Quo Vadis Henryk Sienkiewicz  
2015-06-30 Excerpt from Quo Vadis: A Narrative of the Time of Nero In the trilogy "With Fire and Sword," "The Deluge," and "Pan Michael," Sienkiewicz has given pictures of a great and decisive epoch in modern history. The results of the struggle begun under Bogdan Hmelnitski have been felt for more than two centuries, and they are growing daily importance. The Russia which

rose out of that struggle has become a power not only of European but of world-wide significance, and, to all human seeming, she is yet in an early stage of her career. In "Quo Vadis" the author gives us pictures of opening scenes in the conflict of moral ideas with the Roman Empire, - a conflict from which Christianity issued as the leading force in history. The Slavs are not so well known to Western Europe or to us as they are sure to be in the near future; hence the trilogy, with all its popularity and

merit, is not appreciated yet as it will be. The conflict described in "Quo Vadis: is of supreme interest to a vast number of person reading English; and this book will rouse, I think, more attention at first than anything written by Sienkiewicz hitherto. Quo Vadis Henryk K. Sienkiewicz 2009-03 Marcus

Vinicius is a passionate Roman tribune; Lygia Callina is a Christian maiden of royal descent and a hostage of Rome. At first Marcus has no notion of love, but he desires Lygia with animalistic intensity. Through political machinations, he contrives to have her taken by force into the decadent splendor of Ceasar's court, setting in motion a series of events that culminate in his own spiritual redemption. Set at the dawn of Christianity, and written with amazing historical accuracy, Quo Vadis won for its author the Nobel Prize.

Translated into more than 40 languages, this captivating tale is one of the greatest novels in the history of religious literature. Newly designed and typeset in a modern 6-by-9-inch format by Waking Lion Press.

*Quo Vadis, the Time of Nero* Quo Vadis Henryk Sienkiewicz 2022-09-05 Quo Vadis: A Narrative of the Time of Nero, commonly known as Quo Vadis, is a historical novel written by Henryk Sienkiewicz. Quo vadis is Latin for "Where are you going?" and alludes to a New Testament verse (John 13:36). The verse, in the King James Version, reads as follows, "Simon Peter said unto him, Lord, whither goest thou? Jesus answered him, Whither I go, thou canst not follow me now; but thou shalt follow me afterwards." Quo Vadis tells of a love that develops between a young Christian woman, Ligia

(or Lygia), and Marcus Vinicius, a Roman patrician. It takes place in the city of Rome under the rule of emperor Nero around AD 64. Sienkiewicz studied the Roman Empire extensively prior to writing the novel, with the aim of getting historical details correct. As such, several historical figures appear in the book. As a whole, the novel carries a powerful pro-Christian message.

Published in installments in three Polish dailies in 1895, it came out in book form in 1896 and has since been translated into more than 50 languages. This novel contributed to Sienkiewicz's Nobel Prize for literature in 1905.

Quo Vadis Henryk Sienkiewicz 2020-10-12T22:18:40Z Quo Vadis: A Narrative of the Time of Nero was first published in Polish as Quo vadis. Powieść z czasów Nerona. Among Henryk Sienkiewicz's inspirations was the painting Nero's Torches (Pochodnie Nerona) by fellow Pole Henryk Siemiradzki; the painting, which depicts cruel persecution of Christians, serves as the cover art for this

ebook edition. Sienkiewicz incorporates extensive historical detail into the plot, and notable historical figures serve as prominent characters, including the apostles Simon Peter and Paul of Tarsus, Gaius Petronius Arbiter, Ofonius Tigellinus, and the infamous Nero himself. Sienkiewicz used the historical basis of the novel as an opportunity to describe in detail the lives of the citizenry under Nero's cruel and erratic rule. Sienkiewicz was awarded the 1905 Nobel Prize in Literature in part for his authorship of Quo Vadis. The book was exceedingly popular both domestically and internationally: it was translated into more than 50 languages, sold 800,000 copies in the U.S. within a period of eighteenth months, and was the best selling book of 1900 in France. The plot of Quo Vadis follows the love story of Marcus Vinicius and Lygia. He is a young, charming, up-and-coming Roman patrician; she is a high-ranking hostage, a former princess of a country conquered by Rome. Vinicius's

immediate infatuation with Lygia is complicated by her devout Christianity, a faith barely tolerated in Rome of the time. As the painting that inspired the novel foreshadows, Rome burns in a great fire, and Christians receive the blame. The subsequent persecution of the Christians in Rome serves as the main obstacle between the two lovers. Sienkiewicz portrays a pro-Christian narrative throughout the book, with the apostles Peter and Paul serving as spiritual mentors to both Vinicius and Lygia. The novel's title translates to "Where are you going, Lord?", a quote from the apocryphal Christian text the Acts of Peter, which depicts Peter's death. The text describes how while fleeing Rome, Peter asks a vision of Jesus the titular question, to which Jesus replies that he is returning to Rome to lead the Christians since Peter, their leader, is deserting them. Peter then realizes he must turn back and remain with his people, despite the cost. Quo Vadis

