King of the Lobby Kathryn Allamong Jacob 2010-01-01 A biography of the "influential and engaging character" who courted Congress with food, wine, and gifts in the post-Civil War era (The Washington Post Book World). King of the Lobby tells the story of how one man harnessed delicious food, fine wine, and good conversation to become the most influential lobbyist of the Gilded Age. Scion of an old and honorable family, best friend of Henry Wadsworth Longfellow, and charming man-about-town, Sam Ward held his own in an era crowded with larger-than-life personalities. Living by the motto that the shortest route between a pending bill and a congressman's "aye" was through his stomach, Ward elegantly entertained political elites in return for their votes. At a time when waves of scandal washed over Washington, the popular press railed against the wickedness of the lobby, and self-righteous politicians predicted that special interests would cause the downfall of democratic government, Sam Ward still reigned supreme. By the early 1870s, he had earned the title "King of the Lobby," cultivating an extraordinary network of prominent figures and a style that survives today in the form of expensive golf outings, extravagant dinners, and luxurious vacations. Kathryn Allamong Jacob's account shows how the king earned his crown, and how this son of wealth and privilege helped to create a questionable profession in a city that then, as now, rested on power and influence. "Her extensive research is reflected in her recounting of Ward's life, successfully putting it into the context of the history of lobbying...will appeal to American history buffs." —Publishers Weekly

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Castrato Martha Feldman 2016-08-02 The Castrato is a nuanced exploration of why innumerable boys were castrated for singing between the mid-sixteenth and late-nineteenth centuries. It shows that the entire foundation of Western classical singing, culminating in bel canto, was birthed from an unlikely and historically unique set of desires, public and private, aesthetic, economic, and political. In Italy, castration for singing was understood through the lens of Catholic blood sacrifice as expressed in idioms of offering

and renunciation and, paradoxically, in satire, verbal abuse, and even the symbolism of the castrato's comic cousin Pulcinella. Sacrifice in turn was inseparable from the system of patriarchy—involving teachers, patrons, colleagues, and relatives—whereby castrated males were produced not as nonmen, as often thought nowadays, but as idealized males. Yet what captivated audiences and composers—from Cavalli and Pergolesi to Handel, Mozart, and Rossini—were the extraordinary capacities of castrato voices, a phenomenon ultimately unsettled by Enlightenment morality. Although the castrati failed to survive, their musicality and vocality have persisted long past their literal demise.

The Sunny Side of Diplomatic Life, 1875-1912 L. De (Lillie De) Hegermann-Lindencrone 2018-08-14 The Sunny Side of Diplomatic Life, 1875-1912 by L. de (Lillie de) Hegermann-Lindencrone Dear Mother, - After my hurriedly written letter of the 24th you will know that we have arrived here safely. My first introduction to my first post as diplomat's wife was made unwittingly by a gentleman walking with a friend just behind me. "Who is that gentleman?" said he, indicating Johan. "That? That is the Minister of Denmark." I, struggling with an arm-load of flowers culled from well-intentioned friends at different stations on the road, my maid and Johan's valet bringing up the rear with the overflow of small baggage, passed unnoticed. Now we are quite established here, and I have already commenced my diplomatic duties. There seems to be no end of card-leaving and card-receiving, and a list of rules on etiquette (the Ten Commandments of a Diplomat) as long as your arm. I never knew of anything so confusing. I try to remember the things that I must do and the things that I must not do. How many cold shower-baths of reproof have I already received; how many unruly things have I already done! We are invited to many dinners, luncheons, and entertainments of all kinds. I am knee-deep in engagements, actually wading in them. The engagement-book you gave me is already overfilled. We were very much amused at the collection of newspaper cuttings you sent us. Johan thought the one describing him as "a massive blonde of magnificent proportions, whose pure heart and clean hands had won all hearts in Washington" [previous to winning mine], was much too personal. "The medals [his prized decorations] were not his fault, and should not be laid up against him; and as for the gold key which he wears on his back, it is considered a great honor, as few Danes have had it conferred on them, being, as it is, the key of the king's own bedchamber, and giving the wearer the privilege of entering there when he likes." Another one which amused us says "the bride is to be congratulated on having annexed as fine a specimen of a viking as any one could desire, and, although she has not secured a golden crown for her marble brow, she has secured a name that ought to be good for a 'three-bagger' on any diamond, and that just to see it written on a hotel register makes any hotel clerk faint." Johan asked me what a "three-bagger" was, but I could not tell him. Then the worst one! "Mr. de Hegermann is envoy extraordinary and parson to his Danish 'nibs.'" Johan was horrified at this lèse majesté. We looked the word "nibs" out in the dictionary, only to find that in cribbage "nibs" means the knave of trumps. This made matters worse; to call his sovereign a knave-even of trumps-seemed too disrespectful. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader

