100 Most Popular Genre Fiction Authors Bernard A. Drew 2005-04-30 Genre authors, like genre fiction, often get no respect. Traditional biographical dictionaries tend to focus on established authors with literary credentials, and if genre writers are included, they are certainly not the focus of the book. Yet genre fans hunger for information about their favorite writers. This compilation focuses exclusively on genre fiction authors, more specifically today's most popular genre authors. It profiles representatives from all major genres (mystery/detective, crime, adventure/suspense, thriller, horror, fantasy, science fiction, western, historical, women's, and romance). Most are contemporary authors, but a few classics who are still in print and widely read (e.g., J.R.R. Tolkien), are included. Featured authors include Julia Alvarez, Maeve Binchy, Lawrence Sanders, Clive Cussler, Tony Hillerman, Jan Karon, Faye Kellerman, Dean Koontz, Charles de Lint, Robert Ludlum, Terry McMillan, Anne Rice, Nora Roberts, Scott Turow, and Stuart Woods. A wonderful reference, particularly for readers' advisors and adult and teen readers seeking information about their favorite writers, this book can also be used as a source for student reports and research papers. It is an affordable alternative to multivolume sets. Young adult and adult. Grades 10 and up.

A Quiet Place Peter Bodkin 2013-12 Prompted by a post card photograph, 'A Quiet Place' is about a principled solitary man (Spade) on a pre-designated journey to retirement. Subconsciously he knows what is happening, consciously he refuses to accept the harshness of reality; slow reflexes, less alert vision and meandering of thought. This mental struggle causes him to relive, like a hallucination, some portions of his life as he travels along a lonely forest path pursued only by himself and a presence.

[The Harvest of a Quiet Eye: Leisure Thoughts for Busy Lives](#) John Richard Vernon 2022-09-04 DigiCat Publishing presents to you this special edition of "The Harvest of a Quiet Eye: Leisure Thoughts for Busy Lives" by John Richard Vernon. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Mindfulness for Anxious Kids Catherine Cook-Cottone 2018-11-01 Help your child stay calm when anxiety takes hold. In *The Mindfulness Workbook for Anxious Kids*, two licensed psychologists offer fun and effective mindfulness and emotion regulation activities to help kids cope with anxiety, panic, stress, fear, and worry. Between school, friends, and just growing up, it's normal for kids to feel worried or anxious some of the time. But if your child's anxiety is getting in the way of achieving goals or living life, they may need a little extra help managing stress and difficult feelings. This workbook is a great place to start. *The Mindfulness Workbook for Anxious Kids* provides engaging and evidence-based activities grounded in mindfulness practices and dialectical behavior therapy (DBT) to help kids stay calm and balance their emotions—whether they're at school, with friends, or at home. Using the skills outlined in this workbook, your child will learn to manage anxiety associated with daily life, anxiety disorders, and trauma. The workbook also addresses specific anxiety issues, such as panic, separation anxiety, social anxiety, and

phobias. Emotions can be confusing, and negative or difficult emotions are often the cause of anxiety in children. But emotions cannot be avoided. This workbook will help your child make friends with their emotions, understand them, and use them effectively.

Yoga Chick Bess Gallanis 2009-10-31 Welcome to Yoga Chick's world, where girls on the go maintain their glow through a healthy and natural lifestyle! Whether you are stepping onto your mat or off the fast track, Yoga Chick is your guide to style, strength, and serenity!

Library Magazine of American and Foreign Thought 1886

Another Time, Another Place Gordon E. Jenkins 2003-05-07 Two young people, one white and one deemed black, products of their environment, separated by the rigid, inhumane caste system of the Jim Crow South, meet by chance, bond, and begin a forbidden relationship which nurtures and grows, even when they attempt to terminate it, knowing the potential consequences if they are discovered. As they secretly flaunt the laws and traditions of the day, they aggressively pursue their individual ambitions to escape the equally binding economic shackles. As their commitment to each other becomes stronger, they become bolder, and challenge the status quo in ways that cannot be ignored by the power structure. Their actions coupled with fate trigger unforeseen events with tragic consequences.

