An Autobiography of George Washington Edith Ellis 2006-07-01 Scribe Edith Ellis met the spirit of George Washington one evening in 1955. He contacted her from the Other Side to ask if she would serve as a channel so that he could dictate his autobiography for his "fellow American Patriots," believing that he had kept his personal feelings about his life far too private. Edith agreed, although she was nearly blind and in her mid-70s. So began a most extraordinary partnership between Edith Ellis and the "Founding Father of America." The result is this remarkable book that has taken more than 60 years to reach the public. This book is a must-read for everyone who feels the spirit of the Founding Fathers surrounding us again.

Spiritual Alchemy Mike A. Zuber 2021-10-06 Most professional historians see the relationship between pre-modern and modern alchemy as one of discontinuity and contrast. Mike A. Zuber challenges this dominant understanding and explores aspects of alchemy that have been neglected by recent work in the history of science. The predominant focus on the scientific aspect of alchemy, such as laboratory experiment, practical techniques, and material ingredients, argues Zuber, marginalizes the things that render alchemy so fascinating: its rich and vivid imagery, reliance on the medium of manuscript, and complicated relationship with religion. *Spiritual Alchemy* traces the early-modern antecedents of modern alchemy through generations of followers of Jacob Boehme, the cobbler and theosopher of Görlitz. As Boehme's

disciples down the generations -- including the Silesian nobleman Abraham von Franckenberg and the London-based German immigrant Dionysius Andreas Freher, among others -- studied his writings, they drew on his spiritual alchemy, adapted it, and communicated it to their contemporaries. Spiritual alchemy combines traditional elements of alchemical literature with Christian mysticism. Defying the boundaries between science and religion, this combination was transmitted from Görlitz ultimately to England. In 1850, it inspired a young woman, later known as Mary Anne Atwood, to write her *Suggestive Inquiry into the Hermetic Mystery*, usually seen as the first modern interpretation of alchemy. Drawing extensively on manuscript or otherwise obscure sources, Zuber documents continuity between pre-modern and modern forms of alchemy while exploring this hybrid phenomenon.

Periodic Table of Spiritual Elements Barry John Johnson 2016-01-27 The Periodic Table of Spiritual Elements is a healing and transformational tool. It contains fifty-two separate elements in a Tree of Life motif. When applied and practiced in daily life, the intention is that Elements will contribute to spiritual growth and perhaps some kind of awakening. There is no one right way to use the Table. Each of us have our own path. By using the Table we can possibly discover the elements that we need to further explore and work on. The Table is intended to pique interest in the elements outlined. It is intended for people to see it and ask themselves: What is this all about? Why are

these elements included? What the heck is that one? Why does something I value seem to be excluded? How do these all fit together? It is designed to elicit spiritual inquiry, self-examination of one's spiritual belief system so that interested persons may make greater effort and exploration to define their own. The Spiritual Elements are intended to be explored with a general assumption that we are all inherently Divine within and that there is no single recipe which might allow its revelation and all the benefits that flow from that. We have to find our unique alchemy for transformation. We have to do our spiritual work. The Periodic Table of Spiritual Elements is a one-of-a-kind roadmap and reference tool designed to support that work. Each Element is discussed in a chapter along with its Alchemy with other Elements, Practices that support it and Mantras which help bring it forth.

The Alchemist's Handbook Frater Albertus 2022 A renowned modern-day classic on the actual practice of alchemy. The Alchemist's Handbook has long been an essential contribution to the study of alchemy since its first publication in 1960. It still stands as a groundbreaking work presenting in clear, concise language a practical manual of working knowledge that was formerly handed down under oath of secrecy. The scope of alchemical work is to provide both a means to synthesize all the other sciences and the necessary training of the intellectual and spiritual faculties. The Alchemist's Handbook discusses in detail: The basic fundamental principles of alchemy. A guide to the formation of an inexpensive home laboratory with illustrations of the necessary equipment. Step-by-step instructions for the work of the Lesser Circulation, the alchemical transformation within the plant kingdom. This new Weiser Classics edition includes a new foreword by Robert Allen Bartlett, author of Real Alchemy.

