**Heaven Is a Place on Earth** Michael E. Wittmer 2009-08-30 "I don't want to go to heaven. Not that I'm lobbying for the other place . . ." —Michael Wittmer This planet is more than just a stopover on your way to heaven. It is your final destination. God wants you to enjoy your earthly existence, and to think otherwise is to miss the life he intends for you. Exploring the book of Genesis, *Heaven Is a Place on Earth* gently but firmly strips away common misconceptions of Christianity and broadens your worldview to reveal the tremendous dignity and value of everyday life. Taking you from creation, to the fall, to redemption, and to glimpses from the book of Revelation, Michael Wittmer opens your eyes to a faith that encompasses all of life—baseball games, stock reports, church activities, prayer, lovemaking, work, hobbies . . . everything that lies within the sphere of human activity. To be fully Christian is to be fully human, says Wittmer, alive and responsive to the kingdom of God in all that you are and all that you do. Discover the freedom and impact God created you for. It starts with a truly Christian worldview. And its fruit is the undiluted gospel, powerful not only to save souls, but to restore them to a life that is truly worth living. Includes discussion/reflection questions after each chapter.

**What on Earth Do We Know about Heaven?** Randal Rauser 2013-10-01 There's been a curious upsurge in interest about the afterlife lately, but we're too often limited in our concept of heaven. The reality is we all do have questions about heaven: What does a resurrected person look like? What does a resurrected earth look like? Do we get our heart's desire in heaven? In *What on Earth Do We Know about Heaven?*, Randal Rauser considers twenty thought-provoking questions, each of which winds back to the core concept of heaven: what it is and what it isn't. Rauser uses Scripture to remind us that God's ultimate purpose is that the whole creation will be transformed and renewed, guiding readers through a vision of a glorious afterlife, consisting of a perfected earth, perfected bodies, perfected human culture, and perfected relationships.

During these times people often have probing questions about life after death. Second, due to my interest and writing in the area of Bible prophecy, I am frequently asked questions about the afterlife at conferences and via e-mail. Third, all kinds of books, TV shows, and groups out there today are fostering unbiblical views of life after death. Knowing that this is a subject of universal interest and great confusion, I have a passionate desire to create a user-friendly, clear, straightforward resource to answer all the key questions that people everywhere are asking about life's greatest mystery."

God Is for Real Todd Burpo 2017-09-26 GOD IS FOR REAL, a new book from author of the best-seller HEAVEN IS FOR REAL, addresses soul-searching questions about God, like What is God like? Why are things the way they are in spite of who God is? If Todd's first book, Heaven Is for Real, was about the then and there of heaven,

GOD IS FOR REAL is about the here and now on earth: Why are there are so many hypocritical church people? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?

What the Bible Reveals about Heaven Daniel A. Brown 2008

**As It Is in Heaven** Greg Laurie 2014-01-01 Our lives here are so often cluttered with the "cares of this world" that we fail to consider heavenly priorities and how they should be reflected in our earthly ones. At the beginning of Jesus' most famous prayer, He teaches us to pray that God's will "be done on earth as it is in heaven". What heaven is up to is critical for us to understand if we're going to live biblically. Pastor Greg Laurie explains that heaven is anything but a long, boring church service. People in heaven know about the time and place of ongoing events on earth. They are rational and recall everything from their earthly days, but most importantly for us, they have a unique perspective from which we can learn a great deal. In this rich and relevant study, Greg sheds scriptural light on the sensational books and stories about people going to heaven and coming back, answers the nagging questions we are all dying to ask, and guides us to focus—right now—on what really matters.

We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. How Heaven Invades Earth Kris Vallotton 2013-04-23 How Does Heaven Invade Earth in a Way that Earth Becomes Like Heaven? In one of the darkest epochs in history, Jesus Christ had the audacity to teach His followers a prayer so shocking that it continues to defy human reason. Jesus turned to His tattered brigade of spiritual warriors and said, "Pray that My Father's kingdom would come and His will would be done on Earth, just as it is in Heaven." Are these words a wish upon a star, a too-good-to-be-true mantra created to make suffering people feel a little better? Did Jesus intend His prayer to be prayed by untold billions but only be answered

for a few in some distant eternity? What does the Lord's Prayer, given by Jesus two millennia ago, have to do with our present-day world? Is it possible that the words Jesus taught us to pray can answer these and other pressing questions?

• Is our world eroding or evolving? • Is global warming the beginning of the end? • Will evil triumph over good? • Are we hurtling toward obliteration? • Or is there more reason to hope than ever before? How Heaven Invades Earth unearths the mysteries of the Lord's Prayer to give you answers and prepares the Church for a revolution that will transform every realm of society.

**Citizenship of Heaven**

Faith Adekoya 2020-11-29 About the Book

Citizenship of Heaven The inspiration for writing this book was given to me by the Holy Spirit. Having gone through so many travails of life myself, I came to the realisation that our time here on earth is not permanent. In fact, no matter how much that I view and think of time, I realise now more than ever that life on earth, by whatever parameter we measure is transient. Eternity is a reality; be it the eternity of Heaven or the eternity of hell. No matter what you and I may think of today; the end is bound to come at some point in time. The ultimate question therefore is; 'where will you and I spend eternity?' Quoting the famous televangelist, Billy Graham; 'The Bible doesn't answer all our questions about heaven and life after death-and the reason is because our minds are limited and heaven is far too glorious for us to understand. Someday, all of our questions will be answered-but not yet. As the Apostle Paul wrote; "For now we see in a mirror, dimly, but then face to face. Now I know in part; then I shall know fully" (1 Corinthians 13:12). Are you a Citizen of Heaven? Recently, I had to re-evaluate everything in my life. I mean everything; where I started from, what I had been through and where I am right now. Thereafter, I came to the conclusion that definitely my home is not on this earth. I am only 'passing through'. My home is definitely in heaven. At that point I began to appreciate the fact that it is absolutely of no consequence 'per se' how long we actually live (i.e. age) on the earth, where (city, town, village) where we are born, the house (mansion, castle, building) we live, the food we eat or even the language that we speak etc. All those things are only of relevance when we are here on earth. In other words all the basic indices of food, shelter, clothing, safety, language, colour, creed, gender etc have relevance only in the context of our earthly life and citizenship when we are here on earth. These indices or factors do not determine our purpose on earth neither do they signpost us to heaven in any way. Heaven is a reality and so is hell. Only those who are qualified to be there will enter into heaven at the end of the age. I mean only those who have the citizenship identity and status will make it into heaven. The question therefore is not whether you and I have

will die but where will we spend eternity. Do you have the heavenly citizenship status?