[Quiet Places of Massachusetts](#) Michael J. Tougias 1996 Quiet Places will delight both the active explorer and the armchair traveler as the author blends practical travel information with history, wildlife, and personal anecdotes. He takes the reader through old-growth forests, across bubbling brooks, into dark, narrow chasms, and in search of the best village greens. Focusing on unspoiled places, he covers the state from the Northern Berkshires and towns along the Housatonic River to the trails near spectacular Quabbin Reservoir to the rocky coast of Cape Ann. Each of the 16 trips details what you might see along the way, where to find the cosiest B&B, and fascinating details of local history. Phone numbers are also included. Come discover some of Massachusetts' secret spots and learn what makes them so special. Waterfalls Romantic hideaways Scenic backroads Favorite B&Bs Lesser-known historic sites Hiking and biking trails Wildlife watching Secluded hilltops Best birding spots Boat cruises Fascinating history. The measure of Tougias' talent is his ability to let the reader see through newly opened eyes. He shows nature and place through a magic glass, from a new angle. Springfield Union. Tougias writes in a clear, down-to-earth style. Boston Globe. Different from other travel books in that it's a little bit travel, a little bit history, and a little bit personal diary. Dartmouth Chronicle. An interesting and charming book where Tougias writes free and poetic. He recounts his experiences in a concise and welcoming way. The Standard Times

A Quiet Place Rose Blue 1969 A little boy who loves books is desolate when the local library closes for reconstruction and he can find no quiet place at home to read.

Collected Thoughts on Teaching and Learning, Creativity and Horn Performance Douglas Hill 2000 Douglas Hill is professor of music and horn at the University of Wisconsin at Madison as well as a past President of

the International Horn Society, and a respected teacher and clinician. The 27 chapters of *Collected Thoughts* cover topics ranging from getting started to preparing for college and professional auditions, and include other subjects such as composing and improvising. There are seven chapters on repertoire that include reviews of music and texts that are the most comprehensive of any horn (or other instrumental) text to date. The process of learning and teaching is extremely insightful for everyone, from the serious student to the most experienced instructor. This book is a must for anyone interested in the horn. It is invaluable!!

Curioddity Paul Jenkins 2016-08-30 Will Morgan is a creature of habit—a low-budget insurance detective who walks to and from work with the flow of one-way traffic, and for whom imagination is a thing of the distant past. When a job opportunity enters the frame in the form of the mysterious Mr. Dinsdale—curator of the ever so slightly less-than-impressive Curioddity Museum—Will reluctantly accepts the task of finding a missing box of levity (the opposite of gravity). What he soon learns, however, is that there is another world out there—a world of magic we can only see by learning to un-look at things—and in this world there are people who want to close the Curioddity museum down. With the help of his eccentric new girlfriend Lucy, Will will do everything he can to deliver on his promise to help Mr. Dinsdale keep the Curioddity Museum in business. Curioddity is Paul Jenkins' debut novel... exciting, fast-paced, and uncanny. A must-read.

Of Woodsmoke and Quiet Places Jerry Wilber 1997 This handsome book transports readers to the North Country town of Lost Lake, where they'll experience the outdoors and the turn of the seasons through the eyes of Jerry Wilber. Woodsmoke offers daily essays to amuse and inspire, along with hints on becoming a better hunter, angler, canoeist, citizen, camper, cook, parent, spouse and friend.

Some Quiet Place Kelsey Sutton 2013-06-08 Elizabeth Caldwell doesn't feel emotions, she sees them. Longing and Shame materialize at school. Fury and Resentment appear in her home. They've all given up on Elizabeth, but when it matters most, will Fear save her?

A Refuge at Highland Hall Carrie Turansky 2015-10-20 The Great War shakes the world of a spirited young woman and the brave British pilot she loves, taking her from London to her family's magnificent country estate, and sending him into the war-torn skies over France. Penny Ramsey has always considered Highland Hall her home, but when Britain becomes involved in World War One she travels to London to assist her sister Kate with the eight orphan children she and her husband Jon have taken into their home. Doing her part for the war effort takes priority over Penny's dreams of romance until she meets Alex Goodwin, a Royal Naval Air Service pilot in training. Alex is determined to prove his worth and do his part to defend his country. Knowing he is heading off for the dangerous assignment of chasing Zeppelins across the front line in France, he feels it's unwise to form any romantic attachments. But he can't help admiring the pretty, warmhearted Penny and wondering what it would be like to find her waiting when he returns home from the war. As Penny writes to Alex, their friendship blossoms, and she becomes his tie to home and normalcy as he faces the hardships war. But being an RNAS pilot means confronting the enemy, and the fallout from those experiences push Alex beyond Penny's reach. Can God mend the brokenness left by the losses of war? Will faith and forgiveness bring them together again?

Quiet Places, Warm Thoughts Janette Oke 1983

A Still Quiet Place Amy Saltzman 2014-03-01 Teaching kids stress management skills early in life will help them to grow into happy and healthy adults. And if you work with children or adolescents, you know that kids today need these skills more than ever. The pressures they face in the classroom, on the playground, in their extracurricular activities, and at home can sometimes be overwhelming. So how can you help lay the groundwork for their success? A Still Quiet Place presents an eight-week mindfulness-based stress reduction (MBSR) program that therapists, teachers, and other professionals can use to help children and adolescents manage stress and anxiety in their lives, and develop their natural capacities for emotional fluency, respectful communication, and compassionate action. The program detailed in this book is based on author Amy Saltzman's original curriculum, which has helped countless children and adolescents achieve significant improvements in attention and reduced anxiety. One of the easiest ways to find the still

quiet place within is to practice mindfulness—paying attention to your life experience here and now with kindness and curiosity. The easy-to-implement mindfulness practices in this guide are designed to help increase children and adolescents' attention, learning, resiliency, and compassion by showing them how to experience the natural quietness that can be found within. The still quiet place is a place of peace and happiness that is alive inside all of us, and you can find it just by closing your eyes and breathing. For more information, visit www.stillquietplace.com.

