on a ride through a shimmering pond.

A View from the Water of the Edge of a Small Pond, Several Parked Cars, and a Lady Lying and on the Shore 2019

Description: A view from the water of the edge of a small pond, several parked cars, and a lady

lying and on the shore. Camp Bullis, Texas.
1941.

The Edge of the Pond William White 1976

At the Edge of the Pond Jennifer Owings

Dewey 2012-10-01 Life at the pond is seen as one subsuming force that fills all with vigor and diversity. Sun rays touch the surface and stir everything into motion. Land and water meet at the edge, where the water shrew makes its home. Territorial circles are made throughout by the creatures that live there... Simple, realistic illustrations of green, yellow and brown are suitable and eloquent accompaniment.

-Publishers Weekly

The Wildlife Pond Book Jules Howard

2019-10-31 This friendly, practical guide includes everything you need to know to pick up a spade, put in a pond and help wildlife flourish right outside your back door. Ponds are vital oases for nature. They are nursery grounds, feeding stops and bathing spots. They are genetic superhighways and vibrant ecosystems

each brimming with life, interactions and potential. And they are for everyone. In *The Wildlife Pond Book*, Jules Howard offers a fresh perspective on ponds and encourages gardeners to reach for a garden spade and do something positive to benefit our shared neighbourhood nature. As well as offering practical tips and advice on designing, planting up and maintaining your pond, Jules encourages readers to explore the wildlife that colonises it with a torch, a microscope or a good old-fashioned pond-dipping net. With a foreword by award-winning wildlife-gardening author, Kate Bradbury, this helpful new guide includes a section outlining the hundreds of organisms that may turn up in your pond and is packed with creative ideas that have been tried and tested by author Jules Howard, an avid pond-builder, prolific pond-dipper and passionate voice for freshwater conservation for more than fifteen years. So, no matter how big your outdoor space is, *The Wildlife Pond Book* is the guide you need

to create your very own haven for nature.

Water's Edge Robert Whitlow 2011-07-19

Sometimes small towns hold the biggest secrets. Attorney Tom Crane was about to become a partner in a high-profile law firm-- until they got "consolidated" and the job evaporated. He turns to closing his deceased father's law practice in Bethel, Georgia-- and runs into two million dollars stashed in a secret bank account that lead into a tangled web of lies, theft, and betrayal.

The Pond Lloyd Lamar 2007-10 The hero of this tale overcomes his weaknesses and adversaries with encouragement and help from his friends, and boldly leads them to help save the homeland he loves.

Esmeralda and the Enchanted Pond Susan Jane Ryan 2001 A young girl learns scientific explanations for what she sees in a Florida forest.

The Edge of the Pond Robin Moore 1976

The Pond Laurie Hoffman 2019-05-01 The Pond

is a book of fiction about two sisters, Emma and Sara who live in the early 1900's. Curiosity leads them to an old chest in their cellar where they find an old Ouija board. The board leads them to a haunted pond, setting forth a frightening chain of events that devastates them and the small town of Wichita for years to come.

Marshall Pond T.D. Anderson "Di An" 2020-05-15 Book Delisted

On the Edge of Gone Corinne Duyvis 2016-03-08 A thrilling, thought-provoking novel from one of young-adult literature's boldest new talents. January 29, 2035. That's the day the comet is scheduled to hit—the big one. Denise and her mother and sister, Iris, have been assigned to a temporary shelter outside their hometown of Amsterdam to wait out the blast, but Iris is nowhere to be found, and at the rate Denise's drug-addicted mother is going, they'll never reach the shelter in time. A last-minute meeting

leads them to something better than a temporary shelter—a generation ship, scheduled to leave Earth behind to colonize new worlds after the comet hits. But everyone on the ship has been chosen because of their usefulness. Denise is autistic and fears that she'll never be allowed to stay. Can she obtain a spot before the ship takes flight? What about her mother and sister? When the future of the human race is at stake, whose lives matter most?

Encyclopedia of Aquarium and Pond Fish

David Alderton 2019-02-12 The most complete owner's manual for keeping all types of freshwater and saltwater fish in indoor tropical and coldwater aquariums and outdoor ponds. Choose the right fish for any water temperature—tropical or coldwater—and for all types of environments, including indoor aquariums or outdoor ponds. Know the difference between keeping saltwater fish and freshwater fish, including differences in aquarium setups, and feeding and caring for your pet fish. Learn to tell

whether your fish are healthy and find out everything you need to breed them successfully. The Encyclopedia of Aquarium and Pond Fish contains a huge photographic color reference directory of more than 800 of the most popular fish, not only showing you what they look like, but also giving you key information you need, such as how big they will grow, whether they integrate with different fish, what food they eat, and what water type and temperature they prefer.

