Measurement Problems in Criminal Justice Research

National Research Council
2003-01-18 Most major crime in this country emanates from

two major data sources. The FBI's Uniform Crime Reports has collected information on crimes known to the police and arrests from local and state jurisdictions throughout the country. The National Crime Victimization Survey, a general population survey designed to cover the extent, nature, and consequences of criminal victimization, has been conducted annually since the early 1970s. This workshop was

designed to consider similarities and differences in the methodological problems encountered by the survey and criminal justice research communities and what might be the best focus for the research community. In addition to comparing and contrasting the methodological issues associated with self-report surveys and official records, the workshop explored methods for obtaining accurate self-reports on sensitive questions about crime events, estimating crime and victimization in rural counties and townships and developing unbiased prevalence and incidence rates for rate events among population subgroups.

Summary: Bryan Stevenson's Just Mercy: A Story of Justice and Redemption (Discussion Prompts) Sarah Fields

2019-02-23 Bryan Stevenson's Just Mercy was named as one of the Best Books of the Year by The Washington Post, The New York Times, The Seattle Times, Esquire, Time and The Boston Globe. Author Bryan Stevenson was then a young lawyer when he first founded the Equal Justice Initiative.

This is a legal practice dedicated to defending those who are most desperate and are in need: the wrongly condemned, the poor, and women and children who are trapped in the farthest reaches of America's criminal justice system. One of the first cases he handled was that of Walter McMillian. McMillian was a young man who was wrongly sentenced to die for a notorious murder that he insisted he did

Downloaded from
blog.stephenmasker.com
on 2020-03-22 by guest

not commit. This case drew Stevenson into a tangle of political machination, legal brinksmanship, and conspiracy. This transformed his understanding of justice and mercy forever. Just Mercy is an unforgettable account of the once idealistic and gifted young lawyer's coming of age. It is a moving window into the lives of the people he has defended, and the inspiring argument for true mercy and compassion in the pursuit of true justice. In this comprehensive look into Just Mercy: A Story of Justice and Redemption by Bryan Stevenson, you'll gain insight with this essential resource as a guide to aid your discussions. Be prepared to lead with the following: More than 60 "done-for-you" discussion prompts available Discussion aid which includes a wealth of information and prompts Overall brief plot synopsis and author biography as refreshers Thought-provoking questions made for deeper examinations Creative exercises to foster alternate "if this was you"

discussions And more! Please Note: This is a companion guide based on the work Just Mercy: A Story of Justice and Redemption by Bryan Stevenson not affiliated to the original work or author in any way and does not contain any text of the original work. Please purchase or read the original work first.

enhance your understanding of the original work *About Just Mercy: A Story of Justice and Redemption* by Bryan Stevenson: *Just Mercy* is a heartbreaking—but not entirely hopeless—look inside the American criminal justice system. The guide on this journey to death row, judges' chambers, and courthouses small and large is Bryan Stevenson, one of the country's foremost criminal justice reformers and the founder of the Equal Justice Initiative, the acclaimed legal aid organization based in Montgomery, Alabama. In Stevenson's chronicle, the only thing standing between death or life imprisonment is an underpaid, overworked lawyer. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

Summary Justice John Fairfax
2018-05-29 The last time Tess de Vere saw William Benson she was a law student on work experience. He was a twenty-

one year old, led from the dock of the Old Bailey to begin a life sentence for murder. He'd said he was innocent. She'd believed him. Sixteen years later Tess overhears a couple of hacks mocking a newcomer to the London Bar, a no-hoper with a murder conviction, running his own show from an old fishmonger's in Spitalfields. That night she walks back into Benson's life. The price of his rehabilitation - and access to the Bar - is an admission of guilt to the killing of Paul Harbeton, whose family have vowed revenge. He's an outcast. The government wants to shut him down and no solicitor will instruct him. But he's subsidised by a mystery benefactor and a desperate woman has turned to him for help: Sarah Collingstone, mother of a child with special needs, accused of slaying her wealthy lover. It's a hopeless case and the murder trial, Benson's first, starts in four days. The evidence is overwhelming but like Benson long ago, she swears she's innocent. Tess joins the

defence team, determined to help Benson survive. But as Benson follows the twists and turns in the courtroom, Tess embarks upon a secret investigation of her own, determined to uncover the truth behind the death of Paul Harbeton on a lonely night in Soho. True to life, fast-paced and absolutely compelling, Summary Justice introduces a new series of courtroom dramas featuring two maverick lawyers driven to fight injustice at any cost.

