. Ministers may use the book to help them recall key scripture points while preparing a sermon or a lesson plan for a Bible study class. Likewise, Bible teachers will find a treasure of questions and answers to help them prepare scholarly lesson plans. Since students tend to learn better when engaged during discussions, the questions in this book may be used during a lesson to elicit students' responses to promote a positive learning environment in the classroom. Students enrolled in a high school or college course based upon the Bible may use this book as a supplement to other class texts and materials to gain further knowledge and a deeper understanding of the Bible. In addition, individuals will find the material helpful as they grow and discover God's holy words.
