Expand your awareness of the symbols in your life, strengthen your intuition, overcome challenges, and manifest your desires. This experiential guide includes: A dictionary of more than 500 traditional symbols Practical exercises to develop your intuitive abilities Guidance in defining your own personal symbols Explanation of how to use chakras and auras Stories and true-life psychic experiences Praise: "Melanie Barnum offers a vast array of traditional interpretations sprinkled with her own insightful experiences, making The Book of Psychic Symbols an invaluable contribution to every psychic's library."—Elizabeth Harper, author of *Wishing: How to Fulfill Your Heart's Desires*

**We Don't Die** Joel Martin 2002-08-06 This is the phenomenal true story of the world-renowned psychic medium George Anderson—the groundbreaking book that first brought afterlife experience into the light. For over 12 years Joel Martin documented evidence of Anderson's powers—the ability to reach 'the other side'—and repeatedly astonished believers and skeptics. This is the book of those universal visions, the inspiring messages of hope, truth, and peace, and a glimpse into eternity to answers to the unfathomable questions about life and death.

*When Heaven Calls* Matt Fraser 2021-11-23 America's top psychic medium reflects on his life of speaking to Spirit and the lessons he's learned along the way—from both the living and the dead. Matt Fraser is just an ordinary guy...who happens to talk to dead people. Born into a psychic family, Matt carries on the legacy passed down from his late Grandmother Mary by connecting people to their dearly departed loved ones and delivering messages from the other side. His sold-out live group readings, television appearances, and private readings have allowed him to bring hope and healing to fans from around the world. But people who are not in the habit of talking with the dead have a hard time imagining what his day-to-day life is like. Based on the questions he gets, they seem to think he spends most of his time sitting cross-legged in a trance, maybe hovering a few inches off the ground, leaving his physical body behind as he journeys across the veil to the spirit realm. But it's not like that at all. Now, in *When Heaven Calls*, Matt opens up about it's really like to be a psychic medium—including how he discovered his spiritual gift, what it's like to connect with souls on the other side, what communicating with the dead has taught him about embracing life, and how you can tap into your own intuitive awareness to manifest your dreams, goals, and desires.

*Psychic Intelligence* Terry Jamison 2011-06-21 The Psychic Twins have amazed audiences all over the world with their eerie predictions that have proven to be true, including the events of 9/11, the Times Square Terrorist incident, natural disasters and more. They've also worked with countless clients who report that their predictions later came to be true. Although the Twins have an undeniable gift in this area, we all have

psychic capabilities-- and in this book they show you how to strengthen your own, look into your future, and change your destiny. In *PSYCHIC INTELLIGENCE*, Terry and Linda Jamison explain, step-by-step, how to dissolve the blocks that can prevent you from using and trusting your own intuition. By exploring what they call the Four Clairs: clairvoyance, clairaudience, clairsentience, and claircognizance, you will be able to tap into these feelings and in turn: --Create strong and worthwhile relationships, including finding true love -- Attract wealth and abundance -Know when to make a career change, and what the new path should be -- Experience vibrant health --Discover your authentic self and life's purpose Now, at a time of real economic and social uncertainty, when hope is needed and so many are feeling confused and fearful, *PSYCHIC INTELLIGENCE* will show readers that we all have the power to tap into and control our own destiny.

*The Other Side and Back* Sylvia Browne 2000-07-01 Sylvia Browne, the world-famous psychic and New York Times bestselling author of *End of Days*, takes readers on an unprecedented and comprehensive "tour" of the afterlife—a world-changing revelation that has helped millions live for today, tomorrow, and forever... This spiritual guide is packed with prophecies and inspirational advice, including: • Must-read predictions for the future • How psychic energy can keep people healthy and improve relationships • Why we shouldn't fear aging and death • How spirit guides and angels "talk" to us daily • The truth about ghosts and hauntings • Solving "unsolvable" missing persons cases and other true crime tales • And more "Psychic, medium, clairvoyant, channel—these are all words to describe Sylvia Browne's unique powers. I've personally witnessed her bring closure to distraught families, help the police close cases, and open people's hearts to help them see the good within themselves."—Montel Williams "The Other Side and Back is the most grounded and authentic 'entry to the other side' that I have ever read. You know immediately upon reading the first few pages that Sylvia Browne is more than a psychic—she is a master at conveying the truth that exists in the fourth dimension." —Caroline Myss, Ph.D., author of *Anatomy of the Spirit*

