[Bohemia Chills](#) Lucy Lakestone 2020-01-06 A hot Halloween romantic comedy! My haunted house is a fixer-upper. So is my heart. I never asked to inherit a historic mansion on the lagoon from the dad I never knew. It's more likely to fall down than survive another century. And after a career-crushing romantic disaster on a failed TV project, I'm too broke to refurbish Bohemia's most famous haunted house. Enter my annoying roommate, Landon, who for some weird reason is more than happy to help me resurrect the landmark.

What better fundraiser to get the ball rolling than a Halloween haunted house? The place might be a death trap, but its mysteries are alluring, and to my dismay, so is Landon. I've had it with guys, even if this one is hotter than a lava lamp. Still, he knows his way around a hammer, and the house needs saving. Maybe I do, too, but he doesn't need to know that. My dream job's just out of reach, thanks to a newly found wicked half-sibling. While I figure out my future, I'm looking for the keys to Milkweed Mansion's secrets. But I've thrown away the key to my trampled heart. No matter how irresistible Landon is, I can't let him find it.

**Campus Chills** Mark Leslie 2010-10 Thirteen original tales of terror set on campuses across Canada. Welcome to the world of Campus Chills. Prepare to have your blood run cold, your heart race and your brow bead with sweat: This anthology of horror stories ranges from the starkly terrifying to the tantalizingly creepy. There's magic mixed in with the chalk dust, evil lurking in the textbooks, malevolence biding its time in the labs and perhaps something even more horrifying in the student cafeteria. "Twice the Thrills! Twice the Chills!" Bryan Senn 2019-02-28 In the mid-1950s, to combat declining theater attendance, film distributors began releasing pre-packaged genre double-bills—including many horror and science fiction double features. Though many of these films were low-budget and low-end, others, such as *Invasion of the Body Snatchers*, *Horror of Dracula* and *The Fly*, became bona fide classics. Beginning with Universal-International's 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra*, 147 officially sanctioned horror and sci-fi double-bills were released over a 20-year period. This book presents these double features year-by-year, and includes production details, historical notes, and critical commentary for each film.

*The Hot Flash Club Chills Out* Nancy Thayer 2007-05-01 Since opening up their day spa, The Haven, the wonderful women of the Hot Flash Club have been busy indulging the beleaguered, nerve-frazzled throngs. Now, in Nancy Thayer's hilarious new Hot Flash novel, it's the friends' turn to grab some soothing, and much-deserved R&R. When a long-time Haven client asks the gals to housesit her Nantucket hideaway for the summer, they're beyond thrilled; the cozy island enclave is the perfect place to shop, swim, chill, and plan Marilyn's upcoming wedding to Ian, her Scottish fiancé. And Marilyn desperately needs the break, since Ian's grown son has crashed at the couple's place with no departure date in sight. Soon after they arrive, the other hot flashers surrender to their own summer flings: Shirley entertains a steamy dalliance with a scruffy, sexy local fisherman that could lead to something deeper; Faye finds her dream house, but restoring it could be a costly nightmare; craft-maven Polly is enthralled by the island's bounty, from shell art to lightship baskets; and even hardboiled Alice swoons with romantic adventure—or is it seasickness? But this lovefest among the sand and ocean breezes is not without its consequences. Each woman must determine for herself what she is willing to give up in order to hold onto what she has found—and all of them fear that Shirley is on the brink of making a huge mistake, one that threatens their harmony and their business. But these concerns may be eclipsed by the mystery surrounding the disappearance of family heirlooms at the house where they are staying, and rumors that the place harbors spirits other than Grey Goose and Tanqueray. Nancy Thayer continues her hugely successful Hot Flash series with this wickedly funny, delightfully bawdy tale. These irresistible women spring to life—along with their passions, their sorrows, their joys, and, most importantly, their friendship. So pack your bags and join these fabulous five for a season of fun, sun, love, sex, and estrogen therapy.