A Brief History of Justice David Johnston 2011-03-08 A Brief History of Justice traces the development of the idea of justice from the ancient world until the present day, with special attention to the emergence of the modern idea of social justice. An accessible introduction to the history of ideas about justice Shows how complex ideas are anchored in ordinary intuitions about justice Traces the emergence of the idea of social justice Identifies connections as well as differences between distributive and corrective

justice Offers accessible, concise introductions to the thought of several leading figures and schools of thought in the history of philosophy
Criminal (In)Justice Rafael A. Mangual 2022-07-26 In his impassioned-yet-measured book, Rafael A. Mangual offers an incisive critique of America's increasingly radical criminal justice reform movement, and makes a convincing case against the pursuit of "justice" through mass-decarceration and depolicing. After a summer of violent protests in 2020—sparked by the deaths of George Floyd, Breonna Taylor, and Rayshard Brooks—a dangerously false narrative gained mainstream acceptance: Criminal justice in the United States is overly punitive and racially oppressive. But, the harshest and loudest condemnations of incarceration, policing, and prosecution are often shallow and at odds with the available data. And the significant harms caused by this false narrative are borne by those who can

Downloaded from
blog.stephenmasker.com
 on 2020-03-22 by guest

least afford them: black and brown people who are disproportionately the victims of serious crimes. In *Criminal (In)Justice*, Rafael A. Mangual offers a more balanced understanding of American criminal justice, and cautions against discarding traditional crime control measures. A powerful combination of research, data-driven policy journalism, and the author's lived experiences, this book explains what many reform advocates get wrong, and illustrates how the misguided commitment to leniency places America's most vulnerable communities at risk. The stakes of this moment are incredibly high. Ongoing debates over criminal justice reform have the potential to transform our society for a generation—for better or for worse. Grappling with the data—and the sometimes harsh realities they reflect—is the surest way to minimize the all-too-common injustices plaguing neighborhoods that can least afford them.

can be, written about the death penalty.”—The Financial Times
 “Brilliant.”—The Philadelphia Inquirer

Justice Michael J. Sandel
 2009-09-15 A renowned Harvard professor's brilliant, sweeping, inspiring account of the role of justice in our society--and of the moral dilemmas we face as citizens
 What are our obligations to others as people in a free society? Should government tax the rich to help the poor? Is the free market fair? Is it sometimes wrong to tell the truth? Is killing sometimes morally required? Is it possible, or desirable, to legislate morality? Do individual rights and the common good conflict?
 Michael J. Sandel's "Justice" course is one of the most popular and influential at Harvard. Up to a thousand students pack the campus theater to hear Sandel relate the big questions of political philosophy to the most vexing issues of the day, and this fall, public television will air a series based on the course.
 Justice offers readers the same

exhilarating journey that captivates Harvard students. This book is a searching, lyrical exploration of the meaning of justice, one that invites readers of all political persuasions to consider familiar controversies in fresh and illuminating ways. Affirmative action, same-sex marriage, physician-assisted suicide, abortion, national service, patriotism and dissent, the moral limits of markets—Sandel dramatizes the challenge of thinking through these conflicts, and shows how a surer grasp of philosophy can help us make sense of politics, morality, and our own convictions as well. Justice is lively, thought-provoking, and wise—an essential new addition to the small shelf of books that speak convincingly to the hard questions of our civic life.

United States. Judicial Council of the District of Columbia Circuit. Committee on the Administration of Justice 1970
Transforming Summary Justice
 Jenni Ward 2016-11-10
 Sweeping changes are being introduced into the lower-tier magistrates' courts in England and Wales in efforts to modernise the system and speed up case processing. They concentrate on delivering prompt justice within a

modern, efficient and technologically advanced system. But these transformations are fundamentally changing the way justice is delivered. This book analyses criminal court streamlining processes and argues that there are areas where due process protections are being undermined. Transforming Summary Justice reports empirical research carried out with lay magistrates and criminal justice professionals. Views and experiences drawn from magistrates are valuable because of the central role they perform in lower court justice. Further, magistrates provide a wider understanding of the context in which the lower criminal courts operate and enable a critical appraisal of this unique style of 'lay justice'. This book is directed at students of criminology, criminal justice and socio-legal studies, who will find the debates stimulating and useful to engage with in contemporary analyses of criminal court justice. It will

Downloaded from
blog.stephenmasker.com
 on 2020-03-22 by guest

also be of interest to justice and legal professionals who are seeing swingeing alterations to the field in which they work. The book will have appeal in other common-law jurisdictions, where similar modifications to lower court justice are occurring, and also across Europe, where lay involvement in legal decision-making is being debated and becoming accepted practice. Consultation on the Report of the Summary Justice Review Committee Scotland. Justice Department. Criminal Procedure Division 2004