**Lost In Summerland** Barrett Swanson 2021-05-18 Barrett Swanson embarks on a personal quest across the United States to uncover what it means to be an American amid the swirl of our post-truth climate in this collection of critically acclaimed essays and reportage. A trip with his brother to a New York psychic community becomes a rollicking tour through the world of American spiritualism. At a wilderness retreat in Ohio, men seek a cure for toxic masculinity, while in the hinterlands of Wisconsin, antiwar veterans turn to farming when they cannot sustain the heroic myth of service. And when his best friend's body washes up on the shores of the Mississippi River, he falls into the gullet of true crime discussion boards, exploring the stamina of conspiracy theories along the cankered byways of the Midwest. In this exhilarating debut, Barrett Swanson introduces us to a new reality. At a moment when grand unifying narratives have splintered into competing storylines, these critically acclaimed essays document the many routes by which people are struggling to find stability in the aftermath of our country's political and economic collapse, sometimes at dire and disillusioning costs.

Growing Up Psychic Chip Coffey 2012-04-03 Internationally recognized psychic and star of A&E's hit show *Psychic Kids: Children of the Paranormal*, Chip Coffey shares his personal story of discovering his gift at a young age and offers valuable advice for nurturing and embracing psychic ability. No one knows more about psychic kids than Chip Coffey, and no expert on psychic kids is better known throughout the world. These kids are widely misunderstood, misjudged, and misdiagnosed. In *Growing Up Psychic*, Chip Coffey

offers indispensable information for anyone who interacts with these extraordinary youngsters—parents, educators, medical professionals, mental health clinicians, members of the clergy, paranormal investigators—and adults who faced the challenges of growing up psychic. In *Growing Up Psychic*, drawing on his firsthand experience and the true stories of kids he has worked with and helped, Chip Coffey shows you how to:

- Determine if a child is really psychic—as opposed to simply imaginative or seeking attention
- Identify the different kinds of psychic abilities kids (and adults) might have
- Gain control over when and how psychic information is received
- Safely connect with others in the psychic community
- Deal with skeptics and disbelievers

“Read Chip Coffey’s book to learn about an astonishing, inspiring, unexplained propensity of the human mind.” —from the foreword written by Dr. Raymond Moody, author of *Life After Life*

*A Drowned Maiden's Hair* Laura Amy Schlitz 2010-03-02 "People throw the word 'classic' about a lot, but *A Drowned Maiden's Hair* genuinely deserves to become one." — Wall Street Journal Maud Flynn is known at the orphanage for her impertinence, so when the charming Miss Hyacinth and her sister choose Maud to take home with them, the girl is as baffled as anyone. It seems the sisters need Maud to help stage elaborate séances for bereaved, wealthy patrons. As Maud is drawn deeper into the deception, playing her role as a "secret child," she is torn between her need to please and her growing conscience -- until a shocking betrayal makes clear just how heartless her so-called guardians are. Filled with tantalizing details of turn-of-the-century spiritualism and page-turning suspense, this lively historical novel features a winning heroine whom readers will not soon forget.