depicts this exchange, along with Paul's fate and the deaths of Nero and Petronius, Vinicius's wise and worldly uncle and mentor. Sienkiewicz contrasts Petronius's and Nero's hedonism with Vinicius's and Lygia's journey to a deeper faith in their God, and with Peter and Paul's faithful martyrdom, to great effect. As such, the novel is not just a love story, but also a thoughtful reflection on how one's way of living affects how they see death. confront age-old existential questions—Why are we here? Where are we going?—perhaps for the first time, Quo Vadis? is extraordinarily relevant to leaders, managers and anyone who wants to bring meaning and authenticity into their work and life. Manfred Kets de Vries argues that we need to address these fundamental and disturbing questions if we are to live fully and meaningfully. Too many people wake up on a Monday morning and do the same things they have done every Monday. They go to work and function on autopilot without questioning their purpose. But how can we make sure our lives are rich and fulfilling? How do we know we're on the right track? This is a book about death and the fear of death, about angst and absurdity; but it is also about endurance, honesty, well-being, responsibility, living with hard truths, creating meaning—and happiness. Quo Vadis? makes us look full on at the things we prefer not to see. It is a short book that pulls no punches but is far from bleak.

Instead, Kets de Vries shows that our life is enriched, and our ability to make meaning and find happiness is increased, when we acknowledge the inevitable price we have to pay for knowing our own mind and understanding our inevitable end.

Set against the backdrop of the madness of the blood-soaked reign of Emperor Nero, Quo Vadis tells the story of the epic moral clash between the debauched paganism of the mighty Roman Empire and the austere piety of Christianity in its infancy. Quo Vadis is also the story of the personal philosophical journey of a small group of individuals seeking to find their way among the conflicting ideas in a time of upheaval which would, in the end, change the course of human history.

Douglas was receiving an average of one hundred letters a week from fans. One of those fans, a department store clerk in Ohio named Hazel McCann, wrote to Douglas asking what he thought had happened to Christ's garments after the crucifixion. Douglas immediately began working on *The Robe*, sending each chapter to Hazel as he finished it. It is to her that Douglas dedicated this book. A Roman soldier wins Christ's robe as a gambling prize. He then sets forth on a quest to find the truth about the Nazarene—a quest that reaches to the very roots and heart of Christianity. Here is the fascinating story of this young Roman soldier, Marcellus, who was in charge at the crucifixion of Jesus. After he won Christ's robe in a game of dice on Calvary, he experienced a slow and overpowering change in his life. Through the pages of this great book, the reader sees how a pagan Roman was eventually converted to Christ. Set against the vividly drawn background of ancient Rome,

this is a timeless story of adventure, faith, and romance, a tale of spiritual longing and ultimate redemption . . .

The trail begins with a radically different solution to what a British physicist calls "one of the greatest sources of mystery to mankind." Once the mystery is solved and its implications recognized, millions of people in all walks of life will be ready to reject the nihilistic worldviews shaped in the past century by what Einstein, in his old age, called the dehumanizing "scientific and technical mentality."  1996-08-28 LCA - Quo vadis? discusses overarching topics, new developments and major problems of Life Cycle Assessment (LCA), and compares LCA with site-specific environmental management. The text profits from two years of interdisciplinary, coordinated research activities of the Priority Programme Environment of the Swiss

National Science Foundation. How should system boundaries of a product life cycle be drawn? · How can environmental interventions be allocated to products? · How are background inventory data collected and used? · How can imprecision in the LCA method be ascertained and checked? · How can relevant environmental interventions be distinguished from irrelevant ones? · What requirements should a software tool for LCA meet?§ A concept of site-specific LCA is proposed in response to criticism of the current approach of LCA. Furthermore, managerial eco-controlling - the emerging method of site-specific environmental management - is discussed. The book concludes with an outlook of possible paths in the future development of LCA.

imagination. This radiant translation by W.S. Kuniczak restores the original glory and richness of master storyteller Henryk Sienkiewicz's epic tale. Set at a turning point in history (A.D. 54-68), as Christianity replaces the era of corruption and immorality that marked Nero's Rome, Quo Vadis abounds with compelling characters, including: Vinicius, the proud centurion who has fallen deeply in love with a mysterious young woman who disappears the night they meet; Ligia, the elusive beauty. Vinicius will not easily win her love, for she is a Christian, one of the group of dedicated believers led by the apostle Peter. Christians are rare in pagan, hedonistic Rome, and suffer great persecution; Petronius, uncle to Vinicius, an elegant, witty courtier who scoffs at love and religion but finds his nephew's passion charming; and Nero himself, enemy of all Christians, a despotic emperor who plunges Rome deeper and deeper into depravity. The decadence of his banquets is

staggering; and even worse, his mad laughter is heard echoing in the amphitheater as gladiators duel to the death. As Nero's appalling plans for the Christians become ever clearer, time appears to be running out for the young lovers. Vinicius must come to understand the true meaning of Ligia's religion before it is too late. Grand in scope and ambition, Quo Vadis explores the themes of love, desire and profound moral courage. Lavish descriptions, vivid dialogue and brilliantly drawn characters make this one of the world's greatest epics. Beloved by children and adults the world over, Quo Vadis has been the subject of five films, two of them in English.