Summary of Justice Abbey Beathan 2019-06-10 Justice: What's the Right Thing to Do by Michael J. Sandel - Book Summary - Abbey Beathan (Disclaimer: This is NOT the original book.) A unique education in thinking through complicated issues we face in public life today. Justice was initially a Harvard course but due to its popularity as one of the most highly attended in

Harvard's history, Sandel decided to give us a book where all the wisdom he imparted on the course, could be given by this medium as well. Addressing a series of alternative theories of justice, Justice comes forth as an intricate and amusing philosophy book that talks about complicated topics and philosophical visions and break them down in a simple manner so anyone can easily read it. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) "Self-knowledge is like lost innocence; however unsettling you find it, it can be 'unthought' or 'unknown'." - Michael J. Sandel Justice comes forth as philosophical journey of the best kind, surfing through theories from world class philosophers like Aristotle, Immanuel Kant, Robert Nozick and many more. With this book you'll have at your disposals the most accepted theories of justice and they will be made easy to digest for anybody,

Downloaded from
blog.stephenmasker.com
on 2020-03-22 by guest

disregarding their knowledge on the topic. The most valuable thing about this book is that it saves you thousands of hours you could have spent reading about those theories, and have them all served to you in a silver platter by Sandel. Take a philosophy course with one of the most recognized teachers on the subject. P.S. Justice is an extremely informative book that gives you a rundown of a lot of philosophical theories and Sandel's take on them. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world. Abbey Beathan's mission is to bring across amazing golden nuggets in amazing books through our summaries. Our vision is to make reading non-fiction fun, dynamic and captivating. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of Adnan's Story by Rabia Chaudry includes: Historical context Chapter-by-chapter summaries Detailed timeline of key events Profiles of the main characters Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About Adnan's Story by Rabia Chaudry: By listening to the wildly popular, award-winning podcast Serial, readers may be familiar with the case against Adnan Syed, alleged to have murdered his ex-girlfriend Hae Min Lee in 1999. But Serial didn't tell the whole story. In the New York Times bestseller Adnan's Story, author, lawyer, and Syed family friend Rabia

Chaudry presents compelling new information, dismantling the state's case against Adnan Syed, one piece of evidence at a time. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

Smarter Justice, Safer Communities 2005

Summary Justice Paul Robertshaw 1998-07-01 This is a study of the practice of judicial summing-up to juries, and of the language of persuasion and rhetoric in the English criminal process. The book examines those statements normally occurring in criminal courts, but also in the High Court, in defamation trials and in "civil liberty" torts in the county courts. The text of these summaries can vary in length, and are significant in that they break the flow between advocates' turn-taking - especially their final speeches. In addition to its linguistic concerns, the book considers the practice of summing-up as a legal problem

Downloaded from

While Justice Sleeps Stacey

Abrams 2022-07-26 #1 NEW YORK TIMES BEST SELLER •

A gripping, complexly plotted thriller set within the halls of the U.S. Supreme Court, where a young law clerk finds herself embroiled in a shocking mystery crafted by one of the most preeminent judges in America—from celebrated national leader and bestselling author Stacey Abrams.

"Abrams follows in Dan Brown's footprint with this masterfully plotted thriller that unfolds like the ultimate chess match—bold move to bolder move with lives hanging in the balance."—Lisa Gardner, author of *Before She Disappeared* "A first-class legal

thriller, favorably compared to many of the best, starting with *The Pelican Brief*, which it brings to mind. It's fast-paced and full of surprises—a terrific read."—Scott Turow, author of *Presumed Innocent* Avery Keene, a brilliant young law clerk for the legendary Justice Howard Wynn, is doing her best to hold her life together—excelling in an arduous job with the court while also dealing with a troubled family. When the shocking news breaks that Justice Wynn—the cantankerous swing vote on many current high-profile cases—has slipped into a coma, Avery's life turns upside down. She is immediately notified that Justice Wynn has left instructions for her to serve as his legal guardian and power of attorney. Plunged into an explosive role she never anticipated, Avery finds that Justice Wynn had been secretly researching one of the most controversial cases before the court—a proposed merger between an American biotech company and an Indian

Downloaded from
blog.stephenmasker.com
on 2020-03-22 by guest

genetics firm, which promises to unleash breathtaking results in the medical field. She also discovers that Wynn suspected a dangerously related conspiracy that infiltrates the highest power corridors of Washington. As political wrangling ensues in Washington to potentially replace the ailing judge whose life and survival Avery controls, she begins to unravel a carefully constructed, chesslike sequence of clues left behind by Wynn. She comes to see that Wynn had a much more personal stake in the controversial case and realizes his complex puzzle will lead her directly into harm's way in order to find the truth. While *Justice Sleeps* is a cunningly crafted, sophisticated novel, layered with myriad twists and a vibrant cast of characters. Drawing on her astute inside knowledge of the court and political landscape, Stacey Abrams shows herself to be not only a force for good in politics and voter fairness but also a major new talent in suspense fiction.