*Kitchen Table Tarot* Melissa Cynova 2017-04-08 Learn to read with your own voice and get the answers to all of your questions. For years, Melissa Cynova has been sitting down with friends and neighbors who are curious about the tarot. She's heard all the questions and misconceptions that can confuse newcomers (and sometimes more experienced readers, too). *Kitchen Table Tarot* was written as a guide for anyone looking for no-nonsense lessons with a warm, friendly, and knowledgeable teacher. Join Melissa as she shares straightforward guidance on decks, spreads, card meanings, and symbols. Filled with real-life examples and personal explanations of what it's like to read the cards, this book tells it like it is and provides the information you need to read with confidence. Praise: "If you're looking for an intuitive overview of how tarot might work for you and a pragmatic guide to learning the cards' core meanings, this book is the one. It's a warm, fast read with plenty of swearing, and I wish it could be bundled with every one of my tarot decks...It's that good. Buy one for you and one for your best friend, and go through it together.

A+—Maggie Stiefvater, #1 New York Times bestselling author and creator of *The Raven's Prophecy Tarot* "Cynova's debut book struts forward to lead the pack with its authentic voice, candid and nimble teaching approach, and ability to pare down the principles and experience of reading tarot to its essentials...Exemplary. Eminent. Authoritative. A veritable gem." —Benebell Wen, author of *Holistic Tarot* "A punch-in-the-gut teaching guide to the tarot...illustrating how much the tarot encourages each of us to find our own unique language and meanings when we begin this journey."—Terry Iacuzzo, author of *Small Mediums at Large* "Melissa Cynova has written one of the most accessible, relatable tarot books ever. Pull up a chair, pop a cold one, and get ready for some straight-talking tarot lessons that will have you slinging the cards like a tarot badass in no time at all!"—Theresa Reed, author of *The Tarot Coloring Book* "I've read many books about tarot readings, but this one is my favorite book so far."—Library Noire "This book is a major asset to anyone curious about tarot...Reading *Kitchen Table Tarot* genuinely feels like sitting down with her and getting a whole workshop series delivered one-on-one."—Amber Unmasked "Kitchen Table Tarot is for the beginner who wants to dip their toes in the tarot world for fun and personal study."—Spiral Nature Winner of a 2018 IPPY Award for Best First Book

**Life Among the Dead** Lisa Williams 2009-05-04 Lisa Williams is one of the world's most accurate mediums. Taught by her grandmother both on this plane and in the afterlife, her extraordinary gift for communicating with Spirit and those that have passed on has led her from humble origins to become one of America's most beloved TV stars as the host of "Life Among the Dead". Her incredible story to find acceptance both from those she cared about and the strangers who came to her for help led to the

development of abilities that have been described as always accurate and often unbelievable:

- Communicating with those that have passed over
- Predicting life events
- Diagnosing disease
- Sensing cheating husbands!

**One Last Time** John Edward 1999-10-01 THE NEW YORK TIMES BESTSELLER His television appearances have made millions of people believe in the afterlife—and in his ability to reach it. Now psychic medium John Edward's legion of fans can read his remarkable true story. With a fresh, honest—and at times even skeptical—approach, John discusses how he first discovered, then gradually developed, his psychic ability to foretell events and communicate with the deceased. He also provides accounts of his most compelling readings, how they helped heal the scars of grief and gave way to more fulfilling lives for the living—lives where loved ones never cease to love you, and never really die...

**Beyond Black** Hilary Mantel 2006-04-18 Hailed as a "writer of subtlety and depth," Hilary Mantel turns her dark genius on the world of psychics in this smart, unsettling novel (Joyce Carol Oates) A paragon of efficiency, Colette took the next natural step after finishing secretarial school by marrying a man who would do just fine. After a sobering, do-it-yourself divorce, Colette is at a loss for what to do next. Convinced that she is due an out-of-hand, life-affirming revelation, she strays into the realm of psychics and clairvoyants, hungry for a whisper to set her off in the right direction. At a psychic fair in Windsor she meets the charismatic Alison. Alison, the daughter of a prostitute, beleaguered during her childhood by the pressures of her connection to the spiritual world, lives in a different kind of solitude. She cannot escape the dead who speak to her, least of all the constant presence of Morris, her low-life spiritual guide. An expansive presence onstage, Alison at once feels her bond with Colette, inviting her to join her on the road as her personal assistant and companion. Troubles spiral out of control when the pair moves to a suburban wasteland in what was once the English countryside and take up with a spirit guide and his drowned therapist. It is not long before Alison's connection to the place beyond black threatens to uproot their lives forever. This is Hilary Mantel at her finest- insightful, darkly comic, unorthodox, and thrilling to read.

