Sunset Western Garden Book of Easy-Care Plantings The Editors of Sunset 2015-04-07 This book illustrates that intricate, fragrant, and well-designed gardens don't need to be time-

consuming to tend. Gardeners of all levels will learn about the types of plants that make their gardens as easy to care for as they are easy on the eyes. The Sunset Western Garden Book of Easy-Care Plantings is a book about smart

plants, and smart ways to combine them, focusing on specific plant groups that are especially easy, that belong together, and that take the same conditions. Featuring chapters full of plant charts with photos, brief descriptions, and care advice, readers are sure to glean inspiration, design ideas, and enough tips and tricks to build their own garden that radiates both ease and beauty.

The New Sunset Western Garden Book The Editors of Sunset 2012-02-07 As surely as gardens change with the seasons, gardening is ever changing. New plants, techniques, materials, and lifestyles are constantly broadening the choices you have and reshaping the way you garden in the West. In response to this natural evolution, the editors of Sunset-the West's most trusted source of gardening information for more than 80 years-have completely redesigned and updated The Western Garden Book in this new 2012 Ninth Edition. Following the best-selling success of the

previous editions of The Western Garden Book, this edition includes a fresh new look, thousands of color photographs, fresh illustrations, and an easy-to-follow format. Written by experts for gardeners in the West, this book is an indispensable reference for beginning and expert gardeners alike. The New Western Garden Book features include: A photo gallery shows the West's most innovative gardens, from all-edibles front yards to stylish water-wise and fire-wise gardens to living walls and green roofs-all with ideas you can use. Climate Zone Maps and growing-season graphs for all regions of the West including Alaska and Hawaii. A new "Plant Finder" section helps you choose plants for their garden's problem areas or for special effects. "A to Z Plant Encyclopedia" lists some 8,000 plants that thrive in the West, including more than 500 new ones. Gorgeous color photographs illustrate all plant entries-for the first time ever in The Western Garden Book. "Gardening From Start to Finish" is a new visual guide that leads readers

through all steps of making a garden, from soil prep through planting, growing and care, with special sections on natives, veggies, grasses and more.

1932 Catalog of Roses, Ornamental Trees and Shrubs, Fruit Trees, Berry Trees, Perennial Plants 1932

Sunset Express Robert Crais 2014-02-18 When a wealthy entrepreneur is accused of murder in Los Angeles, wisecracking private eye Elvis Cole is hired to prove that the evidence was corrupted and becomes suspicious about the defense attorney's motivations. Prominent restaurateur Teddy Martin is facing charges in his wife's brutal murder. But he's not going down without spending a bundle of cash on his defense. So his hotshot attorney hires P.I. Elvis Cole to find proof that Detective Angela Rossi tampered with the evidence. Detective Rossi needs a way back to the fast track after falling hard during an internal investigation five years ago. But Cole needs to know if she's desperate

enough to falsify the case against Martin in order to secure her own position. As Cole and his partner Joe Pike work their way through a tangle of witnesses and an even greater tangle of media, they begin to suspect that it's not the police who are behind the setup. The sixth book in the Elvis Cole series, *Sunset Express* is marked by Robert Crais's dark humor and edge-of-your-seat suspense.

The Sunset Limited Cormac McCarthy
2010-08-11 From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road* • A startling encounter on a New York

subway platform leads two strangers to a run-down tenement where a life or death decision must be made. In that small apartment, "Black" and "White," as the two men are known, begin a conversation that leads each back through his own history, mining the origins of two fundamentally opposing world views. White is a professor whose seemingly enviable existence of relative ease has left him nonetheless in despair. Black, an ex-con and ex-addict, is the more hopeful of the men—though he is just as desperate to convince White of the power of faith as White is desperate to deny it. Their aim is no less than this: to discover the meaning of life. Deft, spare, and full of artful tension, *The Sunset Limited* is a beautifully crafted, consistently thought-provoking, and deceptively intimate work by one of the most insightful writers of our time. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

Strategy, Value and Risk Jamie Rogers

2019-09-12 The current transformation of the global economy is being driven by new fundamental innovations, digitalization, industry dynamics and climate change. The impact of this transformation in terms of value migration, industry boundaries, investment and firm continuity is vast. The fourth edition of Strategy, Value and Risk examines these issues, and how they will influence firms and industries in the future. Those aspects of the business environment that will have a significant impact on strategy, business models, investments and value are identified, and the accounting, finance, economic and quantitative principles that provide a foundation for the analysis of these issues are discussed. Part I: Strategy, Value and Risk provides the strategic, economic, accounting and financial framework. Strategy discusses technology and innovation, industry dynamics, globalization and industry concentration, climate change, industry boundaries and future value. Value discusses the

accounting framework and corporate finance and investment, while Risk covers investment risk, corporate risk management and value and risk. Part II: Quantitative Analytics provides an overview of financial statistics, derivatives and derivative applications, and provides a background on the financial economics used in the analysis of physical, intangible, financial and energy assets. Part III: The Analysis of Investments, Transformation and Value examines platforms, data and analytics, the energy sector, pharmaceutical and biotech, a growth firm and media transformation, and applies the accounting, economic, financial and quantitative concepts. This fourth edition lays out scenarios that will likely shape firms and industries in the future, and has relevance to CFOs, corporate finance and investment professionals. Business model disruption, data and analytics, intangible assets and dynamic analysis are now key issues within the CFO role. Investment professionals are required to see the

larger economic environment in which firms compete, assess a firm's industry and its position within that industry, recognize which investments best serve its broad strategic goals and identify a firm's capabilities and options. A background in the accounting, finance, economic, quantitative and valuation concepts that are relevant to the digital economy, new industries, business models and technologies is essential for finance professionals. This book addresses these issues within the context of the fundamental changes underway in the global economy, and provides applications of the techniques to illustrate the concepts.

Western Garden Book of Edibles The Editors of Sunset 2010-02-09 Complete instructions for growing over 190 vegetables, herbs, berries, fruits, nuts, and tropical fruits in the ground and in containers. Plans and design ideas for kitchen gardens of all sizes, as well as easy-to-follow guidelines for composting, building raised beds, and more. Growing season details for all regions

of the West, including Alaska and Hawaii. Timely tips from edibles experts around the West-British Columbia to New Mexico. More than 300 pages of color photographs, practical advice, and inspiration from the editors of Sunset magazine, the West's authority on gardening.
