Home Is Not a Country Safia Elhillo 2022-02-22 LONGLISTED FOR THE NATIONAL BOOK AWARD "Nothing short of magic." —Elizabeth Acevedo, New York Times bestselling author of *The Poet X* From the acclaimed poet featured on Forbes Africa's "30 Under 30" list, this powerful novel-in-verse captures one girl, caught between cultures, on an unexpected journey to face the ephemeral girl she might have been. Woven through with moments of lyrical beauty, this is a tender meditation on family, belonging, and home. My mother meant to name me for her favorite flower; its sweetness garlands made for pretty girls. I imagine her Yasmine bright & alive & I ache to have been born her instead. Nima wishes she were someone else. She doesn't feel understood by her mother, who grew up in a different land. She doesn't feel accepted in her suburban town; yet somehow, she isn't different enough to belong elsewhere. Her best friend, Haitham, is the only person with whom she can truly be herself. Until she can't, and suddenly her only refuge is gone. As the ground is pulled out from under her, Nima must grapple with the phantom of a life not chosen—the name her parents meant to give her at birth—Yasmine. But that other name, that other girl, might be more real than Nima knows. And the life Nima wishes were

someone else's. . . is one she will need to fight for with a fierceness she never knew she possessed.

Same Sun Here Neela Vaswani 2012-02-14 In this extraordinary novel in letters, an Indian immigrant girl in New York City and a Kentucky coal miner's son find strength and perspective by sharing their true selves across the miles. Meena and River have a lot in common: fathers forced to work away from home to make ends meet, grandmothers who mean the world to them, and faithful dogs. But Meena is an Indian immigrant girl living in New York City's Chinatown, while River is a Kentucky coal miner's son. As Meena's family studies for citizenship exams and River's town faces devastating mountaintop removal, this unlikely pair become pen pals, sharing thoughts and, as their camaraderie deepens, discovering common ground in their disparate experiences. With honesty and humor, Meena and River bridge the miles between them, creating a friendship that inspires bravery and defeats cultural misconceptions. Narrated in two voices, each voice distinctly articulated by a separate gifted author, this chronicle of two lives powerfully conveys the great value of being and having a friend and the joys of opening our lives to

others who live beneath the same sun.

For the Family's Sake Susan Schaeffer Macaulay 1999-09-16 For many of us the word home brings warm thoughts and happy memories—far more than the dictionary's simple definition of "a place of birth or one's living quarters." For many of us, home is where the heart is. Yet it is even than that. It is the secure environment that allows our hearts to develop. A haven of growth, quiet, and rest. The place where we love and are loved. Sadly though, this kind of home is beginning to disappear as our busy society turns homes into houses where related people abide, but where there is no "heart." With a desire to help you nurture your family's heart, Susan Schaeffer Macaulay presents a clear blueprint for constructing a home that survives the variety of situations that you face in modern life. With Jesus Christ as the foundation, using tools such as common sense, realism, and traditions, you can build a secure, loving environment where every member of your family can flourish.

Shadows in the Sun Gayathri Ramprasad 2014-02-11 Presents a first-of-its-kind, cross-cultural lens to mental illness through the inspiring story of Gayathri's thirty-year battle with depression. This literary memoir takes readers from her childhood in India where depression is thought to be a curse to life in America where she eventually finds the light within by drawing on both her rich Hindu heritage and Western medicine to spare. As a young girl in Bangalore, Gayathri was surrounded by the fragrance of jasmine and flickering oil lamps, her family protected by Hindu gods and goddesses. But as she grew older, demons came forth from the dark corners of her idyllic kingdom--with the scariest creatures lurking within her. The daughter of a respected Brahmin family, Gayathri began to feel different. "I can hardly eat, sleep, or think straight. The only thing I can do is cry unending tears." Her parents insisted it was all in her head. Because traditional Indian culture had no concept of depression as an illness, no doctor could diagnose and no medicine could heal her mysterious malady. This memoir traces Gayathri's courageous battle with the depression that consumed her from adolescence through marriage and a move to the United States. It

was only after the birth of her first child, when her husband discovered her in the backyard "clawing the earth furiously with my bare hands, intent on digging a grave so that I could bury myself alive," that she finally found help. After a stay in a psych ward she eventually found "the light within," an emotional and spiritual awakening from the darkness of her tortured mind. Gayathri's inspiring story provides a first-of-its-kind cross-cultural view of mental illness--how it is regarded in India and in America, and how she drew on both her rich Hindu heritage and Western medicine to find healing.

Sun in Winter Gunda Lambton 2003-07-16 It is dedicated to these great-hearted people and to the city of Toronto, which emerges as one of the story's central characters. Almost all Canadian families were involved in war work, directly or indirectly. While most memoirs of the time stress the dramatic and heroic, *Sun in Winter* is a tribute to the quiet areas of endurance and pleasures of discovery that also distinguished these years.

