Riding the Tiger Milena Banks 2013-02-19 "Debut novelist Banks crafts a sweeping tale of seduction, betrayal and war...(her) evocative prose is impressive throughout....Banks delivers an engaging tale of forgiveness and the strength of familial ties, even when those ties have been frayed almost to extinction. A spectacular novel of colonial China that should put this first-time author on the map." —Kirkus Reviews Riding the Tiger

In the turbulent years of the late 1930s on the China coast, Jack, a powerful foreign business tycoon, and Ana, a sensual and deep Russian jazz singer—meet as strangers and part as lovers on the night Shanghai burns and falls to the Japanese. And then Ana simply ... vanishes.

Besotted, Jack returns to Hong Kong determined to find Ana. He must hide his anguish from his fiancée, Violet, a beautiful and paranoid Hong

Kong socialite, as she begins her lavish wedding plans. As the Japanese army advances, a tragedy unfolds, encompassing the passion and destruction of humans clinging to their dreams as the only world they know changes around them. Half a century later, a young woman lives with a hidden shame. Jardine Woo is a modern Chinese girl who makes a living jumping out of party cakes, but under her cheerful exterior lies a secret: her mother was a Jane Doe, struck dead on a Hong Kong street nearly thirty years earlier, her infant daughter in her arms. Grown up now, Jardine has adjusted to life with no family—or so she thinks. Then, the extraordinary occurs, and her world will change in the blink of an eye. Algernon Worthing, an Englishman on his deathbed, claims not only that he knows her, but also that she is inextricably connected to a long-hidden crime that occurred before she was even born.

Ride the Tiger Julius Evola 2018-07-13 Julius Evola's final major work, which examines the prototype of the human being who can give absolute meaning to his or her life in a world of dissolution • Presents a powerful criticism of the idols, structures, theories, and illusions of our modern age • Reveals how to transform destructive processes into inner liberation The organizations and institutions that, in a traditional civilization and society, would have allowed an individual to realize himself completely, to defend the principal values he recognizes as his own, and to structure his life in a clear and unambiguous way, no longer exist in the contemporary world. Everything that has come to predominate in the modern world is the direct antithesis of the world of Tradition, in which a society is ruled by principles that transcend the merely human and transitory. Ride the Tiger presents an implacable criticism of the idols, structures, theories, and illusions of our dissolute age examined in the light of the inner teachings of indestructible Tradition. Evola identifies the type of human capable of "riding the tiger," who may transform destructive processes into inner liberation. He offers hope for those who wish to reembrace Traditionalism.

THE EYE OF TIGER Dr. C.H. Basappanavar 2021-02-14 Have you ever touched the whiskers of a wild tiger? Here is a man, who had an appointment with a striped lady, the tigress along with cubs at her heels, spending breathtaking time over the entire moonlit night! It was as though he had an affair with the tigress; according to him, there was neither sin nor shame! Read, how secret telepathic conversations between the man and the striped lady went on through the night. The presentation in the book is woven around unknown secrets of the world of tigers to the human world. Tigers are wild by nature and hunters by instinct. When you are lucky to spot one in the wild, maintain pin-drop

silence and enjoy the creation of Nature-God. This is the crux of The Eye of Tiger, which signifies extraordinary perceptions, be it the tiger tribe or human society. Readers, please remember, tigers are not human models one would expect to walk the ramp! Head out for an early morning safari in search of a tiger in a nearby tiger reserve with a trained eye and ear to spot one and shoot him, if you can, with your camera and take home green memories, nothing else. Happy reading!

The Tigers and Yankees in '61 Jim Sargent 2016-04-25 The Detroit Tigers gave a memorable performance in the pennant race against the New York Yankees in 1961, the American League's first expansion season. Starting faster, the Tigers held first place for more than half the season, until the Yankees caught up in late July. They met in a climactic three-game series at Yankee Stadium. The Bronx Bombers swept all three, winning the pennant for the eleventh time in 13 seasons. But the 18 games the Tigers and Yankees played against each other were some of the most exciting contests of '61. The Yankees' saga is well known but the Tigers' tale has largely been ignored. This book chronicles the season highlights, such as the home run duel between Roger Maris, who slugged a record 61, and Mickey Mantle, who hit a personal best 54. Other outstanding performances were given by the Tigers' Norm Cash, who led the league with a .361 average, and Rocky Colavito, who hit 45 home runs.

