TRAVELS IN CENTRAL AMERICA, PARTICULARLY IN NICARAGUA: E. G. SQUIER 1853

In the Vortex of the Cyclone Excilia Saldaña 2019 The first-ever bilingual anthology by the Afro-Cuban poet Excilia Saldana contains a wide-ranging selection of her work, from lullabies to an erotic letter, from lengthy autobiographical poems to quiet reflections on her Caribbean island as the inspiration for her writing. Known in Cuba as a poet, essayist, translator, and professor, Saldana won the prestigious Nicholas Guillen Award for Distinction in Poetry in 1998 and the La Rosa Blanca Prize for La Noche, a children's book, in 1989. Before her death in 1999, most of her work had appeared in Spanish exclusively in Cuba with only scattered translations. This collection emphasizes her construction of a personal and poetic autobiography to reveal the identity of one of the best Afro-Caribbean poets of the twentieth century.

Identity and Difference Kathryn Woodward 1997-05-05 Book on identity

Birds of Nicaragua Liliana Chavarría-Durieux 2018-05-15 Birders in Central America have long known that Nicaragua is one of the best birding locations in the world, and with tourism to the country on the upswing, birders from the rest of the world are now coming to the same conclusion. The largest country in Central America, Nicaragua is home to 763 resident and passage birds, by latest count. Because of its unique topography—the country is relatively flat compared to its mountainous neighbors to the north and south—it forms a geographical barrier of sorts, which means that many birds that originate in North America reach their southernmost point in Nicaragua, while many birds from South America reach their northernmost point in the country. There are few places in the world where you can find both a Roadrunner and a Scarlet Macaw. *Birds of Nicaragua* features descriptions and illustrations of all 763 species currently identified in the country, along with information about 44 additional species that are likely to appear in the coming years. Range maps, based on years of field research, are color-coded. Other features include a richly illustrated anatomical features section, a checklist, a visual guide to vultures and raptors in flight, and a quick-find index.

Reminiscences of the "filibuster" War in Nicaragua Charles William Doubleday 1886

Agrarfront im Regenwald Monika Oberfrank 2005

Adiós Muchachos Sergio Ramírez 2011-10-21 *Adiós Muchachos* is a candid insider's account of the leftist Sandinista revolution in Nicaragua. During the 1970s, Sergio Ramírez led prominent intellectuals, priests, and business leaders to support the Sandinista National Liberation Front (FSLN), against Anastasio Somoza's dictatorship. After the Sandinistas overthrew the Somoza regime in 1979, Ramírez served as vice-president under Daniel Ortega from 1985 until 1990, when the FSLN lost power in a national election. Disillusioned by his former comrades' increasing intolerance of dissent and resistance to democratization, Ramírez defected from the Sandinistas in 1995 and founded the Sandinista Renovation Movement. In *Adiós*

Muchachos, he describes the utopian aspirations for liberation and reform that motivated the Sandinista revolution against the Somoza regime, as well as the triumphs and shortcomings of the movement's leadership as it struggled to turn an insurrection into a government, reconstruct a country beset by poverty and internal conflict, and defend the revolution against the Contras, an armed counterinsurgency supported by the United States. *Adiós Muchachos* was first published in 1999. Based on a later edition, this translation includes Ramírez's thoughts on more recent developments, including the re-election of Daniel Ortega as president in 2006.

Historia de Nicaragua Desde Los Tiempos Prehistóricos Hasta 1860 José Dolores Gámez 1889

Horses Make a Landscape Look More Beautiful Alice Walker 2011-11-22 Poems from the author of *The Color Purple*: "This book has two fine strengths—a music that comes along sometimes [and] Walker's own tragicomic gifts" (*The New York Times Book Review*). The title of this collection comes from a Native American shaman who, reflecting on the terrible problems brought by white colonizers, nearly forgave them all because with the settlers came horses to the North American Plains. And, indeed, in these poems we find Alice Walker seeking a saving grace even in the most difficult circumstances, and in the hearts of the most brutal oppressors. Here Walker's attention turns toward the small moments and subliminal exchanges between lovers and enemies, even as her verse addresses concerns as vast as the choking of the planet by war and pollution. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

Foreign Relations of the United States 1895

Waikna; Or, Adventures on the Mosquito Shore Ephraim George Squier 1856

Recording Oral History Valerie Raleigh Yow 1994-02-14 With extensive examples from both historical and social science literature, this book is a practical guide to methods of recording oral history. The author provides suggestions on a range of techniques from developing a written interview guide and using tape recorders to asking probing questions during in-depth interviews and editing transcriptions. She also covers the ethical and legal issues involved in conducting life-history interviews and elaborates on three different types of oral history projects: community studies, biographies and family histories.