Alchemical Healing Nicki Scully 2003-07-28 Combines shamanism, alchemy, and energy medicine to create a unique healing modality • Explores how to turn the base substance of who you are--the dark mystery of your subconscious--into the alchemical gold of knowledge and enlightenment • Includes techniques of distant healing and working with power animals and

plant, mineral, and elemental spirits • Shows how to utilize the Universal Life Force to reawaken inherent healing abilities Alchemical Healing brings together innovative techniques of shamanism and energetic healing with the principles of alchemy, creating a practical form of physical healing, therapeutic counseling, and spiritual growth. The author provides ways to integrate spirit and matter, to develop communications between divinity and humanity, to retrieve knowledge, and to influence physical reality in order to achieve healing and transformation. With simple directions, readers are guided through attunements and empowerments that access the Universal Life Force energy and a five-element system for healing themselves and others. They learn powerful techniques, such as psychic surgery, distant healing, and how to work with power animals and plant, mineral, and elemental spirit guides. Alchemical Healing presents a sacred journey into the most profound principles and mysteries of creation. It offers both an art form and a spiritual path that develops one's ability to co-create the future with the wisdom of the spirit world.

channeler Paul Selig shares the wisdom of The Guides "The gift of the times you sit in, humanity at a crossroads, is the gift of the unknown, the unseen, the unprepared for. "How can I prepare for a future, when all I have trusted and believed in seems to be falling away?"...You say yes to the uncertain moment. You agree that the path before you will be lit as you walk it, and not a moment before. " In *Alchemy: A Channeled Text*, The Guides offer us a way to engage the transformational process of moving beyond a limited interpretation of the self and into a place of true manifestation. As humanity stands at a crossroads, the voices of The Guides offer insight and a path forward. Paul Selig, the author of *Beyond the Known: Realization*, is one of the foremost spiritual channels in the world. *Alchemy* is composed of the pure, unedited words of The Guides as they have been channeled through Paul. Their message is poignant and beautifully written, humming with wisdom and insight for all who are ready and willing to receive their words.

CS03 Spiritual Alchemy C. C. Zain 2014-04-27 This is the third book in the 21 Brotherhood of Light Course series by C. C. Zain on the Hermetic Sciences, Astrology, Alchemy, Tarot, Kabbalah and the Occult. In this book, the author thoroughly explains the purpose of, and methods used in, spiritual alchemy and how it relates to evolution of consciousness and the experiences and events of everyday life. The ancient alchemist sought transmutation and immortality. For the soul to be immortal it must build for itself an imperishable spiritual body in which it can function after the dissolution of both the physical and astral forms. Topics include spiritual transmutation, how the metals of alchemy relate to events in the life and their astrological associations, the Reverberatory Furnace, the First Matter, the Philosopher's Stone, the Elixir Vitae, the Great Work and developing higher consciousness. The alchemical metals of lead, tin, iron, copper, mercury, silver, and gold are described symbols of the many and varied life experiences the soul must undergo in order to build a spiritual body.

Transcend ordinary consciousness and undergo a personal, life-altering transformation through Jenny Tyson's amazing journey of spirit communication and instruction. This remarkable book presents Jenny's yearlong training and the intense three-day initiation that turned her minimal psychic abilities into full-blown clairvoyance and clairaudience. Along the way she contacted several guides, including famed Elizabethan magicians John Dee and Edward Kelley. Providing detailed accounts of Jenny's experiences and the ghost box and other tools she used, *Spiritual Alchemy* guides your own spirit communication. Discover Jenny's unique analysis of the Emerald Tablet of Hermes Trismegistus, her process of awakening and raising Kundalini energy, and her work with the angels and gateways to divine unity. With powerful new training methods, a unique interview with Edward Kelley, and more, this book revolutionizes the interactions between humans and spirits. Features a foreword by Donald Tyson.