The Middle of the Pond John Buckingham
1988 A young frog who lives at the edge of a pond decides to explore the middle, but the big fish he encounters there gives him quite a scare.
Pond Claire-Louise Bennett 2016-07-12 "A sharp, funny, and eccentric debut ... Pond makes the case for Bennett as an innovative writer of real talent. ... [It]reminds us that small things have great depths."-New York Times Book Review "Dazzling...exquisitely written and daring ." -O, the Oprah Magazine Immediately upon its publication in Ireland, Claire-Louise Bennett's debut began to attract attention well beyond the expectations of the tiny Irish press that published it. A deceptively slender volume, it captures with utterly mesmerizing virtuosity the interior reality of its unnamed protagonist, a young woman living a singular and mostly solitary existence on the outskirts of a small coastal village. Sidestepping the usual conventions of narrative, it focuses on the details

of her daily experience—from the best way to eat porridge or bananas to an encounter with cows—rendered sometimes in story-length, story-like stretches of narrative, sometimes in fragments no longer than a page, but always suffused with the hypersaturated, almost synesthetic intensity of the physical world that we remember from childhood. The effect is of character refracted and ventriloquized by environment, catching as it bounces her longings, frustrations, and disappointments—the ending of an affair, or the ambivalent beginning with a new lover. As the narrator's persona emerges in all its eccentricity, sometimes painfully and often hilariously, we cannot help but see mirrored there our own fraught desires and limitations, and our own fugitive desire, despite everything, to be known. Shimmering and unusual, Pond demands to be devoured in a single sitting that will linger long after the last page.

2019-06-17 A woman with a legendary green thumb, a man living in an emotional desert, and a small boy unable to connect with others. Can the three of them, with a little help from the charmed town of Dove Pond (and a pesky ghost), turn a nightmare into a fairytale and forge their own happily ever after? Young widow Sofia Rodriguez has just accepted the position of greenhouse manager for Ava Dove's booming herbal tea business. Sofia is delighted to have found a job that will make use of her gardening skills and allow her to spend time with her son, Noah, who has been diagnosed with Asperger's. Adding to her joy is the charming farmhouse she's renting on the edge of Dove Pond. The only cloud on Sofia's horizon is her next door neighbor, Jake, whose yard is a thorny jungle worthy of Sleeping Beauty. Soon enough, Sofia discovers that Jake himself is just as thorny and unpleasant as his yard. After his fiancé left him, work-from-home IT whiz and game developer Jake Klaine has gone from Prince Charming to

complete hermit. But Jake isn't really alone; he's living with a ghost: a (formerly) hairy man named Doyle who's a fan of bad puns and who refuses to leave Jake's bathtub. This is nothing new for Jake, as he's been talking to ghosts since he was a boy. He finds real people harder to deal with, like the kid next door who won't stop bugging him about the new game he's developing. Sofia and Jake know all too well that life isn't a game. They've both lost the person they loved most. But under the watchful eye of the ghostly Doyle and Sofia's new friend Ava, who has abilities of her own, Jake and Sofia decide to take a chance and let in an outsider. Soon they discover that, with a little magic, even the thorniest walls are no match for the innocent trust of a lonely child and the fierce determination of a woman wielding a razor-sharp pruner and a heart big enough to make even the most stubborn flower bloom.

Welcome to the Pond Ruth Owen 2021-08 As a muskrat feeds on cattails, a mother duck uses these plants as a safe place to hide her eggs. As newly-hatched tadpoles nibble on algae, dragonfly nymphs go hunting for tadpoles! And as frogs sit on lily pads to stay safe from big fish that want to eat them, small fish swim under the lily pads to hide from birds that are hunting at the pond. Step by step, readers will explore a pond habitat and discover how all the living things form an ecosystem and rely on each other for survival.

At the Edge of the Pond Jennifer Dewey 1987 Explores the levels of life in a pond from the muddy shore to the murky bottom.

Quicksand Pond Janet Taylor Lisle 2017-05-16 Newbery Honor winner Janet Taylor Lisle's gorgeous and profound new novel about a pivotal summer in two girls' lives explores the convictions we form, the judgments we make, and the values we hold. The pond is called Quicksand Pond. It's a shadowy, hidden place,

full of chirping, shrieking, croaking life. It's where, legend has it, people disappear. It's where scrappy Terri Carr lives with her no-good family. And it's where twelve-year-old Jessie Kettel is reluctantly spending her summer vacation. Jessie meets Terri right away, on a raft out in the water, and the two become fast friends. On Quicksand Pond, Jessie and Terri can be lost to the outside world—lost until they want to be found. But a tragedy that occurred many decades ago has had lingering effects on this sleepy town, and especially on Terri Carr. And the more Jessie learns, the more she begins to question her new friendship—and herself.

