Created in partnership with Flow, the groundbreaking international magazine that celebrates creativity, beautiful illustration, a love of paper, and life's little pleasures, A Book That Takes Its Time mixes articles, inspiring quotes, and what the editors call "goodies"—bound-in cards, mini-journals, stickers, posters, blank papers for collaging, and

more—giving it a distinctly handcrafted, collectible feeling. Read about the benefits of not multitasking, then turn to “The Joy of One Thing at a Time Notebook” tucked into the pages. After a short piece on the power of slowing down, fill in the designed notecards for a Beautiful Moments jar. Make a personal timeline. Learn the art of hand-lettering. Dig into your Beginner’s Mind. Rico and Wiseli Johanna Johanna Spyri 2021-08-17 Excerpt In the Upper Engadine Valley, on the road leading up to the Maloja Pass, lies a lonely town called Sils. Taking a diagonal path from the street back to the mountains, one comes to a smaller village known as Sils-Maria. Here, a little aside from the highway, in a field, two dwellings stood opposite

each other. Both had old-fashioned doors and tiny windows set deep in the wall. One house had a garden, where herbs and vegetables and a few straggling flowers were growing. The other, which was much smaller, had only an old stable with a couple of chickens wandering in and out of it. At the same hour every morning there came out of this forlorn little house a man who was so tall that he had to stoop in order to pass through the doorway. His hair and eyes were very dark, and the lower part of his face was hidden by a heavy black beard. Familiar as this man's figure was to the people of Sils, they always spoke of him as "the Italian." His work took him regularly up the Maloja, where the roads were being improved, or down the Pass to St. Moritz Bath, where some new houses were going up. Each morning a boy followed the man to the door and stood looking wistfully after him. It would have been hard to say just what those great dark eyes were fixed upon, their gaze seemed so far reaching. Sunday afternoons,

when the weather was favorable, the father and son would go for a walk together. So striking was the likeness between them that no one could help noticing it, although in the bearded face of the man the sadness was less apparent. They seldom spoke, but sometimes the man would hum or whistle a tune, and then the boy would listen eagerly. It was easy to see that music was their chief pleasure. When they were kept in the house by bad weather, the father would play familiar airs on a mouth organ or on a whistle that he had made himself—perhaps on a comb or even on a leaf from a tree. Once he brought home a violin, which delighted the boy beyond measure. He watched the father intently as he played, and later tried to bring out the same notes himself. He must have succeeded fairly well, for the man laughed, and laying his own fingers over the little ones, played several melodies from beginning to end. The next day, while the father was away, the boy practiced until he succeeded in playing his favorite tune,

but after that the violin disappeared and was never brought back again. Sometimes, however, the father would sing in his deep voice, -softly, perhaps, at first, but louder as he caught the spirit of the music. Then the boy would sing, too, and when the words failed him-for the songs were in Italian, which he did not understand-he could still hum the air. There was one tune that he knew better than all the rest, for it was one his father had sung over and over again. It had many verses, and this was the way it began: "Una sera In Peschiera--" Though the music was sad, this song was the boy's favorite. He would always sing it with much feeling, his clear, bell-like voice blending smoothly with the father's rich bass. Often when they had finished all the verses, the man would put his hand on his son's shoulder and say, "Good, Enrico! that went very well." Only his father called him "Enrico"; to all others he was simply "Rico." There was still another person who lived in the little cottage. This was Rico's aunt, who kept house for the

father and himself. In the winter, when she sat spinning beside the stove and it was too stormy to be out of doors, Rico had to be very careful of his behavior. Everything he did seemed to annoy her. The faultfinding made the loneliness still harder to bear when, as often happened, the father's work kept him away from home for days at a time. Sometimes when Rico tried to escape from the presence of his aunt, she would say sharply: "Shut the door and sit down, Rico. You are forever letting the cold air into the house." He was thankful that his bed upstairs offered a safe retreat after s...

The Complete Novels Jane Austen 2006-03-28

Now in Penguin Classics Deluxe: a treasure trove of Jane Austen's novels Few novelists have

conveyed the subtleties and nuances of their own social milieu with the wit and insight of Jane Austen. Here in one volume are her seven great novels: *Sense and Sensibility*, *Pride and Prejudice*, *Mansfield Park*, *Emma*, *Northanger Abbey*, *Persuasion*, and *Lady Susan*. Through her vivacious and spirited heroines and their circle, Austen vividly portrays English middle-class life as the eighteenth century came to a close and the nineteenth century began. Each of the novels is a love story and a story about marriage—marriage for love, for financial security, for social status. But they are not romances; ironic, comic, and wise, they are masterly evocations of the society Jane Austen observed. This beautiful volume covers the literary career of one of England's finest prose stylists of any century. • A Penguin Classics Deluxe Edition with French flaps and luxurious packaging • Features the definitive Penguin Classics texts recommended by the Jane Austen Society • New introduction by bestselling author

Four Three Two One Paul Auster 2017

According to family legend, Ferguson's grandfather departed on foot from his native city of Minsk with one hundred rubles sewn into the lining of his jacket, traveled west to Hamburg through Warsaw and Berlin, and then booked passage on a ship called the Empress of China, which crossed the Atlantic in rough winter storms and sailed into New York Harbor on the first day of the twentieth century. He had a hard time of it, especially in the beginning, but even after it was no longer the beginning, nothing

Bonding Maggie Siebert 2022-02-08 "Maggie understands that splatter for splatter's sake is boring. Psychopathy is boring. Coldness is boring. She's interested in feeling, and when her stories turn violent (as they frequently do), it's with a surreal emotional barbarity that distorts the entire world. You can mop up blood with any fabric. Maggie's concern is with the wound left behind, because the wound never leaves-it haunts. As a result, each of these stories leaves a wound of its own. Some weep, watching as you try (and fail) to recover. Others laugh. But never without feeling." -B.R. Yeager, author of Negative Space "And once finished, I felt like my tongue had been misplaced, guts heavy and expanded ... gums numb with a tongue that'd been put elsewhere, my mouth clean around a pipe weaving up through pitch and shadow ... and well past ready, primed for delight, waiting but knowing I had already been filled to skin;

crying shit, hearing piss, fingernails seeping bile, pores dribbling blood, soles slopping off and out to meet a drain mid-floor ..." - Christopher Norris, author of Hunchback '88 Pride and Prejudice Jane Austen 2009-08-25 An iconic novel dressed in a fierce design by acclaimed fashion illustrator Ruben Toledo. This couture-inspired collection also features Jane Eyre, The Picture of Dorian Gray, Dracula, The Scarlet Letter and Wuthering Heights. Ruben Toledo's breathtaking drawings have appeared in such high-fashion magazines as Vogue, Harper's Bazaar, and Visionaire. Now he's turning his talented hand to illustrating the gorgeous deluxe editions of three of the most beloved novels in literature. Here Elizabeth Bennet's rejection of Mr. Darcy, Hester Prynne's fateful letter "A", and Catherine Earnshaw's wanderings on the Yorkshire moors are transformed into witty and surreal landscapes to appeal to the novels' aficionados and the most discerning designer's eyes. THE ARTIST. Thomas Kinkade, the Painter of Light™, emphasized simple

pleasures and inspirational messages through his art - and the branded products created from that art. From textiles, to collectibles, to music and books, Thom believed that both the ability and the inspiration to create his paintings had been given to him as a gift. His goal as an artist was to touch people of all faiths and to bring peace and joy into their lives through the images he had created. THE FINAL WORD. As William Morris said, "Have nothing in your houses that you do not know to be useful, or believe to be beautiful."
