The Eagle and The Oystercatcher Holly Bidgood 2016-08-23 In April 1940, two British Destroyers sail into the harbour at Tórshavn. From that point onwards the lives of the Faroe Islanders are irrevocably altered. Eighteen-year-old Kjartan blames the war for taking away the last remaining member of his family. At the same time he is struggling with intense feelings for his best friend Orri. While they puzzle over the true identity of the herbalist who lives on the spiky slopes of the islet Tindhólmur, miraculous recoveries of the sick begin taking place all over the islands. There is one person above all others that Kjartan and Orri hope can be made well again, but when this finally seems to be happening, the war deals them its cruellest blow yet. Peopled by a cast of characters worthy of Dickens, *The Eagle and The Oystercatcher* resonates with evocative descriptions of the bleak landscape of the Faroe Islands, coloured by rain and snow. The author demonstrates a skilful ability to convey the everyday details of the islanders' lives. By way of Kjartan's trials and tribulations he grows from a boy into a man, through a series of long, dark winters and the hopeful promise of each spring beyond.

Patriot Pinn's Pearl Horace Rice 2015-07-10 Patriot Pinns Pearl, a historical fiction account, chronicles the lives of a rare Native American tribe of mixed Cherokee and Wiccocomico, unique and distinctive by its extraordinary ingenuity and strength to survive several hundred years, despite colonial settlers' racial hatred and attempts to take its lands and destroy its aboriginal heritage. The most prominent character during the eight generations noted in this account is Chief Raleigh Pinn, a Wiccocomico and Cherokee from Wiccocomico Indian Town in the Northern Neck area of Virginia. Having been an indentured child servant for English settlers who confiscated his ancestors' official reservation lands, Raleigh learned the ways of the settlers, moved to Central Virginia at the end of his Northern Neck indentured servitude, purchased properties in Buckingham and Amherst Counties, and provided a haven for his family and other dispersed Cherokee and Wiccocomico people. The reader will empathize with Raleigh and his descendants' reactions to colonial settlers and the hardships these settlers caused in the early to mid-1700s through the mid-1800s, as well as his tribes' struggles to survive in a hostile milieu. Initially hating the colonial settlers, he grapples to control his deep animosity for everything Anglo as he models survival strategies for his indigenous people. He purchases several hundred acres of land, becomes a prosperous farmer, joins the Amherst Militia, and participates in several Revolutionary War military campaigns, including the decisive battle at Yorktown. He establishes, unites, and protects his people in two Cherokee villages that are separated by the James River, during his years in Amherst and Buckingham Counties. Raleigh's faith in God and his keen awareness of his royal heritage provides the essential self-confidence required to tame his animosity and teach his people how to coexist with white settlers in a world that makes survival for Native Americans almost impossible. This is a story of Raleigh's skillful ability to pass on history and heritage to his progeny and to exhibit his love rather than hatred for his neighbors, and in the process, he serves as a model for his descendants' achievement and tolerance. This book also includes events in the life of other tribal members, Native American Revolutionary War patriots and their children and grandchildren, who are

ancestors of the present-day members of the United Cherokee Indian Tribe of Virginia (UCITOVA). At the end of Patriot Pinns Pearl, the author has included a short historical chronicle of UCITOVA.

Eyes of an Eagle Christopher Everette Cenac 2011-08-12 In the year 1860, Jean-Pierre Cenac sailed from the sophisticated French city of Bordeaux to begin his new life in the city with the second busiest port of debarkation in the U.S. Two years before, he had descended the Pyrenees to Bordeaux from his home village of Barbazan-Debat, a terrain in direct contrast to the flatlands of Louisiana. He arrived in 1860, just when the U.S. Civil War began with the secession of the Southern states, and in New Orleans, just where there would be placed a prime military target as the war developed. Neither Creole nor Acadian, Pierre took his chances in the rural parish of Terrebonne on the coast of the Gulf of Mexico. Pierre's resolute nature, unflagging work ethic, steadfast determination, and farsighted vision earned him a place of respect he could never have imagined when he left his native country. How he forged his place in this new landscape echoes the life journeys of countless immigrants--yet remains uniquely his own. His story and his family's story exemplify the experiences of many nineteenth century immigrants to Louisiana and the

experiences of their twentieth century descendants.

[The Eagle and the Oyster](#) Dale Talbert 2005-02 The Eagle and the Oyster tells the story of Floridians from the twenties to the present. Two destructive hurricanes in Florida ended the Roaring Twenties' land boom and caused chaos that foreshadowed the Great Depression. These events pave the way for the chapters to segue into the present and to link today's characters with those of earlier times, such as comparing today with yesterday. For example, Hurricane Andrew in 1992 versus the early settlers who had no radio stations, TV, or hurricane hunter planes. The present-day protagonist is Duke Barney, an irascible warhorse of the Korean War. Sabina is his stabilizer and the love of his life, even though she's 28 years his junior. They met in 1983, but were separated for 12 years before they unexpectedly met again. They later learn that Duke's father knew Sabina's grandfather.