Walker's Expedition to Nicaragua William Vincent Wells 1856

La Noche De Los Anillos Chuno Blandon 2005-01-31 La noche de los anillos es una novela moderna, donde el despliegue de tecnicas narrativas contemporaneas logra generar formas propias que la elevan sobre el nivel puramente artificioso que ha dominado a la literatura hispanoamericana posterior al boom. Si aparentemente hay trazos de realismo magico -como las andanzas del Cuique, espiando con fines puramente esteticos a todas las parejas de recién casados en el Hotel de Santa Marma de Ostuma y en la ciudad misma-, es porque los atributos insolitos de sus personajes y el contexto mixto-geografico lo permiten. Con La noche de los anillos, Blandon, con su genio socarron, pero serio, en el mejor estilo castizo

de Cervantes, Camilo Jose Cela y Jardiel Poncela se inserta firmemente en la copiosa produccion narrativa que ha distinguido a Nicaragua en los ultimos aqos.

Indigenous Peoples in International Law S. James Anaya 2004 In this thoroughly revised and updated edition of the first book-length treatment of the subject, S. James Anaya incorporates references to all the latest treaties and recent developments in the international law of indigenous peoples. Anaya demonstrates that, while historical trends in international law largely facilitated colonization of indigenous peoples and their lands, modern international law's human rights program has been modestly responsive to indigenous peoples' aspirations to survive as distinct communities in control of their own destinies. This book provides a theoretically grounded and practically oriented synthesis of the historical, contemporary and emerging international law related to indigenous peoples. It will be of great interest to scholars and lawyers in international law and human rights, as well as to those interested in the dynamics of indigenous and ethnic identity.

Indigenous Peoples and Poverty Robyn Eversole 2013-07-04 This book brings together two of today's leading concerns in development policy - the urgent need to prioritize poverty reduction and the particular circumstances of indigenous peoples in both developing and industrialized countries. The contributors analyse patterns of indigenous disadvantage worldwide, the centrality of the right to self-determination, and indigenous people's own diverse perspectives on development. Several fundamental and difficult questions are explored, including the right balance to be struck between autonomy and participation, and the tension between a new wave of assimilationism in the guise of 'pro-poor' and 'inclusionary' development policies and the fact that such policies may in fact provide new spaces for indigenous peoples to advance their demands. In this regard, one overall conclusion that emerges is that both differences and commonalities must be recognised in any realistic study of indigenous poverty.

The Buccaneers of America Alexander O. Exquemelin 2012-12-27 Fascinating chronicle of the bands of plundering sea rovers who roamed the Caribbean and coastlines of Central America in the 17th century. Includes exploits of the infamous Henry Morgan and his burning of Panama City.

Worldmark Encyclopedia of Cultures and Daily Life: Americas Timothy L. Gall 2009 Provides information on the cultures of the world, covering different areas of daily life including clothing, food, language and religion.

The Gate of the Pacific Bedford Pim 1863 "The author's efforts to open a route for an Atlantic-Pacific canal through Nicaragua. Discusses New Zealand's interest in this possible sea link and in particular the use of Port Fitzroy, Great Barrier Island as a coaling station (p. 371-375)"--Bagnall.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Songs of Cifar and the Sweet Sea Pablo Antonio Cuadra 1979

Geomorphology of Central America Jean Pierre Bergoeing 2015-05-18 Geomorphology of Central America is authored by a scientist with more than 30 years of regional assessment research experience in Central American countries, arming scientists with a classic research method—a method most effective when applied to specific geographic regions globally. The scientific techniques used for assessing regional

studies of an area reflect a level of expertise that has become more difficult to come by over the past three decades and underscores the importance of regional assessments of geomorphological features.