with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

The Bookseller, Newsdealer and Stationer 1914

The Frederick Douglass Papers Frederick Douglass 2023-09-12 The selected correspondence of the great American abolitionist and reformer dating from the immediate post-Civil War years This third volume of Frederick Douglass's Correspondence Series exhibits Douglass at the peak of his political influence. It chronicles his struggle to persuade the nation to fulfill its promises to the former slaves and all African Americans in the tempestuous years of Reconstruction. Douglass's career changed dramatically with the end of the Civil War and the long-sought after emancipation of American slaves; the subsequent transformation in his public activities is reflected in his surviving correspondence. In these letters, from 1866 to 1880, Douglass continued to correspond with leading names in antislavery and other reform movements on both sides of the Atlantic, and political figures began to make up an even larger share of his correspondents. The Douglass Papers staff located 817 letters for this time period and selected 242, or just under 30 percent, of them for publication. The remaining 575 letters are summarized in the volume's calendar.

The Sunny Side of Diplomatic Life, 1875-1912 Lillie De Hegermann-Lindenchrone 2015-06-04 "The Sunny Side of Diplomatic Life, 1875-1912" from Lillie de Hegermann-Lindenchrone. American singer, and latterly a diplomat's wife (1844-1928).

Women, Diplomacy and International Politics since 1500 Glenda Sluga 2015-06-12 *Women, Diplomacy and International Politics since 1500* explores the role of women as agents of diplomacy in the trans-Atlantic world since the early modern age. Despite increasing evidence of their involvement in political life across the centuries, the core historical narrative of international politics remains notably depleted of women. This collection challenges this perspective. Chapters cover a wide range of geographical contexts, including Europe, Russia, Britain and the United States, and trace the diversity of women's activities and the significance of their contributions. Together these essays open up the field to include a broader interpretation of diplomatic work, such as the unofficial avenues of lobbying, negotiation and political representation that made women central diplomatic players in the salons, courts and boudoirs of Europe. Through a selection of case studies, the book throws into new perspective the operations of political power in local and national domains, bridging and at times reconceptualising the relationship of the private to the public. *Women, Diplomacy and International Politics since 1500* is essential reading for all those interested in the history of diplomacy and the rise of international politics over the past five centuries.

Breaking Protocol Philip Nash 2019-12-22 "It used to be," soon-to-be secretary of state Madeleine K. Albright said in 1996, "that the only way a woman could truly make her foreign policy views felt was by marrying a diplomat and then pouring tea on an offending ambassador's lap." This world of US diplomacy excluded women for a variety of misguided reasons: they would let their emotions interfere with the task of diplomacy, they were not up to the deadly risks that could arise overseas, and they would be unable to cultivate the social contacts vital to success in the field. The men of the State Department objected but had to admit women, including the first female ambassadors: Ruth Bryan Owen, Florence "Daisy" Harriman, Perle Mesta, Eugenie Anderson, Clare Boothe Luce, and Frances Willis. These were among the most influential women in US foreign relations in their era. Using newly available archival sources, Philip Nash examines the history of the "Big Six" and how they carved out their rightful place in history. After a chapter capturing the male world of American diplomacy in the early twentieth century, the book devotes one chapter to each of the female ambassadors and delves into a number of topics, including their backgrounds and appointments, the issues they faced while on the job, how they were received by host countries, the complications of protocol, and the press coverage they received, which was paradoxically favorable yet deeply sexist. In an epilogue that also provides an overview of the role of women in modern US diplomacy, Nash reveals how these trailblazers helped pave the way for more gender parity in US foreign relations.

Among Our Books Carnegie Library of Pittsburgh 1915

Diplomats and Dreamers Mari Agop Firkatian 2008 This book chronicles a family of diplomats who experienced the world in transition. Subjects of capricious fate, they forged a destiny as a family that overcame some of the most cataclysmic events of the twentieth century. *Diplomats and Dreamers* is a family biography that begins with the careers of the parents in 1887 and ends with the death of Nadejda Stancioff, their eldest child, in 1957. The context of historical developments in an uncertain period of European history highlights their lives. Members of the haute bourgeoisie, this accomplished family is noteworthy for an unflagging ability to survive and persist with success and grace. Furthermore, this book addresses issues of gender by using the careers of the Stancioff women as exemplars of how a woman could develop her life in an atmosphere of strict gender divisions in labor. The Stancioff women's way of fitting into the mainstream of elite society is yet another model of a new generation of women who stepped beyond the narrow expectations of what their gender could achieve. Based on unexplored, unpublished primary materials, this book enriches both women's history and European history.
