The Summer House Philip Teir 2018-07-12 The light greenery of the early summer is trembling around Erik and Julia as they shove their children into the car and start the drive towards the house by the sea on the west coast of Finland where they will spend the summer. From the outside they are a happy young family looking forward to a long holiday together. But look under the surface, and their happiness shows signs of not lasting the summer. On the eve of the holiday, Erik lost his job, but hasn't yet told the family. And the arrival of Julia's childhood friend Marika - along with her charismatic husband Chris, the leader of a group of environmental activists that have given up hope for planet Earth and are returning to a primitive lifestyle - deepens the hairline cracks that had so far remained invisible. Around these people, over the course of one summer, Philip Teir weaves a finely-tuned story about life choices and lies, about childhood and adulthood. How do we live if we know that the world is about to end?

Summer's House Eric Gabriel Lehman 2000-06-09 One hot New York City summer in the 1970s, the lives of three very different people - each uncomfortable with their surrounds and struggling to find a place where they can feel a sense of belonging - are forever changed. Raymond, an overly cerebral 17 year old, lives in the Bronx with his increasingly estranged parents. He's decided that the time has come for him to fall in

love even if he is soured why or with which gender and grapples with the conflicting directions in which he is pulled by his desires and fears. As his parents become increasingly estranged, his mother leaves for a trip to Israel leaving Raymond and his father housemates in an apartment in which neither feels at home. Jerome, one of the legion of unrecognized poets marginally employed as a delivery man Seven Wonders Gourmet Foods, cannot rid himself of his obsession for the woman he loved and lived with - until she threw him out when he uncovered her secret past. His mentor - and sole friend - is the aging, erudite Maurice Rose, who - like Jerome - is about to be thrown out of his home. Lester, Raymond's maternal uncle, is the middle-aged owner of Seven Wonders Gourmet Foods and an unsuccessful suburbanite living on the edges of New York City. In a family and area where success and status are everything, he must confront the miseries of his failing business, a tense home life, and a persistent obscene caller who knows a bit too much about his wife. Drawn together by chance, circumstance, and a mysterious woman with a secret in her past, their lives intersect, collide, pull apart, and irreversibly change.

The Summer House Keri Beevis 2023-03-06 From bestselling psychological thriller writer Keri Beevis Mead House was once our childhood home. Despite my fears, I always knew we would have to return to face the demons of our past. Back to the place where it happened, to where, as carefree teenagers, we lost our elder sister in the most brutal of circumstances. As executors of our grandmother's will, my twin brother, Ollie, and I needed to empty the house for resale. What I didn't expect to discover was my sister's secret journal that contained her most private thoughts and shocking dark secrets. Now I am questioning everything that I saw that night. Did I get it wrong, who I saw? Did my evidence send an innocent man, my then boyfriend's brother, to jail for the last 17 years? I know I have no choice. If I want to find answers, I will have to go back to that fateful night my sister died. When she made her last visit to the summer house. The Summer House Hannah McKinnon 2017-06-06 When Flossy Merrill summons her children to the beloved family beach house to celebrate their father's eightieth birthday, both cherished memories and long-kept secrets come to light in this charming and lyrical novel from the author of The Lake Season and Mystic Summer. Flossy Merrill has managed to—somewhat begrudgingly—gather her three ungrateful grown children from their dysfunctional lives for a summer reunion at the family's Rhode Island beach house. Clementine, her youngest child and a young mother of two small children, has caused Flossy the most worry after enduring a tragically life-altering year. But Samuel and his partner Evan are not far behind in their ability to alarm: their prospective adoption search has just taken a heart-wrenching turn. Only Paige, the eldest of the headstrong Merrill clan, is her usual self: arriving precisely on time with her well-adapted teens. Little does her family know that she, too, is facing personal struggles of her own. No matter. With her family finally congregated under one seaside roof, Flossy is determined to steer her family back on course even as she prepares to reveal the fate of the

summer house that everyone has thus far taken for granted: she's selling it. The Merrill children are both shocked and outraged and each returns to memories of their childhoods at their once beloved summer house—the house where they have not only grown up, but from which they have grown away. With each lost in their respective heartaches, Clementine, Samuel, and Paige will be forced to reconsider what really matters before they all say goodbye to a house that not only defined their summers, but, ultimately, the ways in which they define themselves. Featuring McKinnon's "sharp and evocative" (Kirkus Reviews) voice, this warm-hearted novel is perfect for fans of Elin Hilderbrand and Mary Alice Monroe.

The Ecology of a Summer House Vincent Gaston Dethier 1984 *DARDANELY MANOR AND SUMMER HOUSE IN MARKUŠOVCE* Múzeum Spiša v Spišskej Novej Vsi 2013-12-16 The village of Markušovce is a major treasury of cultural monuments in Spiš and its history is linked to the Máriašsy family. According to the first written mention from 1280, Markušovce arose as a border and guarding village. Its landmark is the medieval castle (fortified mansion) and the Church of Saint Michael. An important monument in the village is the originally Renaissance Máriašsy manor house from 1643, built by Francis Máriašsy III. The building's rococo style is from the years 1770 to 1775. Currently, the building is managed by the Spiš Museum in Spišská Nová Ves and it shelters the Exhibition of Historical Furniture. It displays the development of furniture art from the Renaissance to the first half of the 20th century, complemented by applied art objects. The surroundings of the manor house are adapted as a French park. The Dardanelly summer house is located on its highest terrace, an important Rococo architecture monument in Slovakia. Wolfgang (Farkas) Máriašsy permitted it to be built in the last third of the 18th century for social and ceremonial

reasons. Currently, there is an exhibition of keyboard instruments, with a unique collection of small organs - positives, pianos, clavichords and table pianos of Slovak provenance. The hammerklavier is an extraordinary instrument, made by Carl (Károly) Schmidt, the manufacturer from Bratislava, richly decorated with inlays of mother of pearl, ivory and metal. He made it in 1846 for Count Máriašsy. The community hall upstairs stands out due to the Greek mythology fresco. It's used as an exhibition area and a concert hall, hosting classical music performances. Mostly Christmas concerts are a tradition here. The Dardanelly summer house is also a center for a music history department, along with all the museum's professional activities. The Spiš Museum still maintains contact with Heidi Máriašsy, who lives in Stockholm, and the family living in Košice.