A Quiet Place Valerie Alexander 2016-08-05 A Quiet Place is a place to find Jesus...the miracle of hope. Inspired by true events, the author captivates readers with her life stories. To her peers and patients, she is a nurse; and to a special few called mother and grandmother. Through faith and the power of prayer, God's blessings came in the form of miracles. Miracles that tell a story. It's her story. Embark on an adventure that spans over twenty years of her life. Out of tragedy comes triumph, life and love. Valerie's story will inspire you to believe in Jesus, the miracle of hope.

The 100 Most Popular Young Adult Authors Bernard A. Drew 1997-10-15 The book focuses on individuals writing in the '90s, but also includes 12 classic authors (e.g., Mark Twain, Louisa May Alcott, J.R.R. Tolkien) who are still widely read by teens. It also covers some authors known primarily for adult literature (e.g., Stephen King) and some who write mainly for middle readers but are also popular among young adults (e.g., Betsy Byars). An affordable alternative to multivolume publications, this book makes a great collection development tool and resource for author studies. It will also help readers find other books by and about their favorite writers.

Quiet Places of the Heart Al Thomas 2011-05 Hope, Growth, Change and Loss. These are the seasons of faith, each presenting a special challenge and opportunity for experiencing God's grace, exemplified here through prayers, reflections and vignettes of life. There are moments, sometimes fleeting, sometimes lingering, when elevated thoughts and wonders of the heart lift us beyond ourselves to a transfiguring mountain of the soul's bright day and life is as it has never been. And then! There are moments, sometimes fleeting, sometimes lingering, when great loss [of a person, of a dream, only the reader knows for sure] sinks us into a tremoring valley of the soul's dark night and life is as it has never been. And then, what?

Quiet Places, Warm Thoughts Janette Oke 1983 Deep within our hearts, we all long for a special quiet place. We seek a place set apart from daily struggles and pressures, a safe haven that is ours alone. There, we are free to allow our thoughts and emotions to wash over us, bathing us in the warmth of remembrances shared and the bountiful blessings of God. She weaves the beautiful and the tragic, the humorous and the heart-warming into a stirring tapestry of life, transporting you to your own special harbor, uplifting your spirit, and releasing you to enjoy the world around you.

Paperbound Books in Print 1991

Living with Loss Rachel Kodanaz 2016-05-09 "I am so glad that Rachel wrote this book so she can continue to help more people live with loss. She has a special gift for imparting small and manageable ideas that can profoundly impact someone grieving. Loss is never easy, but Rachel's words and wisdom can help make the journey a bit more bearable and perhaps even more meaningful."—Sharon Liese, from the foreword Living with Loss offers daily encouragement to individuals and families who have recently lost a loved one. The short entries are easy to read and give realistic, practical advice to guide readers through the day. By providing tools and suggestions that offer hope, optimism, introspection, and self-discovery, this book enables readers to embrace the happy days of life with their loved one and gently guide them through their grief.

Acceptance & Mindfulness Treatments for Children & Adolescents Laurie A. Greco 2008 The essays in *Acceptance and Mindfulness Treatments for Children and Adolescents*—which are edited by two luminaries in the field of third-wave behavior therapy—offer a much-needed adaptation of these revolutionary techniques for young people and their families, providing a wealth of new approaches to therapists, counselors, and other helping professionals.

Silent on the Moor Deanna Raybourn 2019-11-11 Come back to the intriguing world of Lady Julia Grey in the beloved historical mystery series from New York Times bestselling author Deanna Raybourn. Despite his admonitions to stay away, Lady Julia arrives in Yorkshire to find Brisbane as remote and maddeningly attractive as ever. Cloistered together, they share the moldering house with the proud but impoverished

remnants of an ancient family—the sort that keeps their bloodline pure and their secrets close. Lady Allenby and her daughters, dependent upon Brisbane and devastated by their fall in society, seem adrift on the moor winds, powerless to change their fortunes. But poison does not discriminate between classes.... A mystery unfolds from the rotten heart of Grimsgrave, one Lady Julia may have to solve alone, as Brisbane appears inextricably tangled in its heinous twists and turns. But blood will out, and before spring touches the craggy northern landscape, Lady Julia will have uncovered a Gypsy witch, a dark rider and a long-buried legacy of malevolence and evil. Previously published. Don't miss the complete Lady Julia Grey mystery series by Deanna Raybourn! Book # 1: Silent in the Grave Book # 2: Silent in the Sanctuary Book # 3: Silent on the Moor Book # 3.5: Midsummer Night (novella) Book # 4: Dark Road to Darjeeling Book # 5: The Dark Enquiry Book # 5.5: Silent Night (novella) Book # 5.6: Twelfth Night (novella) Book # 5.7: Bonfire Night (novella)

Get your My Quiet THoughts journal today and start your writing journey!