**The Reluctant Psychic** Suzan Saxman 2015-01-27 We all, as children, saw imaginary friends and heard monsters in the closet. But for Suzan Saxman, those friends and monsters didn't go away—and they weren't imaginary. They were the dead who came to her from the time she was a little girl with urgent messages for the living. Raised in a house filled with secrets, she saw and spoke the truth as soon as she could talk, alarming the nuns in her convent school with her revelations and terrifying her own mother with her strange visions. Each night she woke to see a man with no eyes watching her, and each day she kept watch by the window while her father was at work and Steve, her real father, a swarthy drifter, rendezvoused with her mother. It was the 1960s in suburban Staten Island and she tried to hide it all, and be a daughter her mother could love. Always skeptical of her tremendous gift, she struggled to come to terms with her calling even as she revealed the destinies of everyone, from housewives to hit men, stockbrokers to rock-and-rollers. She could witness everyone's future—everyone's but her own. Why was she visited by angels and demons? Could she ever escape this strange fate? Where was her own soul mate? Now Suzan tells the story of her journey and tries to make sense of her family's buried secrets. Through powerful readings of others' destinies interwoven with compelling narrative, a reluctant psychic emerges from the shadows. *The Truth About Psychics* Sylvia Browne 2009-12 A new book from the celebrity psychic traces the history of spirituality, and explains what's true, what's not, and how to tell the difference.

**The Almost Legendary Morris Sisters** Julie Klam 2022-08-09 A Washington Post best nonfiction book pick of 2021 “It is biography as an expression of love.” - The New York Times New York Times-bestselling author Julie Klam’s funny and moving story of the Morris sisters, distant relations with mysterious pasts. Ever since she was young, Julie Klam has been fascinated by the Morris sisters, cousins of her grandmother. According to family lore, early in the twentieth century the sisters’ parents decided to move the family from Eastern Europe to Los Angeles so their father could become a movie director. On the way, their pregnant mother went into labor in St. Louis, where the baby was born and where their mother died. The father left the children in an orphanage and promised to send for them when he settled in California—a promise he never kept. One of the Morris sisters later became a successful Wall Street trader and advised Franklin Roosevelt. The sisters lived together in New York City, none of them married or had children, and one even had an affair with J. P. Morgan. The stories of these independent women intrigued Klam, but as she delved into them to learn more, she realized that the tales were almost completely untrue. *The Almost Legendary Morris Sisters* is the revealing account of what Klam discovered about her family—and herself—as she dug into the past. The deeper she went into the lives of the Morris sisters, the slipperier their stories became. And the more questions she had about what actually happened to them, the more her opinion of them evolved. Part memoir and part confessional, and told with the wit and honesty that are hallmarks of Klam’s books, *The Almost Legendary Morris Sisters* is the fascinating and funny true story of one writer’s journey into her family’s past, the truths she brings to light, and what she learns about herself along the way.

**Psychics, Healers, & Mediums** Jenniffer Weigel 2017-04-01 Since the dawn of time, people have been fascinated by those who claim to have extraordinary psychic abilities. The fascination has reached a fever pitch with the rise of modern media. It is safe to say that many of these folks are either extraordinary frauds or extraordinarily deluded. But could some of them be legitimate? Do some people actually possess psychic gifts that can be used to help and heal? For 20 years, Emmy Award-winning journalist Jenniffer Weigel has been interviewing and investigating mediums, psychics, and healers. She became particularly interested in this topic after the death of her father in 2001. “I felt that as a journalist, it was my duty to go behind the scenes with these people who claim they can talk to dead people or heal the sick and really pull the curtain back on these so-called ‘gifts.’” This book provides in-depth interviews with today’s top mediums, psychics, and healers, including Thomas John, Judith Orloff, Concetta Bertoldi, Caroline Myss, Echo Bodine, Rebecca Rosen, Paul Selig, and Michael Bodine. In addition to the interviews, each chapter contains readings for both Weigel and an individual previously unknown to the medium, psychic, or healer. In short, Weigel puts these psychically gifted people to the test—and the results are startling and profound. This is for fans of the book’s psychic participants and for people fascinated with communication with the dead, the idea of an afterlife, and the possibility of nontraditional healing.