Complemented with beautifully crafted and exacting maps that capture the region's unique landscapes, *Geomorphology of Central America* introduces a global vision of the geomorphology and volcanic field of Central America from Guatemala to Panama, making it the first single source of geomorphological content for the region. Features the latest research on the seismic behavior of the Central America region, including volcanic activity, landslides, rivers, forest areas, and topographic environments. More than 100 figures, illustrations, and photographs underscore key concepts and aid in retention. Authored by a geomorphologist with more than 30 years of research experience in the field with a focus on Central America.

The Pipil Language of El Salvador Lyle Campbell 1985-01-01 The series builds an extensive collection of high quality descriptions of languages around the world. Each volume offers a comprehensive grammatical description of a single language together with fully analyzed sample texts and, if appropriate, a word list and other relevant information which is available on the language in question. There are no restrictions as to language family or area, and although special attention is paid to hitherto undescribed languages, new and valuable treatments of better known languages are also included. No theoretical model is imposed on the authors; the only criterion is a high standard of scientific quality.

Marlborough: His Life and Times, 1933 Winston S. Churchill 2014-03-06 The prime minister and Nobel Prize-winning historian begins his four-volume biography of the British statesman John Churchill, first Duke of Marlborough. In the first volume of this ambitious and stunningly written biography, Sir Winston S. Churchill discusses the early career and stratospheric rise of his illustrious, seventeenth century ancestor. John Churchill, the Duke of Marlborough, may have been eclipsed in history by his more well-known descendant, but in his time, Marlborough was considered one of England's foremost military and political leaders. This first installment pays particular attention to personal details of Marlborough's life, and the important role several women played in his success—including his sister, his wife, the Duchess of Cleveland, and Queen Anne herself. Churchill breathes life into these personal connections in order to showcase Marlborough not only as a luminary figure in British history, but also to bring him to life once again in the mind of the reader. "A sustained meditation on statecraft and war by the greatest war leader of our time." —Foreign Affairs "The greatest historical work written in our century, an inexhaustible mine of political wisdom and understanding, which should be required reading for every student of political science." —Leo Strauss

The Canterville Ghost Oscar Wilde 2016-07-30 An amusing chronicle of the tribulations of the Ghost of Canterville Chase when his ancestral halls became the home of the American Minister to the Court of St. James.

Yoruba Ritual Margaret Thompson Drewal 1992-03-22 Yoruba peoples of southwestern Nigeria conceive of rituals as journeys -- sometimes actual, sometimes virtual. Performed as a parade or a procession, a pilgrimage, a masking display, or possession trance, the journey evokes the reflexive, progressive, transformative experience of ritual participation. Yoruba Ritual is an original and provocative study of these practices. Using a performance paradigm, Margaret Thompson Drewal forges a new theoretical and methodological approach to the study of ritual that is thoroughly grounded in close analysis of the thoughts and actions of the participants. Challenging traditional notions of ritual as rigid, stereotypic, and invariant, Drewal reveals ritual to be progressive, transformative, generative, and reflexive and replete with simultaneity, multifocality, contingency, indeterminacy, and intertextuality. Throughout the book prominence is given to the intentionality of actors as knowledgeable agents who transform ritual itself through play and improvisation. Integral to the narrative are interpolations about performances and their meanings by Kolawole Ositola, a scholar of Yoruba oral tradition, ritual practitioner, diviner, and master performer. Rich descriptions of rituals relating to birth, death, reincarnation, divination, and constructions of gender are rendered all the more vivid by a generous selection of field photos of actual performances.

Sumumayangna Los Hijos Del Sol Cuentos Mitos Y Poemas ebook download or read online. In today digital age, eBooks have become a staple for both leisure and learning. The convenience of accessing Sumumayangna Los Hijos Del Sol Cuentos Mitos Y Poemas and various genres has transformed the way we consume literature. Whether you are a voracious reader or a knowledge seeker, read Sumumayangna Los Hijos Del Sol Cuentos Mitos Y Poemas or finding the best eBook that aligns with your interests and needs is crucial. This article delves into the art of finding the perfect eBook and explores the platforms and strategies to ensure an enriching reading experience.

Table of Contents Sumumayangna Los Hijos Del Sol Cuentos Mitos Y Poemas