Just Over the Hill the Sun Is Shining Amy L. Bjorkqvist 2002-02-01 "Just

Over the Hill the Sun IS Shining" is a story of Maria, a Swedish immigrant at the turn of the twentieth century. Maria is leaving her close-knit family, home and country to make a new life in America. Her home was one of few in the farming hamlet which lies in the foothills of the mountains separating Sweden from Norway. They were hard working people ever ready to help each other. Come Sunday an exodus was made in home hewn boats to the little church nestled among trees on the other side of the lake near their homes. Winter brought out the sleighs and sound of bells. Eighteen year old Maria is leaving behind the security, comfort, parental guidance, seven siblings and the home she cherished. She carried with her the dreams most eighteen year old girls have, her moral standards, a lover's dream of marriage and family life, every day living, understanding others, adventure, travel, love of the Lord, people and dreams. Her dream to see America was realized when she left her sanctuary to help her Americanized sister and husband who ran their small family owned boarding house in an Upper Michigan mining village. Her first task was to learn the language of her new home. Maria met many obstacles: ridiculing, mocking, teasing and laughing at her Swedish clothing. But she always showed her determination, love and understanding as she worked through them. She lived her philosophy and devotion to people's needs regardless of color or creed. This book enumerates her struggles through the years to marry the one she truly loved to relocate in northern Minnesota on the Mesabi Range, to raise a family, educate them and prepare them for a meaningful and good life. John McGahern John Singleton 2023-11-17 John McGahern (1934–2006) believed that fiction could act as a window on the world. Such windows, however, frame our fields of vision, alter and shape our perspectives. Far from being static, the artist's perspective must continually evolve. This book provides a literary analysis of John McGahern's artistic and poetic vision - his 'ways of looking', examining the shifting focus of this vision: how and why it develops, what effects such developments have on the work's forms and how these forms evolve, at what times and in response to what stimuli. This volume demonstrates that such developments mirror an analogous social expansion during the latter half of the twentieth century and argues that McGahern's literary spaces relate to his efforts to realise a more accommodating form to envelop the structureless society. While the number of critical studies on McGahern has increased markedly in recent years, research still tends to fall into the well-established camps of social realism or literary aestheticism. This text aims to explore the common ground between the material context and social worlds of each work and the hermeneutics of a 'traditional' literary investigation. It traverses such divides through close readings of McGahern's work, with attention to the topopoetical production of images of the house, the home and the family unit. The book ultimately shows how attention to McGahern's literary spaces provides a greater understanding of the aesthetic, vision and form of each novel and allows us to understand those aspects relative to the social, cultural and political undercurrents of the works individually and collectively.

Country Music Records Tony Russell 2004-10-07 More than twenty years in the making, *Country Music Records: A Discography, 1921-1942* documents all country music recording sessions from 1921 through 1942. Until now, discographies of pre-World War II country music recordings were only to be found scattered in journals and fanzines, or in books devoted to single artists. With primary research based on files and session logs from record companies, interviews with surviving musicians, as well as the 200,000 recordings archived at the Country Music Hall of Fame and Museum's Frist Library and Archives, this notable work is the first compendium to accurately report the key details behind all the recording sessions of country music during the pre-World War II era. In doing so it tells the commercial story of the music's first two decades. From the first recordings of country music, this discography documents--in alphabetical order by artist--every commercial country music recording, including unreleased sides, and indicates, as completely as possible, the musicians playing at every session, as well as instrumentation. This massive undertaking encompasses 2,500 artists, 5,000 session musicians, and 10,000 songs. An introduction explains how to use the book, research methodology, and editorial policy; summary histories of each key record company are also provided, along with a bibliography. The discography includes indexes to all song titles and musicians listed. *Country Music Records* is an indispensable resource for anyone seriously interested in early country music recordings.

Rootbound Tarah DeWitt 2023-06-29 A steamy grumpy/sunshine romance with a warm country feel that touches upon family, heartbreak, and whether the potential for disaster is worth the risk that accompanies love, from the popular TikTok author, perfect for fans of Sarah Adams, B.K. Borison and Lucy Score. Readers say ☺☺☺☺☺! 'Great spicy scenes, baking and a lot of humour before the HEA' 'A beautiful mix of family and romantic love' 'A romance writing star of the highest calibre!' 'Great read sexy, sweet, and wonderful' You really can't go home again. Tait Logan is proud of the life she's built for herself. Despite her world-shattering divorce, not having any genuine connections with other

