Quilt As-You-Go Made Modern Jera Brandvig 2014-10-01 Learn to create modern quilts more quickly and easily than ever with this popular method, featuring thirteen projects and twenty-five bonus ideas. Do you believe rules were meant to be broken? If so, this improvisational quilt-as-you-go technique is for you. Instead of dealing with precise paper patterns and cutting measurements, you'll learn how to piece fabric onto small, manageable batting blocks. Let your creative juices flow as you quilt directly on the blocks (not the whole quilt!), whether in large abstract zigzags or small structured stitches. After the blocks have been joined, all you need to do is add backing fabric and binding, and—voila—it's finished! A modern approach to quilting that's fresh, fun, and simpler than it sounds; it will change the way you quilt (for the better) Great for moms or anyone with a busy schedule—these thirteen projects are easy to transport because they make it simple to pick up where you left off Go your own way: This method allows you to use a pattern or improvise, creating a wide variety of design options Save money! Learn how to finish your own quilts without the use of a longarm professional "Quilting is easier than ever with Jera Brandvig's modern spin on the popular quilt-as-you-go technique." —*Modern Quilts Unlimited* "Quilt-as-you-go (QAYG) is one of those techniques that every quilter is curious about trying, but can be daunting as the process is so different to the traditional process of making a quilt top and then quilting

it. . . . The book introduces the technique very thoroughly, so you can clearly understand the difference between traditional piecing and quilting and QAYG. Then there's a great selection of gorgeous quilts that are sure to appeal to the modern quilter. A must if you've ever thought about trying QAYG and haven't had a clue where to start." —Make Modern Magazine

Teeny-Tiny Quilts Donna Lynn Thomas 2018-04-01 Master the precision and attention to detail needed for quilts—in sizes small, smaller, and smallest! In this book, author Donna Lynn Thomas teaches you the skills you need to create accurately pieced quilts in miniature. Choosing fabrics (with emphasis on print size), cutting (with emphasis on accuracy), sewing (with techniques for how to sew small pieces and tiny half-square triangles), pressing, and finishing are all covered in depth. Build your confidence and skills at your own pace with easy-to-follow instructions and a progression of twelve main projects, from easier to more challenging. Plus, each project comes in up to three sizes, so you can choose how small you want to go!

Quiltmaking by Hand Jinny Beyer 2004 This book introduces new quilters

to a simple yet versatile set of techniques that allows them to create sensational quilts entirely by hand. --from vendor description.
Quilt As Desired Method Boris Lashutva 2021-07 A sensible and well-reasoned approach to quilt making takes the fear out of free motion stitching on the home sewing machine. The stated goal of the book is in the author's promise that " by working in smaller, more manageable sections, you can learn to quilt beautiful linear and free-motion patterns with a lot less effort and a lot more fun. This is an invaluable guide not only for anyone wanting to quilt their quilts on their own machines, but also to learn or improve upon many different techniques they can use to realize their own vision. This book's approaches to quilt making allow for a wealth of design opportunities to employ in your projects. Working with improvisation is a choose-your-own-adventure with no master plan. Instead, we start with an inspiration, a gathering of materials to embrace the theme, and a set of design guidelines for each project. Instead of piecing whole backs, squaring up large pieces, and neck-straining quilting, you will learn new ways to make each section more manageable through techniques that are as simple or as involved as you wish.
How to Make a Quilt Barbara Weiland Talbert 2014-01-01 Provides step-by-step, illustrated instructions on the basics of quilting, including required cutting and sewing tools, block cutting and assembly, batting, backing, and binding.

Simple Geometric Quilting Laura Preston 2019-08-27 Bold Shapes and Clean Lines for Faster Modern Quilting Breathe some fresh air into your quilts with 20 stunning contemporary projects from designer Laura Preston. Using simple shapes and solid colors, Laura’s method streamlines the traditional quilting process for beautiful quilts in less time. Quilt tops come together quickly with large-scale cuts of fabric and as little piecing as possible, making these projects perfect for beginners. Advanced quilters can delve into modern techniques such as creating curved lines and working with negative space rather than intricate quilting blocks. From chic wall hangings to cozy crib-size and queen-size quilts, every project doubles as a work of art. Fueled by her minimalist lifestyle traveling the United States in her Airstream trailer, Laura’s

designs reflect the striking landscapes of the American West. The Arches Queen Quilt showcases the dramatic curves found in Arches National Park in Utah. The Lone Pine Pillow, with its range of triangles, was inspired by the Sierra Nevada mountains, and the Sand Dollar Table Runner was sparked by a beach in Big Sur, California. Follow Laura's insightful design tips, and soon you'll start to see inspiration everywhere. With illustrated step-by-step instructions and in-depth tutorials, this book is an essential resource for the modern quilter.