**Managing Psychic Abilities** Mary Mueller Shutan 2016-12-13 Approximately 20% of the population is sensitive or in some way psychic. Being sensitive or psychic can allow you to understand the world in a way that most people can’t, and to see beyond what others are able to. But for many of you sensitivities are a burden, causing overwhelm or even physical ailments. Most information about psychic abilities on the market is aspirational, meaning that all of the books out there focused on “opening your third eye” or “becoming psychic” are not meant for the highly sensitive person. You don’t want to become more sensitive, you may in fact be holding on for dear life because you are overwhelmed, panicked, have issues with sleep, body pain, headaches, digestive issues, and constantly shifting emotions. Or you might be mildly

sensitive, but still need skills to manage going to work, or want to know more about how to become more functional while still being sensitive in this world. Learn how psychic abilities and sensitivities develop, where you are on the spectrum of these abilities and sensitivities, and most importantly, the basic and intermediate skills and techniques needed to be healthier, more functional, and to feel in control of your sensitivities and psychic abilities, so that you can live in the world more joyfully again.

**The Medium Next Door** Maureen Hancock 2011-05-02 At just five years old, Maureen Hancock discovered her ability to communicate with the dead. Descended from a long line of legendary Irish mystics, she was no stranger to the spiritual realm, but for fear of being misunderstood by her friends and family she kept the otherworldly messages to herself, eventually suppressing them completely. Maureen wouldn’t hear the spirits again until she was in a near-fatal car crash. Soon after, she had hundreds of voices in her head, many of which helped her crack cases and expose fraud in her role as a litigation paralegal at a large Boston law firm. Then, when tragedy struck on 9/11, Maureen was bombarded with messages from the spirit world. As each one made contact with her, she finally came to terms with her calling: to communicate with the deceased, assist the dying, search for missing children, and teach the living about life after death, all the while raising her children in her suburban home. Maureen Hancock is literally the Medium Next Door, and in this book and through her stories of her encounters with the otherworld as well as guided exercises at the conclusion of each chapter, she offers the same comfort and wisdom she shares in her healing encounters and lectures about what is out there waiting for all who are open to its mysteries. . . .

**A Still, Small Voice** Echo Bodine 2010-10-05 In *A Still, Small Voice*, famed psychic Echo Bodine turns to a subject she knows deeply and is passionate about: intuition. Using humorous anecdotes and a positive, readable style, this sequel to *Echoes of the Soul* explores what intuition is, where it’s located, what it sounds like, and how to cultivate it. The author, who comes from a family of psychics, exposes the various internalized voices that can mask one’s intuition. These include the voices of parents, grandparents, peers, therapists, significant others, religious figures, and society, along with emotions such as anger, fear, guilt, and despair. The book challenges the cliché that psychic abilities and intuition are the same, or that they are evil. One chapter is devoted to the many practical benefits that come from listening to intuition; another looks at the “faith-building times” in life and how to cope with others’ negative reactions to setting off on the spiritual path.