Pond Gordon Morrison 2002 Observes how a glacial pond and the abundance of plants and animals that draw life from it change over the course of a year.

Pond Jim LaMarche 2016-09-13 “A loving
portrayal of a never-forgotten connection with
the natural world.” —Kirkus Reviews, starred
review “It’s a powerful vision of making one’s
own wild place, with no special equipment or
expenditure required.” —Publishers Weekly,
starred review The joy of the seasons, the

wonder of discovery, and the appreciation and
respect for the natural world is at the heart of
this book, drawn from the childhood of award-
winning illustrator Jim LaMarche. When Matt is
out for a late winter hike he sees a trickle of
water in the old deserted and junk filled dirt pit
at the edge of his neighborhood. With quiet
appreciation, Matt can imagine the pond that
must once have been there, shining in the early
spring light, freezing in the winter for skating
and the perfect place for swimming in the
summer. Can Matt’s discovery transform a
forgotten pond to its natural wonder? With his
idea of making the pond whole again, Matt
rallies his friends, Katie and Pablo, and together
they work through the spring, clearing debris,
moving rocks to hold the water, and looking for
leaks. But would there be enough water to fill
the pond? Can they bring the pond back?
The Pond John R. Gossage 2010 Text by Gerry
Badger, Toby Jurovics.

1997-01-11 Since 1973, Storey's Country Wisdom Bulletins have offered practical, hands-on instructions designed to help readers master dozens of country living skills quickly and easily. There are now more than 170 titles in this series, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life.

Freshwater Pond Animals Lisa Colozza Cocca 2019-08-11 Life in a pond is exciting. Birds, bugs, and shrews skitter across the surface. Turtles and fish zip along under the water's surface. Beavers, herons, and others make themselves at home by the pond's edge. In this book, readers in grades 3-5 will discover how these animals survive and thrive in freshwater pond biomes around the world. This NGSS-aligned series is packed with interesting facts and vivid photos that introduce readers to a variety of land and water animals. Each book includes a glossary, comprehension questions,

and an activity for home or the classroom.

Fresh Pond Jill Sinclair 2009-02-13 The history of Fresh Pond Reservation—onetime summer retreat for wealthy Bostonians, center of the nineteenth-century ice industry, and stomping grounds for Harvard students—told through photographs, maps and plans, and stories. Fresh Pond Reservation, at the northwest edge of Cambridge, Massachusetts, has been described as a “landscape loved to death.” Certainly it is a landscape that has been changed by its various uses over the years and one to which Cantabridgeans and Bostonians have felt an intense attachment. Henry James returned to it in his sixties, looking for “some echo of the dreams of youth,” feeling keenly “the pleasure of memory”; a Harvard student of the 1850s fondly remembered skating parties and the chance of “flirtation with some fair-ankled beauty of breezy Boston”; modern residents argue fiercely over

dogs being allowed to run free at the reservation and whether soccer or nature is a more valuable experience for Cambridge schoolchildren. In *Fresh Pond*, Jill Sinclair tells the story of the pond and its surrounding land through photographs, drawings, maps, plans, and an engaging narrative of the pond's geological, historical, and political ecology. *Fresh Pond* has been a Native American hunting and fishing ground; the site of an eighteenth-century hotel offering bowling, food and wine, and impromptu performances by Harvard men; a summer retreat for wealthy Bostonians; a training ground for trench warfare; a location for picnics and festivals for workers and sporting activities for all. The parkland features an Olmsted design, albeit an imperfectly realized one. The pond itself—a natural lake carved out by the retreating Ice Age about 15,000 years ago—was a center of the nineteenth-century ice industry (disparaged by Thoreau, writing about another pond), and still supplies the city of Cambridge

with fresh drinking water. Sinclair's celebration of a local landscape also alerts us to broader issues—shifts in public attitudes toward nature (is it brutal wilderness or in need of protection?) and water (precious commodity or limitless flow?)—that resonate as we remake our relationship to the landscape.

Life in a Pond (eBook) Ilene L. Follman
1997-09-01 The information contained in this resource and activity book enhances children's knowledge and awareness of the living and non-living components of a pond, including the variety of life forms that can be found living on, under, and around the surface of a pond. Through observation and investigation, children will discover similarities, differences, and interactions among living things that inhabit a pond. Activities that emphasize plant and animal adaptations, interdependence, and food chains enable students to learn more about how living things survive in a still, freshwater ecosystem. Four transparencies (print books) or PowerPoint