Spiritual Alchemy Dennis William Hauck 2017-09-12 This book is an experiential guide to the spiritual realities of alchemy. The techniques revealed are based on centuries of work by philosophers of nature who sought universal laws of transformation that were as valid in their laboratory experiments as they were in their own hearts and minds. The secret teaching of their "Underground River" has flowed as a legacy of wisdom from one generation of alchemists to the next. Collectively, they sought

to create a spiritual technology that worked on all levels at once, a powerful Science of Soul whose principles are as valid in the physical world as they are in the psychological and spiritual realms.

Real Alchemy Robert Allen Bartlett 2009-05-01
A ground-breaking modern manual on an ancient art, Real Alchemy draws on both modern scientific technology and ancient methods. A laboratory scientist and chemist, Robert Allen Bartlett provides an overview of the history of alchemy, as well as an exploration of the theories behind the practice. Clean, clear, simple, and easy to read, Real Alchemy provides excellent directions regarding the production of plant products and transitions the reader-student into the basics of mineral work—what some consider the true domain of alchemy. New students to practical laboratory alchemy will enjoy reading Real Alchemy and hopefully find the encouragement needed to undertake their own alchemical journey. Bartlett also explains what the ancients really meant when they used the term “Philosopher’s Stone” and describes several very real and practical methods for its achievement. Is the fabled Philosopher’s Stone an elixir of long life or is it a method of transforming lead into gold? Judge for yourself.

A powerful new book of spiritual

awakening from #1 New York Times bestselling author Mark Nepo In *The Book of Soul*, Mark Nepo, the bestselling author of *The Book of Awakening*, offers a powerful guide to inhabiting an authentic and wholehearted life. After we are physically born, we must be spiritually born a second time, a process that takes place through the labor of a lifetime as we develop into more fully realized beings. *The Book of Soul* delves into the spiritual alchemy of that transformation in all its mystery, difficulty, and inevitability. The book is divided into four sections that mark the passages we all face: enduring our Walk in the World, until we discover Our True Inheritance, which allows us to live in the open by Widening Our Circle, as we Help Each Other Stay Awake. *The Book of Soul* is a piercing guide, replete with beautiful truths and startling insight, that leads us deeply into the process of transformation.

The Ancient Secret of the Flower of Life, Volume 2 Drunvalo Melchizedek 2000 The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world. If done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this

dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and understanding that Drunvalo offers to the world. Coincidences abound, miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life.

The Alchemy of Stones Robert Simmons 2020-10-13 • 2021 Coalition of Visionary Resources Gold Award • Reveals that those who love and work with crystals and stones have been intuitively following the path of spiritual alchemy • Provides meditative practices with specific stones to go with each stage of the alchemical transformation process as well as other tools and techniques • Includes an illustrated dictionary summarizing the spiritual qualities of more than 375 different minerals, crystals, and gemstones *The Alchemy of Stones* presents an inspired breakthrough in Robert Simmons' thirty-five year career of exploring and revealing the spiritual qualities and potentials of minerals, crystals, and gemstones. This holistic, Earth-based framework for understanding stones and their energies initiates readers into an alchemical worldview that leads to spiritual healing, transformation, and transcendence. Engaging readers step by step, Simmons provides guidance on discovering and harnessing the three human powers of intention, attention, and imagination, each a crucial component for meeting and working in harmony with the energies of the Stone Beings. Simmons also introduces us to the Divine Feminine intelligence known as Sophia, or Wisdom. The Stone Beings are her emissaries, and through relating and co-creating with them, the healing and redemption of ourselves and the Earth becomes a reality. Offering an illustrated dictionary of the spiritual qualities of more than 375 different minerals, crystals, and gemstones, Simmons also explores in depth what he calls the Four Cornerstones of the Alchemy of Stones: Moldavite, Phenacite, Azeztulite, and Rosophia. He discusses the stages of alchemical transformation and provides meditative practices with specific stones to go with each stage. He also explores how to work with stone mandalas, crystal body layouts, gemstone elixirs, and Orgonite energy devices and details