The Greatest Love Story Never Told Richard Orion 2015-10-30 This story is based on a true love story that spanned almost two decades. The names and places have been changed to protect the privacy of the individuals involved in this affair. The chronological sequence of events has been maintained for continuity. All the stories and experiences are based on facts. This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret. The first book related to this love story was a book of poems entitled Somewhere, Sometime, Somehow: Love Poems and Short Stories published in 2008 by this author and Xlibris. For the perceptive reader of this book one can trace the ups and downs of our love relationship. These 18 years were filled with robust love and passion for each other. Perhaps it was fantasy; perhaps it was the most real thing we will ever experience. The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her. I opened my heart to her through poetry and thoughtful letters, but she rarely showed me what was in her heart. Perhaps it was a one-sided love affair, but I surely think and hope not. I was convinced that she truly loved me through her words and actions. At least I experienced a pure love that I had only dreamed was possible. The story is told mainly through the exchange of letters and emails to each other. Perhaps readers can experience and hopefully feel the deep love we felt for each other.

For the Family's Sake Susan Schaeffer Macaulay 1999 For many of us the word home brings warm thoughts and happy memories--far more than the dictionary's simple definition of "a place of birth or one's living quarters." For many of us, home is where the heart is. Yet it is even than that. It is the secure environment that allows our hearts to develop. A haven of growth, quiet, and rest. The place where we love and are loved. Sadly though, this kind of home is beginning to disappear as our busy society turns homes into houses where related people abide, but where there is no "heart.". With a desire to help you nurture your fam.

Quiet Places Vinny Lee 1998 Lee provides inspirational ideas for finding and creating personal sanctuaries inside and outside the home--soothing places to relax the mind and refresh the spirit. 240 color photos.

Reign of Outlaws Kekla Magoon 2017-10-24 Robyn Hoodlum's acclaimed story comes to a rousing conclusion in this high-adventure retelling of the classic Robin Hood tale that Rick Riordan hailed as "compelling."

In the Quiet Spaces C E Young 2016-11-04 Noise into peace. Meditations and inspirations.

Such a Quiet Place Megan Miranda 2021-07-13 From the New York Times bestselling author of *The Last House Guest*—a Reese Witherspoon Book Club selection—comes a riveting, “suspenseful” (BookPage, starred review) novel about a mysterious murder in an idyllic and close-knit neighborhood. Welcome to Hollow’s Edge, where you can find secrets, scandal, and a suspected killer—all on one street. Hollow’s Edge use to be a quiet place. A private and idyllic neighborhood where neighbors dropped in on neighbors, celebrated graduation and holiday parties together, and looked out for one another. But then came the murder of Brandon and Fiona Truett. A year and a half later, Hollow’s Edge is simmering. The residents are trapped, unable to sell their homes, confronted daily by the empty Truett house, and suffocated by their trial testimonies that implicated one of their own. Ruby Fletcher. And now, Ruby’s back. With her conviction overturned, Ruby waltzes right back to Hollow’s Edge, and into the home she shared with Harper Nash. Harper, five years older, has always treated Ruby like a wayward younger sister. But now she’s terrified. What possible good could come of Ruby returning to the scene of the crime? And how can she possibly turn her away, when she knows Ruby has nowhere to go? Within days, suspicion spreads like a virus across Hollow’s Edge. It’s increasingly clear that not everyone told the truth about the night of the Truetts’ murders. And when Harper begins receiving threatening notes, she realizes she has to uncover the truth before someone else becomes the killer’s next victim. Pulsating with suspense and with Megan Miranda’s trademark shocking twists, *Such a Quiet Place* is Megan Miranda’s best novel yet—a “powerful, paranoid thriller” (Booklist, starred review) that will keep you turning the pages late into the night.

Great Thoughts from Master Minds 1890

Healing Meditation Mary Grace Umlauf 1996 This new book is an excellent reference for any practicing nurse or care-giver interested in exploring alternative methods of healing. Guidelines for the use of meditation in everyday practice offer these individuals exploration into treatment of the multidimensional nature of their patient's illness and empower the patient's themselves to use their mind as a healing agent.