**The Psychic in You** Jeffrey A. Wands 2004-02-17 When Jeffrey Wands was six years old, he met his great grandmother Mary. She had been dead for twenty-three years. Gifted psychic Jeffrey Wands’s connection with his great grandmother was the first step in a remarkable journey that has led to his current status as one of the most acclaimed and successful psychics in the country. Now, in *The Psychic in You*, he traces his development as a psychic and describes what it’s like to grow up with such an extraordinary gift. Using a series of compelling and dramatic anecdotes, he illustrates the joys -- and the pain -- that this faculty has brought him. *The Psychic in You* is a book of incredible stories told in the most down-to-earth and readable way. And underpinning this exceptional narrative is Jeffrey Wands’s belief that all of us have psychic capabilities, and that all of us can -- and should -- try to develop them. A fascinating read full of dramatic accounts of the paranormal, *The Psychic in You* includes information on: • Unleashing your own psychic ability • Contacting loved ones who have crossed over • Understanding the dead • Freeing yourself from pain and negativity • Handling fear of the dead Captivating, yet practical, this highly readable book dispels the myths and superstitions that surround psychic phenomena and provides a decidedly down-to-earth look at communicating with the other side. Enlightening and absorbing, *The Psychic in You* is essential reading for anyone seeking a richer, more insightful life.

**The Light Between Us** Laura Lynne Jackson 2015 The astonishing story of a woman with an extraordinary psychic gift and a powerful message from the Other Side that can help us to live more beautifully in the here and now.

**The Nazi Séance** Arthur J. Magida 2011-11-29 World War I left Berlin, and all of Germany, devastated. Charlatans and demagogues eagerly exploited the desperate crowds. Fascination with the occult was everywhere - in private séances, personalized psychic readings, communions with the dead - as people struggled to escape the grim reality of their lives. In the early 1930s, the most famous mentalist in the German capital was Erik Jan Hanussen, a Jewish mind reader originally from Vienna who became so

popular in Berlin that he rubbed elbows with high ranking Nazis, became close with top Storm Troopers, and even advised Hitler. Called "Europe's Greatest Oracle Since Nostradamus," Hanussen assumed he could manipulate some of the more incendiary personalities of his time just as he had manipulated his fans. He turned his occult newspaper in Berlin into a Nazi propaganda paper, personally assured Hitler that the stars were aligned in his favor, and predicted the infamous Reichstag Fire that would solidify the Nazis' grip on Germany. Seasoned with ruminations about wonder and magic (and explanations of Hanussen's tricks), *The Nazi Séance* is a disturbing journey into a Germany as it descends into madness—aided by a "clairvoyant" Jew oblivious to the savagery of men who pursued a Reich they fantasized would last 1,000 years.

**The Eagle and the Rose** Rosemary Altea 2008-11-16 In *THE EAGLE AND THE ROSE*, Rosemary Altea tells the remarkable story of awakening to her psychic gifts as a medium and healer. As simple and honest as the story is remarkable, *THE EAGLE AND THE ROSE* describes how Rosemary Altea is chosen to be the voice of the spirit world—how she is taken under the wing of a Native American spirit guide named Grey Eagle and taught to use her astonishing power to heal, go astral-travelling, and perform soul rescue. Grey Eagle calls Rosemary "his Rose" as he helps nurture her gift. In the casebook section of *THE EAGLE AND THE ROSE* are 10 stories of astonishing impact - how a woman decapitated in a train wreck relives her traumatic death in Rosemary Altea's body in order to adjust to life in the hereafter; how a tragic boating accident is predicted months before the fact by Rosemary Altea on a live radio show; how a dead child convinces his mother that he is safe with relatives on the spirit plane. Behind all these moving communications is Grey Eagle, Rosemary's mentor, constant companion, and friend. His spirit pervades this book as he focuses the spotlight on an important teaching: Life may continue after death, but how we behave on the Earth Plane does count. Grey Eagle elevates the message in this book to a transcendent level. He says, "We are all souls and must treat each other with kindness." We are not human beings having a spiritual experience. We are spiritual beings having a human experience.