humans apart from her sister Ava, and the fact that the remainder of her family is estranged from her life, she's happy . . . happy-adjacent, at least. She's rebuilt herself through her photography; her dream career, the one thing she does still have. When that career contracts her to do an assignment on her estranged family's home, Logan Range - a now famous ranch functioning as the setting for a popular TV show - she's left with no choice but to agree. It's only a six-week assignment, after all. She has no plans to set down roots, or get to know the family that, seemingly, has had no interest in a relationship with her since her parents' divorce when she was seven. Henry Marcum is a cowboy who has dedicated his life to the Logan family and to their ranch. He owes them for raising him, rescuing him, and giving him purpose . . . He also owes them for every hardship he's inadvertently brought their way. So, when Tait Logan shows up after 20 years of near total silence, he takes it upon himself to protect the people he knows and loves. It's a rocky start when Tait and Henry first collide; he is naturally wary of her intentions, and she is more than perturbed by their literal collision - which results in her broken camera, during her first night on location, no less. But as the pair get to know each other better, they're thrown off balance time and time again by their growing feelings, and by the story of the Logan family as it becomes increasingly less clear from their perspectives. Praise for Tarah DeWitt: 'It's everything I look for in a romance, deftly blending heart, humor, and the perfect amount of angst' AMY LEA 'Pure romance catnip and a master class in yearning. In this groundbreaking book, editor and coauthor Sylvia Bailey Shurbutt brings together established and rising scholars to discuss House and his writings through a critical lens. Various chapters address different aspects of House's fiction and nonfiction, including the ways in which he deconstructs regional stereotypes, how he explores issues of diversity, his environmental activism, and his approach to LGBTQ issues. Here Comes the Sun Leza Lowitz 2015-06-01 A YOGA MEMOIR At thirty, Californian Leza Lowitz is single and traveling the world, which suits her just fine. Coming of age in Berkeley, California, during the sexual and feminist revolutions of the 1970s, she learned that marriage and family could wait. Or could they? When Leza moves to Japan and meets the man of her dreams, her heart opens in ways she never thought possible. But she's still an outsider, and home is far away. Rather than struggle to fit in, she opens a yoga studio and makes a home for others. Then, at forty-four, Leza and her Japanese husband seek to adopt—in a country where bloodlines are paramount and family ties are almost feudal in their cultural importance. She travels to India to work on herself and back to California to deal with her past. Something is still not complete until she learns that when you give a little love to a child, you get the whole world in return. This inspiring memoir reflects the author's deep connection to yoga that allows her to realize that infertile does not mean inconceivable. struggles and embraces the joys of adoption and motherhood. Leza Lowitz lives in Tokyo with her husband, the writer Shogo Oketani, and their ten-year-old son. I often wonder if we are living the wrong life in the wrong country. Talia is being held at a correctional facility for adolescent girls in the forested

mountains of Colombia after committing an impulsive act of violence that may or may not have been warranted. She urgently needs to get out and get back home to Bogotá, where her father and a plane ticket to the United States are waiting for her. If she misses her flight, she might also miss her chance to finally be reunited with her family. How this family came to occupy two different countries, two different worlds, comes into focus like twists of a kaleidoscope. We see Talia's parents, Mauro and Elena, fall in love in a market stall as teenagers against a backdrop of civil war and social unrest. We see them leave Bogotá with their firstborn, Karina, in pursuit of safety and opportunity in the United States on a temporary visa, and we see the births of two more children, Nando and Talia, on American soil. We witness the decisions and indecisions that lead to Mauro's deportation and the family's splintering—the costs they've all been living with ever since. Award-winning, internationally acclaimed author Patricia Engel, herself a dual citizen and the daughter of Colombian immigrants, gives voice to all five family members as they navigate the particulars of their respective circumstances. Rich with Bogotá urban life, steeped in Andean myth, and tense with the daily reality of the undocumented in America, *Infinite Country* "is as much an all-American story as it is a global one" (Booklist, starred review).

The Cowboy Inherits a Bride Cora Seton 2015-10-06 When Sunshine Patterson loses her Chicago home, job and boyfriend in one day, she needs a backup plan, fast. Luckily her Aunt Cecily has provided her with the perfect combination living and restaurant space to start over. Even though the building is located in small town Chance Creek, Montana, Sunshine is certain it's only a matter of time before she's back to take the big city by storm. When she arrives in Chance Creek, however, she gets a surprise. Her restaurant space—and apartment—are occupied by a rival to her inheritance: the incredibly sexy, incredibly wrong for her, Cole Linden. Cole's been struggling to save his family's holdings for far too long. The indoor rifle range he inherited from his father barely pays its rent, but it's all that's keeping his other concerns—two apartment houses—afloat. If he was smart, he'd walk away from all of it and start

over, but if he does, several dozen of Chance Creek's inhabitants will find themselves without a home. He thought Cecily meant to leave him the range building in her will. Instead she's set him up in a four-month-long competition with her big-city niece to see who will win the place. A niece whose knockout looks are making it damn hard for him to concentrate on the job at hand. Sunshine can't believe she'll have to open a vegan restaurant in a rifle-range waiting room, and she can't believe she'll have to share her apartment with Cole, either. Cole can't believe his friends are falling over themselves to help Sunshine succeed—and get a date with her. Now the competition is getting hot, but the sparks flying between them are even hotter.
