Homesick and Happy Michael Thompson 2012-05-01 An insightful and powerful look at the magic of summer camp—and why it is so important for children to be away from home . . . if only for a little while. In an age when it's the rare child who walks to school on his own, the thought of sending your "little ones" off to sleep-away camp can be overwhelming—for you and for them. But parents' first instinct—to shelter their offspring above all else—is actually depriving kids of the major developmental milestones that occur through letting them go—and watching them come back transformed. In *Homesick and Happy*, renowned child psychologist Michael Thompson, PhD, shares a strong argument for, and a vital guide to, this brief loosening of ties. A great champion of summer camp, he explains how camp ushers your children into a thrilling world offering an environment that most of us at home cannot: an electronics-free zone, a multigenerational

community, meaningful daily rituals like group meals and cabin clean-up, and a place where time simply slows down. In the buggy woods, icy swims, campfire sing-alongs, and daring adventures, children have emotionally significant and character-building experiences; they often grow in ways that surprise even themselves; they make lifelong memories and cherished friends. Thompson shows how children who are away from their parents can be both homesick and happy, scared and successful, anxious and exuberant. When kids go to camp—for a week, a month, or the whole summer—they can experience some of the greatest maturation of their lives, and return more independent, strong, and healthy.

A sign up ahead says CAMP RUNNING LEAF. Hey! That's not the name of the camp you signed up for! But Uncle Ed is already driving away. Oh, well. Running Leaf is a sports camp too. Isn't that why the campers call it Camp Run-For-Your-Life? You've got a choice of events. If you enter the athletic competition called the ""Selection,"" you could be selected for a free trip... to be a slave on Plant Xentron! Yikes. Maybe you'd better choose the wilderness hike instead. Everybody Has a Story Torbjørn Ydegaard

2014-04-24 "Everybody has a story, and it's important to tell this story" - so goes a saying of Erin Gruwell, the founder of The Freedom Writer-pedagogy. This quote is now turned into a book-title - or actually into a series of books like this one in either English or Danish. "Everybody Has A Story" is a book based on The Freedom Writers methodology - in a double sense; the methodology was both taught to and implemented on a group international students at University College South-Denmark, Campus Haderslev. The book bears witness of young peoples lived lives across Europe, Russia, and Japan. It contains stories told in prose, poems as well as in drawings - and it contains stories about love, loss of love and loss of loved ones, about dreams of future lives and wonders of lives as such. And it tells stories about bullying, mental illness and simple strives just to be able to survive and live on.