Race in the Jury Box Hiroshi Fukurai 2012-02-01 Discusses race-conscious jury selection and highlights strategies for achieving racially

mixed juries. *Race in the Jury Box* focuses on the racially unrepresentative jury as one of the remaining barriers to racial equality and a recurring source of controversy in American life. Because members of minority groups remain underrepresented on juries, various communities have tried race-conscious jury selection, termed “affirmative jury selection.” The authors argue that affirmative jury selection can insure fairness, verdict legitimization, and public confidence in the justice system. This book offers a critical analysis and systematic examination of possible applications of race-based jury selection, examining the public perception of these measures and their constitutionality. The authors make use of court cases, their own experiences as jury consultants, and jury research, as well as statistical surveys and analysis. The work concludes with the presentation of four strategies for affirmative jury selection. Hiroshi Fukurai is Associate Professor of Sociology at the University of California at Santa Cruz. Richard Krooth is Visiting Scholar of Sociology at the University of California at Berkeley and teaches International Studies at Golden Gate University. They are the coauthors of *Common Destiny: Japan and the United States in the Global Age* and (with Edgar W. Butler) of *Race and the Jury: Racial Disenfranchisement and the Search for Justice*.

The Tiger Rising Kate DiCamillo 2009-09-08 A National Book Award finalist by Newbery Medalist Kate DiCamillo. Walking through the misty Florida woods one morning, twelve-year-old Rob Horton is stunned to encounter a tiger—a real-life, very large tiger—pacing back and forth in a cage. What’s more, on the same extraordinary day, he meets Sistine Bailey, a girl who shows her feelings as readily as Rob hides his. As they learn to trust each other, and ultimately, to be friends, Rob and Sistine prove that some things—like memories, and heartache, and tigers—can’t be locked up forever. Featuring a new cover illustration by Stephen Walton and an excerpt of Kate DiCamillo's newest novel, *Raymie Nightingale*.

Tiger Fire: 500 Years of the Tiger in India Valmik Thapar 2017-03-30 The tiger has captured the imagination of human beings from the beginning of recorded history. It has been feared, worshipped, admired, hunted, studied, photographed, written about, immortalized in art and poetry, and has enthralled king and commoner alike. *Tiger Fire* celebrates this magnificent predator by bringing together the very best non-fiction writing, photography and art on the Indian tiger from the first written description of a real-life encounter with the animal by the Mughal Emperor Babur in the sixteenth century to photographs and studies of the last of the species surviving in the wild today. Conceived and edited by the world's foremost authority on the Indian tiger, Valmik Thapar (who has also contributed many pieces and photographs to this volume), the book's contributors are drawn from an array of renowned naturalists, writers, photographers, and tiger enthusiasts down the centuries including Babur, Akbar, François Bernier, Thomas Roe, R.G. Burton, Walter Campbell, Thomas Williamson, F.W. Champion, Kesri Singh, Jim Corbett, Hugh Allen, Richard Perry, Arjan Singh, George Schaller, Kenneth Anderson, M. Krishnan, Peter Jackson, Fateh Singh Rathore, Kim Sullivan, Tejbir Singh, Jaisal and Anjali Singh, Aditya 'Dicky' Singh, K. Ullas Karanth, Dharmendra Khandal, and Dhritiman Mukherjee. Culled from over a million words (both published and unpublished) on the animal, and several thousand photographs, the accounts and pictures assembled in this book show us the tiger in extraordinary and compelling detail.

Tiger Steve Helling 2010-05-04 Born to a father who described him as the "chosen one" and a mother who called him the "universal child," Tiger Woods was groomed for the fame and influence that his parents believed was his destiny. At age twenty, he made his debut in a Nike commercial. "Hello, world," he said. "Are you ready for me?" The world was ready. For the next thirteen years, Tiger nearly lived up to his parents' outsized expectations. He conquered the world of golf, settled down with a beautiful Swedish model, and started a family. His net worth approached one billion dollars. Everything was going according to plan—until the scandal hit. Steve Helling has long covered Tiger Woods's career, and here he draws on intimate sources— many speaking out for the first time—to create a never-before-seen portrait of the golfer.

Imperialism, Race and Resistance Barbara Bush 2002-01-04 Imperialism, Race and Resistance marks an important new development in the study of British and imperial interwar history. Focusing on Britain, West Africa and South Africa, Imperialism, Race and Resistance charts the growth of anti-colonial resistance and opposition to racism in the prelude to the 'post-colonial' era. The complex nature of imperial power is explored, as well as its impact on the lives and struggles of black men and women in Africa and the African diaspora. Barbara Bush argues that

tensions between white dreams of power and black dreams of freedom were seminal in transforming Britain's relationship with Africa in an era bounded by global war and shaped by ideological conflict.