**Law and Justice on the Small Screen** Peter Robson 2012-08-01 'Law and Justice on the Small Screen' is

a wide-ranging collection of essays about law in and on television. In light of the book's innovative taxonomy of the field and its international reach, it will make a novel contribution to the scholarly literature about law and popular culture. Television shows from France, Canada, the United Kingdom, Germany, Spain and the United States are discussed. The essays are organized into three sections: (1) methodological questions regarding the analysis of law and popular culture on television; (2) a focus on genre studies within television programming (including a subsection on reality television), and (3) content analysis of individual television shows with attention to big-picture jurisprudential questions of law's efficacy and the promise of justice. The book's content is organized to make it appropriate for undergraduate and graduate classes in the following areas: media studies, law and culture, socio-legal studies, comparative law, jurisprudence, the law of lawyering, alternative dispute resolution and criminal law. Individual chapters have been contributed by, among others: Taunya Banks, Paul Bergman, Lief Carter, Christine Corcos, Rebecca Johnson, Stefan Machura, Nancy Marder, Michael McCann, Kimberlianne Podlas and Susan Ross, with an Introduction by Peter Robson and Jessica Silbey.

**Library Journal** 2006 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Get a first-hand glimpse at what it's like for a psychic to learn the hard lessons from spirit when his ego gets too big for his own good. *A Psychic's Life* also shares compelling stories from Michael's experience of growing up in a psychic family. Whether you're interested in developing your own psychic abilities, starting a psychic practice, or are curious about what happens behind the scenes of a renowned psychic's life, this book is an all-access pass to one of the world's most unique mystical minds. *The Psychic Soldier* Bob Curry 2014-09-09 After taking a school trip to visit a British army base, Bob Curry was certain he had discovered his "light at the end of the tunnel." The military would be his escape from the abusive mother and the unhappy home life that had been plaguing him since early childhood. So the moment he could, Bob joined the army-fighting for ten years in an infantry battalion, and eventually progressing to the elite unit known as the SAS. Over the next two decades he trained numerous armies worldwide, rubbed elbows with personalities like Margaret Thatcher and Willie Whitelaw, and took part in the recapture and liberation of the Falkland Islands. But all the while, Bob was nurturing another special gift. One that would allow him to connect people with their loved ones who have passed on, and one that he would eventually choose to make his life and his career. This inspiring true story traces one man's journey from his abusive childhood home to fighting among world-renowned military forces, to using his innate psychic gift to help individuals all over the world—and provides hope for anyone in any situation who longs to someday achieve their dreams.

**School for Psychics** K.C. Archer 2018-04-03 An entrancing new series starring a funny, impulsive, and sometimes self-congratulatory young woman who discovers she has psychic abilities—and then must decide whether she will use her skills for good or...not. Teddy Cannon isn't your typical twenty-something woman. Yes she's resourceful, bright, and scrappy. But she can also read people with uncanny precision. What she doesn't realize: she's actually psychic. When a series of bad decisions leads Teddy to a run-in with the police, a mysterious stranger intervenes. He invites her to apply to the School for Psychics, a facility hidden off the coast of San Francisco where students are trained like Delta Force operatives: it's competitive, cutthroat, and highly secretive. They'll learn telepathy, telekinesis, investigative skills, and SWAT tactics. And if students survive their training, they go on to serve at the highest levels of government, using their skills to protect America, and the world. In class, Teddy befriends Lucas, a rebel without a cause who can start and manipulate fire; Jillian, a hipster who can mediate communication between animals and humans; and Molly, a hacker who can apprehend the emotional state of another individual. But just as Teddy feels like she's found where she might belong, strange things begin to happen: break-ins, missing students, and more. It leads Teddy to accept a dangerous mission that will ultimately cause her to question everything—her teachers, her friends, her family, and even herself. Set in a world very much like our own,

School for Psychics is the first book in a stay-up-all night series.

**Psychic Self-Defense** Dion Fortune 2020-12-12 A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century. This Weiser Classics edition of Dion Fortune's *Psychic Self-Defense* includes a new forward by Mary K. Greer, author of numerous books including *Tarot for Your Self*, and a new afterword by Christian Gilson that chronicles the original context surrounding Dion Fortune's writing of the book. Mr. Gibson is the editor of *The Inner Light*, the journal published by the Society of Inner Light.
