Return to First-Earth L.E. Johnson 2019-07-30 This is a somewhat twisted Cinderella story about a beautiful princess and her two terrible twin stepbrothers who bullied her to death, and the good that came of it many years later. It travels through time, a fantasy adventure like no other, filled with wonderful stories of the great state of MICHIGAN and its fantastic legends...tales of Michigan's Indians and local stories of Michigan places, historic railroad depots, Cat Lake, and places in Michigan's Thumb of the Mitten, and the Heart of the Thumb, a little town called Marlette. It is a tale of Good versus Evil in a time before

ours, and before the prehistoric Ice Age descended on our Earth and basically killed off everything but left the glorious rivers and lakes and streams and ponds that made Michigan the Water Wonderland. It has Navy SEALs, a Sheriff's Posse diver, sunken treasure, prehistoric animals, Michigan and Detroit's historic automobiles. It also has a little bit of Disney's magic, with wizards and dwarves and Cattan, and some dragons. It is a very fun and happy book to enjoy and read again and again.

Yangzhou, A Place in Literature Roland Altenburger 2015-01-31 One of the famous canal cities of the world and a former center of culture, trade, transportation, and fashion, the old town of Yangzhou evokes romantic bridges, beautiful courtesans, fine gardens, and eccentric painters. It is also remembered as a war-torn ruin after the Qing conquest and the Taiping Rebellion, and as a city in decline as trade shifted to seaports and railways. Yangzhou, A Place in Literature, the first anthology to center on a Chinese city and its local region, offers a wealth of literary, semi-literary, and oral texts representing social life over three hundred years of dramatic change between the seventeenth and twentieth centuries. The selections in this volume represent a wide range of literary forms and styles, both elite and popular, with subjects ranging from literature, history, theater, and art to the history of architecture and gardening, and of material culture at large. Readers will come across rarely found details of everyday life, the sights, smells, and sounds of the lanes and teahouses, a world of taverns, pilgrimages, communal baths, fish markets, salt merchants, acting troupes, and food in one of the wealthiest cities of imperial China. Each text has an introductory essay and rich textual notes by an expert in the relevant field. The general introduction provides an in-depth discussion of the roles of the local in historical, cultural, literary, and linguistic terms, as mirrored by the wide range of translated sources collected in this volume. The selected texts are historically and intellectually important in their own right, but the volume greatly enhances their collective value by combining them, arranging them in historical sequence, and providing a dense network of cross-references that invite comparisons and reveal contrasts in style, form, focus, and topic. With its compelling accounts of material culture, urban spaces, entertainment, and gender, Yangzhou, A Place in Literature will fascinate scholars and students alike by opening a window to the rich cultural history of Yangzhou. The volume can serve as a textbook for courses on traditional and modern Chinese literature, popular culture, the city, or social history. It will be of great interest to scholars of East Asian studies, as well as to those in a variety of comparative fields, such as urban studies, theater studies, and gender studies.

My Mother's Lovers Christopher Hope 2008-08 "Kick off your shoes, pour yourself a stiff drink and take your hat off to the elder statesman of southern African words--he's done it again." --Alexandra Fuller "Vivid and powerful. Highly recommended." --Library Journal (starred review)

The author of *Serenity House* and *Kruger's Alp* (winner of the Whitbread Prize for Fiction) returns with a lyrical and taut novel about the past fifty years of white presence in South Africa, told through a son's larger-than-life vision of his mother. In Kathleen Healey, acclaimed novelist

Christopher Hope crafts a superbly authentic female character. Aviator, big game hunter, and a knitting devotee who once boxed three rounds with Ernest Hemingway, her multitude of lovers came from all over the world. When she fades with illness, her son must carry out her final wishes, and confront his own ability to love. Bitingly funny and inventive, *My Mother's Lovers* is as fierce and radiant as our romance with Africa.

The Orphans, Alex Green is a young girl in a world much like ours, except for its most seminal event: the Mass Dragoning of 1955, when hundreds of thousands of ordinary wives and mothers sprouted wings, scales, and talons; left a trail of fiery destruction in their path; and took to the skies. Was it their choice? What will become of those left behind? Why did Alex's beloved aunt Marla transform but her mother did not? Alex doesn't know. It's taboo to speak of. Forced into silence, Alex nevertheless must face the consequences of this astonishing event: a mother more protective than ever; an absentee father; the upsetting insistence that her aunt never even existed; and watching her beloved cousin Bea become dangerously obsessed with the forbidden. In this timely and timeless speculative novel, award-winning author Kelly Barnhill boldly explores rage, memory, and the tyranny of forced limitations. When *Women Were Dragons* exposes a world that wants to keep women small—their lives and their prospects—and examines what happens when they rise en masse and take up the space they deserve.

Flower Net, The Interior, and Dragon Bones: Three Red Princess Mysteries Lisa See 2013-12-16 The bestselling Red Princess thrillers aren't just riveting crime stories; they're novels of emotional depth and savvy insight into modern China. At the heart of Lisa See's dynamic, suspenseful trilogy is the relationship between detective Liu Hulan and American attorney David Stark, two characters caught in the crush of international affairs. Now the entire series is available in one handy eBook bundle: FLOWER NET "See brings a cool, knowing eye to Chinese-American relations while crafting a nifty tale of suspense."—Chicago Tribune In the waning days of Deng Xiaoping's reign, the U.S. ambassador's son is found entombed in a frozen lake. Off the coast of California, Assistant U.S. Attorney David Stark discovers the corpse of a Red Prince, a scion of China's political elite. With the Chinese and American governments joining forces to see justice done, David teams up with unorthodox police detective Liu Hulan in Beijing. As their investigation sparks an intense connection, David and Hulan uncover a web linking human trafficking to the drug trade and to governmental treachery—a web reaching from the Forbidden City to Los Angeles and, like the wide flower net used by Chinese fishermen, threatening to ensnare all within its reach. THE INTERIOR "Immediate, haunting and exquisitely rendered."—San Francisco Chronicle As David Stark opens a law office in Beijing, Liu Hulan receives an urgent message imploring her to investigate the death of an old friend's daughter, who worked for a toy company about to be sold to a new client of David's. Despite his protests, Hulan goes undercover at the toy factory in a rural village deep in the heart of China, a place that forces her to face a past she has long been running from. Suddenly Hulan and David find themselves on opposing sides: one trying to expose a rogue company, the other bound to protect his client. As pressures mount, they uncover universal truths about good and evil, right and wrong—and the sometimes subtle lines that distinguish them. DRAGON BONES "Stays with you long after the conventional thriller is forgotten."—The Washington Post Book World Liu Hulan and David Stark are traveling to one of the most beautiful places on earth: the Three Gorges, where China's biggest engineering project since the Great Wall is taking place. Hulan is there to investigate the death of an American archaeologist found in the Yangzi River; David is trying to figure out who's stealing artifacts and selling them on the international art market. Haunting the investigation is the possibility that an artifact has been found that could very well alter the history of civilization. Together, David and Hulan unearth more scandals and revive tragic memories as they struggle to solve a mystery as big, unruly, and complex as China itself. Praise for Lisa See and her Red Princess mysteries "One of the classier practitioners of . . . the international thriller . . . She draws her characters . . . with convincing depth, and offers up documentary social detail that reeks of freshly raked muck. See's China is as vivid as Upton Sinclair's Chicago."—The New York Times Book Review "A graceful rendering of two different and complex cultures . . . The starkly beautiful landscapes of Beijing and its surrounding countryside are depicted with a lyrical precision."—Los Angeles Times Book Review