The Alchemy of Inner Work Lorie Eve Dechar 2020-07-01 "My sincere hope is that everyone will read this treasure trove of essential inner knowledge. This book is a magnificent accomplishment." -- Caroline Myss, author of *Anatomy of the Spirit* Alchemy is the science of transformation—how to change one thing into something else. In *The Alchemy of Inner Work*, Dechar and Fox examine how illness, suffering, and dis-ease—the "lead" of our lives—can become the "gold" of our authentic selves, and the key to good health and well-being. Drawing on traditional Chinese medicine, Eastern and Western alchemical traditions, Kabbalah, and Jungian psychology—plus case studies from working with patients—the authors provide hands-on insights for bringing "the soul of medicine" back into our lives. The book includes:
A simple introduction to the ancient practices and principles alchemy
How the alchemical model offers a profoundly new path to true health and well-being
An array of practices for removing the barriers that block our own healing energy
An invitation to alchemical "dream work" as a support on the path of healing

The Emerald Tablet Dennis William Hauck 1999-03-01 The Emerald Tablet—an ancient document that contains the essence of the alchemical teachings—has had an important influence on many Western spiritual and religious traditions. Ostensibly concerned with turning base metals into gold, alchemy was in fact dedicated to transforming the lead of self into the gold of spirit. This brilliant history of alchemy traces its sources back to ancient Egypt, and presents alchemy as a useful, practical system of self-transformation. Each of the seven steps of alchemical transformation is explained, with hands-on techniques and exercises, treating alchemy as a living discipline for achieving a spiritual awakening.

The Alchemy of Power Dr. Joni Carley 2019-10-15 Just like master scientists use principles of physics to transform energy into extraordinary displays of power, alchemical leaders use metaphysical principles to transform resources into results that exceed norms and

expectations. Grounded squarely in data, and anchored deeply in universal wisdom, *The Alchemy of Power* reveals: what power is what it means to have it how to develop and manage it how to navigate the global call for leaders to use their power to create a better world by developing better workplaces. *The Alchemy of Power* is rich with information and inspiration that connects studies on leadership, with emergent global trends, and with ageless metaphysical teachings—and ties it all to what's on leaders' minds and desktops right now. Written by a seasoned leadership and cultural consultant who has trekked the globe exploring world philosophies and spiritual practices, *The Alchemy of Power* is about increasing your capacity for causing results that amount to much more than the sum of parts—leadership alchemy.

Alchemy of Soul Lee Irwin 2007-03-01 This new book teaches the ancient truth of alchemical liberation, by which each of us can overcome the dehumanizing forces all around us and grow into the full-bodied, open-minded, spiritually joyful beings we all have the potential to become.

Gold: Israel Regardie's Lost Book of Alchemy Israel Regardie 2015-04-08 In this newly discovered text, famed occultist Israel Regardie sheds light on the psychological and spiritual meaning behind the symbols and metaphors of alchemy. Locked away for years before it was made available, and now fully annotated by Chic and Sandra Tabatha Cicero, *Gold* is the first new book by Regardie published in decades. Analyzing important seventeenth-century alchemical treatises, such as “The True Book of the Learned Synesius,” Regardie uses the language of Jungian psychology, magnetism, and hypnosis while citing his own unique experiences as a therapist and healer. Learn about spiritual alchemy and the connection between ancient magic and modern-day psychology. Explore the similarities between alchemical theory, Taoist philosophy, yoga, Zen Buddhism, and experiments with the human aura. With illustrations and appendices, including Regardie's original text “The Art of True Healing,” *Gold* is a definitive work by a true master.
