Perfectionism may seem like a worthy goal, but it's actually a burden. When you believe you must be perfect, you live in constant fear of making mistakes. Most children don't know what perfectionism is, yet many suffer from it. Nothing they do is ever good enough. School assignments are hard to start or hand in. Relationships are challenging, and self-esteem is low. Written to and for ages 9-13, this book helps kids understand how perfectionism hurts them and how to free themselves. Includes true-to-life vignettes, exercises, and a note to grown-ups.

[Happily Godless: A Young Adult's Guide to Atheism](#) Paul Donovan 2007-12-24 Almost every young adult today deals with issues of religion, though they may not be comfortable talking about it. Many of them have problems with the Christian influence in their family and society. It's an important topic and has become the subject of several best-selling books for adults. However, young people have been mostly left out of the discussion. Until now. [Happily Godless](#)

introduces the main ideas of atheism to the people who matter the most—the generation just coming into society as decision makers. With a skeptical look at the existence of God, the story of Jesus, and the founding of the United States, the book also includes essays contributed by young atheists from all over North America. Happily Godless opens the door for all young adults who are questioning religion or who believe that reason is more powerful than faith.

The Complete Idiot's Guide to the TLC Diet
Diane A. Welland, M.S., R.D. 2012-12-31 The TLC (Therapeutic Lifestyle Changes) Diet is a low saturated fat, low cholesterol diet that was originally designed to help high-risk patients reduce their high blood cholesterol levels, as well as lowering risk for developing heart disease and suffering future heart attacks. However, this diet isn't just for those dealing with health problems, because recent studies have also revealed that TLC happens to be one of the healthiest and best overall diets for anyone interested in a healthier lifestyle. U.S. News and World Report recently ranked TLC as the #2 best overall diet, as well as being one of the best diets for heart healthy eating (#2) and overall healthy eating (#2). The TLC Diet was created by the National Institutes of Health's National Cholesterol Education Program and is considered a medically-sound and well-researched diet. As opposed to gimmick diets that are often debunked, this diet will be around for the long term. However, unlike other diets that offer a step-by-step plan, TLC requires effort and attention on the part of the follower for long-term success. The Complete Idiot's Guide® to the TLC Diet offers readers a structured program not only for eating and cooking for TLC success, but it offers guidance for healthy lifestyle changes that will provide a non-gimmick, medically-proven plan for anyone interested in healthy, life-changing results. Readers will learn the often confusing differences between "good" and "bad" cholesterol, how to cook and eat right to get the desired results, and how to change their lives for the better with this sound, healthy program.

Different Different Jyoti Gupta 2019-01-15 *Different Different* is an activity book for children, that thoughtfully addresses everyday skin color consciousness and bias in a way that's easy to understand. Children's rich observations and questions about color, caste, and race elicit accurate yet straightforward responses. Jyoti's art-and-craft-based book takes you on a playful and creative discovery to find answers that work for you and your family--while creatively introducing facts of history and 15-plus new words. Make art. Perform a play for the nanas when they're in town. Eat a yummy homemade dessert. Ooh! and aah! about how each member of the family has a different skin color. It's really a beautifully-illustrated, educational tool that sets the context for hard conversations about self-awareness, color, and identity. Subjects in the book include biology of skin (e.g. melanin); culturally-related aspects (e.g. food); colorism's social impact (e.g. bullying) and solutions (e.g. bystander intervention). Illustrated by Tarannum Pasricha, *Different Different* reflects the world of the child, in all its diverse exuberance. The book's creators have worked hard to spawn a visual culture that centers cultures and children of color. Do away with the rhetoric, the baggage

of what's taboo or political correct! Lead the dialogue with your children and help them embrace the values of social justice and equity.
