Assessing Children's Learning (Classic Edition) Mary Jane Drummond 2011-10-21 "It is my sincere wish that the teachers of those thousands of children, who increasingly are also teacher educators, read and learn from *Assessing Children's Learning*. The hope is that they will go on to make a reality of the 'imaginary but not impossible classroom' and make moral judgements and choices in the best interests of children." - Sue Swaffield, Senior Lecturer - Educational Leadership and School Improvement, University of Cambridge, UK "Not all education books are worth a tired teacher's spare time. This one is." - Times Educational Supplement, from a review of the first edition Now featuring a brand new foreword by Sue Swaffield, this classic text, *Assessing Children's Learning*, examines some of the vital questions that teachers and other educators ask themselves as they assess children's learning across the curriculum. The author sets out to offer an alternative to objective, mechanical approaches to assessment; she defines assessment as a process in which teachers look at children's learning, strive to understand it, and then put their understanding to good use in the classroom where children are given both trust and freedom to learn. Throughout the book, teachers are invited to consider the choices they make in the process of assessment, and to acknowledge their right, their responsibility and their power to act in the interests of children. Now part of the Routledge Education Classic Edition Series, this influential, inspiring and timely book will introduce the ideas of Mary Jane Drummond to a new generation of teachers, practitioners and other education professionals.

The Mouse and His Child Russell Hoban 2016-01-26 "Like the fantasies of Tolkien, Thurber, E. B. White, *The Mouse and His Child* is filled with symbolism and satire, violence and vengeance, tears and laughter." -- The New York Times The images stay with you long after the book is done: the toy mouse and his father, on a journey together joined hand in hand; Manny Rat, the nefarious lord of the junkyard, stalking the toy mice for their clockwork parts; Uncle Frog, spouting wisdom and nonsense from within a glove; and the Bonzo Dog Food dog, repeating himself endlessly on a label, fading away to the last visible dog...Russell Hoban's novel is many things: a stirring adventure story, a sharp-witted comedy, and the moving tale of a father and son struggling to return to a state of grace. Called one of the great works of children's literature of the twentieth century -- but with an audience that spans ages and times -- *The Mouse and His Child* has been lovingly re-illustrated by Caldecott Medalist David Small for a new generation and a new millennium.