Executive Summary United States. National Advisory Commission on Criminal Justice Standards and Goals 1974 This summary reflects the major proposals in the Commission's six reports - "A national strategy to reduce crime," "Police," "Courts," "Corrections," "Community crime prevention," and "Criminal justice system." the volumes are summarized in order, except the implementation section of the first report which constitutes the last chapter of this summary. This summary adheres closely to the precise wording of the Commission's proposals and the standards summarized herein are identified by the same numbering system as employed by the Commission. The appendix contains an outline of part and chapter titles for each of the six reports.

Summary Justice Roger Farrington 2016-03-10

Summary Justice: Are Magistrates Up to It? is

Downloaded from
blog.stephenmasker.com
on 2020-03-22 by guest

concerned with the criminal justice system and with the part of magistrates within it. It opens with a description of a magistrates' court in session, bringing out what an open-minded observer might find perplexing - which is quite a lot. The book draws largely on Farrington's own experience as a Justice of the Peace and quotes liberally from the record he made at the time. This brings out vividly what magistrates do and highlights the problems, especially with the sentencing of offenders and with the grant or withholding of bail. Farrington discusses inefficiencies within the system. He shows how some of these are only apparent, and follow from the need to treat everyone fairly, while others badly need correction. Summary Justice explains how there came to be two kinds of magistrate: lay magistrates (Justices of the Peace), unpaid, sitting in benches of three, with a clerk to advise them; also stipendiary magistrates, now called district judges, legally qualified and sitting

solo. He considers how well magistrates' courts do their job and - especially - how competent lay magistrates are. He finds that the system is at least passable but in need of improvement and concludes by weighing up the radical alternative of merging the two kinds. This book is directed to all concerned with the criminal justice system: policy-makers, magistrates, legal practitioners, journalists, law students, and members of the public considering applying for appointment as lay magistrates.

Health and Incarceration

National Research Council
2013-09-08 Over the past four decades, the rate of incarceration in the United States has skyrocketed to unprecedented heights, both historically and in comparison to that of other developed nations. At far higher rates than the general population, those in or entering U.S. jails and prisons are prone to many health problems. This is a problem not just for them, but also for the communities from

Downloaded from
blog.stephenmasker.com
on 2020-03-22 by guest

which they come and to which, in nearly all cases, they will return. Health and Incarceration is the summary of a workshop jointly sponsored by the National Academy of Sciences(NAS) Committee on Law and Justice and the Institute of Medicine(IOM) Board on Health and Select Populations in December 2012. Academics, practitioners, state officials, and nongovernmental organization representatives from the fields of healthcare, prisoner advocacy, and corrections reviewed what is known about these health issues and what appear to be the best opportunities to improve healthcare for those who are now or will be incarcerated. The workshop was designed as a roundtable with brief presentations from 16 experts and time for group discussion. Health and Incarceration reviews what is known about the health of incarcerated individuals, the healthcare they receive, and effects of incarceration on public health. This report identifies opportunities to

improve healthcare for these populations and provides a platform for visions of how the world of incarceration health can be a better place. *Uneven Justice* Raj Rajaratnam 2021-12-14 The inside story of a case that illustrates the horrific perils of unchecked prosecutorial overreach, written by the man who experienced it firsthand. Raj Rajaratnam, the respected founder of the iconic hedge fund Galleon Group, which managed \$7 billion and employed 180 people in its heyday, chose to go to trial rather than concede to a false narrative concocted by ambitious prosecutors looking for a scapegoat for the 2008 financial crisis. Naively perhaps, Rajaratnam had expected to get a fair hearing in court. As an immigrant who had achieved tremendous success in his adopted country, he trusted the system. He had not anticipated prosecutorial overreach—inspired by political ambition—FBI fabrications, judicial compliance, and lies told under oath by cooperating

Downloaded from
blog.stephenmasker.com
 on 2020-03-22 by guest

witnesses. In the end, Rajaratnam was convicted and sentenced to eleven years in prison. He served seven and a half. Meanwhile, not a single senior bank executive responsible for the financial crisis was even charged. Uneven Justice is the story of his bewildering and confounding prosecution by forces who, quite frankly, were looking for bigger game. When Rajaratnam refused to support the narrative that would make that happen, he and the Galleon Group became collateral damage. A cautionary tale with implications for us all, Uneven Justice is both a riveting page-turner and an eye-opening lesson in the vagaries of justice when an unscrupulous prosecutor is calling the shots.