The Zodiac Race - Tazzie the Tiger W. C. Jefferson 2017-06-26 The zodiac race is on! Tazzie the Tiger thinks he can easily win the race, but will his pride and confidence cost him the victory? It is a difficult journey through tall mountains, dark forests and freezing rivers. Join Tazzie's adventure to see how he overcomes his problems and what lessons he learns along the way! Little readers will find out about how Tazzie the Tiger claimed his Zodiac sign, and also learn the order in which all the zodiac animals were placed in the race. W C Jefferson's charming rhymes and T F Wister's whimsical drawings bring to life a new version of an ancient tale of how the 12 animals of the Chinese Zodiac came to have a year named after them.

Tiger Stephen Mills 2004 A rare look at a magnificent predator. Supple, powerful, long, lean and intense, tigers are one of the world's most beautiful predators. Though fierce and efficient, an estimated 5,000 tigers are all that survive in the wild. Tiger provides a thorough understanding of this remarkable animal based on firsthand observations. Using stunning photography and maps, the book reveals

how shrinking habitats and decreasing food supplies are forcing tigers to live in unnaturally high densities, often with deadly results. Tiger draws on the latest research and extensive field experience to deal with every aspect of its behavior: Social structures Breeding patterns and family life Martial arts-like hunting tactics Dietary favorites and oddities Communication and interaction. Two hundred and fifty photographs capture tigers in range of activities: devouring prey in the jungle, at play with cubs, warding off scavengers, at rest and on the prowl. Fascinating commentary offers intriguing new ideas about supporting this critically endangered animal, a first step in ensuring that they never die out.

Tiger John Strege 2011-09-28 Record-breaking media sensation Tiger Woods has moved beyond the fairway to take the world by storm. After becoming the first golfer in history to win three straight U.S. Amateur titles, his win at the 1997 Masters Tournament gave him a permanent place in the record book: youngest player to win, lowest score ever, and first African-American player to win. In Tiger, John Strege, golf writer and longtime friend with unparalleled access to Woods and his family, takes us behind the scenes of this incredible life--from the time Tiger picked up a golf club at age nine months, to his first hole in one at age six, to his unprecedented domination of junior, amateur, and now high-stakes professional golf. Packed with personal anecdotes from family, friends, teammates, and coaches, as well as what it's like to play on a course with Tiger from golf greats such as Jack Nicklaus and Arnold Palmer, Tiger provides a riveting shot-by-shot account of Woods's life up through the 1997 season. It details the unshakable relationship with his parents, the racial issues that have surrounded him, and the string of almost mythical successes that have carried him all the way to Niketown. A role model for young and old alike, Tiger Woods and his story will capture the minds and hearts of sports fans everywhere.

The Race of the Tiger Alexander Cordell 1963 A family of Irish brothers and their dancing sister leave their famished land for America and the Pittsburgh of Carnegie, Frick, and the other Iron Barons.

The Race of the Tiger Alexander Cordell 2014-07-24 Born into the appalling deprivation of Nineteenth Century Ireland, Jess O'Hara and his

high-spirited sister, Karen, flee their impoverished homeland to seek a new life in America. Exhausted after a nine-week crossing in an overcrowded, disease-ridden 'coffin ship', they arrive in Pittsburgh - the tumultuous steel capital of the United States. Surrounded by smoke and fire-belching chimneys, they struggle to adapt to this alien world. At first resisting the tug of easy wealth, Jess forsakes his fellow immigrants and bulldozes his way to fame and fortune, exploiting the love of two women to become a financial tiger in a city where only the strong and ruthless prevail.

The 1997 Masters Tiger Woods 2017-03-20 To mark the anniversary of his historic win at the 1997 Masters, Tiger Woods will for the first time reflect on the record-setting win both on and off the course. In 1997, Tiger Woods was already among the most-watched and closely examined athletes in history. But it wasn't until the Masters Tournament that his career would definitively change forever. Woods, then only 21, won the Masters by a historic 12 shots, which remains the widest margin of victory in the tournament's history, making it an iconic moment for him and sports. Now, Woods is ready to explore his history with the game, how it has changed over the years, and what it was like winning such an important event. With never-before-heard stories, this book will provide keen insight from one of the game's all-time greats.
