2015-08-26 FRIDAY MORNING
THIS GUY WOKE UP - AND
HIS SHVYZONITE WAS GONE!
These are the opening words of an intriguing, often hilarious mystery-and-romance story of one very strange weekend. "This guy" is no other than Nate David Romanoff, a brilliant American programmer working in the beautiful city of Kirovograd, Ukraine. But, despite his brilliance, Nate cannot figure out what the hell

is a "Shvyzonite" - and why it was stolen from him (was it really?) While feverishly running through a maze of clues, and running into some of the weirdest characters in town, he also bumps into a mysterious Fantasy Babe, or more correctly, she bumps into him... Is she the girl of his dreams? Or his DEATH SENTENCE? And what's with the 29-this and 29-that numbers that keep coming up wherever he turns? A tasteful combo: fiction+comics. Handsomely decorated with

genuine photos of where the story takes place, original cartoons, more. The story weaves in and out of the colorful pictures for a delightful reading experience.

New Zealand and Europe 2016-08-29 This book is one of first comparative studies of the cultural, political and economic

interactions between New Zealand and Europe. The chapters that comprise this book are a deliberate exercise in variety inside the theme of New Zealand and Europe: Connections and Comparisons. They derive from the first conference of the New Zealand European Studies Association and give a flavour of the active and far-reaching nature of studies relating to Europe currently taking place in New Zealand. The cultural and historical chapters, while often quite specific in focus, touch on themes of universal cross-cultural relevance: the fate of imported languages and cultures; the tendencies to familiarise or exoticise unknown lands; the problematic representation of women in politics; the ambivalences and tensions between dominant and subordinate cultures; and the responsibility of the intellectual in the face of authority.

Malinalli of the Fifth Sun

Helen Heightsman Gordon
2011-12 The words of her father echo in a young girl's head: Never want what you can never have. Born on the day of the Mexican Goddess of Grass, Malinalli, she takes that name until 1519 when she begins her new Christian life as Marina, one of twenty slaves given to Conquistador Hernán Cortés after he defeats the natives of Tabasco. Having been sold into slavery by a wicked stepfather, Malinalli has learned Mayan as well as her native tongue Nahuatl. When Cortés discovers she can speak two languages, he makes her his interpreter and keeps her constantly at his side. His

soldiers admire her and give her the respectful title of Don^{na} Marina (Lady Marina). Later, as she learns Spanish and becomes trilingual, she helps Cortés form alliances among Nahuatl speakers who hate Moctezuma II, a tyrant who has waged wars on neighboring tribes to obtain captives for human sacrifice. Cortés and his coalition of Spanish conquistadors and Tlaxcalan warriors lead a fierce attack upon the Aztec empire, conquer Moctezuma II, and thus change the fate of Mexico and Spain forever. Although Cortés comes to love Marina, and she brings out his best qualities, he allows her to marry a hidalgo lover for her future protection. Yet Cortés and Malinalli (also called La Malinche) become a team that rebuilds a devastated nation, shapes its Christian destiny, and leaves a proud legacy for two nations that enriched each other even as they tried to destroy each other.

Prima Donna at Large Barbara Paul 2016-03-15 A headstrong young soprano must solve a murder to save her friend The Metropolitan Opera has no time for illness. So when its principal baritone succumbs to a head cold on the eve of Carmen, house diva Geraldine Farrar doesn't hesitate to recommend a replacement: the hungry young American Jimmy Freeman. He's raw, talented, and desperately in love with her—something she doesn't mind at all. But when Freeman is passed over in favor of Philippe Duchon, a legendary

baritone fleeing World War I, the young man is shattered, and the stage is set for tragedy. A throat spray laced with ammonia destroys Duchon's vocal chords, finishing his career once and for all. But who poisoned his spray? While everyone in the company loathed Duchon, Freeman and Farrar are the obvious suspects. To clear their names, the thoroughly modern prima donna who brought flapper-style to the Metropolitan stage will kick up her heels and get to work. *Prima Donna at Large* is the 2nd book in the *Opera Mysteries*, but you may enjoy reading the series in any order. my dog Toto and I got swept up in a twister, we landed in hell. A very colorful hell. Like a rainbow dripping in blood. Now it looks as though this dreadful underworld plagued with vampires, zombies, and shifters will be the site of my eternal damnation. They say this terrifying land called Oz isn't hell or purgatory and escape is possible, but first I must survive the journey down the blood-soaked yellow brick road to the only place in Oz where vampires dare not tread—The City of Emeralds. With enchanted footwear and the help of my three new friends—a friendly zombie, a massive shifter lion, and a heartless axe murderer of evil night creatures (who also happens to be the hottest guy I've ever seen)—Toto and I have a chance to make it to the Vampire Free Zone. When we get there, I must convince the most powerful wizard in this magical land of monsters to send us out of this radiant nightmare and back to the world of the living. They say he's just as frightening as this

monstrous land, that he detests visitors, and even the most horrifying creatures cower in his presence. But I must seek him out. And when I find him, I'll do whatever it takes to make him send me home.

2021-07-29 Everyone knows how Dorothy and Toto save Oz from the Wicked Witch of West...or do they? How will Dorothy survive in a land filled with haunted bags of straw, hollow metal men and giant smelly cats? How will she fight off killer bees, mad wolves and really annoying monkeys? How will she defeat a witch with mind control and an all-seeing eye? And how will Dorothy ever find the way home? The simple truth is that she won't, at least not alone. Of course, she's not alone—she has Toto, her best friend. That is, Toto used to be her best friend. But in Oz,

Dorothy spends more time talking to a cat than to him. And Toto finds new friends, too. Maybe, he should just take his wolf friends back to Kansas instead...

in the first part of the book are revisited. Based on daily tape-recorded 'conversations' between a baby and her father, the data demonstrate how, over a two-year period, the child learns to express and understand emotions within social interactions. This capacity to reason with emotions is examined through four areas: perceiving emotion, integrating emotion, understanding emotion and managing emotion. The Development of Emotional Intelligence adds a new perspective to the theoretical debate on emotions and how they develop. It will be of great interest to psychologists and any professionals dealing with families. It will also be helpful reading for parents.

Tales from the many trips to the Maldives of the author. Avoiding the tourist resorts, he visited remote villages, where tradition is combined with innovation and technology, meeting local people and trying to understand their culture. Always island hopping by boat, he went from postcard perfect uninhabited islands and through the streets of the bustling capital Malé, in its hidden corners often overlooked by tourism. In dozens of dives, he witnessed the richness of wildlife and the sparkling colors of these seas. But the islands are facing rapid changes and serious problems, and they are not always the paradise they seem. The Maldives are at a turning point, with political, economic and environmental changes that pose difficult challenges to the government and to the nation. The book is completed by an analytical index, a chronology of the Maldivian history and a bibliography.
